[Velda: Girl Detective](#) - Ron Miller 2019-08-19

"Velda: Girl Detective" is a multileveled representation of the more lurid of the 1950s crime comics and is portrayed as if it actually existed as a classic Golden Age comic. The comic series was more than a passing homage to the noir films and hard-boiled detective school of writing of the 1950s as it included in certain issues special features such as a Velda paper doll kit and the complete 1955 Velda pinup calendar to provide authenticity. The comics also included vintage parody ads as well as featurettes such as

"Hawkshaw Hawk, Bird Detective" and "Neolithica: Girl of the Pleistocene" to entertain readers. Though the work of fiction, the comics were presented to the audience as if Velda actually existed and had her private eye investigative adventures during the 1950's in the big city. This graphic novel publication collects comic issues 1-8 and all the Velda: Girl Detective bonus features. Over 370 pages!

Superheroes and Identities -

Mel Gibson 2016-03-22
Superheroes have been the major genre to emerge from comics and graphic novels, saturating popular culture with images of muscular men and sexy women. A major aspect of this genre is identity in the roles played by individuals, the development of identities through extended stories and in the ways the characters inspire audiences. This collection analyses stories from popular comics franchises such

as Batman, Captain America, Ms Marvel and X-Men, alongside less well known comics such as Kabuki and Flex Mentallo. It explores what superhero narratives can reveal about our attitudes towards femininity, race, maternity, masculinity and queer culture. Using this approach, the volume asks questions such as why there are no black supervillains in mainstream comics, how second wave feminism and feminist film theory may help us to understand female comic book characters, the ways in which Flex Mentallo transcends the boundaries of straightness and gayness and how both fans and industry appropriate the sexual identity of superheroes. The book was originally published in a special issue of the Journal of Graphic Novels and Comics.

Girls and Their Comics -

Jacqueline Danziger-Russell 2013

This book discusses the overall history of the comic book, paying special attention to girls' comics, showing how such works relate to a female point of view. While examining the concept of visual literacy, Jacqueline Danziger-Russell

List Sexiest Female Comic Book Characters

asserts that comics are an excellent space in which the marginalized voices of girls may be expressed. This volume also includes a chapter on manga (Japanese comics), which explores the genesis of girls' comics in Japan and their popularity with girls in the United States. Including interviews with librarians, comic creators, and girls who read comics and manga, *Girls and Their Comics* is an excellent examination of the growing interest in comic books among young females. *The Complete Torchy* - Bill Ward

Torchy is a comic strip and, primarily, a series of comic books featuring the ingenue Torchy Todd, created by the American "good girl art" cartoonist Bill Ward during 1944. The character was ranked 97th of the 2011 Comics Buyer's Guide's "100 Sexiest Women in Comics" list. After Bill Ward's drafting into the World War II military, the artist created the tall, blond, busty ingenue Torchy Todd for the base newspaper of

Brooklyn's Fort Hamilton, where Ward was deployed. The comic strip in which she featured soon became syndicated to other Army newspapers worldwide. Torchy made her comic-book debut as main character of a backup feature of Quality Comics' *Doll Man #8* (Spring 1946). Her feature was later published in all but two issues through *#30* (September 1950), resuming in *#35* (August 1951) through *#47* (October 1953), as well as in *Modern Comics #53-102* (Sept. 1946 - Oct. 1950). A solo series, *Torchy*, had six issues (Nov. 1949 - Sept. 1950), some with art by Gill Fox. Several Torchy stories, including some Fort Hamilton comic strips, were reprinted in *Innovation Comics' 100-page, squarebound trade paperback Bill Ward's Torchy, The Blonde Bombshell #1* (Jan. 1992). Others have been reprinted in *The Betty Pages #1* (1987); *AC Comics anthology Good Girl Art Quarterly #1* (Summer 1990), *#10* (Fall 1992), *#11* (Winter 1993), and *#14* (Winter 1994), and in *AC's America's Greatest*

Comics #5 (circa 2003). Comic Images released a set of Torchy trading cards in 1994. Ward drew an original cover featuring Torchy for Robert M. Overstreet's annual book The Comic Book Price Guide (#8, 1978). Torchy Todd is a ditsy but goodhearted young blond woman who frequently finds herself in humorous, mildly risqué encounters with lustful men. Featuring the Good Girl Art of Bill Ward!

Supermen! - Greg Sadowski
2009-04-20

The enduring cultural phenomenon of comic book heroes was invented in the late 1930s by a talented and hungry group of artists and writers barely out of their teens, flying by the seat of their pants to create something new, exciting, and above all profitable. The iconography and mythology they created flourishes to this day in comic books, video, movies, fine art, advertising, and practically all other media. Supermen! collects the best and the brightest of this first generation, including Jack Cole, Will Eisner, Bill Everett, Lou Fine, Fletcher Hanks, Jack Kirby, Jerry Siegel, Joe Shuster, and Basil Wolverton.

[Phantom Lady Archives V1 \(1941 - 1943\)](#) - The Eisner and Iger studio

Phantom Lady is a fictional superheroine, one of the first female superhero characters to debut in the 1940s Golden Age of Comic Books. Originally published by Quality Comics, the character was subsequently published by a series of now-defunct comic book companies, and a new version of the character currently appears in books published by DC Comics. As published by Fox Feature Syndicate in the late 1940s, the busty and scantily-clad Phantom Lady is a notable and controversial example of "good girl art," a style of comic art depicting voluptuous female characters in provocative situations and pin-up poses that contributed to widespread criticism of the medium's effect on children. Phantom Lady was created by the Eisner & Iger studio, one of the first to produce comics on demand for publishers. The character's early adventures were drawn by Arthur Peddy. The character was ranked 49th in Comics Buyer's Guide's "100 Sexiest Women in Comics" list.

Quality's Police Comics #1 (Aug, 1941), an anthology title the first issue of which also included the debut of characters such as Plastic Man and the Human Bomb. That issue established her alter ego as Sandra Knight, the beautiful Washington, D.C. debutante daughter of U.S. Senator Henry Knight. The issue established that it was not her first appearance as the Phantom Lady, but it did not go into her origin. Stories published decades later by DC Comics would give her a proper origin, which was altered several times to give Sandra a more active role. Her skimpy costume was eventually explained as a deliberate tactic to distract her usually male foes. Sandra Knight assumed the identity of Phantom Lady in a costume consisting of a green cape and the equivalent of a one-piece yellow swimsuit. She used a "black light projector," a device which allowed her to blind her enemies and make herself invisible. She drove a car whose headlights also projected black light when

necessary. She was sometimes assisted by her fiancé, Donald Borden, an agent of the U.S. State Department. Phantom Lady ran as one of the features in Police Comics through #23. Arthur Peddy continued as the artist through #13, with Joe Kubert drawing her feature in Police Comics #14-16; Frank Borth on #17-21; Arthur Peddy returned for #22,; and Rudy Palais on #23. Phantom Lady also appeared in Feature Comics #69-71 as part of a crossover with Spider Widow and the Raven

Excerpt: Shanna the She-Devil is a fictional jungle

adventuress in comic books published by Marvel Comics. Created by writer Carole Seuling and penciler George Tuska, she made her first appearance in Shanna the She-Devil #1 (Dec. 1972) and was ranked 53rd in Comics Buyer's Guide's "100 Sexiest Women in Comics" list. Shanna the She-Devil was introduced in one of a trio of Marvel Comics aimed at a female audience, alongside Night Nurse and Claws of the Cat. Marvel writer-editor Roy Thomas recalled in 2007 that editor-in-chief Stan Lee Seuling in 2010 recalled, "My instructions were to make someone who would fit in with the times and also was prone to a little more violence than Sheena or the other jungle queens of the past." With veteran penciler George Tuska, she created the lead character and her two leopard companions, as well as game warden and potential romantic interest Patrick McShane, loosely based on after actor Patrick McGoohan's game-warden character in the film Nor the Moon by Night.
