Victim of Sexual Fantasies:

Passion, Sex, Lies - Simin

Seksener 2020-02-07

"Let me see how much you
desire" I'm Simin Seksener.
After a successful school and
business life, I started to get
out of everything and write
sections from my life. Life is my
life, enjoy and live again, enjoy
.. In this book, I explained the
sexual hunger I had
experienced in my life, once
from my close friend Can's life.
Another hero of my story,
Şeyma, is my current partner.
My stories in this book, which
contains the fantasies that
everybody can find a piece of
his own life or cannot imagine,
will affect my readers both
male and female. While these

events were happening to me, I
tried to convey in detail the
moments that I enjoyed in a
sexual sense. I hope I was
successful. All the stories in
this book are taken from my
real life. The characters are
written by changing their
names. +18 Contains erotic

tension and lots of steamy encounters! Escaping her seemingly perfect wedding, Naomi Witt arrives in rough-around-the-edges Knockemout, Virginia, running to the rescue of her estranged twin, Tina. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected: the 11-year-old niece she didn't know she had. Now she's stuck in town with no job, no plan, no home and a whole lot of extra responsibility. There's a reason local barber Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. At least that's the plan, until their lives begin to entwine in ways they never imagined . . . *New York Times bestseller, 18 weeks from October 2022 - February 2023*

L.E. Flynn, author of All Eyes On Her All Eden wants is to rewind the clock. To live that day again. She would do everything differently. Not laugh at his jokes or ignore the way he was looking at her that night. And she would definitely lock her bedroom door. But Eden can't turn back time. So she buries the truth, along with the girl she used to be. She pretends she doesn't need friends, doesn't need love, doesn't need justice. But as her world unravels, one thing becomes clear: the only person who can save Eden ... is Eden.

If He Had Been with Me -

Laura Nowlin 2013-04-02

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Bunny - Mona Awad

2019-06-11

"The Secret History meets Jennifer's Body. This brilliant, sharp, weird book skewers the heightened rhetoric of obsessive female friendship in a way I don't think I've ever seen before. I loved it and I

couldn't put it down." - Kristen Roupenian, author of *You Know You Want This: "Cat Person" and Other Stories* The Vegetarian meets Heathers in this darkly funny, seductively strange novel about a lonely graduate student drawn into a clique of rich girls who seem to move and speak as one. "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more different from the other members of her master's program at New England's elite Warren University. A self-conscious scholarship student who prefers the company of her imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich girls who call each other "Bunny," and are often found entangled in a group hug so tight it seems their bodies might become permanently fused. But everything changes when Samantha receives an

invitation to the Bunnies' exclusive monthly "Smut Salon," and finds herself drawn as if by magic to their front door--ditching her only friend, Ava, an audacious art school dropout, in the process. As Samantha plunges deeper and deeper into Bunny world, and starts to take part in the off-campus "Workshop" where they devise their monstrous creations, the edges of reality begin to blur, and her friendships with Ava and the Bunnies are brought into deadly collision. A spellbinding, down-the-rabbit-hole tale about loneliness and belonging, creativity and agency, and female friendship and desire, Bunny is the dazzlingly original second book from an author with tremendous "insight into the often-baffling complexities of being a woman" (The Atlantic).
