Dr. Nita's Crash Course for Women - Nita Landry, MD, OB-GYN 2022-10-18
THE HEALTH AND WELL-BEING RESOURCE EVERY WOMAN NEEDS AND DESERVES Many women aren't enjoying womanhood — they're tolerating it and don't realize how much healthier and happier they could be. For those women — in fact, for all women — superstar ob-gyn Dr. Nita Landry presents the best wellness guide to come along in decades. With a winning combination of straight talk and science savvy, Dr. Nita's frank, health-forward book will empower you to: • ditch fundamental misunderstandings about female anatomy and enjoy a healthy, happy sex life • find the right doctor and ask the right questions • stay on top of breast and gynecological cancer screening and prevention • deal with reproductive concerns • clear confusion about period problems, sexually transmitted infections, orgasms, and hush-hush female issues like leaky bladders With Dr. Nita's expertise and guidance, you'll discover better sex, better health, and a better you.

The Sex Doctor - Tracey Cox 2012-05-30
Combining humour with expert advice, The Sex Doctor covers everything from standard sex issues to the more bizarre carnal conundrums. No matter how good you think your sex life is, there's always a tip, trick or technique to make it even better. And you won't find a better compilation of libido-lifting, orgasm-orbiting, titillating titbits! With practical action plans, intelligent advice, how-to's and don't-ever's, prepare to be inspired, amused and above all, entertained. • Singles sex and how to get more of it • The top five things your new lover's hoping for • Foolproof ways to tell how you rate as a lover • Find your four new hotspots • Does cheating count if there's no-one around to catch you? • The latest, greatest sex toys and how to choose and use them • Should you stay if the sex isn't any good? • A sex detox and techniques sex therapists swear by • Crucial keys to having

fabulous long-term sex At times, enlightening, amusing or downright eye-opening, The Sex Doctor answers all those questions you always wanted to ask but never dared...

Why Do Men Fall Asleep After Sex? - Mark Leyner 2016-01-28

Here are hundreds of questions you didn't get answered the first time around - questions you'd only ask a doctor after a few drinks! An easy-to-read blend of humour and medicine, Why Do Men Fall Asleep After Sex? has plenty to amuse and inform both men and women. Find the answers to these questions and more . . . Are men really better than women at maths? Can you breast-feed with implants? Why don't you get goose bumps on your face? Does spicy food really induce labour? Why do feet smell? Does barbecuing cause cancer?

Your Sexual Health - Kate White 2022-05-24
Get bite-sized sex health tips from the gyno who's seen it all. Dr. Kate (White, M.D., M.P.H., OB-GYN) gives front-line advice on gyno health, period health, sex health, and reproductive health, dispelling old-wives' tales and offering fresh research, with topic titles such as "your vagina should smell (and taste) like a vagina;" "treat your vulva like the Hope Diamond;" "we don't care if you've shaved;" "a partner who doesn't have a clitoris may not know where yours is;" "if you have eggs and your partner has sperm, think about contraception;" and "there's no wrong or unnatural way to deliver a baby." Dr. Kate fills in the gaps left by modern sex education in an accessible and prescriptive way. Your Sexual Health provides answers to your burning questions about your reproductive health (and yes—even questions about vaginal burning!) and tells you things you may have never even thought to ask. As one of the country's leading gynecologists, vice chair of academics, director of the Fellowship in Complex Family Planning at Boston Medical Center, and associate professor of OB-GYN at the Boston University School of Medicine, Dr.

Downloaded from
legacy.opendemocracy.net on 2022-01-12
by guest

Kate White arms readers with questions to ask of their own “doctor downstairs.” Addressing topics like taking care of your vaginal health, regulating your menstrual cycle, eliminating painful periods, choosing the right birth control, and achieving orgasms, you’ll understand your body in a new way through 69 easy-to-digest sections. And while many books about women’s health care focus on the experiences of heterosexual women, Dr. Kate provides a friendly, inclusive guide for all readers with female parts, regardless of gender identity or sexual orientation. Throughout *Your Sexual Health*, you’ll learn how to:

- Understand how your body is normal — and notice when it’s not.
- Have periods that don’t ruin your life — or your clothes.
- Get in touch with your body and your partner for the best sex of your life.
- Protect your body from STDs and STIs.
- Learn the often-normal causes for occasionally abnormal pap smears.
- Discover the right contraception for your body.

Your *Sexual Health* is the perfect high school graduation gift or college graduation gift. It’s filled with trustworthy and approachable information, making it your board-certified bedside confidante until you can see your gyno.

100 Questions & Answers About Women's Sexual Wellness and Vitality: A Practical Guide for the Woman Seeking Sexual Fulfillment - Michael L. Krychman 2009-04-17

No woman wants to read this book but many women should, for it is estimated that 43% of all women suffer from some form of sexual complaint. The only text to provide the doctor and patient’s view, *100 Questions and Answers About Women’s Sexual Wellness and Vitality* provides authoritative answers to 100 of the most common questions posed by women--and their partners--about sexual problems and health. It offers practical information on how to improve sex and sexual function through lifestyle, medication, and therapy. Written by Dr. Michael L. Krychman, an expert sexual medicine specialist, this book provides you with the information you need to take charge of your sexual health, your overall health, and your relationships.

Sexual Health Medicine - Darren Russell 2011
 Authoritative coverage is offered of the biological, clinical, laboratory, psychosocial, and

public-health aspects of sexual health medicine. A feature of the book is its holistic approach, with the client seen as a whole person, rather than simply the owner of a set of malfunctioning genitalia.

Predicting Adolescent Drug Abuse - Dan J. Lettieri 1975

Sex- and Gender-Based Women's Health - Sarah A. Tilstra 2021-01-19

This book provides primary care clinicians, researchers, and educators with a guide that helps facilitate comprehensive, evidenced-based healthcare of women and gender diverse populations. Many primary care training programs in the United States lack formalized training in women’s health, or if they do, the allotted time for teaching is sparse. This book addresses this learning gap with a solid framework for any program or individual interested in learning about or teaching women’s health. It can serve as a quick in-the-clinic reference between patients, or be used to steer curricular efforts in medical training programs, particularly tailored to internal medicine, family medicine, gynecology, nursing, and advanced practice provider programs. Organized to cover essential topics in women’s health and gender based care, this text is divided into eight sections: Foundations of Women's Health and Gender Based Medicine, Gynecologic Health and Disease, Breast Health and Disease, Common Medical Conditions, Chronic Pain Disorders, Mental Health and Trauma, Care of Selected Populations (care of female veterans and gender diverse patients), and Obstetric Medicine. Using the Maintenance of Certification (MOC) and American Board of Internal Medicine blueprints for examination development, authors provide evidence-based reviews with several challenge questions and annotated answers at the end of each chapter. The epidemiology, pathophysiology, evaluation, diagnosis, treatment, and prognosis of all disease processes are detailed in each chapter. Learning objectives, summary points, certain exam techniques, clinical pearls, diagrams, and images are added to enhance reader’s engagement and understanding of the material. Written by experts in the field, *Sex and Gender-Based Women's Health* is designed to guide all

providers, regardless of training discipline or seniority, through comprehensive outpatient women's health and gender diverse care.

Research Issues - 1974

Sex - Ann McPherson 2003

With over a million copies sold worldwide and translated into 22 languages, the Health Freak books have been a global publishing phenomenon, bringing both fun and vital health education to teenagers the world over. The latest two Health Freak books focus on the issues that cause the greatest concern to teenagers - Sex and Drugs. Love Sex Again - Lauren Streicher 2014-04-22
Love Sex Again is an all-encompassing guide to women's sexual health from Dr. Lauren Streicher, a cutting-edge Gynecologist, and a regular on The Dr. Oz Show. Ladies, what if one of America's leading sexual specialists and Gynecologist told you that she knew your body better than you did? What if she told you that she could fix the problems that are making your sex life less than perfect? More than 100 million women in America have problems in the bedroom, but don't have the courage to ask their doctors for help. These problems don't come from relationship issues, or the stresses of work and family. These are real, physical issues that are getting in the way of a vibrant, joyful sex life. Instead of getting the help they need, so many women make a silent deal with themselves: without fanfare, without discussion, they quietly give up on pleasure, or drastically compromise their expectations where sex is concerned. Sometimes women make this deal with themselves early on in their 20s or 30s; for other women, it doesn't hit until their 40s, 50s or later. Most women lack the vocabulary to talk about these issues with their doctors, not to mention the pharmaceutical aids that are readily available to men. But no longer. Dr. Streicher will show women how to regain their libido,

determine what their issues are, and learn to fix whatever is broken "down there." This much anticipated book will set women on a path to discovering (or rediscovering) deeply pleasurable, satisfying sex. She offers practical advice for real women of all ages—from childbearing to post-menopausal, and explains what a woman needs to know about her body, where she is in her life, and her relationships, and how it connects to a satisfying sex life.
What is Gender? How Does It Define Us? And Other Big Questions for Kids - Juno Dawson 2017-10-12

What's the difference between sex and gender? What does it mean to be defined by your gender? Are there only two genders? This informative book helps kids to explore these questions and more, explaining that there are differences of opinion and that answers are not always straightforward. A range of views are on hand from people who have thoughtfully considered the concept of gender in their own lives. Aimed at young people aged 10 and upwards, the book encourages readers to think for themselves about the issues involved. Part of the groundbreaking and important 'And Other Big Questions' series, which offers balanced and considered views on the big issues we face in the world we live in today. Other titles in the series include: What is Humanism? How do you live without a god? What is Feminism? Why do we need it? Who are Refugees and Migrants? What makes people leave their homes? What is Consent? Why is it important?

One Hundred and One Questions about Sex and Sexuality - Faith Hickman Brynie 2003-01-01
Uses a question-and-answer format to present information about the physical, emotional, and social topics surrounding sex and sexuality.
Dealing with Questions about Sex - Arlene Uslander 1975

100 Questions You'd Never Ask Your Parents - Elisabeth Henderson 2013-08-27

Teens have questions about sex. This simple manual answers their questions--honestly, simply, and reliably. What does an orgasm feel like? Does masturbating have any long-term negative effects? Does alcohol kill brain cells? Teens have questions about sex; it's a matter of who they ask and how reliable the answers are.

Collected directly from teens and presented in a simple and accessible Q&A format, Elisabeth Henderson and Dr. Nancy Armstrong's 100 QUESTIONS YOU'D NEVER ASK YOUR PARENTS provides information about sex, drug, body, and mood in a way that's honest, nonjudgmental, and responsible.

Sexual and Marital Health - Clark E. Vincent
1973

A Woman's Guide to Sexual Health - Mary Jane Minkin 2005-01-01

A prominent gynecologist explains how to make the best choices for female reproductive health in this authoritative, easy-to-read guide. This book is for every woman who has wished for an unhurried, personal conversation with a sympathetic doctor who will answer her questions about reproductive health. Dr. Mary Jane Minkin, a gynecologist practicing for more than 25 years, presents a complete and up-to-date guide to a healthy reproductive system for women in their teens through middle age. With warmth and understanding, Dr. Minkin and coauthor Carol V. Wright respond to questions about the gynecological issues that concern women today, including sexual activity, contraception, and family planning. Readers of *The Yale Guide to Women's Reproductive Health* will learn how the female body works, what problems may arise, and what solutions are available--in short, they will become better prepared to participate in their own health care and to make healthy decisions.

Talking with Your Child about Sex - Mary Steichen Calderone 1984

Dr. Mary Calderone, former president and co-founder of the Sex Information and Education Council of the U.S., and Dr. James Ramey, a behavioral scientist, have written an innovative resource book that promises to facilitate the sex education of children. "...constructed with an openness and understanding of (children's) needs at different stages of development. I recommend it not only to parents but to all caretakers of children." -- E. James Anthony, President, American Academy of Child Psychiatry.

In Case You're Curious - Planned Parenthood
2019-09-10

Did you ever walk out of class having even more

questions than when you walked in? You may feel that way about History or Math, but what about your Sexual Health class (if you even had one)? If you're anything like most of the youth in America today, your head is probably spinning with a swirling, high-speed hurricane of questions. It is totally normal to be curious and to have questions about relationships, bodies, consent . . . you name it! But where can your average teen go to get all the reliable and accurate answers they need? In Case You're Curious (ICYC), a text-and-answer program conceived by Planned Parenthood, has been providing this educational service for teens for years. And now *In Case You're Curious: Questions about Sex from Young People with Answers from the Experts* is a big book of answers with funny and educational illustrations, to the most popular and most interesting questions young people have about birth control, development, sexually transmitted diseases, and so much more. Within these pages you will find non-judgmental (and fun!) answers meant to educate teens without the uncomfortable silence or weird eye contact often associated with "The Talk." With questions like "Does masturbating give you a disease?" and "Is the pineapple thing true?" *In Case You're Curious* isn't afraid to tackle the nitty-gritty questions you may think twice about raising your hand to ask in your Sexual Health class or at home.

What's Up Down There? - Lissa Rankin, MD
2010-09-28

In this funny, outrageous and empowering book, Dr. Lissa Rankin answers all the secret gynecological questions that most women wonder about, but have always been afraid to ask. Suppose you had a wise, warm, funny best friend-who just happened to be a gynecologist. You're out with the girls for cocktails and the conversation turns to sex, and then to girly parts. One by one, you start asking her all the questions you've secretly wondered about-and discover that you have a lot in common. If you were to write those questions down, then you'd have *What's Up Down There?*, a life-changing little book that answers: - Do old ladies have saggy vaginas? - How do male gynecologists have a sex life without feeling like they're stuck at the office? - Is it normal for your inner labia to hang out of your outer labia? - Can the baby feel

its mom having sex during pregnancy? - How common is it for one's boobs to be two totally different sizes? And so much more! As outrageously funny as it is empowering, this book reveals how to love yourself and your body-

and will have you recommending it to every woman you know. From off-the wall sex questions to serious topics of women's sexual health, *What's Up Down There?* provides answers to women of all ages and stages.
