[Treating Sex Offenders](#) - Letitia C Pallone
 2014-01-21
 Gain important new insights into religious personnel who molest children! *Treating Sex Offenders: A Guide to Clinical Practice with Adults, Clerics, Children, and Adolescents*, Second Edition updates the groundbreaking original with new material that integrates adolescent and adult sex offenders, emphasizing similarities and differences in personality type, behavior, and treatment. Author William Prendergast draws on four decades' experience in working in the diagnosis and treatment of habitual sex offenders to present a straightforward look at what makes them tick. This vital new edition includes appropriate additions and changes to treatment techniques, progress reports on case study subjects, reader feedback on the original book, and perhaps most important, new information on religious personnel who molest children. *Treating Sex Offenders* provides training in clear language for those working with sexual offenders and explanations in simple terms for those suffering as a result of their actions. The book parallels

workshops and courses conducted by the author, detailing how to identify major characteristics and traits of offenders, different types of offenders, child and adolescent offenders, how to recognize warning signs of deviant behavior, and how to apply specific treatment techniques that really work. Individual aspects of the makeup and treatment of the compulsive adult and adolescent sex offender are addressed through factors, traits, treatment, and candid cases studies. *Treating Sex Offenders* addresses the most vital issues involving sexual pathology, including: inadequate personality theory sexual performance problems imprinting self-confrontation sex as the chosen deviation the five c's of sex offender treatment and much more! *Treating Sex Offenders: A Guide to Clinical Practice with Adults, Clerics, Children, and Adolescents*, Second Edition is an essential resource for psychiatrists, psychologists, social workers, counselors, and those in the criminal justice field who deal with sex offenders on a daily basis. Family members involved in the lives of sex offenders and survivors of sexual abuse or assault will find the case studies enlightening in

making sense of a tragic situation.

Handbook of Sex Offender Treatment -

Barbara K. Schwartz 2011

"The chapters in Handbook of Sex Offender Treatment represent the most important and useful contributions that have appeared in the six volumes of the series The Sex Offender, published by Civic Research Institute. Handbook chapters were selected for their importance in advancing our understanding of the behavior and characteristics of sex offenders and for their practical effectiveness in assisting clinicians in assessing, treating, and managing offenders."-- Introduction

The Sexual Abuse Victim and Sexual Offender Treatment Planner - David J. Berghuis

2012-06-26

The Sexual Abuse Victim and Sexual Offender Treatment Planner provides all the elements necessary to quickly and easily develop formal treatment plans that satisfy the demands of HMOs, managed care companies, third-party payors, and state and federal review agencies. Saves you hours of time-consuming paperwork, yet offers the freedom to develop customized treatment plans for clients who are sexual abuse victims and/or sexual offenders Organized around 27 main presenting problems, including such offender issues as anger difficulties, deviant sexual arousal, and legal issues; such victim issues as eating disorders, self-blame, and social withdrawal; and such offender and victim issues as family reunification and self-esteem and stress-management deficits Over 1,000 well-crafted, clear statements describe the behavioral manifestations of each relational problem, long-term goals, short-term objectives, and educational interventions Easy-to-use reference format helps locate treatment plan components by behavioral problem or DSM-IV-TR(TM) diagnosis Includes a sample treatment plan that conforms to the requirements of most third-party payors and accrediting agencies (including HCFA, JCAHO, and NCQA)

Offending Identities - Kirsty Hudson 2013-06-17

This book aims to explore sex offenders' perspectives of the way they are treated and managed. Whilst a great deal has been written about sex offenders and their treatment within the criminal justice system, few studies have approached the issues through an understanding

of offenders' own views and perspectives on their offending behaviour and others' responses to it. This book aims to redress this imbalance. The book is based on in-depth interviews with 32 convicted male sex offenders attending three different sex offender treatment programmes (the prison based Sex Offender Treatment Programme, Behaviour Assessment Programme and the community-led Sex Offender Groupwork Programme). Through gaining an understanding of offenders perceptions of initiatives designed to both treat and control their risk of future offending, *Offending Identities* at the same time helps us to evaluate the effectiveness of such schemes.

The Sex Offender: Corrections, treatment, and legal practice - Barbara K. Schwartz 1995

Sex Offender Treatment - Daniel T. Wilcox

2014-12-01

Sex Offender Treatment is an innovative case study-based guide to the treatment of sexual offenders, offering direct access to the insights and experience of experts in the field. The book describes case formulations, assessment processes, and treatment undertaken with specific sexual offender types. Takes an innovative case study approach to sexual offender assessment and treatment, sharing practical insights and real-world experience in a challenging field Coverage is organized by key offender populations and includes bipolar offenders, child sexual abusers, Internet offenders, psychopathic offenders, personality disordered offenders and female offenders This distinctive approach aids trainee and novice workers to recognise key treatment issues, and plan and implement courses of therapeutic engagement and intervention to improve offender self-control Contributors include Bill Marshall, Leam Craig, Phil Rich, Bill Lindsay and Tony Ward

Treating Sex Offenders - Jill D. Stinson

2018-03-23

This structured yet flexible manual presents an innovative group treatment approach that targets deficits in self-regulation—a central problem for sex offenders. Safe Offender Strategies (SOS) comprises 10 evidence-based modules that teach participants the skills to desist from problem behaviors, manage their

emotions and impulses, and break unhealthy relationship patterns. Motivational enhancement and validation techniques are woven throughout this collaborative treatment. SOS can be used with a range of clients—including high-risk offenders and those with mental illness or intellectual disabilities—in institutional or outpatient settings. Fifteen reproducible forms and worksheets can be downloaded and printed in a convenient 8 1/2" x 11" size.

Treatment of Sex Offenders - D. Richard Laws
2016-02-29

This rigorous survey offers a comprehensive rethinking of the assessment and treatment of sexual offenders for a bold challenge to practitioners. It critiques what we understand about offenders and the mechanisms of offending behaviors, and examines how this knowledge can best be used to reduce offending and relapses. To this end, experts weigh the efficacy of common assessment methods and interventions, the value of prevention programs, and the validity of the DSM's classifications of paraphilias. This strengths/weaknesses approach gives professional readers a guide to the current state as well as the future of research, practice, and policy affecting this complex and controversial field. Included in the coverage: Strengths of actuarial risk assessment. Risk formulation: the new frontier in risk assessment and management. Dynamic risk factors and offender rehabilitation: a comparison of the Good Lives Model and the Risk-Need-Responsivity Model. The best intentions: flaws in sexually violent predator laws. Desistance from crime: toward an integrated conceptualization for intervention. From a victim/offender duality to a public health perspective. A call to clear thought and accurate action, *Treatment of Sex Offenders* will generate discussion and interest among forensic psychologists, psychiatrists, clinical psychologists, and social workers.

Sex Offender Treatment - Edmond J Coleman
2013-10-23

Examine the major advances in sexual offender treatment over the last decade and promising new concepts in treatment, supervision, and research *Sex Offender Treatment: Accomplishments, Challenges, and Future Directions* points the way toward humane, dignified, effective treatment regimes for sexual

offenders. In addition to providing an essential overview of the current state of sex offender treatment, this book examines vital areas of service provision and research and points to future directions for the field. On the medical/psychological front, this volume explores the importance of recognizing comorbid psychiatric factors in treatment and of exploring central nervous system function's role as a cause of sexually inappropriate behavior. In the legislative/justice arena it illustrates a "Circles of Support" proposal that mobilizes community resources to aid the adjustment of released offenders rather than branding them as dangerous to the community. And in the area of service provision, this book presents a treatment approach for residential programs that is inspired by research on childhood behavioral problems and special education. This book will increase your effectiveness with: a model of multisystemic treatment for juvenile sex offenders a restorative justice approach for reintegrating adult offenders into the community a study of the physical/mental correlates of organic brain dysfunction a case report on the use of a pharmaceutical treatment (leuprolide acetate) for pedophiles

The Sex Offender: Theoretical advances, treating special populations, and legal developments - Barbara K. Schwartz 1995

Sexual Offender Treatment - Geris Serran
2005-12-13

The knowledge base on sexual offender treatment has become so extensive that following established paths is no longer the only way to expand understanding and improve the assessment and treatment of clients. Written by established and recognised experts, *Sexual Offender Treatment: Controversial Issues* explores only the most current, novel and controversial issues in the field of sexual offender treatment This comprehensive text covers a wide range of issues, such as recidivism risk assessment, diagnostic problems, preparatory programs, psychopathy and online sexuality. The contributors to this book are speculative and provocative, yet base their controversial approaches on evidentiary findings. With fresh and alternative perspectives offered in each chapter, this volume aims to

Downloaded from
legacy.opendemocracy.net on 2019-02-16
by guest

generate discussions and challenge the reader to reconsider their position on the issues. This innovative collection will appeal to all those working with sexual offenders in a range of capacities.

Sexual Offender Treatment - Edmond J Coleman 2014-04-23

Gain a better understanding of the biological, psychological, and social aspects of sex offenders, their crimes, and the treatments that can help them. The treatment of sexual offenders varies from culture to culture and nation to nation. *Sexual Offender Treatment: Biopsychosocial Perspectives* assists sex therapists, counselors, psychiatrists, and psychologists working in sex offender treatment around the world in providing more effective services. This book looks at the behavior of sexual offenders and offers treatment approaches that will stimulate your thinking and help you improve your research and treatment methodologies. This valuable and informative book introduces and discusses the formation of the new International Association for the Treatment of Sexual Offenders, which will advance the existing knowledge about the nature of sexual offenders and sexual offenses, work to improve treatment methods and disseminate information about improved methods, and scientifically evaluate therapeutic methods advocate for the right of sex offenders to effective treatment. *Sexual Offender Treatment: Biopsychosocial Perspectives* presents an overview of recent research in the treatment of sexual offenders as presented at the 5th International Conference on the Treatment of Sexual Offenders in 1998 in Caracas, Venezuela. This book explores: the recently revised Standards of Care for the Treatment of Sexual Offenders self-perceived aggression in relation to brain abnormalities in a sample of incarcerated sexual offenders self-concepts and interpersonal perceptions of sexual offenders in relation to brain abnormalities brain abnormalities and violent behavior group family interventions for the treatment of adult male child molesters the experiences of adult and adolescent female sex offenders a 7 step system to treat pedophiles who are mentally retarded, mentally ill or physically handicapped *Sexual Offender Treatment: Biopsychosocial*

Perspectives provides you with valuable insights and a cross-cultural viewpoint as you benefit from the expertise and experience of international scholars who have set the standards for the treatment of sex offenders. *Treating Sexual Offenders* - William L. Marshall 2013-05-13

Through extensive consideration of current research, theory and practice, *Treating Sexual Offenders* provides a guide to the assessment, treatment, and evaluation of a number of different disorders. Provides therapists with the means to have a continued positive impact on the sex offender, from assessment to post-treatment evaluation and follow-up. Includes fetishisms, transvestic fetishisms, exhibitionism, frottage, pedophilia, sexual sadism, sexual masochism, telephone scatologia, voyeurism, rape, child molestation, and incest. The Therapist Rating Scale used and referenced throughout the text is available for download below. *Therapist Rating Scale (pdf file)* [Treating Sex Offenders](#) - Sarah Brown 2013-07-04

This book aims to provide an introduction and overview of sex offender treatment programmes, designed for students and practitioners coming to this field. It seeks to describe the development, theoretical underpinnings, treatment goals and operation of cognitive-behavioural and other programmes to an audience unfamiliar with this form of rehabilitation. In addition, it aims to examine the effectiveness of these programmes and the difficulties associated with assessing this, the public response to treatment and also the effects on staff responsible for implementing them. The book is concerned particularly to assess the operation of sex offender treatment programmes in the UK context, considering also the issues associated with implementing programmes developed in other contexts, especially the USA and Canada. It will be of interest to practitioners, particularly those who are beginning work on sex offender treatment programmes, or others (such as health workers, social workers, probation officers) who come into contact with these programmes indirectly. **Sex-Offender Therapy** - Rudy Flora 2014-05-22

Groundbreaking information for treating sex offenders Sexual abuse, sexual addiction, and

sexual offending have become a significant clinical problem. Successfully treating these disorders is the first step toward preventing future victims. Sex-Offender Therapy is a practical workbook for clinicians who deal with sexually aggressive adults, adolescents, and children. This invaluable professional resource focuses on how to treat patients—male and female—impaired by sexual addiction, sexual disorders, sex offending, and other sexual misconduct behaviors. Designed as an accessible step-by-step guide, Sex-Offender Therapy features case studies, work exercises, and clinical suggestions that help to walk the reader through a sexual disorders program. With a wealth of therapeutic interventions, as well as information on polygraph testing and the FDA-approved plethysmograph, this unique text breaks new ground. Additionally, this detailed volume not only presents clinical definitions of all the sexual disorders but goes beyond patient features and evaluation to look at useable, concrete methods for lasting treatment. Topics discussed in Sex-Offender Therapy include: problems, stress, and boundary setting transference and countertransference sexual recovery therapy and its techniques acknowledgement and responsibility the stand-up presentation and victim empathy cycles of offending using the four phases as a relapse prevention format working with the difficult offender trauma in adult, adolescent, and child offenders the cost of offending antisocial disordered patients triggers clinical interviewing and report writing adult and juvenile psychosexual evaluations polygraph testing treatment of sexually aggressive youths defense behaviors group therapy and many more! Informative, practical, and user-friendly, Sex-Offender Therapy is a vital resource for patients and their families, beginning or advanced therapists, attorneys, criminal justice personnel, human service caseworkers, judges, law enforcement, legislators, probation officers, prosecutors, educators, students, researchers, and mental health professionals.

Sex Offender Treatment - Edmond J Coleman
2014-03-18

This important volume brings together findings in the psychological and medical treatment of sex offenders. It disseminates research from

experts around the world in the field of sex offender treatment, making this knowledge available to researchers and clinicians everywhere. Professionals struggling to find effective methods for treating their patients will find Sex Offender Treatment a valuable tool for their daily work. Chapters in Sex Offender Treatment cover a variety of topics. Authors examine such areas as psychodynamic and psychiatric disorders associated with the sex offender, findings on pharmacologic interventions, treatment techniques and the public perception of sex offender treatment, and cautionary notes for those who provide therapy for sex offenders. Within these areas, some specific themes addressed include: types of personality disorders and implications for more effective treatment the effectiveness of antiandrogen treatment and the promising results of other pharmacotherapies techniques for developing insight in incest perpetrators a study of adult male incest offenders' perceptions of the treatment process an adolescent treatment program using a family communication approach hypotheses regarding sexual offenders and men who batter, using psychodynamic and feminist theory Full of practical strategies and useful information, Sex Offender Treatment is a book professionals will reach for again and again.

Assessment and Treatment of Sex Offenders

- Anthony R. Beech 2009-03-04

A comprehensive resource for practitioners working with sexual offenders. Discusses assessments and interventions, as well as providing a comprehensive literature review There are around 10,000 convictions or cautions for sexual offences in the UK each year; early evidence suggests that treatment programmes can halve re-conviction rates Edited by a University of Birmingham team who are world leaders in researching this area; the subject is of interest worldwide, with strong markets in Canada and New Zealand Includes material on managing offenders with developmental disabilities and those with Dangerous and Severe Personality Disorder

International Perspectives on the Assessment and Treatment of Sexual Offenders - Dr Douglas P. Boer 2011-03-21

International Perspectives on the Assessment

Downloaded from

and Treatment of Sexual Offenders: Theory, Practice and Research provides the first truly global perspective on the assessment and treatment of sex offenders. Presents a comprehensive overview of current theories and practices relating to the assessment and treatment of sex offenders throughout the world, including the US, Europe, and Australasia. Covers all the major developments in the areas of risk assessment, treatment, and management. Includes chapters written by internationally respected practitioners and researchers experienced in working with sexual offenders such as Bill Marshall, Ruth Mann, Karl Hanson and Jayson Ware.

Sex Offender Treatment - Edmond J Coleman
2014-01-09

Sex Offender Treatment: Biological Dysfunction, Intrapsychic Conflict, Interpersonal Violence assists sex therapists, counselors, psychiatrists, and psychologists working in sex offender treatment in providing more effective services. You'll gain timely knowledge of sex offending behavior and treatment approaches that will stimulate your thinking and help you improve your research and treatment methodologies. From Sex Offender Treatment, you'll acquire valuable insight and a cross-cultural viewpoint as you explore chapters written by international scholars who have set the standards of care for sex offender treatment. Contributors aim to improve the effectiveness of sex offender treatment throughout the world by challenging you to conduct more research that will provide a better understanding of sex offenders and improve treatment approaches. Authors presented their contributions at the Third International Congress on the Treatment of Sex Offenders held in Minneapolis, Minnesota. The book begins with a Standards of Care for the

Treatment of Sex Offenders. This guides you in increasing the effectiveness of the treatment you provide to sex offenders. The Standards of Care helps you analyze new data and gain a basis for successful sex offender treatment. Following chapters probe into the nature of interpersonal violence and aggression and a further understanding of pedophilia and exhibitionism. You will begin to more thoroughly understand sex offending behavior as you read about: motives contributing to sexual aggression and the confluence model of sexual aggression the background and clinical characteristics of paraphilic individuals and sex offenders a case study of sex offenders, victims, and their families the "abuse to abuser hypothesis" in regard to pedophilia assessment, psychosexual profiling, and treatment of exhibitionist behavior the treatment of sex offenders with mental retardation the relationship between sex offender treatment success and learning difficulties incest offender perceptions of treatment as used to generate an explanatory theory of the sexual abuse treatment process. Chapters in Sex Offender Treatment emphasize the importance of good assessment techniques, issues affecting victims and families of sex offenders, why treatment does not work for some sex offenders, medical problems associated with sex offenders, and working with special populations of sex offenders. Counselors, researchers, educators, sex offender treatment personnel, forensic psychologists and psychiatrists, and sex therapists will find Sex Offender Treatment crucial for gaining insight into sex offenders' motives and behaviors. You can then use these perspectives to more effectively interact with sex offenders and to more accurately analyze sex offending behavior. *STEP 4 - 2006**
