Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church") 1868
The Secrets of the Wisteria Vine Tommaline H. Jones 2010-08-06 Sonnie Harper is a young girl growing up in rural south Georgia in the 1920s and 1930s. Her family had been dysfunctional for generations. Turmoil was significant in the generation before her. This was a time of great poverty for the farmers of this area due to the Depression and the biggest drought in history. As a toddler, Sonnie begins to hide under the wisteria vine from her mother. Later she invites her imaginary friend and then her black friend to share wisteria vine and her family secrets with them. As she becomes older and understands who God is, she prays and talks to God about her family secrets. Sometimes she goes to the wisteria just to sit and hide from what's going on in the house. Some of the customs of that time are preserved in the book. There are stories of love, hate, loyalty, friendship, brutality, strength, racism, and religious beliefs. All of this is sprinkled with a little humor.

The Vine and the Branches Jerry L. Schmalenberger 1992 Jerry L. Schmalenberger takes Easter season texts from Mark, Luke and John and weaves them into eight sermons with applications for today's Christian. Sermons cover Easter through Ascension Of Our Lord. Book jacket.

The earth will give in and will swallow your unclean city. A flood will take you away, fire will turn your houses into ashes!" The Prophet walked barefoot on the uneven cobble-stone streets, and stinkers fell from his ragged weed-shirt with which he covered his body. His clotted hair, having seen no comb, waved from his quick pace. The frightful whip flapped in his hand, and he struck and struck anyone who approached, for the angered prophet did not allow there were righteous men on earth. Inoculated with the cruel idea of good, he did not know what kindness was. He whipped the couple in love who shyly held their hands, he beat the beautiful women on the face, because they were breathing temptation, he slapped the ugly because using various plasters they tried to acquire the temptation of the beautiful [ones]. He whipped the well-set men in whom the flesh was boiling, he beat the crippled beggars who tried to hide the ugliness of their bodies under the rags of their clothing. He beat the rich ones for their luxury; and the poor - for their humiliation. He beat the fornicators for offering their bodies for money, he beat also the honest women because legal marriage bored them and made their souls bored.

What Is Love? My Question, God's Answer Jennifer Elizabeth Michaels 2011-07 "Have you ever considered the possibility of living forever in paradise on earth?" It's a phrase Jennifer Michaels was forced to repeat often as she endured week after week of humiliating, mandatory, door-to-door recruiting missions. Although only a child, she, too, had to report her progress and attempts to the controlling, some claim cultic "church" that demanded nothing less than total commitment, isolation, and obedience from all members. But no person answering her timid knock would guess the pain, the heartache, and the abuse the shy little girl endured from both the church and her father; nor of the repercussions she would suffer for a young childhood mistake that resulted in the most radical and severe punishment inflicted by the church for daring to rebel against the absolute authority of the male-dominated leaders. This shockingly candid true story, told with a surprising lack of self-pity and with blunt acceptance of the facts and of the experience, pulls back the veil of mystery surrounding the controversial organization commonly known as the Jehovah's Witnesses. In addition to laying bare the bizarre claims and beliefs as well as the less-than-spiritual roots of the church, Ms. Michaels demonstrates what many other survivors of cultic and/or familial control and abuse know; that emotional scars run far deeper than physical pain, and that what we experience as a child, especially from those who are in a position of complete authority over us, indelibly affects every aspect of our lives and future decisions, for good or ill. Perhaps the most surprising part of this tale is not the ruthlessness of the church, nor the unfair treatment of a parent toward a helpless child. Rather, it is the joyful, triumphant, and complete healing that takes place as God reaches out to a wounded young woman who had been taught to fear, even loathe Him. At the end of a harrowing ride, Ms Michaels (as well as the reader) is encouraged, uplifted, and completely restored. From wounded childhood to a young adulthood marred by drugs, alcohol, and failed relationships, to a grown woman so filled with God's love and guidance her exuberant experience pours out of her onto these pages and into the readers' hearts, the true story herein answers the ultimate question, "What is love?"

The Child's Child Barbara Vine 2013-10-08 When their grandmother dies, Grace and Andrew Easton inherit her sprawling, book-filled London home, Dinmont House. Rather than sell it, the adult siblings move in together, splitting the numerous bedrooms and studies. The arrangement is unusual, but ideal for the affectionate pair--until the day Andrew brings home a new boyfriend. A devilishly handsome novelist, James Derain resembles Cary Grant, but his strident comments about Grace's doctoral thesis soon puncture the house's idyllic atmosphere. When he and Andrew witness their friend's murder outside a London nightclub, James begins to unravel, and what happens next will change the lives of everyone in the house.

Love Unveiled Edward Sri, Ph.D 2015 Based on the acclaimed film series, *Symbolon: The Catholic Faith Explained*, this book leads readers through the "big picture" of the Catholic faith. Professor Sri helps you discover all the essential aspects of the Catholic faith - from creation, the cross and the Church, to the sacraments, social teaching, sexual ethics, purgatory, the papacy and prayer. The author shows how all the aspects of the faith fit together into the one overarching story of God's love for us and our participation in that love. He uses the Catechism of the Catholic Church for our itinerary, focusing on the four main pillars of the Catechism - Creed, Sacraments, Moral Life and Prayer As we walk through core Catholic beliefs, he addresses common questions people have today, such as: • Why do I need the Church - can't I just be spiritual on my own? • Isn't one religion just as good as another? • How is the death of a man 2,000 years ago, in a city far away, relevant for my life today? • Why does the Church talk about morality so much? Can't I make up my own morality? • Is it really our responsibility to care for the poor— doesn't God help those who help themselves? • Addresses common questions Protestants have about Mary, the Bible, Confession, the Papacy, the Mass. Much more than an intellectual enterprise, this work is also a deep spiritual reflection that draws upon the beauty of the Catholic tradition and the insights of the saints. It offers many practical applications to our daily lives, considering how the various aspects of the faith invite us to a deeper conversion— to love God more and entrust ourselves to him. Thus, this book aims to form the head and the heart, helping us to not only understand Jesus and his plan of salvation, but inspires us to love him and our neighbor more. For this is what the faith is all about: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." (Pope Benedict XVI)

Bible Girl E. C. Stilson 2012-04-01 Faced by an uncertain future and surrounded by hypocrites, Elisa feels her foundation crumbling. She doesn't know who to turn to. That's when she meets a mysterious man. But maybe she shouldn't trust him after all. Will he help her, or make things even worse than they were before?

The Bible Is a Girl's Best Friend Sally Miller 2007 In a fresh, captivating style, Sally Miller presents a new way to approach God's Word. Since women value close relationships, she encourages them to experience the Bible as an intimate friend—as someone who gives practical advice, offers loving comfort, and challenges them to grow. "The Bible Is a Girl's Best Friend" is ultimately about the love and promise found in daily connection with God. Sally beautifully presents the Bible as the active way God's speaks to people. Through stories of friendship, she reveals how God uses His Word to reach out to each reader—loving her, guiding her, correcting her, and offering her a personal relationship with Him through His Son, Jesus. From the strength and support God offers during trials to the assurance that He is always with them, women will discover many life-changing truths and experience the joy of knowing they are loved by God and by friends.

A Faith Worth Living Chuck Queen 2011-03-03 What does a Christianity constructed upon and pervaded by a theology of God's unconditional love look like? Aimed at a wide audience, *A Faith Worth Living* provides one portrait. Chuck Queen weaves together biblical interpretations, theological reflections, and spiritual observations drawn from stories, movies, literature, and common life experiences in his argument for an inclusive Christianity. In a simple, though scholarly informed style, he addresses Christians, students of religion, and spiritual seekers. Key elements of the presentation include: a transformative faith (holistic and non-dualistic), God's dream for the world (kingdom theology), Jesus' nonviolent atonement, the church as a kingdom community, universal salvation (judgment and the cosmic Christ), acceptance of other religious traditions, and the dynamics of a radical discipleship to the way of Jesus.

One2One Andrew Cornes 2003 One-2-One is a series of 24 studies for Bible-reading partnerships, when two Christians agree to meet weekly or fortnightly, to read, discuss and pray through a passage of Scripture.

Angels, Let's Talk Orlando Constantine 2007-10 The anointing received is the deciding factor of the truth on this subject, which is unparalleled in content as being current, biblical and to the point. Why are you angels here, where are you coming from and do you give a ?damn? where you are going!?! This book intend to bring a resolution to these questions and if eternal damnation is obvious, redemption is also plausible; as one extremity has a equal opposite, except in the case of God. "Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool" (Isaiah 1:18).

The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3) C. H. Spurgeon 2015-03-22 The story of Charles Haddon Spurgeon's life is nothing less than titanic. Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19, the Sunday service grew from 242 to over 7,000 in attendance. What can account for the meteoric rise in popularity? Why did so many wish to hear his sermons? It is the same reason why one ought to study the sermons of Spurgeon to this day: in a famished land of moralism, he preached the bread of Jesus Christ. Containing the first three volumes of the sixty-three volumes published from the Metropolitan Tabernacle pulpit, this book holds 164 sermons, 'as plump as a partridge, and as full of meat as an egg.' David A. Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville, Kentucky.

God and the Gay Christian Matthew Vines 2014-04-22 "God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author's clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation's most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed." — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled* As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • What does the story of Sodom and Gomorrah really say about human relationships? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian.

The devil knows it. He's set to help Jubi destroy herself before she turns twenty. Esther Stone's only hold on her child—and the only road to this family's healing—is prayer. When Jubi finds herself on the altar of the Forest Unity Church of Baltimore, she's secured in the embrace of the Reverend Charles A. Wicker, praying for her salvation. The next moments prove crucial because for Jubi, her parents, and the devil, time is running out. On that unforgettable Sunday morning, someone will die and someone will live.
