The Art of Watching Films - Boggs

Ethnic and Cultural Identity in Music and Song Lyrics - Victor Kennedy 2017-06-20

Ethnic and Cultural Identity in Music and Song Lyrics looks at a variety of popular and folk music from around the world, with examples of British, Slovene, Chinese and American songs, poems and musicals. Charles Taylor says that "it is through story that we find or devise ways of living bearably in time"; one can make the same claim for music. Inexorably tied to time, to the measure of the beat, but freed from time by the polysemous potential of the words, song rapidly becomes "our" song, helping to cement memory and community, to make the past comprehensible and the present bearable. The authors of the fifteen chapters in this volume demonstrate how lyrics set to music can reflect, express and construct collective identities, both traditional and contemporary.

Fire Cannot Kill a Dragon - James Hibberd 2022-03-03

[Africa's World Cup](#) - Peter Alegi 2013-05-16

A collection of essays reflecting on the 2010 World Cup by noted journalists, academics, and experts

Berlin Bromley - Bertie Marshall 2006

A revealing punk memoir from a member of the notorious Bromley Contingent. Bertie 'Berlin' Bromley cuts to the core of the 1976/77 punk sensibility, recounting his own adventures as a ubiquitous scenester and rent boy. The Bromley Contingent included Siouxsie Sioux, Steve Severin, Billy Idol and Jordan. Marshall, as a pivotal member of the Contingent, views the scene and its stars with the intimate eye of an

insider, offering a vivid picture of the most important British music movement in the 20th century.

[Drugs And Alcohol In The 21St Century](#) - Vick 2010-10-22

"Drugs & Alcohol in the 21st Century: Theory, Behavior, & Policy" examines the collective response to addictive behaviors in America, and its influence on the creation and implementation of national policy in the 20th and 21st century. A close look is given to America's response to five drugs with ambiguous political histories - alcohol, cocaine, hallucinogens, marijuana, and opiates. The physical and psychological conditions that contribute to addictive behaviors are explored, as well as how those condition impact individuals, families and communities. Responses from politicians, the alcohol and drug industry, citizens groups, and bureaucracies including law enforcement, public health, schools and colleges are discussed.

Last Interview - John Lennon 2000

On the 21st anniversary of his death, a poignant John Lennon document back in print Lennon's last interview before his assassination on December 8, 1980, was first published in Playboy in a 20,000 word format in November that year. It saw limited distribution in the US in its full form as a 200-page book, reflecting 20 hours of tapes made that September, but was never seen elsewhere, and is now a collector's item. This new, revised edition is published with the rare participation of Yoko Ono.

The Cambridge History of Terrorism - Richard English 2021-05-20

An accessible, authoritative history of terrorism, offering systematic analyses of key themes, problems and case studies from terrorism's long past.

England's Dreaming - Jon Savage 2021-06-03

Columbia Pictures - Bernard F. Dick 2021-10-19

Drawing on previously untapped archival materials including letters, interviews, and more, Bernard F. Dick traces the history of Columbia Pictures, from its beginnings as the CBC Film Sales Company, through the regimes of Harry Cohn and his successors, and ending with a vivid portrait of today's corporate Hollywood. The book offers unique perspectives on the careers of Rita Hayworth and Judy Holliday, a discussion of Columbia's unique brands of screwball comedy and film noir, and analyses of such classics as *The Awful Truth*, *Born Yesterday*, and *From Here to Eternity*. Following the author's highly readable studio chronicle are fourteen original essays by leading film scholars that follow Columbia's emergence from Poverty Row status to world class, and the stars, films, genres, writers, producers, and directors responsible for its transformation. A new essay on Quentin Tarantino's *Once Upon a Time...in Hollywood* rounds out the collection and brings this seminal studio history into the 21st century. Amply illustrated with film stills and photos of stars and studio heads, *Columbia Pictures* is the first book to integrate history with criticism of a single studio, and is ideal for film lovers and scholars alike.

Machines as the Measure of Men - Michael Adas 1990

This new edition of what has become a standard account of Western expansion and technological dominance includes a new preface by the author that discusses how subsequent developments in gender and race studies, as well as global technology and politics, enter into conversation with his original arguments.

M.O.M.: Mother of Madness #1 (of 3) - Emilia Clarke 2021-07-21

Game of Thrones superstar EMILIA CLARKE debuts an EXTRA-LENGTH, THREE-ISSUE MINISERIES! The mayhem begins with Maya, under-the-weather scientist by day, over-the-top superhero by night, and badass single mom 24/7. Deadpool action and Fleabag comedy collide when Maya activates her freakish superpowers to take on a secret sect of human traffickers. Mature readers only! Comedy and chaos await in the first of three 40-page issues by the glamorous artist of Horde, LEILA LEIZ!

Making Pandemonium - Nadeem Masood 2014-01-02

For every copy of the paperback version sold on the Troubador website, the author will donate £1.50 to Macmillan Cancer Support ** All copies that are pre-ordered in the UK before 1pm on 18th December will be delivered in time for Christmas ** The Opening Ceremony of the Olympic Games in 2012 was celebrated as the greatest ceremony ever. It won over critics and the general public, and made the nation proud. Now you can discover exactly how the incredible spectacle was put together, and transformed into what the world saw on the night. The Pandemonium segment of the Opening Ceremony of the Olympic Games was met with disbelief and awe, and has been widely acclaimed as the most spectacular part of the show. *Making Pandemonium* describes the entire rehearsal process of the volunteers from a performer's perspective. Nadeem Masood was one of the volunteers lucky enough to perform on the night. In this book, he takes the reader through the application process, the auditions, and every single rehearsal that led up to the final show. He describes first-hand the highs and the lows, the commitments and sacrifices, working with Danny Boyle and everything that the volunteers were put through. Interspersed with accounts of the preparations that were taken, Masood also touches on the Games Maker experience, giving readers an insight into the entire process that led to volunteers being granted the rare privilege of hosting the Olympic Games. *Making Pandemonium* will give readers a whole new perspective of the greatest Olympic Games that the world has ever seen. This book will identify with readers interested in sports, memoirs and Olympic history, as well as those who enjoyed watching the ceremony itself.

I Was a Teenage Sex Pistol - Glen Matlock 2012-10

Glen Matlock was a founding member of the Sex Pistols and co-wrote most of their iconic songs. His story of the Pistols' rise to global infamy is an honest, insightful account of a group of intelligent malcontents, determined to change the music business and to attack hypocrisy and stale conventions in society at large. Glen brilliantly captures the flavour of seventies Britain and reveals the complexities and personality clashes that made the Pistols so explosive at that time. Also includes true tales of

the Pistols reunion tours of 1996 and 2002. Never mind the other bollocks-filled books about the Sex Pistols, here's the truth.

Lonely Boy - Steve Jones 2016-11-17

SOON TO BE A LIMITED SERIES DIRECTED BY DANNY BOYLE

Foreword by Chrissie Hynde Without the Sex Pistols there would be no punk rock, and without Steve Jones there would be no Sex Pistols. It was Steve who formed Kutie Jones and his Sex Pistols, the band that eventually went on to become the Sex Pistols, with his schoolmate Paul Cook and who was its original leader. As the world celebrates the 40th anniversary of Punk - the influence and cultural significance of which is felt in music, fashion and the visual arts to this day - Steve tells his story for the very first time. Rising from the streets of Hammersmith, Steve Jones was once a lonely, neglected boy living off his wits and petty thievery. Given purpose by the glam art rock of David Bowie and Roxy Music, he became one of the first generation of punks taken under the wings of Malcolm McLaren and Vivienne Westwood. For the very first time Steve describes the neglect and abuse he suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a potential life of crime. From the Kings Road of the early seventies, through the years of the Sex Pistols, Punk Rock and the recording of Never Mind the Bollocks (ranked number 41 in Rolling Stone magazine's Best Albums of All Time), to his self-imposed exile in New York and Los Angeles where he battled with alcohol, heroin and sex addiction - caught in a cycle of rehab and relapse - Lonely Boy, written with music journalist and author Ben Thompson, is the story of an unlikely guitar hero who, with the Sex Pistols, changed history.

The Blade Artist - Irvine Welsh 2016

The most terrifying character in "Trainspotting" returns -- with his own novel. Jim Francis has finally found the perfect life -- and is now unrecognisable, even to himself. A successful painter and sculptor, he lives quietly with his wife, Melanie, and their two young daughters, in an affluent beach town in California. Some say he's a fake and a con man, while others see him as a genuine visionary. But Francis has a very dark past, with another identity and a very different set of values. When he

crosses the Atlantic to his native Scotland, for the funeral of a murdered son he barely knew, his old Edinburgh community expects him to take bloody revenge. But as he confronts his previous life, all those friends and enemies -- and, most alarmingly, his former self -- Francis seems to have other ideas. When Melanie discovers something gruesome in California, which indicates that her husband's violent past might also be his psychotic present, things start to go very bad, very quickly. "The Blade Artist" is an elegant, electrifying novel -- ultra violent but curiously redemptive -- and it marks the return of one of modern fiction's most infamous, terrifying characters, the incendiary Francis Begbie from "Trainspotting."

Frankenstein, based on the novel by Mary Shelley - Nick Dear 2011-02-17

Slowly I learnt the ways of humans: how to ruin, how to hate, how to debase, how to humiliate. And at the feet of my master I learnt the highest of human skills, the skill no other creature owns: I finally learnt how to lie. Childlike in his innocence but grotesque in form, Frankenstein's bewildered creature is cast out into a hostile universe by his horror-struck maker. Meeting with cruelty wherever he goes, the friendless Creature, increasingly desperate and vengeful, determines to track down his creator and strike a terrifying deal. Urgent concerns of scientific responsibility, parental neglect, cognitive development and the nature of good and evil are embedded within this thrilling and deeply disturbing classic gothic tale. Mary Shelley's Frankenstein, adapted for the stage by Nick Dear, premiered at the National Theatre, London, in February 2011.

Creation Stories - Alan McGee 2013-11-07

'Essential reading for anyone interested in the heady, vulgar, marvellous miasma of British music and culture in the nineties' - Irving Welsh 'A true believer in the power of music and more importantly a believer in the people that make music. He gave me and many more like me a chance to change my life' - Noel Gallagher Alan McGee's Creation Stories is a star-studded, outrageous, funny and anarchic account of the record label he set up and the bands that defined an era, including

Primal Scream and Oasis. A charismatic Glaswegian who partied just as hard as any of the acts on his notoriously hedonistic label, Alan McGee became an infamous character in the world of music in the nineties. In *Creation Stories* he tells his story in depth for the first time, from leaving school at sixteen to setting up the Living Room club in London which showcased many emerging indie bands, from managing the Jesus and Mary Chain to co-founding Creation when he was only twenty-three. His label brought us acts like My Bloody Valentine, House of Love, Ride and, of course, Primal Scream. Embracing acid house, Alan decamped to Manchester and hung out at the Hacienda. His drug-induced breakdown, when it came, was dramatic. But as he climbed back to sobriety, he oversaw Oasis's rise to become one of the biggest bands in the world. Alan himself becoming one of the figureheads of Britpop. Having sold the label to Sony to stave off bankruptcy, he became disenchanted with the increasingly corporate ethos and left in 1999. Since then he's continued to be an influential figure in the music industry, managing the Libertines and setting up a new label, 359 Music, with Cherry Red. 'Studded with diamond anecdotes . . . From mixing sound for My Bloody Valentine on mushrooms, via driving motorists off the road by commissioning billboard posters of Kevin Rowland flashing his pants, to escorting Carl Barat to A&E with one eyeball hanging out of its socket, the book bursts

with tall-but-true tales.' - NME

Slums on Screen - Igor Krstic 2016-04-26

Near to one billion people call slums their home, making it a reasonable claim to describe our world as a 'planet of slums.' But how has this hard and unyielding way of life been depicted on screen? How have filmmakers engaged historically and across the globe with the social conditions of what is often perceived as the world's most miserable habitats? Combining approaches from cultural, globalisation and film studies, Igor Krstic outlines a transnational history of films that either document or fictionalise the favelas, shantytowns, barrios populares or chawls of our 'planet of slums', exploring the way accelerated urbanisation has intersected with an increasingly interconnected global film culture. From Jacob Riis' *How The Other Half Lives* (1890) to Danny Boyle's *Slumdog Millionaire* (2008), the volume provides a number of close readings of films from different historical periods and regions to outline how contemporary film and media practices relate to their past predecessors, demonstrating the way various filmmakers, both north and south of the equator, have repeatedly grappled with, rejected or continuously modified documentary and realist modes to convey life in our 'planet of slums'.
