* Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

[Tell Me Again How A Crush Should Feel - Sara Farizan 2014-10-07](#)

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has

made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that *Leila* liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, *Saskia*, shows up, *Leila* starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and *Saskia*'s confusing signals, *Leila* confides in her old friend, *Lisa*, and grows closer to *Tomas*, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, *Leila* begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

[The Lesbian Sex Haiku Book \(with Cats!\) - Anna Pulley 2016-04-19](#)

Lesbian sex has been confounding people since the dawn of time. What is it that two women do together exactly? *The Lesbian Sex Haiku Book (with Cats!)* is a humorous guide to lesbian sex, dating rituals, and relationships, and aims to dispel all myths. Haiku paired with hilarious watercolor illustrations of cats in various stages of sexual awkwardness will enlighten, demystify, remystify, and most importantly entertain as you learn about all the aspects involved in girl-on-girl action. From lesbian pick-up lines: Pronounce *Annie Proulx*'s name correctly—watch lady's cargo pants fall off. To icebreaker haiku for first dates: It has been MANY years, but I'm not done griping about The L Word. To, of course, the mechanics of lesbian sex: It's like straight sex but afterwards we ask ourselves, "We just had sex, right?" Lesbian sex is like water polo—no one really knows the rules. This laugh-out-loud book is the perfect gift to amuse and educate your friends, loved ones, and lovers.

[The Line of Beauty - Alan Hollinghurst 2014-12-15](#)

CELEBRATING 50 YEARS OF PICADOR BOOKS Winner of the Man Booker Prize, *The Line of Beauty* is a classic novel about class, politics and sexuality in Margaret Thatcher's 1980s Britain. There was the soft glare of the flash - twice - three times - a gleaming sense of occasion, the gleam floating in the eye as a blot of shadow, his heart running fast with no particular need of courage as he grinned and said, 'Prime Minister, would you like to dance?' In the summer of 1983, twenty-year-old *Nick Guest* moves into an attic room in the Notting Hill home of the wealthy *Feddens*: *Gerald*, an ambitious Tory MP, his wife *Rachel* and their children *Toby* and *Catherine*. Innocent of politics and money, *Nick*

is swept up into the Feddens' world and an era of endless possibility, all the while pursuing his own private obsession with beauty. *The Line of Beauty* is Alan Hollinghurst's Man Booker Prize-winning masterpiece. It is a novel that defines a decade, exploring with peerless style a young man's collision with his own desires, and with a world he can never truly belong to. Part of the Picador Collection, a new series showcasing the best of modern literature.

Book Crush - Nancy Pearl 2009-09-29

From picture books to chapter books, YA fiction and nonfiction, Nancy Pearl has developed more thematic lists of books to enjoy. The Book Lust audience is committed to reading, and here is a smart and entertaining tool for picking the best books for kids. Divided into three sections—Easy Books, Middle-Grade Readers, and Young Adult—Nancy Pearl makes wonderful reading connections by theme, setting, voice, and ideas. For horse lovers, she reminds us of the mainstays in the category (*Black Beauty*, *Misty of Chincoteague*, etc.) but then in a creative twist connects *Mr. Revere and I* to the list. In a list called Chapter One, she answers the proverbial question: which chapters books are the most compelling for kids who are now ready to move beyond picture books. And who says picture books aren't deep? Recommended Folk Tales sort out many of life's dilemmas and issues of good and bad; a selection of picture books on Death and Dying introduces this topic with sensitivity; and *You've Got a Friend* offers up books for early readers that show the complexities and the pleasures of relating to others. Parents, teachers, and librarians are often puzzled by the unending choices for reading material for young people. It starts when the kids are toddler and doesn't end until high-school graduation. What's good, what's trash, what's going to hold their

interest? Nancy Pearl, America's favorite librarian, points the way in *Book Crush*.

Nordau to NASDAQ - Miryam Yahil 2012

So how much are we worth, in your opinion? I asked. Just in case someone, maybe you, wants to buy us tomorrow morning, how much are we worth? Rick Gardner, obviously delighting in the wine's clarity as he

held it up against the light, replied, In my estimation, New Dimension is worth six hundred, maybe six hundred and twenty million dollars. Then he laughed, and emptied his glass. This exchange, which took place in a meeting in Germany, marks a turning point in the history of The New Dimension Software, one of the most successful software companies in Israel in 1999 which was subsequently sold to Texas- based BMC Software for 675 million dollars. Nordau to NASDAQ is the moving story of Roni Einav, a pioneer entrepreneur in Israeli high-tech, whose journey to success began in the modest environments of an apartment on Tel-Aviv's Nordau Boulevard. Encouraged to believe that free enterprise, determination and perseverance are the keys to real achievement, he started to make his way. The book exposes the power struggles, moves and bold decisions that led to the extraordinary success of The New Dimension from its earliest beginnings. Mr. Einav describes his

considerable experience and raises the curtain on trade secrets: How do you recognize a good idea? How do you cope with bureaucracy or inner dissent? How do you identify or create a significant share for your software products in the global market? Where can you find financing and what can you do if you are not successful in your search? The book offers an insight into how to balance family and professional life, and still achieve significant success. Mr. Einav, whose personal journey coincides with that of the State of Israel, has served his country in a weapons development unit, and participated in major new urban planning and construction in Iran of the Shah. Nordau to NASDAQ highlights the amazing talents, vision, leadership and dedication of one man, who played an integral role in the development of the Israeli high-tech industry, helping transform this small nation into a land of start-ups, with the largest number of companies traded on Wall Street after the U.S. and Canada.
