**The Illustrated London News** - 1878

Sex and Eroticism in Mesopotamian Literature - Dr Gwendolyn Leick  
2013-01-11

Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism. It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject - the Sumero-Akkadian cuneiform sources - which were written between the 21st and the 5th centuries B.C. Using these long-neglected and often astonishing data, Gwendolyn Leick is able to analyse Mesopotamian views of prostitution, love magic and deviant sexual behaviour as well as more general issues of sexuality and gender. This fascinating book sheds light on the sexual culture of one of the earliest literate civilisations.

The Book of Perfumes - Eugene Rimmel 1867

**Scent and Subversion** - Barbara Herman 2013-11-05

An intriguing look at vintage perfume's powerful past, including reviews of more than 300 scents, with stunning period advertisements throughout.

A Beach Less Traveled - Berglund John 2012-09-01

What originated in a family vacation on the beach eventually became an unlikely but thriving business—a perfumery on the French-Dutch island of Saint Martin. Though he chose a career in law, John Berglund's passion lay in the chemistry sets of his youth and his lifelong fascination with perfume. Berglund eventually built a full-fledged lab in the basement of his home in Atlanta, where he spent countless hours of free time experimenting with new concoctions. He began to dream of opening a perfumery in a tranquil island paradise and ultimately set out to make it happen—no matter what. Berglund's account of his Caribbean adventure is a fun-filled, factual tale of conflicts, contrasts, and celebrations. As he and his wife, Cyndi, embed themselves in the eccentric French-side community of Grand Case, they learn incredible lessons about business, success, and themselves. Their story may just inspire others, too, to follow in their footsteps, trading business casual attire for a pair of shorts and flip-flops.

**All that is Solid Melts Into Air** - Marshall Berman 1983

The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.  
*The Athenæum* - 1883

The London Journal: and Weekly Record of Literature, Science, and Art - 1857

Los Angeles Magazine - 2004-10

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

**The Athenæum** - 1883

Scent Magic - Isabel Bannerman 2019

In this romantic, evocative and extremely practical book Isabel Bannerman immerses the reader in the luscious smells of the scented garden through a warmly written account of a year's gardening, combining poetic description and personal memories with an encyclopaedic reference work of the best aromatic plants to grow throughout the seasons.

**Harper's Weekly** - John Bonner 1859

**Ulysses** - James Joyce 2022-10-19

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

**Integrated Advertising, Promotion, and Marketing Communications** - Kenneth E. Clow 2007

This volume takes a broader approach than Advertising or Promotions surveys and gives readers an integrated learning experience by incorporating Internet exercises and a Building an IMC Campaign project, with free Advertising Plan Pro software in every copy. The volume addresses integrated marketing communications, corporate image and brand management, consumer buyer behavior, business-to-business buyer behavior, promotions opportunity analysis, advertising management, advertising design, both theoretical and executional frameworks, IMC promotional tools and integration tools. For marketing professionals and ad agency account executives.

**The Welcome Guest** - 1858

**F & S Index United States Annual** - 2007

**Dictionary of the British English Spelling System** - Greg Brooks  
2015-03-30

This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English language, especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training. English spelling is notoriously complicated and difficult to learn; it is correctly described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme/grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of correspondences and various regularities not described by previous authorities, for example the strong tendency for the letter-name vowel phonemes (the names of the letters ) to be spelt with those single letters in non-final syllables.

Aaron Burr in Exile - Jane Merrill 2016-01-19

Aaron Burr--Revolutionary War hero, third vice president of the United States and a controversial figure of the early republic--was tried and acquitted of treason charges in 1807, and thereafter departed for self-imposed exile in Europe, his political career in ruins. Adrift in Paris for 15 months, he led a marginal existence on the run from creditors and the courts, getting by on handouts. While other Americans in Paris enjoyed official status that insulated them from life in the capital, Burr dreamed up fruitless schemes and pawned his possessions, yet remained in high spirits, enjoying Parisian theater and cafes. He shopped, flirted, paid for sex and associated with friends old and new while gathering the resolve to return to America. Burr's Paris journal is a rare item, with only 250 unexpurgated copies printed in 1903. In it he relates his fascinating stories and describes Parisian life at the height of Napoleon's power. Drawing on Burr's journal and other sources, this book provides a self-portrait of the down-and-out Founding Father abroad.

The Judge - 1913

**Chewing Gum Dreams** - Michaela Coel 2021-08-12

First Published in Great Britain by Oberon Books 2013.
