

Kiss Me Forever Love Me Forever

Love Me Forever - Muriel
Jensen 2014

She thought she'd found the man of her dreams in Hunter Bristol. Sandy Evans planned to settle down with this handsome, ideal father figure for her two little girls. And she had no problem helping him get back on his feet. It's not his fault his ex-girlfriend abandoned him, embezzling his earnings as she vanished. Except Hunter does have a problem accepting her help. And getting on without him is Sandy's only option. And then when events conspire against her, she's glad he pushed her away. Why cause Hunter more stress? Unless changing his mind about forever won't take, forever.

The Touch of Sage - Marcia
Lynn McClure 2010-05
Following the death of her

parents, Sage Willows had lovingly nurtured her younger sisters through childhood. She loved her sisters. She'd seen each one married, and was glad to see them settled and happy. Furthermore, she held no resentment at never having found a good man of her own to settle down with. Yet, regret is different than resentment- and far more haunting. Still, Sage found as much joy as was allowed a lonely young woman- in being proprietress of Willows' Boardinghouse, and in the companionship of the four beloved widow-women boarding there. Until, that is, the devilishly handsome Rebel Lee Mitchell appeared. It seemed Reb Mitchel instantly and forever vanquished Sage's feigned contentment. Dark, mysterious and secretly wounded, Reb Mitchell utterly

captured Sage's lonely heart. Nevertheless, to Sage Willows, the powerfully attractive cowboy-admired and coveted by every female in his path-seemed entirely unobtainable. How could a weathered, boardinghouse-proprietress resigned to spinsterhood, ever hope to hold the attention of such a man? And knowing she couldn't-would Sage Willows simply sink deeper into the bleak loneliness she'd secreted for so long?

Must Have Been Those Butterflies - Nicole Cavalluzzi
2011-02

Must Have Been Those Butterflies is a collaboration of poetry with photo art strongly influenced by Nicole's personal experiences with lust, infatuation and love. The words and images shared in this book are real notions, created by her highly sensitive, emotional psyche. An expression of her most intimate, deepest thoughts, shared vividly and freely, meant to entice, inspire and enlighten an open minded, curious and emotionally intrigued audience. The

emotions in both the photos and the poetry are a reflexion of her complex personality--sensual, sexual, artistic, sadistic, intimate, aggressive, strong, sensitive, impatient, analytical, friendly, carefree, funny, loving, trusting, considerate--intertwining, toying and tangling her in and out of relationships. The intention of this poetry and photography book is to express the emotional torments that tease the soul and taunt the heart on behalf of the millions of hidden, shunned, shamed, unexplained, damaged, jaded, sorry, degraded, sad, angry, betrayed, forgotten, and alas, broken, hearts. May the reader find comfort and encouragement, inspiration and realization in her words and images; rest knowing one is not alone in the lonely world of lost loves. Although she's had her fair share of emotional battles and scars, she vows to never lose hope in finding true happiness, as she follows hers: *Butterflies*.

Christmas with the Best

Man - Ari Thatcher 2022-03-01

The quirky, sexy continuation of the Destination Weddings series featuring Joey and Jasmine, whom we first met in The Rock Star's Wedding. Christmas in Ireland...what could be more romantic? The day after Chaz and Kenzi's wedding in Ireland, Jasmine is still riding the romantic high. Then a polar vortex brings in the storm of the century and now she's stuck in Ireland with the to-die-for best man, Joey. That slow sexy smile of his heats her up only to have his alternating hot and cold

personality shatter her fantasies. Locals say it could be a week before they can leave the island. A week alone he could handle. A week in a small room with this perky event planner would be hell. Yes, she's beautiful, she might even be hot if she'd slow down long enough for a guy to get to know her, but it's probably a good thing she doesn't. A "one week stand" between the best friends of the bride and groom would make life unbearable down the road.

Love Me Forever - Rosemary Laurey 2010-06-01

Enter A World Where Passion Never Dies. . . All single mother Stella Schwartz meant to do was let her son, Sam, browse through books at Dixie's Vampire Emporium. She hadn't counted on the shop assistant, Justin Corvis, being a dark-eyed super-hunk with the kind of charismatic English accent that would make her heart skip a beat. And she couldn't know how close to the truth that was. . . When Justin smiles at her, it's as if he's known her forever. And when

Love Me Forever - Johanna
Lindsey 2011-06-21

Still mourning her mother's
death, Kimberly Richards is
incensed by the determination
of her father, the Earl of
Amburough, to marry her off as
quickly as possible—just to
please the jealous lover he
plans to wed. And since
Kimberly harbors a deep-
seated dislike of gold-diggers
and the whole distasteful state
of affairs, the feisty young
heiress already despises the
worthy suitor she encounters
at Sherring Cross Estate:
Lachlan MacGregor, the
dashing, newly impoverished
Laird of Clan MacGregor. A
tryst with the handsome,
haughty Lachlan seems
dubious, especially since the
rogue has designs on the
married Duchess of Wrothston.

But strange turns and
outrageous circumstances
promise to lead a woefully
mismatched pair to a wildly
unexpected destination—where
a hard, resisting heart can
open to the true glories of love.

Kiss Me Forever He's Hot. He's Sexy. He's Romantic. He's Immortal. If there is one thing Dixie LePage does not need in her life, it's complications. And the man sitting across the table from her in a crowded English pub, the one offering to buy the library of her inherited estate in a small English village, is a major complication. For starters, there's the broad shoulders. The slightly amused smirk. That smoldering look that makes it impossible to concentrate. And that infuriating, old-fashioned, and well, okay, incredibly appealing

sense of chivalry. No doubt about it, the guy is hot and sexy. Of course, there is one wee little problem: He claims to be a vampire named Christopher Marlowe, as in THE Christopher Marlowe, famous playwright, contemporary of Will Shakespeare. Right. Amend that to hot, sexy, and totally insane. Please see "no more complications." So why can't Dixie seem to resist the warmth of Christopher's charm, the protective feel of his strong hands, or the tempting pull of his full mouth when the sun goes down. . .? Love Me Forever Does This Come In My Size? Justin Corvus. That was the name of the gorgeous, dark-eyed charmer holding her hand in a sensual clasp, turning her knees into jelly. All struggling, single mother Stella Schwartz meant to do was let her son, Sam, browse through books at Dixie's Vampire Emporium. She hadn't counted on the shop assistant being a stylish super-hunk with the kind of Hugh Grant accent that makes a

woman's thoughts wander through a neighborhood called Take Me Now, Please. And to top it off, the man's a sweetheart. The way he picked up on the fact that she didn't have two red cents for the Halloween costume Sam wanted but made it happen anyway? Total head-over-heels time. When Justin smiles at her, it's as if he's known her forever. . .and when he asks for her phone number--to let her know when the costume is ready, of course--Stella can't help wanting this feeling to go on forever. lore. Avery has an academic

otherworldly glow about him.

He sweeps Avery off his feet
with his old-world charm and
romantic ways. Avery falls fast
and hard. But there's

something dark in Tyson too.
Something that's just below the
surface. When Avery digs
deeper, he discovers Tyson is
part of a world that only
existed on the pages of books...

a world full of witches,
vampires, ancient people who
saw the city of New Orleans
grow up around them. Tyson's

world is magical. It's sexy. It
draws Avery in further with
every breath he takes. But
most of all? It's dangerous. And
it doesn't take Avery long to
find that out first hand. But

Beyond Capitalism." It presents essays, poems, and plays that speak to our times and challenge the liberal imagination. The title, *That Floating Bridge*, evokes Representative John Lewis' line "Obama is what comes at the end of that bridge in Selma" as it quotes a track on Gregg Allman's *Low Country Blues*, which Scott Spencer lauds here in a review for the *Ages*. *That Floating Bridge's* peerless range of contributors includes Amiri Baraka, Gar Alperovitz, Bernard Avishai, Uri Avnery, Bill Ayers, Paul Berman, John Chernoff, Mark Dudzic, Carmelita Estrellita, Henry Farrell, Fr. Rick Frechette, Donna Gaines, David Golding, Eugene Goodheart, Lawrence Goodwyn, Lisa Guenther, Alec Harrington, Malcolm Harris, Casey Hayden, Christopher Hayes, Patterson Hood, Roxane Johnson, Ben Kessler, Bob Levin, Philip Levine, Bongani Madondo, Greil Marcus, Scott McLemee, Judy Oppenheimer, Jedediah Purdy, Nick Salvatore, Aram Saroyan, Tom

Smucker, Fredric Smoler, Violet Socks, A. B. Spellman, Scott Spencer, Richard Torres, Jesmyn Ward, and Pablo Yglesias. An account of how Franz Boas "did more to combat race prejudice than any other person" anchors one section, but the volume also addresses devolutions of "diversity" linked with careerism in the art world and academe. An un-scholastic section titled "Criticism of Life" celebrates older and younger critics/poets. Songs are key to this volume's good times. Music writing? ranging from Eddie Hinton's *Very Extremely Dangerous* to Berlioz's *Romeo and Juliet*? enhances the pleasures of this text.

He said he'd call, but that's probably the standard line after a vacation fling. Still, she'd thought they'd had something more. When the call never came, she packed away the memories of the hottest sex in her life, and tried to forget about Dave Brashiers. Rather than watch the ink dry on her divorce papers, Jennifer Pearson escapes to that Maui resort where she'd known passion, if only for a night. When Dave walks out of the waves with his surfboard under his arm, she isn't sure whether she should jump him or flee. Insanely hot vacation sex could be the perfect way to celebrate the end of a miserable marriage. Dave thinks of Jenn as the one who got away, and he's not about to let it happen again. Passion still sizzles

between them, but is it hot enough to rekindle what they had between them ten years ago? He's got one week to prove to her he's the man she needs to spend her life with.
