Good for Nothing - Brandon Graham 2017

"In Flip Mellis's recent past he had, by his own assessment, his feet planted squarely on terra firma. As a husband and father he was a consistent breadwinner. As a business professional, he was a go-getter. For twenty years he did all that was expected of him, if not much more. But a job loss in his middle years, in the midst of a national economic crisis, knocked Flip squarely on his big, soft ass where he has been wallowing for nearly a year. Over the course of one hectic week, replete with a cast of colorful characters, Flip is forced by circumstances of his own invention to finally get his life headed in the right direction"--

Squatter - Leah Leonardsen 2002-11-25

Living underground is not a bed of roses. But I'm living a dreamers life, with a dream, in a place, a time that makes a difference, when one is born in the Americas, and experienced

growing up with ration cards, steel bands, calypso, Jazz bands, rock 'n' roll, free sex, passion, can-can in fashion, bomb scares, Coca-cola, Pepsi, bubble gum, all fought for and won, a place in the sun, while men walked on the moon.

BOLD NEW WORLD and THE POTENTIALIST MOVEMENT - Dr. Freeman Rader Ph.D.

2019-10-30

This very large 465 page book is actually 2 separate but closely related books bound together as one — an inspirational novel and a thought-provoking philosophy book. Together they tell the story of a bold and visionary group of people creating a highly advanced prototype community and way of life based upon applying a philosophy that believes in human potential rather than supernatural forces, helps individuals self-actualize, promotes values and responsibility for SELF, SOCIETY, & ENVIRONMENT; and creates harmonious communities in which human potential flourishes. This

results in happy people doing great things and achieving a tremendous sense of enjoyment and accomplishment in the process (something we all seek). As the story unfolds, a bright progressive group of people in Colorado adopt this new philosophy, become part of the Potentialist Movement, and focus on how to fund and develop this highly advanced community. To meet the challenge, the founder (Freeman Valor Smith) convinces the Hollywood producer (Steven Spielman) that the story would make a good film, thus ingeniously getting the producer to make the development of the project possible by funding its construction as part of the cost of production. So the project gets underway. But the powerful editor of the local newspaper (Norman Sully) has a deep grudge against the founder and plans to totally disrupt the group's efforts — so he hires an attractive undercover reporter (Serene St. Haven) to infiltrate the group and dig up as much dirt

as possible. But a romance ensues between the reporter and the founder that changes the situation dramatically. So the editor takes drastic measures on his own to sabotage the project. What results is an intricate web of romance, treachery, intrigue, and inspiration. With great courage, this resourceful group of Potentialists overcomes all obstacles and a BOLD NEW WORLD is created which shows what people with the right values in the right environment can accomplish.

are sleeping off a night of shots, fights, and laughs in preparation for yet another evening of mayhem. As darkness falls once again, they stand behind the bar, create cocktails on demand, and bravely face the next unpredictable ten hours. In *From the Other Side*, seasoned mixologist Trixie Tamerlane provides an entertaining glimpse into the mind of a woman who has made her living interacting with a diverse group of patrons from behind the bar. While providing insight into the importance of tipping, patience, and manners, Tamerlane also shares amusing anecdotes about the drama that plays out both behind and in front of the bar. From the patron who buys shots for all the ladies and grabs the deejays microphone to talk about his supposed wealth to the creepers who stalk female bartenders and beg for companionship, Tamerlane covers it all with a brutally honest perspective only an experienced bartender can provide. *From the Other Side*

shares valuable advice for anyone who has ever sent back a drink, complained about the price of a martini, or planted themselves on a bar stool with the hopes of meeting their future spouse.

**A Bartender's Story** - Tom Obermeier 2008-06-13

When last we heard of Jerry Russell he had just ended his employment with Bill Mucs in the story *The Dance Teacher*. What happens to Jerry Russell is chronicled in this sequel, *A Bartender's Story*. Welcome to *The Stockyards Bar and Restaurant* where the good and the bad mix together like anybody's favorite cocktail and, like any other respectable drinking establishment, the *Stockyards* has its regular clientele. The regulars at *The Stockyard* aren't any different, except that they also share a common love of community theatre, and occasionally will engage in some production that they all can reflect about afterwards at their favorite spot, *The Stockyards*. One of their members, fellow actor and part time playwright,

William Dorn, has a moral dilemma to deal with. Allen Flesser, the man who molested William when he was nine, had been arrested on other sexual abuse charges and released due to lack of evidence.

Flesser's transgressions left emotional scares on all of his victims and cost William years of therapy in an effort to put it all behind him, but his past had now come to haunt him. Faced with the injustice of these circumstances, William Dorn will concoct a solution that will put at risk the lives of every one of the regulars at The Stockyards as well as Jerry Russell and Ann Brill.

*More Than a Good Friend* - Remi Carrington 2023-06-19

In high school I made a deal with my best friend. If neither of us were married by 35, we'd marry each other. We haven't spoken about it since. So when he proposes at our party, I walk away. I've loved him forever, but he is just making good on a deal. I deserve better than that. So I get on every dating app I can and vow to change things. I'll meet

someone new and forget about how much I love my best friend. That's my plan. But it veers a little off course when he gets protective about my dates and goes out of his way to spend time with me. I'm not sure what to think anymore.

You Didn't Hear It From Us - Dushan Zaric 2006-11-07

Ever wonder how the great flirts do it? How they manage to attract a man's attention, even in the distracting setting of a crowded bar? And then, once they've got it, how they keep him focused? The people standing behind the bar watch this game play out night after night. Now, two of the best in the business, Dushan Zaric and Jason Kosmas, are ready to spill all the secrets of the hookup game. In this groundbreaking book, they tell women everything they need to know to pick up men (the right men). A good bartender doesn't just know how to mix drinks -- he knows how to read people, too. Dushan and Jason have witnessed every kind of hookup (and screwup) you can imagine. They know who is

going to send over a drink before he even thinks of it. They can tell if a man's a bully, a loser, or gay as soon as he walks in the door. Most of all, they know what women have to do to make guys want to get their number. Drawing on their own observations as well as surveys of their patrons, Dushan and Jason show women what men are really thinking and how to use that information to their advantage. They provide step-by-step advice on everything from how to approach a guy to how to tell if he's worth it, and how to make an exit if he's not. Filled with street smarts, bar lore, and, of course, delicious cocktail recipes, *You Didn't Hear It from Us* is ultimately about more than dating -- it's about learning how to present the best parts of yourself, thus making the world your martini glass.

[The Cocktail Waitress](#) - James P. Spradley 2008-02-21

A 1975 classic, this highly readable, in-depth study examines a familiar female role in contemporary American society. The authors apply fieldwork methods to the study of social behavior in a college baras viewed from the perspective of cocktail waitresses. They describe in detail the day-to-day lives of women and the meaning of work for women in a mans world. Not a feminist tract, their book provides a wealth of empirical data on the nature of being female in our culture.

The Cocktail Waitress examines female/male relationships as well as patterns of male dominance in social interaction, and shows how these are linked to more general issues in anthropology. The work teaches important social science concepts while always dealing with the college students own world. Its objective presentation of the waitress casts light on significant social issues and the role of women in todays society, together with the manner in which female-male roles are interlocked.

At last—the newest nail-biting Kera Van Brocklin mystery/thriller by Golden Crown Literary Society nominee Jody Valley. Feeling depressed and needing a change in her life, Private Investigator Kera Van Brocklin’s identical twin, Deidre, decides to clear her head by taking a job with a small adventure cruise company in Alaska. When Kera learns that Deidre has been seriously injured, she immediately flies to Alaska—only to find her sister unconscious and unable to communicate. Hospital and senior cruise staff try to convince her that Deidre’s fall off a steep cliff was either a tragic accident or a botched suicide attempt. Knowing that Deidre wasn’t suicidal and had

a terrible fear of heights, Kera suspects something more sinister. But what? With only a few days left of the cruise, Kera devises a risky plan to join the ship with her partner, Mandy, so that they can determine what really happened to her sister. Now trapped on a cruise filled with people they can’t trust and surrounded by the frigid Alaskan waters, Kera and Mandy are about to discover that Deidre’s “accident” is just the tip of the iceberg—and they have created their own personal Titanic. A Kera Van Brocklin Series Book 3.

**The Bartender Diaries...A Life Fantastic!** - Christopher Lento 2012-12-26

Raised in the Forrest Hills section of Newark, New Jersey, city life was an inherent part of Christopher Angelo Lento's experience. While his Family relocated to Hunterdon County, NJ, in his late teens, high school graduation and a brief stint at Rutgers University was nowhere near enough to quench his thirst for adventure. An attempted career in modeling and acting took him around the world, yet the position of bartender and bar manager paid the bills along the way. Relocating to different cities and abroad landed him in Hollywood.. An actor by trade and bartender by night give this barkeeps memoir an edge and truth into the underworld of bartending not seen before. This is the memoir the industry craves, yet doesn't dare write.
