**Men Who Beat the Men Who Love Them** Patrick Letellier 2013-12-02 Domestic violence in gay male relationships is the third largest health problem for gay men in America today. *Men Who Beat the Men Who Love Them* breaks the silence surrounding gay male domestic violence and exposes this hidden yet prevalent and destructive problem. The authors paint a vivid picture of gay men's domestic violence, bringing its brutality to life by including personal narratives, written by one of the authors, by clearly defining what it is and what it is not through lists of violent acts and criminal code categories, and by thoroughly examining and analyzing the criminal, mental health, medical, political, and interpersonal issues involved. The authors boldly depart from the battered women's literature by asserting that batterers have a diagnosable mental disorder, that

battering is not gender based, and that much further criminalization of domestic violence is necessary. Striving for victim advocacy, the book underscores the idea that gay men's domestic violence is totally unacceptable and is caused solely by individual abusive gay men who choose to batter. The book builds on and departs from what is known about domestic violence, with the authors challenging several fundamental premises in the literature, unabashedly identifying battering as a mental disorder. The authors explain that victims cannot stop their battering partners from battering and virtually all batterers choose to harm their partners in a premeditated fashion. The authors provide practical steps and suggestions for victims who want to leave and stay away from their violent partners and for friends who want to help battered gay men. Chapters describe the scope of the problem and refute myths and misconceptions. There are several detailed theory chapters in which the authors explain why gay men's domestic violence occurs, who the batterers are, who the victims are at different stages of victimization, and how domestic violence can be stopped. A visionary, wide-ranging governmental and private plan of action is introduced, including lists of necessary laws and policies, as well as outlines of strong education, training, and advertising problems needed in various sectors of society. As a self-help book, *Men Who Beat the Men Who Love Them* provides practical information on a never-before discussed topic. As a trainer's manual or teaching guide, it includes specific criteria for understanding the problem and for providing treatment.

**The Will to Change** bell hooks 2004-01-06 From the New York Times bestselling author of *All About Love*, a brave and astonishing work that challenges patriarchal culture and encourages men to reclaim the best part of themselves. Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women.

*To Have, to Hold, and to Never Let Go* Cattina Coleman 2012-12 I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger then me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.

**Why Men Fall Out of Love** Michael French 2005 Addressing both men and women, novelist and nonfiction author French (Abingdon's) provides an insider's view of what drives men away from their partners and what both parties can do about it. Basing his insights on in-depth interviews with men from all socioeconomic groups who were asked why a previously wonderful relationship turned sour, he discovered that some "relationship busters" can be traced back to childhood issues of anger and loss, issues of masculine identity, popular culture's emphasis on happiness, and communication differences between men and women. Interestingly, women generally act to change their unhappiness, while men tend to live with it. Most articles on relationships are written from a woman's perspective, but French offers a look from the male perspective. Well done and helpful; recommended for all libraries.

The Woman Who Pretended To Love Men Anna Ferrara 2018-04-26

*Love Trips* Sujeiry Gonzalez 2019-02-13 I had a history of choosing the wrong men. Yes, it begins with a choice - the wrong choice. My type, otherwise known as the bane of my single existence, were men who strolled into a room and knew they were it. Oh, they had it. And other women wanted it. For years, I played the role of Lovestruck Fool and the men I dated played the role of The Unattainable. And that's at the bulk of Love Trips, a book full of my relationship stumbles in hopes that you learn from them. I have kissed men, loved men, made love to men, fucked men, hated men, considered lesbianism, and realized I like penis too much to give up on men. Eventually, I bounced back. I tapped into my thoughts and feelings, became self-aware, took control of my life, and stopped being an idiot. My hope is that you laugh and relate to my journey. As you read, see me and Love Trips as your comrade, your hermana, your homegirl, and maybe even yourself. And with that, I welcome you to Love Trips. Consider this your what-not-to-do relationship bible. Tell a comrade, hermana, and homegirl about the pitfalls of my former romantic idiocy, if only to save each other from the heartache and emotional rollercoaster of ignorant bliss. Help womankind by spreading the Love Trips gospel so you choose the right man -

or woman. ABOUT THE AUTHOR: Sujeiry Gonzalez is a sassy and funny storyteller and creativepreneur. *I, Mary MacLane: A Diary of Human Days* Mary MacLane 2014-11-25 "Anyone who reads her will never forget her voice." - Biographile She's been called first in many things - the first blogger, the first New Woman, the first female proto-surrealist, the first screen writer/star to break the fourth wall and directly address her audience (in 1917's ground-breaking "Men Who Have Made Love to Me"). In her final book, Mary MacLane is the first media icon to destroy the celebrity distance and expose her inmost doubts, her hopes, her conflicted sexual history, the inner worlds of a creative personality - all in visionary prose unlike anything before or since. With her first book - written in 1901 at age nineteen - she was hailed as a marvel by the likes of H.L. Mencken, Clarence Darrow, and Harriet Monroe. She went on to become a pioneering newswoman, gambler extraordinaire, and bon vivant, to influence Gertrude Stein, inspire F. Scott Fitzgerald, be puzzled over by Mark Twain, and upon her death in 1929 be eulogized as "an errant daughter of literature ... the first of the self-expressionists, and also the first of the Flappers," as the creator of "that revolution in manners, that transvaluation of values in the female code of behavior known as the Roaring Twenties." This edition - fully annotated, with an illuminating introduction by Michael R. Brown, foremost MacLane scholar in the world today - conveys the full complexity and potency of Mary MacLane's final self-expression.

*I Await the Devil's Coming* Mary MacLane 2013-03-19 Mary MacLane's *I Await the Devil's Coming* is a shocking, brave and intellectually challenging diary of a 19-year-old girl living in Butte, Montana in 1902. Written in potent, raw prose that propelled the author to celebrity upon publication, the book has become almost completely forgotten. In the early 20th century, MacLane's name was synonymous with sexuality; she is widely hailed as being one of the earliest American feminist authors, and critics at the time praised her work for its daringly open and confessional style. In its first month of publication, the book sold 100,000 copies — a remarkable number for a debut author, and one that illustrates MacLane's broad appeal. Now, with a new foreword written by critic Jessa Crispin, *I Await The Devil's Coming* stands poised to renew its reputation as one of America's earliest and most powerful accounts of feminist thought and creativity.

*Good News from a Far Country, Or Epistles of Love to Men of Truth ...* James Osbourn 1828 A collection of letters to various individuals on the Christian life.

Loving Hugh Nini 2020-10-14 *Loving: A Photographic Story of Men in Love, 1850-1950* portrays the history of romantic love between men in hundreds of moving and tender vernacular photographs taken between the years 1850 and 1950. This visual narrative of astonishing sensitivity brings to light an until-now-unpublished collection of hundreds of snapshots, portraits, and group photos taken in the most varied of contexts, both

private and public. Taken when male partnerships were often illegal, the photos here were found at flea markets, in shoe boxes, family archives, old suitcases, and later online and at auctions. The collection now includes photos from all over the world: Australia, Bulgaria, Canada, Croatia, France, Germany, Japan, Greece, Latvia, the United States, the United Kingdom, Russia, and Serbia. The subjects were identified as couples by that unmistakable look in the eyes of two people in love - impossible to manufacture or hide. They were also recognized by body language - evidence as subtle as one hand barely grazing another - and by inscriptions, often coded. Included here are ambrotypes, daguerreotypes, glass negatives, tin types, cabinet cards, photo postcards, photo strips, photomatics, and snapshots - over 100 years of social history and the development of photography. Loving will be produced to the highest standards in illustrated book publishing, The photographs - many fragile from age or handling - have been digitized using a technology derived from that used on surveillance satellites and available in only five places around the world. Paper and other materials are among the best available. And Loving will be manufactured at one of the world's elite printers. Loving, the book, will be up to the measure of its message in every way. In these delight-filled pages, couples in love tell their own story for the first time at a time when joy and hope - indeed human connectivity - are crucial lifelines to our better selves. Universal in reach and overwhelming in impact, Loving speaks to our spirit and resilience, our capacity for bliss, and our longing for the shared truths of love.

**The Caroline** John K. Sutherland 2013-10-29 An attempted murder one dark night on the river disrupted the lives of two families and deeply affected the lives of two individuals from those same two families for the next five years. They had been forced to make choices that took them far apart before being serendipitously brought together once more. The would-be murderers, three of them, lost one of their own soon after that night from wounds he had received at the hands of their intended victim. Three years later, a second of them fortuitously became the victim of that same man they would have killed. The third and last one, attempting to recover the failing fortunes of the family in a poker game on the river, saw the means to cheat his opponent and at the same time to be rid of his sister who had unexpectedly shown up again. His first attempt on her life as they had travelled upriver had failed, and a second attempt would be difficult now that she expected it and now that she had a protector. He saw another way to be rid of her: in a poker game where he would wager her away. If only it could be that simple. He had no idea the trouble he would cause by that act. The unexpected outcome of that game brought two individuals closer together and eventually healed the initial disruption that had seen them torn apart five years earlier.

*Old Men in Love* Alasdair Gray 2014-08-11 Men in Love, like *The Arabian Nights*, is about a storyteller whose stories contain other stories. As in Alasdair Gray's *Lanark*, 1982 *Janine*, *Poor Things*, and *The Book of Prefaces*, this one has many styles of narrative and location. Periclean Athens, Renaissance Florence, Victorian Somerset mingle with Britain under the New Labour Party, viewed from the West End of Glasgow. More than 50% is fact and the rest possible, but must be read to be believed.

*Stranger On Lesbos* Valerie Taylor 2011-06-15 First Digital Edition; Grier Rating: A\*\*\* Frances has been married to Bill for many years. Their son, Bob, is in high school. Frances had been left alone too often. Bill's occupation with business, his insensitivity, his indifference had drained their marriage of meaning and warmth. Yet, it never occurred to her to think of divorce - or to have an affair with another man. It was easier to shut herself off from all desire, all feeling. It was like being dead... but it was safe. Then she met Mary Baker - Bake, for short. Bake... with her dark, knowing eyes, her young body, so alive, so full of passion and hunger. Shy Frances is drawn to Bake immediately and accepts her invitations for socializing... which leads to a certain amount of drinking and flirting. Before long, the relationship becomes much more than just a friendship - the two fall hard for each other and Frances becomes Bake's girl. It's not a smooth road for them, though, as Frances is married... still living at home with Bill and her son. With Bake's encouragement, Frances regains strength as an individual and finds employment outside of the home. The independence she gains as a result of having her own money does wonders for Frances. For the first time in her life, she feels confident and courageous - strong enough, perhaps, to consider pursuing a new life for herself. Can she trust Bake's feelings for her? Will she leave Bill and her son? Can she trust Bake to stay with her if she does divorce her husband? Will our lovers fight against all odds to make their relationship survive?
