

Rape And Society Readings On The Problem Of Sexual Assault

Rape on Prime Time Lisa M. Cuklanz 2010-11-24 Depictions of rape on television have evolved dramatically, from hard-boiled stories about male detectives to more insightful shows focusing on rape victims. Rape on Prime Time is the first book to examine those changing depictions of rape. Lisa M. Cuklanz reveals that prime-time television programs during the 1970s—usually detective shows—reflected traditional ideas that "real" rape is perpetrated by brutal strangers upon passive victims. Beginning in 1980, depictions of rape began to include attacks by known assailants, and victims began to address their feelings. By 1990, scripts portrayed date and marital rape and paid greater attention to the trial process, reflecting legal reformers' concerns. While previous studies have examined one series or genre, Cuklanz examines programs as dissimilar as *Barney Miller*, *Dallas*, *The Cosby Show*, and *Quincy*. She outlines the "basic plot" for rape episodes, then traces the historical development of rape themes. In each chapter she includes close analyses of episodes that add depth to findings derived from scripts and taped episodes. Rape on Prime Time provides important insight into the social construction of rape in mainstream mass media since the inception of rape law reform in 1974.

Gender Violence Laura L. O'Toole 1997-03 How gender and sexuality can be life threatening Though violence against women has received increasing attention from scholars and the general public alike, much of the literature on the subject is scattered in monographs, journals, and books focusing on specific forms of gender violence. In their path-breaking anthology *Gender Violence: Interdisciplinary Perspectives*, editors Laura L. O'Toole and Jessica Schiffman have brought together central articles and authors to construct a remarkably broad understanding of the gender-related manifestations of violence. *Gender Violence* is composed of three sections—one examining the roots of male violence and victimization of women, another exploring forms of sexual coercion and violence, and a third offering a number of perspectives on promoting nonviolence in the context of gender relations. Chapters consider topics including sexual harassment, rape, children and gender violence, battering in intimate relationships, and pornography. The list of contributors includes such diverse and well known scholars as Friedrich Engels, bell hooks, Diana Scully, Harry Brod, and Linda Gordon, and poets such as Audre Lorde and Margaret Randall. The book also contains a number of original pieces with novel approaches to subjects such as domestic violence and its effects on children. With its interdisciplinary perspective and wide-ranging subject matter, *Gender Violence* is an excellent primary text as well as an invaluable reference for scholars in the field of women and violence.

Rape and Sexual Power in Early America Sharon Block 2012-12-01 In a comprehensive examination of rape and its prosecution in British America between 1700 and 1820, Sharon Block exposes the dynamics of sexual power on which colonial and early republican Anglo-American society was based. Block analyzes the legal, social, and cultural implications of more than nine hundred documented incidents of sexual coercion and hundreds more extralegal commentaries found in almanacs, newspapers, broadsides, and other print and manuscript sources. Highlighting the gap between reports of coerced sex and incidents that were publicly classified as rape, Block demonstrates that public definitions of rape were based less on what actually happened than on who was involved. She challenges conventional narratives that claim sexual relations between white women and black men became racially charged only in the late nineteenth century. Her analysis extends racial ties to rape back into the colonial period and beyond the boundaries of the southern slave-labor system. Early Americans' treatment of rape, Block argues, both enacted and helped to sustain the social, racial, gender, and political hierarchies of a New World and a new nation.

Sex, Morality, and the Law Lori Gruen 1997 First Published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

Handbook of Sexual Assault and Sexual Assault Prevention William T. O'Donohue 2019-10-18 This timely handbook provides in-depth overviews of the myriad and multi-faceted issues surrounding sexual assault and its pervasiveness in today's culture. Drawing for multiple viewpoints and experts, the book is divided into seven comprehensive sections, covering such topics as risk factors, varying theoretical frameworks, prevention and intervention, and special populations. Within these sections the authors provide historical background as well as the latest research, and offer treatment outcomes and potentials. Selected topics covered in this book include: Feminist theories of sexual assault Social and economic factors surrounding sexual violence Mental, physiological, physical, and functional health concerns of victims, including PTSD Major categories of sexual offenders Treatment of sexual assault survivors in the LGBTQ+ community Procedural processes related to sexual assault investigation and adjudication within the criminal justice system The Handbook of Sexual Assault and Sexual Assault Prevention is a vital book that will appeal to a broad spectrum of students, researchers, practitioners, and clinicians in the fields of psychology, psychiatry, community mental health, and sociology.

The Philosophy of Sex Raja Halwani 2022-02-28 With 7 new essays, the 8th edition of this best-selling text examines the nature, morality, and significance of contemporary sexual phenomena. Topics include love; desire; rape; masturbation; sex online; homosexual, asexual, queer, and transgender issues; polyamory; paraphilia; drugs and sex; objectification; BDSM; and sex and race.

Heinous Crime Frederic G. Reamer 2005 This book offers innovative perspectives on issues concerning a civilized society's response to offenders guilty of heinous crimes. It considers specific cases and the chilling accounts of victims and the criminals themselves. In providing detailed strategies for prevention and rehabilitation, the author examines the psychological and social factors that lead individuals to commit reprehensible crimes, arguing that a fuller understanding of different criminal types is crucial to developing successful answers to the problem of heinous crimes.

A Comparative Perspective on Major Social Problems Rita James Simon 2001 In this volume Rita J. Simon brings together a clearly organized and accessible collection of scholarly essays on the world's most pressing social problems. Each of the contributors address a specific issue--gambling, prisons, alcohol, AIDS, rape, juvenile justice, abortion, and guns--by examining the institutions and laws different societies have developed for containing them. Each of the countries selected represents a range of variations in political, economic, religious/ethical/social orientations and characteristics. This comparative and interdisciplinary world perspective makes Simon's edited volume uniquely relevant to political scientists, sociologist, criminologists, psychologists and the broader audience of scholars and laypeople interested in the study of contemporary social problems.

Gender and Crime Karen Heimer 2006 While rates of violent victimization have declined, women are still much more likely than men to be attacked by an intimate partner. Simultaneously, women's involvement in the criminal justice system, as arrestees and sentenced offenders, is increasing. Criminologists are struggling to understand these patterns of offending and victimization and how they can be prevented. Composed of original contributions by many of the top scholars in criminology, these essays will help to transform our understanding of women's relation to crime. Contributors: Jennifer L. Castro, Stephen A. Cernkovich, Sarah Curtis-Fawley, Kathleen Daly, Laura Dugan, Jill A. Dienes, Rosemary Gartner, Carole Gibbs, Peggy C. Giordano, Karen Heimer, Gwen Hunnicutt, Candace Kruttschnitt, Gary LaFree, Janet L. Lauritsen, Ross Macmillan, Bill McCarthy, Jody Miller, Christopher W. Mullins, Callie Marie Rennison, Nancy Rodriguez, Sally S. Simpson, Hilary Smith, Stacy Wittrock, Halime Ünal, and Marjorie S. Zatz.

Protection of Sexual Minorities since Stonewall Phil C.W. Chan 2013-09-13 The Stonewall Riot in New York in 1969 marked the birth of the sexual minority rights movement worldwide. In the subsequent four decades, equality and related rights on grounds of sexual orientation and gender identity have been enshrined in many African, Asian, Australasian, European and North American countries, thanks to better informed discourses of the natures of sexual orientation, gender identity, equality and rights that systematic scientific and socio-legal research has generated. Discrimination, harassment and persecution on grounds of a person's sexual orientation or gender identity, however, continue to pervade the laws and social norms in all developed and developing countries. In tribute to the courage of those who participated in the Stonewall Riot, this book examines the progress and stalemate in various countries on five continents, as well as in the development of international law, concerning the rights of persons belonging to sexual minorities. This book covers

issues including homophobic bullying and gay-straight alliances in schools; the merits and problems that legislation prohibiting hate speech on grounds of sexual orientation presents; criminal justice systems in relation to male rape victims and to criminalisation of HIV exposure and transmission; the development of sexual minority rights, from historical and socio-legal perspectives, in Hong Kong, Japan, Singapore, and Zimbabwe; the lives of transgender persons in Asian countries; the evolution, operation and impact of international and domestic refugee laws on sexual orientation and gender identity as grounds for refugee status and asylum; and the conflicts between law, religion and sexual minority equality rights that inhere in the same-sex marriage debate in Ireland. This book was previously published as a special double issue of *The International Journal of Human Rights*.

Crime Prevention David A. Mackey 2011-12 Written by a collection of scholarly experts, *Crime Prevention* presents significant issues related to contemporary crime prevention efforts. Interdisciplinary in its approach, the text is written for courses within a criminal justice or sociology curriculum. Co-Editor and author, David Mackey begins by emphasizing the importance of crime prevention as it relates to financial and social costs and introduces students to the theoretical models of crime prevention. The subsequent order of the chapters parallels the medical model of crime prevention moving from primary crime prevention, secondary crime prevention, and tertiary crime prevention efforts. Traditional areas of crime prevention are reflected in the chapters on family/schools, guns, policing, sentencing, and correctional programs, and additional chapters cover emerging areas now considered critical to crime prevention, such as technology, surveillance, and specific efforts to protect more vulnerable populations. Key Features: - Includes a comprehensive look at the many facets of crime prevention, merging both the theory and practice. - Provides a comprehensive discussion on a range of crime prevention topics while incorporating a theoretical foundation, a look at previous research, and existing policy analysis. - Includes the most recent data in the field, acknowledging the recent changes in crime prevention due to increased awareness of terrorism and advances in technological capabilities. Resources: - Instructor resources include a complete Test Bank and PowerPoint Lecture Outlines.

Women, Ideology and Violence Cheryl Anderson 2006-01-01 Cheryl Anderson examines the laws relating to women that are found in the Book of the Covenant and the Deuteronomic law. She argues that the laws can be divided into those that treat women similarly to men (defined as 'inclusive' laws) and those that treat women differently ('exclusive' laws). She then suggests that the exclusive laws, which construct gender as male dominance/female subordination, do not just describe violence against women but are inherently violent toward women. As a non-historical critique of ideology, critical theory is used to offer analytical insights that have significant implications for understanding gender constructions in both ancient and contemporary settings.

Sexual Violence in a Digital Age Anastasia Powell 2017-06-29 This book examines how digital communications technologies have transformed modern societies, with profound effects both for everyday life, and for everyday crimes. Sexual violence, which is recognized globally as a significant human rights problem, has likewise changed in the digital age. Through an investigation into our increasingly and ever-normalised digital lives, this study analyses the rise of technology-facilitated sexual assault, 'revenge pornography', online sexual harassment and gender-based hate speech. Drawing on ground-breaking research into the nature and extent of technology-facilitated forms of sexual violence and harassment, the authors explore the reach of these harms, the experiences of victims, the views of service providers and law enforcement bodies, as well as the implications for law, justice and resistance. *Sexual Violence in a Digital Age* is compelling reading for scholars, activists, and policymakers who seek to understand how technology is implicated in sexual violence, and what needs to be done to address sexual violence in a digital age.

The Trauma of Sexual Assault Jenny Petrak 2003-07-07 The psycho-social needs of victims of rape and sexual assault are increasingly recognised and there is a need for a critical synthesis of knowledge and practice to support the development of training and best practice in the mental health and sexual health professions. *The Trauma of Sexual Assault* provides an understanding of the theoretical underpinning of the wide range of clinical problems that can follow sexual assault. Focusing on adult victims of sexual assault, this book brings together research findings, theoretical perspectives and implications for treatment, longer term management, and future policy. * The first text to consider the psychological impact of sexual assault on women and men * Incorporates a comprehensive flow-through model of psychological and social management from the initial presentation of the assaulted person onwards * A much needed reference, accessible to a wide range of professionals Part of the Wiley Series in Clinical Psychology

Victimhood and Vulnerability in 21st Century Fiction Jean-Michel Ganteau 2017-04-21 Editors Jean-Michel Ganteau and Susana Onega) have assembled a volume which addresses the relationship between trauma and ethics, and moves one step further to engage with vulnerability studies in their relation to literature and literary form. It consists of an introduction and of twelve articles written by specialists from various European countries and includes an interview with US novelist Jayne Anne Philips, conducted by her translator into French, Marc Amfreville, addressing her latest novel, *Quiet Dell*, through the victimhood-vulnerability prism. The corpus of primary sources on which the volume is based draws on various literary backgrounds in English, from Britain to India, through the USA. The editors draw on material from the ethics of alterity, trauma studies and the ethics of vulnerability in line with the work of moral philosophers like Emmanuel Levinas, as well as with a more recent and challenging tradition of continental thinkers, virtually unknown so far in the English-speaking world, represented by Guillaume Le Blanc, Nathalie Maillard, and Corinne Pelluchon, among others. Yet another related line of thought followed in the volume is that represented by feminist critics like Catriona McKenzie, Wendy Rogers and Susan Dodds.

Perverts and Predators Laura J. Zilney 2009-05-16 *Perverts and Predators* elaborates on the numerous factors that have contributed to the passage of sexual offending laws in the United States. Authors Lisa and Laura Zilney weave together a story of how sex crimes laws were created by analyzing the changing roles of religion and the medical community, offering theoretical explanations for sex offending from the unique perspectives of criminology and sexology. Working under the central premise that sex and sexuality are positive and healthy and that the only way to deal with the issue of sexual offending is through sex positive education and counseling, Zilney and Zilney trace the history of sex offending laws and highlight cases in the media that contributed to increasingly punitive legislation. The authors provide information concerning the prevalence and incidence of sex offending, including victim and offender profiles and the frequency and types of offenses committed in order to give readers greater understanding of the problem. They discuss politics as a major player in the creation of a moral panic surrounding sex offenders and fueling public outrage to garner support for 'get tough' laws. The management of sex offenders in society is discussed, as are consequences of the punitive approach for both the offender and the victim. Comparative case studies are used to explore what the United States could learn from other countries' approaches to sexual offending.

Reader's Guide to Women's Studies Eleanor Amico 1998-03-20 *The Reader's Guide to Women's Studies* is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as "Health: General Works" to entries on specific individuals or more focused topics such as "Doctors."

Encyclopedia of Rape and Sexual Violence Merrill D. Smith 2018 "This encyclopedia focuses on rape in contemporary society. Different categories of rape and sexual assault are examined both in the United States and globally. Though underreported, the data that are available clearly indicate that sexual violence is a global problem that affects not only women, but men and children, too. Perhaps some minds will be informed, by reading the twenty entries in this volume" --

Rape Culture and Spiritual Violence Gina Messina-Dysert 2015-05-08 *Rape Culture and Spiritual Violence* examines sexual violence against women, how religion and society contribute to a rape culture, and the extreme suffering endured by rape victims as a result. Using the testimony of women who have experienced both rape and the consequences of rape culture—from a range of religious, cultural, ethnic, and social contexts—the book explores both the suffering and healing of rape victims from World War II to today. Among the issues considered are victim invisibility, the inability to express pain, and the tendency to assume shame

and self-blame. The study examines the role of society in shaping and reinforcing these responses, contributing to traumas that can lead to spiritual death. The book also explores possibilities for multiple spiritual resurrections within the practice of daily life, encouraging both individual healing and social change.

We Need to Talk Emily Hunt 2023-02-02 Emily was in a restaurant, having lunch with her father - the next thing she remembers is waking up, naked, in a strange hotel room, next to a man she did not know. She suspected she had been drugged, raped and later found out she had been filmed without her consent. What happened to her that night could have happened to anyone. What came next happens to far too many victims, as failures by the police, the UK's Crown Prosecution Service and other parts of the system, led to Emily doubting she would ever find justice. Six years after her attack, Emily is an adviser to the UK Government on sexual violence. Part memoir and part investigation, Emily shines a light on the fault lines of a system and a society that is failing rape victims. *We Need To Talk* looks at how rape is a mainstream, everyday problem deeply damaging victims, their families, their workplaces and the economy.

Early Modern Trauma Erin Peters 2021-08 This edited collection explores what trauma—seen through an analytical lens—can reveal about the early modern period and, conversely, what conceptualizations of psychological trauma from the period can tell us about trauma theory itself.

Practicing Feminism in South Korea Kyungja Jung 2013-10-01 The Korean women's movement, which is seen in both Western and non-Western countries as being exemplary in terms of women's activism, experienced a dramatic change in its direction and strategy in the early 1990s. At the heart of the new approach was an increasing focus on sexual violence, which has had a huge impact on bringing women's issues onto the public agenda in Korea. This book examines feminist practice in Korea by analyzing the experiences of the country's first sexual assault center, the Korea Sexual Violence Relief Center. Based on extensive original research, including interviews with activists and extensive participant observation, it explores why feminist activists in South Korea chose to organize around the issue of sexual violence, the strategies it used to do so, what impact the movement has made and what challenges it still faces to achieve its objectives.

Surviving the Silence: Black Women's Stories of Rape Charlotte Pierce-Baker 2000-06-17 In this "intelligent", "stunning", and "honest" book, Charlotte Pierce-Baker weaves together the accounts of black women who have been raped and who have felt that they had to remain silent in order to protect themselves and their race. It opens with the author's harrowing and courageous account of her rape and includes the stories of the author's own family's response, plus the voices of black men who have supported rape survivors.

Ethics and Trauma in Contemporary British Fiction Susana Onega 2011 This volume is the first book of criticism to provide a systematic analysis of a corpus of emblematic contemporary British fictions from the combined perspective of trauma theory and ethics. Although the fictional work of writers such as Graham Swift has already been approached from this perspective, none of the individual works or authors under analysis in the twelve essays collected in this volume has been given such a systematic and in-depth scrutiny to date. This study, which is addressed to academics and university students of British literature and culture, focuses on the literary representation of trauma in key works by Martin Amis, J. G. Ballard, Pat Barker, John Boyne, Angela Carter, Eva Figes, Alan Hollinghurst, Delia Jarrett-Macauley, A.L. Kennedy, Ian McEwan, Michael Moorcock, Fay Weldon and Jeanette Winterson, within the context of the "ethical turn" in the related fields of literary theory and moral philosophy that has influenced literary criticism over the last three decades, with a special focus on the ethics of alterity, the ethics of truths, and deconstructive ethics.

Confronting Rape and Sexual Assault Mary E. Odem 1998 Professors Mary Odem and Jody Clay-Warner examine the complex and painful issue of sexual violence from various social science perspectives. With contributors from a wide range of fields, including sociology, psychology, criminology, law, anthropology, public health, and women's studies, this interdisciplinary volume presents the leading classic and recent scholarship on the subject. Yet the book's greatest strength lies in its broad sociological exploration of its subject. *Confronting Rape and Sexual Assault* looks beyond the stereotypical idea of rape - a woman attacked by an unknown assailant in a dark alley. Topics include sexual violence against men, date rape, marital rape, the effects of pornography, and the racial-ethnic issues surrounding rape. Not only does this invaluable collection define and examine the prevalence of rape and sexual assault, but it analyses social and institutional factors that contribute to their occurrence and provides strategies for prevention and change. *Confronting Rape and Sexual Assault* has appeal for professors, students, and scholars in the social sciences as well as for general readers concerned with this troubling issue.

In an Abusive State Kristin Bumiller 2009-01-01 In *In an Abusive State* puts forth a powerful argument: that the feminist campaign to stop sexual violence has entered into a problematic alliance with the neoliberal state. Kristin Bumiller chronicles the evolution of this alliance by examining the history of the anti-violence campaign, the production of cultural images about sexual violence, professional discourses on intimate violence, and the everyday lives of battered women. She also scrutinizes the rhetoric of high-profile rape trials and the expansion of feminist concerns about sexual violence into the international human-rights arena. In the process, Bumiller reveals how the feminist fight against sexual violence has been shaped over recent decades by dramatic shifts in welfare policies, incarceration rates, and the surveillance role of social-service bureaucracies. Drawing on archival research, individual case studies, testimonies of rape victims, and interviews with battered women, Bumiller raises fundamental concerns about the construction of sexual violence as a social problem. She describes how placing the issue of sexual violence on the public agenda has polarized gender- and race-based interests. She contends that as the social welfare state has intensified regulation and control, the availability of services for battered women and rape victims has become increasingly linked to their status as victims and their ability to recognize their problems in medical and psychological terms. Bumiller suggests that to counteract these tendencies, sexual violence should primarily be addressed in the context of communities and in terms of its links to social disadvantage. *In an Abusive State* is an impassioned call for feminists to reflect on how the co-optation of their movement by the neoliberal state creates the potential to inadvertently harm impoverished women and support punitive and racially based crime control efforts.

Sexual Assault on the College Campus Martin D. Schwartz 1997-01-02 For many students, coeducational college campus life is marred by traumatic experiences of sexual assault. While there are many social determinants of rape and attempted rape, this work examines the pivotal role of male peer support in legitimizing the sexual assault of women. The authors use extensive prior studies together with their own investigations, including a national representative study and local campus victimization surveys carried out in the United States and Canada.

Rape And Society Patricia Searles 2018-03-05 In the 1970s rape became the point of departure for an ongoing feminist examination of the subordination and sexual victimization of women. More recently, domestic violence, prostitution, sexual harassment, and pornography have come to the forefront of investigators' concerns. *Rape and Society* returns to the original focus on rape while also illuminating the interconnections among the many forms of violence against women. The book provides a comprehensive treatment of the subject, drawing on writers and researchers from across a range of social and behavioral sciences and the humanities and representing the experiences of women of diverse backgrounds and lifestyles. From the private torment of a child abused by her father to the horror of mass rape and ethnic cleansing in the former Yugoslavia, the authors analyze rape as a tool of humiliation, control, and terror. *Rape and Society* is an essential resource for academics and professionals and for anyone wanting to come to grips with the magnitude of the problem of sexual violence. Because the selections are moving as well as thought-provoking and varied in approach (theoretical, empirical, literary, and experiential), this interdisciplinary anthology is a superb text for undergraduate and graduate courses in women's studies, psychology, sociology, and criminology. It offers incisive analyses and carefully designed research to help us understand and explain rape while sensitizing us to the personal dimensions of sexual victimization and the emotional toll of living in a violent society. There are hopeful voices here too, helping readers envision a safer and more humane world, offering concrete suggestions for social change, and encouraging us all to gather the power and courage to take on the work that lies before us.

Issues in Intimate Violence Raquel Kennedy Bergen 1998-05-05 This anthology explores a wide range of violence that commonly occurs in families and between intimates. Many articles offer a feminist perspective that

addresses the gendered nature of violence and the consequences of power inequality in our society. A variety of violence topics are included: child abuse, incest, violence in heterosexual dating relationships, violence in gay and lesbian relationships, acquaintance rape, wife abuse and wife rape, and elder abuse.

Sacred Tropes: Tanakh, New Testament, and Qur'an as Literature and Culture Roberta Sabbath 2009-09-30 Sacred Tropes interweaves Tanakh, New Testament, and Qur'an essays which collectively and individually enlist literary approaches including environmental, cultural studies, gender, psychoanalytic, ideological, economic, historicism, law, and rhetorical criticisms. Sacred Tropes represents a pioneering, comparatist approach to Abrahamic studies.

Everybody's Family Romance Gillian Harkins 2009 In the 1990s, a boom in autobiographical novels and memoirs about incest emerged, making incest one of the hottest topics to connect daytime TV talk shows, the self-help industry, and the literary publishing circuit. In *Everybody's Family Romance*, Gillian Harkins places this proliferation of incest literature at the center of transformations in the political and economic climate of the late twentieth century. Harkins's interdisciplinary approach reveals how women's narratives about incest were co-opted by-and yet retained resistant strains against-the cultural logics of the neoliberal state. Across chapters examining legal cases on recovered memory, popular journalism, and novels and memoirs by Dorothy Allison, Carolivia Herron, Kathryn Harrison, and Sapphire, Harkins demonstrates that incest narratives look backward into the past. In these accounts, images of incest forge links between U.S. chattel slavery and the distributive impasses of the welfare state and between decades-distant childhoods and emergent memories of the present. In contrast to recent claims that incest narratives eclipse broader frameworks of political and economic power, Harkins argues that their emergence exposes changing structural relations between the family and the nation and, in doing so, transforms the analyses of American familial sexual violence.

Rape And Society Patricia Searles 1995-04-13 In the 1970s rape became the point of departure for an ongoing feminist examination of the subordination and sexual victimization of women. More recently, domestic violence, prostitution, sexual harassment, and pornography have come to the forefront of investigators' concerns. *Rape and Society* returns to the original focus on rape, while also illuminating the interconnections among the many forms of violence against women. The book provides a comprehensive treatment of the subject, drawing on writers and researchers from across a range of social and behavioral sciences and the humanities and representing the experiences of women of diverse backgrounds and lifestyles. From the private torment of a child abused by her father to the horror of mass rape and ethnic cleansing in the former Yugoslavia, the authors analyze rape as a tool of humiliation, control, and terror. *Rape and Society* is an essential resource for academics and professionals and for anyone wanting to come to grips with the magnitude of the problem of sexual violence. Because the selections are moving as well as thought-provoking and varied in approach (theoretical, empirical, literary, and experiential), this interdisciplinary anthology is a superb text for undergraduate and graduate courses in women's studies, psychology, sociology, and criminology. It offers incisive analyses and carefully designed research to help us understand and explain rape while sensitizing us to the personal dimensions of sexual victimization and the emotional toll of living in a violent society. There are hopeful voices here too, helping readers envision a safer and more humane world, offering concrete suggestions for social change, and encouraging us all to gather the power and courage to take on the work that lies before us.

Rape and the Culture of the Courtroom Andrew E. Taslitz 1999-06 A study of how rape stereotypes are used by defence lawyers to gain acquittals in the USA. The author also presents reform proposals, consistent with feminist theories of justice, designed to improve both the American adversary system in general and the way in which the system handles rape cases.

Handbook of Clinical Health Psychology Susan Llewelyn 2005-01-21 The *Handbook of Clinical Health Psychology* provides a comprehensive overview of the practice of clinical health psychology. It is primarily a well-referenced but practical resource, which provides an authoritative, up-to-date guide to empirically validated psychological interventions in health care. Each contributor provides a conceptual synthesis of the area, and how key models are related to formulation, service delivery and research. The book also considers contextual issues and the importance of topics such as ageism and power, which may have an impact on how health psychology is delivered by practitioners, and experienced by recipients of services. It also seeks to provide a summary of evidence concerning crucial aspects in the delivery of care, such as adherence, rehabilitation and stress. The biopsychosocial model is the major theoretical model underpinning all contributions, but use is also made of other models. * Informative and practical: a guide to action * An authoritative, critical and evidence based synthesis of knowledge that will guide best practice * Easy-to-use format intended for practitioners who want to ensure their practice is state-of-the-art

Women in the Hebrew Bible Alice Bach 2013-10-31 *Women in the Hebrew Bible* presents the first one-volume overview covering the interpretation of women's place in man's world within the Hebrew Bible or Old Testament. Written by the major scholars in the field of biblical studies and literary theory, these essays examine attitudes toward women and their status in ancient Near Eastern societies, focusing on the Israelite society portrayed by the Hebrew Bible.

Intimate Betrayal Vernon R. Wiehe 1995-07-13 Acquaintance rape is a serious social problem, yet it remains widely misunderstood by the general public and by practitioners working with both survivors and perpetrators. The concept 'rape' is generally thought of in terms of rape by a stranger; acquaintance rape survivors are more likely to be blamed for the assault than stranger rape survivors. This seriously impacts upon what survivors do after the assault, on the services survivors receive, on the prosecution of perpetrators and on efforts to prevent the problem. *Intimate Betrayal* provides much-needed information on the subject - including practical information directed specifically at practitioners working with survivors - with sensitive discussions that include

New World Orders John Smolenski 2013-10-09 As the geographic boundaries of early American history have expanded, so too have historians' attempts to explore the comparative dimensions of this history. At the same time, historians have struggled to find a conceptual framework flexible enough to incorporate the sweeping narratives of imperial history and the hidden narratives of social history into a broader, synthetic whole. No such paradigm that captures the two perspectives has yet emerged. *New World Orders* addresses these broad conceptual issues by reexamining the relationships among violence, sanction, and authority in the early modern Americas. More specifically, the essays in this volume explore the wide variety of legal and extralegal means—from state-sponsored executions to unsanctioned crowd actions—by which social order was maintained, with a particular emphasis on how extralegal sanctions were defined and used; how such sanctions related to legal forms of maintaining order; and how these patterns of sanction, embedded within other forms of colonialism and culture, created cultural, legal, social, or imperial spaces in the early Americas. With essays written by senior and junior scholars on the British, Spanish, Dutch, and French colonies, *New World Orders* presents one of the most comprehensive looks at the sweep of colonization in the Atlantic world. By juxtaposing case studies from Brazil, Venezuela, New York, California, Saint Domingue, and Louisiana with treatments of broader trends in Anglo-America or Spanish America more generally, the volume demonstrates the need to examine the questions of violence, sanction, and authority in hemispheric perspective.

Rape, Victims, and Investigations Shana L Maier 2014-06-13 Despite changes to laws and attitudes, rape continues at epidemic levels worldwide. As gatekeepers to the criminal justice system, law enforcement officers are important to the processing of rape cases and their interactions with victims can potentially affect the victim's reaction to and recovery from rape. In order to better understand rape and the processing of cases through the criminal justice and legal systems, *Rape, Victims and Investigations* explores the unique perceptions and experiences of detectives who respond to rape victims and investigate rape cases. The detective's investigation is the foundation of the prosecution's case; the book considers factors that contribute to the challenging nature of rape investigations, such as lack of evidence or a clear, credible victim statement. Detectives' perceptions of victims' revictimization by the criminal justice and legal systems are also explored. The book also looks at specific causes of police stress and burnout related to working rape cases, financial struggles faced by departments, and ways to meet these challenges. By integrating previous research within the context of rich interview data, *Rape, Victims and Investigations* provides deep insight for readers and will contribute to the continued improvement of treatment of victims by the criminal justice system. The book will be essential reading for academics, students, law enforcement officers, those who provide services to sexual

assault victims and victims themselves.

Rape and Society Patricia Searles 2019-09-27 In the 1970s rape became the point of departure for an ongoing feminist examination of the subordination and sexual victimization of women. Rape And Society Readings On The Problem Of Sexual Assault Introduction

In the ever-evolving landscape of reading, eBooks have emerged as a game-changer. They offer unparalleled convenience, accessibility, and flexibility, making reading more enjoyable and accessible to millions around the world. If you're reading this eBook, you're likely already interested in or curious about the world of eBooks. You're in the right place because this eBook is your ultimate guide to finding eBooks online.

The Rise of Rape And Society Readings On The Problem Of Sexual Assault

The transition from physical Rape And Society Readings On The Problem Of Sexual Assault books to digital Rape And Society Readings On The Problem Of Sexual Assault eBooks has been transformative. Over the past couple of decades, Rape And Society Readings On The Problem Of Sexual Assault have become an integral part of the reading experience. They offer advantages that traditional print Rape And Society Readings On The Problem Of Sexual Assault books simply cannot match.

Imagine carrying an entire library in your pocket or bag. With Rape And Society Readings On The Problem Of Sexual Assault eBooks, you can. Whether you're traveling, waiting for an appointment, or simply relaxing at home, your favorite books are always within reach.

Rape And Society Readings On The Problem Of Sexual Assault have broken down barriers for readers with visual impairments. Features like adjustable font size and text-to-speech functionality have made reading accessible to a wider audience.

In many cases, Rape And Society Readings On The Problem Of Sexual Assault eBooks are more cost-effective than their print counterparts. No printing, shipping, or warehousing costs mean lower prices for readers.

Rape And Society Readings On The Problem Of Sexual Assault eBooks contribute to a more sustainable planet. By reducing the demand for paper and ink, they have a smaller ecological footprint.

Why Finding Rape And Society Readings On The Problem Of Sexual Assault Online Is Beneficial

The internet has revolutionized the way we access information, including books. Finding Rape And Society Readings On The Problem Of Sexual Assault eBooks online offers several benefits:

The online world is a treasure trove of Rape And Society Readings On The Problem Of Sexual Assault eBooks. You can discover books from every genre, era, and author, including many rare and out-of-print titles.

Gone are the days of waiting for Rape And Society Readings On The Problem Of Sexual Assault book to arrive in the mail or searching through libraries. With a few clicks, you can start reading immediately.

Rape And Society Readings On The Problem Of Sexual Assault eBook collection can accompany you on all your devices, from smartphones and tablets to eReaders and laptops. No need to choose which book to take with you; take them all.

Online platforms often have robust search functions, allowing you to find Rape And Society Readings On The Problem Of Sexual Assault books or explore new titles based on your interests.

Rape And Society Readings On The Problem Of Sexual Assault are more affordable than their printed counterparts. Additionally, there are numerous free eBooks available online, from classic literature to contemporary works.

This comprehensive guide is designed to empower you in your quest for eBooks. We'll explore various methods of finding Rape And Society Readings On The Problem Of Sexual Assault online, from legal sources to community-driven platforms. You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Rape And Society Readings On The Problem Of Sexual Assault eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

Understanding Rape And Society Readings On The Problem Of Sexual Assault

Before you embark on your journey to find Rape And Society Readings On The Problem Of Sexual Assault online, it's essential to grasp the concept of Rape And Society Readings On The Problem Of Sexual Assault eBook formats. Rape And Society Readings On The Problem Of Sexual Assault come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different Rape And Society Readings On The Problem Of Sexual Assault eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable

for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Rape And Society Readings On The Problem Of Sexual Assault eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding Rape And Society Readings On The Problem Of Sexual Assault eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Rape And Society Readings On The Problem Of Sexual Assault eBooks in these formats.

Rape And Society Readings On The Problem Of Sexual Assault eBook Websites and Repositories

One of the primary ways to find Rape And Society Readings On The Problem Of Sexual Assault eBooks online is through dedicated eBook websites and repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore Rape And Society Readings On The Problem Of Sexual Assault eBook and discuss important considerations of Rape And Society Readings On The Problem Of Sexual Assault.

Popular eBook Websites

1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

Rape And Society Readings On The Problem Of Sexual Assault Legal Considerations

While these Rape And Society Readings On The Problem Of Sexual Assault eBook websites provide valuable resources for readers, it's essential to be aware of legal considerations:

Copyright: Ensure that you respect copyright laws when downloading and sharing Rape And Society Readings On The Problem Of Sexual Assault eBooks. Public domain Rape And Society Readings On The Problem Of Sexual Assault eBooks are generally safe to download and share, but always check the copyright status.

Terms of Use: Familiarize yourself with the terms of use and licensing agreements on these websites. Rape And Society Readings On The Problem Of Sexual Assault eBooks may have specific usage restrictions.

Support Authors: Whenever possible, consider purchasing Rape And Society Readings On The Problem Of Sexual Assault eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

Public Domain eBooks

Public domain Rape And Society Readings On The Problem Of Sexual Assault eBooks are those whose

copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain Rape And Society Readings On The Problem Of Sexual Assault eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore Rape And Society Readings On The Problem Of Sexual Assault eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover Rape And Society Readings On The Problem Of Sexual Assault eBooks online.

Rape And Society Readings On The Problem Of Sexual Assault eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web to help you discover Rape And Society Readings On The Problem Of Sexual Assault across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

Effective Search Rape And Society Readings On The Problem Of Sexual Assault

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

1. Use Precise Keywords:

Be specific with your search terms. Include the book title Rape And Society Readings On The Problem Of Sexual Assault, author's name, or specific genre for targeted results.

2. Utilize Quotation Marks:

To search Rape And Society Readings On The Problem Of Sexual Assault for an exact phrase or book title, enclose it in quotation marks. For example, "Rape And Society Readings On The Problem Of Sexual Assault."

3. Rape And Society Readings On The Problem Of Sexual Assault Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "Rape And Society Readings On The Problem Of Sexual Assault eBook."

4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find Rape And Society Readings On The Problem Of Sexual Assault in your preferred format.

5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

Google Books and Beyond

Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free Rape And Society Readings On The Problem Of Sexual

Assault available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free Rape And Society Readings On The Problem Of Sexual Assault.

You can search by title Rape And Society Readings On The Problem Of Sexual Assault, author, language, and more.

Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for Rape And Society Readings On The Problem Of Sexual Assault and borrow them for a specified period.

Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of Rape And Society Readings On The Problem Of Sexual Assault, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

Search Engines: These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

Websites: eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles Rape And Society Readings On The Problem Of Sexual Assault or genres. They serve as powerful tools in your quest for the perfect eBook.

Rape And Society Readings On The Problem Of Sexual Assault eBook Torrenting and Sharing Sites

Rape And Society Readings On The Problem Of Sexual Assault eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore Rape And Society Readings On The Problem Of Sexual Assault eBook torrenting and sharing sites, how they work, and how to use them safely.

Find Rape And Society Readings On The Problem Of Sexual Assault Torrenting vs. Legal Alternatives

Rape And Society Readings On The Problem Of Sexual Assault Torrenting Sites:

Rape And Society Readings On The Problem Of Sexual Assault eBook torrenting sites operate on a peer-to-

peer (P2P) file-sharing system, where users upload and download Rape And Society Readings On The Problem Of Sexual Assault eBooks directly from one another.

While these sites offer Rape And Society Readings On The Problem Of Sexual Assault eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

Rape And Society Readings On The Problem Of Sexual Assault Legal Alternatives:

Some torrenting sites host public domain Rape And Society Readings On The Problem Of Sexual Assault eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading Rape And Society Readings On The Problem Of Sexual Assault eBooks legally.

Staying Safe Online to download Rape And Society Readings On The Problem Of Sexual Assault

When exploring Rape And Society Readings On The Problem Of Sexual Assault eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify Rape And Society Readings On The Problem Of Sexual Assault eBook Sources:

Be cautious when downloading Rape And Society Readings On The Problem Of Sexual Assault from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Rape And Society Readings On The Problem Of Sexual Assault eBooks that you have the right to access.

Rape And Society Readings On The Problem Of Sexual Assault eBook Torrenting and Sharing Sites

Here are some popular Rape And Society Readings On The Problem Of Sexual Assault eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Rape And Society Readings On The Problem Of Sexual Assault eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

A Note of Caution

While Rape And Society Readings On The Problem Of Sexual Assault eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Rape And Society Readings On The Problem Of Sexual Assault eBooks.
