

How To Find A Lesbian Relationship

"A Lesbian Family in a Straight World" -

Kristal Rose O'Neill 2011

Aim: To explore the experiences of lesbian women in the transition to planned parenthood, and the impact that this transition has on their relationship. **Objectives:** To identify key changes which lesbians described as being of significance in becoming parents and explore how these key changes affected the relationship, and to examine the responses from friends, family and health professionals during the transition to parenthood. **Method:** A general exploratory qualitative approach which employed in-depth semi structured interviews was used. Eight participants were interviewed. Queer theory was used as a theoretical framework to interpret

data. **Findings:** The three main themes which emerged from the findings were a lesbian family in a straight world, donors and biology and two mothers. Findings reveal that lesbian women face a number of challenges in the transition to parenthood. Lesbians must go to lengths to achieve a pregnancy, as they must find a suitable donor before attempting to conceive. Post birth, fatigue, focusing on the baby, changes in sexual relationships, and changes in leisure time all impacted on the relationship. Viewed through a lens of queer theory, relationships were impacted by societal heteronormativity and homophobia, including an emphasis on biology and a lack of recognition apparent for non-biological parents. The

responses of others, including friends, family, and health professionals, ranged from positive and supportive, to insulting and misinformed. Negotiating the health care system involved issues of power dynamics and lesbian women needed to constantly 'come out'. The acknowledgement of the relationship was felt to be important, and lesbians seek lesbian friendly health professionals to avoid homophobia.

Conclusion The research has implications for health professionals, teachers, teaching and clinical environments, government, policy, and lesbian women. Recommendations concerning culturally safe practice, early childhood, primary, tertiary and postgraduate education are made, followed by recommendations for practice and clinical environments. Education for professionals is discussed, as well as recommendations for legislation and policy change.

The Lesbian Polyamory Reader - Marcia Munson
2013-10-18

In reading *The Lesbian Polyamory Reader: Open Relationships, Non-Monogamy, and Casual Sex*, you'll quickly discover that the steps toward love and happiness are as easy as 1, 2, 3, and maybe even 4 or 5. And you'll find that if your own lesbian relationship lies outside the "traditional monogamous couple" model, you're definitely not alone. You'll explore many multifaceted and multifarious love relationships, each one applicable to your own liking, if you so choose. You'll find successful models of relationship styles--regardless of your own orientation--from cover to cover, and you'll discover the pleasing polyphony in the many, many female voices of authorities on love and love relationships. Whereas other similar studies project the limited view of one or two authors, *The Lesbian Polyamory Reader* calls upon a broad scope of writers, professional women and academics alike. You'll see that outside the gay rights movement that currently pushes for a traditional, monogamous marriage model of gay

couplehood, there lies pleasing multiplicity in the arms and hearts of lesbians worldwide. Specifically, this collection offers: “first person” articles--stories that describe a variety of lesbian experiences relating to multiple lovers in the 1970s, '80s, and '90s “how-to” articles--descriptions of the various polyamorous relationship configurations, including ways of dealing with jealousy “theoretical” pieces--the history of multiple relationships, the social implications of practicing a love style other than monogamous coupling, and safer sex considerations Much, much more than a book on personal satisfaction, *The Lesbian Polyamory Reader* also focuses on the social implications of this love phenomenon, bringing it into a more inclusive circle of discussion for lesbians, educators, and students of sociology and sexology. You'll find satisfaction in seeing the love so many lesbian women have achieved by not mimicking the “marriage model” of living. *Authentic Peace* - 2021-07-20

how-to-find-a-lesbian-relationship

Authentic Peace is the debut memoir by Anne-Marie Zanzal, M.Div. It tells the honest and real-life account of a married woman, in mid-life, who experiences a physical and emotional awakening that opens her eyes to her sexuality and sensuality, which had long been ignored. *Authentic Peace* is for those who are in similar transitional stages in life, whether leaving a marriage or a relationship. This is a story of embarking on the journey of finding your true, authentic self and the book includes topics of sexuality and sensuality, marriage, parenting, parental relationships, divorce, grief, racism, politics, spirituality, religion, and more. This book continues Anne-Marie's work, which includes online coaching and support groups for people coming out later in life. Anne-Marie has dedicated her life to building community and helping people overcome societal restrictions to find and claim their authentic, true selves despite all odds.

Lesbians Talk Violent Relationships - Joelle
Downloaded from
legacy.opendemocracy.net on 2023-05-22
by guest

Taylor 1995

"That lesbian relationships can be violent and abusive, rather than the woman-to-woman utopias of feminist myth-making, is a well-kept secret. But how prevalent is violence and coercion in lesbian experience? How do the different kinds of abuse - physical, psychological and sexual - manifest themselves and what are the consequences? Are alcohol and drug misuse, internalised homophobia and childhood abuse causes or symptoms? How can we challenge the myth that violence appears only in S/M or butch-femme relationships? And what should you do if you find yourself in a relationship which is becoming violent or coercive?" "Lesbians Talk Violent Relationships is the first book on abusive lesbian relationships to be published in the UK. Basing their research on an extensive survey of survivors' own experiences, the authors draw up a picture of how abuse happens and how we might deal with it. Essential reading for professionals working with violence and abuse,

lesbians who have for too long ignored the problem - and, of course, for anyone who has survived or is undergoing an abusive relationship."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

O.m.g. I'm Lesbian - Zoe Jasmine 2014-09-17
During adolescence, most young women begin to be aware of sexual feelings and to take an interest in dating. Many young women feel physically attracted to men. But other young women feel physically attracted to women. You may notice that you feel ?turned on? by other women. You may feel different from your girlfriends, like you don't fit in sometimes. When your girlfriends are checking out the guys, you may find yourself checking out other women. Going out with men may not interest you. You may find yourself wondering, "Why aren't there any men like these terrific women I keep meeting?" You may also feel confused or unsure about whether or not you're a lesbian. You may

feel confused because you're attracted to both men and women, and that's okay. Some women have relationships with both men and women throughout their lives. Some women eventually decide to be exclusively lesbian or exclusively heterosexual. Sexuality usually develops over time, so don't worry if you aren't sure.

Gay Relationships for Men and Women - Tina B. Tessina 1989

Here is a step-by-step guide to making relationships work for America's more than twenty million gay men and women. Written in a warm, direct style, this book is leavened with humor and filled with anecdotes and examples drawn from the lives of the author's clients and friends.

Lesbian Love and Relationships - Suzanna Rose 2013-09-13

Explore the broad range of healthy lesbian attitudes and behaviors in love, friendship, self-image, and society! This pioneering book makes a revolutionary assumption: that lesbian and

bisexual women are normal, if not average. Instead of focusing on which family or genetic quirks might produce lesbians, these studies turn attention to describing the healthy ways lesbians interact with each other, with heterosexual women, and with society. The result is a significant exploration of uncharted territory. *Lesbian Love and Relationships* examines the lives of lesbian and bisexual women from adolescence to old age, addressing issues of class and race as well as sexual orientation. It encompasses theory, empirical research, and memoir on such diverse topics as physical appearance, cross-generational friendships, butch-femme issues, and lesbian sexuality. It also looks at such difficult and painful issues as lesbian domestic violence and the impact of homophobia on lesbian couples. *Lesbian Love and Relationships* asks personal, political, and psychological questions, including: how do young lesbians find each other? what makes successful lesbian relationships last? how

does social class affect African-American lesbian relationships? what was it like growing up lesbian in the South during World War II? does “lesbian bed death” exist? This compendium offers exciting original research in a neglected field. Lesbian Love and Relationships is an essential resource for anyone interested in women’s lives and sexuality as well as scholars in the field.

Internet Lesbian and Gay Television Series, 1996–2014 - Vincent Terrace 2015-09-01

Created around the world and available only on the Web, internet “television” series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The third of five volumes on Internet TV series, this book covers 335 alphabetically arranged gay and lesbian programs, 1996–2014,

giving casts, credits, story lines, episode descriptions, websites, dates and commentary. A complete index lists program titles and headings for gay, lesbian, bi-sexual, transgender and drag queen shows.

Enfp and Entp Lesbians - Erica Crooks
2015-01-08

Do you know your personality type ? Are you that personality type that's different from the majority ? because here's the book you seek. For those wild, crazy, creative, nonconformist thinking lesbians is here. This book isn't for just any Lesbian couples. No, no. This book is for those couples who love to talk for hours, have huge creative ideas coming out of their mind like a big idea machine, and just see opportunities everywhere even if the whole world thinks of them as illogical or unrealistic. That's not going to stop this ENFP and ENTP couple. But why does this book even exist ? Well personality type science can do many things. Besides, this book is made specially for one of the rarest and most free spirited, happy and unique personality types ever. In this case personality types in a Lesbian relationship. From the author of ENFP and ENTP L The True Free Spirits Where are You ? and The Transwoman Self Confidence book Erica Crooks. Visit officialericcrooks.com for more information on the author

Midlife Lesbian Relationships - Marcy R Adelman 2020-09-23

What awaits lesbians at middle age? Midlife Lesbian Relationships explores the rich world of lesbian relationships at midlife, from dating through the loss of parents, and describes the central relationship between who we are as adults and our connections with friends, lovers, parents, and children. Midlife Lesbian Relationships will help lesbians and the professionals who counsel them navigate and understand the midlife transition. Offering both theoretical and descriptive material, this timely work discusses the difficulties of stigma and the strengths of female same-sex relationships, providing insight into the challenges lesbians find at middle age. Midlife Lesbian Relationships provides insight into the challenges and solutions of middle age for lesbians, discussing: friendships dating and courtship couple relationships and the key ingredients that strengthen and deepen them parenting young children and the influence of lesbian midlife maturation on confidence and satisfaction in

mothering substance abuse and the road to recovery the evolution of the bonds between these women and their biological families what many lesbians in middle age go through when their parents pass away, including the easing of internalized homophobia Midlife Lesbian Relationships illustrates the commonalities and differences between lesbians and other women at midlife, and illuminates how the interplay between middle age and relationships can contribute to midlife development. Make this valuable volume part of your collection!

Lesbian Love Addiction - Lauren D. Costine
2015-11-05

Everyone makes mistakes in relationships at one time or another. Sometimes they learn from those mistakes. Other times, they return to those behaviors and cycle through failed relationship after failed relationship. Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy, unfulfilled, lonely, or worse. Lesbian Love Addiction:

Understanding the Urge to Merge and How to Heal When Things go Wrong makes visible the elements of love addiction that many lesbians suffer from. Love addiction for lesbians comes in many forms. Some struggle by sexually acting out and others are serial relationship junkies, jumping from one relationship into the next. Some are addicted to the high of falling in love and once that wears off don't know how to handle the day-to-day realities of a committed relationship. Some are even addicted to fantasy and intrigue, while others are love avoidants and sexual anorexics. Love avoidants may be able to get into a relationship but once they are fully committed, struggle with feeling smothered. Others may avoid intimate or sexual relationships all together, becoming sexually anorexic. Some may even vacillate between all of these. The underlying component and common denominator in all of these scenarios is the "Urge to Merge." Lesbian Love Addiction is designed to help ameliorate at least part of this

problem. Lauren D. Costine offers insight for lesbians, bisexual women in relationships with women, queer women, and more specifically, any woman who loves women, as well as their family and friends, and health care professionals, into the psychology of lesbian love addiction. It will give those who struggle with and suffer from love addiction ways to understand, cope, and heal from this debilitating addiction. It will give those who work with this population new tools to use to do this more effectively. Mostly, it will help lesbians understand their relationship failures and how to heal from problems associated with them, so they may grow and cultivate happier, more fulfilling connections in the future.

Girls' Guide to Healthy Dating - Kim Baker
2016-02-12

Kim Baker's groundbreaking lesbian dating guide, *Girls' Guide to Healthy Dating: Between the Breakup and the Next U-Haul*, answers the age old question we have when we find

ourselves single again: Now what? *Girls' Guide to Healthy Dating* transforms dating from an exasperating pattern of breaking up then U-Hauling rapidly into another relationship to a model for connecting with other women from a place of balance and authenticity. If you're a lesbian who wants to transform dating from a frustrating search for the right one to adventures in getting to know women to identify compatibility, then this book is for you. For ages, women have gathered around restaurant tables with friends to begrudge the perils of dating as a lesbian. We don't know how to date. We relationship hop. We don't process our past relationships. Unlike other dating advice books where a relationship expert imparts knowledge on to the reader, Kim Baker uses a Sex in the City laid back voice to explore six powerful strategies for revolutionizing how we search for the woman of our dreams. Drawn from mindfulness and the law of attraction, *Girls' Guide to Healthy Dating* unveils what we

intuitively already know: if we really want to change our dating experience, we have to change the way we approach dating. By focusing on getting to know women to identify compatibility, we create more healthy dating experiences, are more likely to notice red flags and deal breakers, and ultimately are more likely to find the one. ...Very good advice for any lesbian who has ever had her heart broken and wants to move on to a new life in dating. - Lynda
 Many of the concepts in the book go beyond lesbian dating. - Jennifer W. I really enjoyed your voice because you showed vulnerability but ultimately come from a position of strength. - Julie P.

Conscious Lesbian Dating & Love - Ruth L. Schwartz 2015-09-04

If you're a single lesbian who wants deeply fulfilling lasting love, this book was written for you. You'll learn exactly why and how the conscious approach to dating and love will make all the difference for you, and also get a detailed

roadmap to help you find and create the relationship you most want.

Love Matters - Ellen Cole 2016-04-29

Love Matters: A Book of Lesbian Romance and Relationships is a collection of advice columns and personal reflections that will help lesbian couples validate and appreciate their unique relationships. With excerpts taken from the author's "Love Matters" column in the lesbian newspaper *New Phazes*, this book explores real-life questions and issues that lesbians have about dating, sex, love, and relationship longevity. From *Love Matters*, you'll receive honest, informative advice that can help you and your partner share a more open and fulfilling relationship. Offering support, care, and understanding for lesbian couples, *Love Matters* seeks to recognize the "new female role" for lesbian women. Using her 15-year long relationship as a basis for many of the responses, the author provides you with suggestions and insight into topics relating to

implications of practicing a love style other than monogamous coupling, and safer sex considerations. Much, much more than a book on personal satisfaction, *The Lesbian Polyamory Reader* also focuses on the social implications of this love phenomenon, bringing it into a more inclusive circle of discussion for lesbians, educators, and students of sociology and sexology. You'll find satisfaction in seeing the love so many lesbian women have achieved by not mimicking the "marriage model" of living.

[Lesbian Relationships](#) - Nicci Talbot 2013-02

There are around 3 million lesbian and bisexual women in the UK, according to national statistics. Certain cities have a high gay and lesbian population with organised networks, events and activities but what if you live in a smaller town or village? How do you find your 'tribe' of like-minded women to create a supportive, open-minded community? Whether you're single, in a relationship, bisexual, lesbian or trans, monogamous or polyamorous, this

guide is for you. Packed with practical tips and techniques, it will help you make the most of your sexuality, health and relationships now and in the future. Most of us want to learn how to have fulfilling long-term relationships that are exciting, passionate and fill us with joy. Ignore the comments about 'lesbian bed death' and short-term flings. The key to long-term passion and fulfillment is setting an intention and having a good relationship with yourself first: physically, emotionally and spiritually. Inside, you'll find information about the two types of desire, how to raise sexual energy through 'Orgasmic Meditation' and tantra, anatomy and health, self-esteem, body image, dating and communication, fantasy and seduction, and how to stimulate your erotic imagination. There's also a chapter on pregnancy and parenting, which explains the pros and cons of donor conception, surrogacy and adoption for single women and those in a relationship. Plus a comprehensive resource guide featuring lesbian literature,

of passion and romance alive for years to come.
Love Times Four - Jeanne McCann 2003-09
Four lesbian women, four relationships, and four stories; who will fall in love--and stay in love--despite the extraordinary events that threaten to destroy them? Meet Emma, a teacher who valiantly tries to ignore the crush she has on her new, seemingly-straight principal. And meet Val, a strong-willed woman, relationship-shy artist

who falls in love with a police detective. Then there's Tia, who struggles with her feelings for a single mother and her child, and who tries desperately to simply be 'friends.' And finally meet Anna, who meets the woman of her dreams--and may lose her in a horrifying hostage situation. Four brave women look for love--find love--and must decide just how much they are willing to sacrifice for love.
