INSTANT NEW YORK TIMES BESTSELLER* *INSTANT USA TODAY BESTSELLER* *INSTANT #1 INDIE BESTSELLER From the New York Times bestselling author of *Red, White & Royal Blue* comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's

this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. [The Self-Supporting Life In Another World \(Short Story, GL/Girls' Love, English\)](#) - isekai 2023-01-02

Category Fiction > GL (Girls' Love) Fiction > Short Story Fiction > Korean Fiction (Web Novel) Summary The protagonist is possessed by Artetsa, an aristocratic who is enchanted to have a large body. Hated by those around her, she moved to an unfamiliar place and opened a side

dish shop with her culinary skills in the modern world. and Artessa, who became popular with the villagers. A stray orphan girl appears in front of her, and their lives begin. A small girl suddenly appeared from somewhere, As if the girl had a story with her who runs a side dish shop. Sweet and warm, calm, a love story between two women. #western #fantasy #dimensionTravel #rebirth #jealousy #sweetAndLovely * This short story of GL(Girls' Love) is translated from from the original Korean short web-novel. (text only, no illustration) Tables Of Contents Title Page Body Content Copyright (42 pages in approx. print length) Preview Under the clear sky, Artessa muttered as she narrowed her eyes to the sunlight pouring down. "It's good weather. Shall we take out the kimchi today and sell it?" The sun was strong and the green lush. Spring was over, and summer was coming soon. Artessa clenched her fists tightly, and raised her spirits again today and made a loud voice towards the air. It was like the roar of an animal, and the birds on the trees scattered, busy running away from the sound. "That giant girl is being weird today." Children running around behind Artessa were talking, and Artessa turned around. She ran up to them in an instant, raised her muscular arms, held a frightened boy, and shouted: "This guy! What a peanut; you are so cute!" "Aww! Drop him!" Today was a peaceful afternoon. Artessa played with the children in a friendly way and went to work afterwards with a dignified step. *** Artessa Violet was once beautiful enough to be compared to the flower of the empire, but she committed the crime of sinning and insulting men while playing with them. Due to a curse from a wizard, her appearance changed, though. The victim of her insults had resented her enough to hire the wizard. It was kind of a curse. Her delicate and slender face changed into an angular and tough impression; her slender figure changed to a mass of muscle; and her height increased, until she was a giant. Artessa was startled when she saw her hands the size of a pot lid and cried out, but it was hard to understand, just like the cry of a wild beast. She immediately shut her mouth. Artessa's life after that is not well known. She disappeared after being shocked by her own appearance. Artessa was a villain girl who seduced the male lead and trampled on the male master's innocence. Like this in

print, it's cheap even if you're punished! The main character of this story had been reading Artessa's story as one of fiction. However, she was now possessed by Artessa's body. She woke up the next morning and sighed, noticing that something strange had happened to her body, and she imagined the person who had also endured this in her head. She was confused the first time, and the second time the cursing came out in her thick voice. However, it may be because humans are animals of adaptation, or maybe it is because of their optimistic nature, but she was able to adapt to Artessa's body in an instant. First of all, as soon as her appearance changed, not everyone believed her to be Artessa. So, she swept up her seemingly expensive items, put them in a bag, and fled. Eventually, the village she arrived at was very peaceful, on land perfect for farming. The (Almost) Complete Hitchhiker in Time - Shawn M. Tomlinson
2015-11-07

The Hitchhiker in Time columns were the single most popular things ever written by Shawn M. Tomlinson, which honestly doesn't say all that much. All together, they appeared in fewer than 10 newspapers between 1988 and 2001. Well, multiple copies of those newspapers, of course. The highest circulation was approximately 40,000, so not exactly Bob Greene levels. Still, Tomlinson had a following with these columns and to a great extent, they hold up well today. Either that or Tomlinson would like to think so. Many of these columns appeared in chapbooks over the years, but this is the first full collection of them to be in print.

DILF: Confessions of a Sexy Dad - William Wright 2015-06-09

Everyone who's watched American Pie knows about MILFs, but have you ever heard of a DILF? You have now. DILF: CONFESSIONS OF A SEXY DAD covers topics such as jorts, Honey Boo Boo and the Pittsburgh Steelers. Even when more controversial subjects such as drugs and religion are discussed, DILF - Yours Truly - maintains his sense of humor. DILF is built around three stories. The first is "Forbidden Fruit," the story of Adam and Eve told as if Adam's gay partner Steve lived with them in Eden. The second is "Bed Buddies," about a modern-day couple trying an open marriage, and the third is "A Family Affair," a potboiler about a woman whose family secret comes back to haunt her. Anyway, I'd say more but the ol' ball and chain is telling me to wrap it up.

Apparently our kitty made a number two, and the litter box isn't going to clean itself. Clearly my wife didn't get the sexy dad memo. Just do me a favor and check out the preview. That says you need to know, thanks.

Fated Brothers - Mitchell Childers 2013-06

It was a dark and stormy night, and the elfin army was massed, standing at attention in the middle of a clearing of the forest. At the head of this

army of about two hundred archers and three hundred swordsmen were two figures with armor alike yet unlike the other soldiers. One was a tall-standing, young-looking elf woman holding a broadsword to her front with both hands casually on the handle, the blade in the ground. She was wearing a shiny crown of silver and gold on her head, and her long white hair was done in one thick braid at her back that reached down to the base of her spine. Her armor was somewhat heavy, finely made, and was of good shiny steel lined with gold that covered most of her body. What didn't cover her body revealed a dress underneath that was made of either silk or something like it. Standing next to her was a slightly shorter and younger woman who had features like the other. Her armor was a little skimpier, but of the same material. Steel bracers around her forearms as well as somewhat long steel boots gave her limbs some protection. The rest was a chest plate and an Averis chain skirt that went down to her knees, Averis being a special metal made entirely by elves. The skirt has individual scaled plates of its own, and both the chest plate and skirt together exposed her midsection. On her head was a tiara. All of the armor was fit perfectly to her small but muscular, toned frame. Her hair was blond and short, barely reaching her elegant shoulders and was combed back. She stood there beside the older woman with two elegantly curved shortswords held backward in each hand. The army stood in wait on top of a hill overlooking a dark fort a half a mile away surrounded by numerous monsters of many types and configurations but all an ugly, twisted human form. The two women in front stood there for the longest time saying nothing and not moving an inch. All that could be heard was the sound of thunder and the rain hitting their armor. Just then, the silence was broken by the eldest woman in front. She said, Neiren. The younger woman turned to her in response. I want you to do something for me. The younger woman looked at her with deep concern. *First Hard Ride (Sexy Stories Collection Volume 11)* - Kellie Granier 2014-03-24
