Educate Yourself in the Sexiest Way With This Reading List From 12 Leading Sexperts - Well+Good

Raising Sexually Intelligent Kids - Anisa Varasteh 2023-12-01

Many parents feel uncomfortable with the thought of having 'the talk' with their children, especially teenagers. But what many people don't realise is how much of sexuality education has nothing to do with

sex itself. In this book, Clinical Sexologist Anisa Varasteh teaches the foundations of a comprehensive sexuality education for children and teenagers and answers the most common questions young people have about sex and sexuality. Contrary to popular belief, talking about sex and sexuality does not make young

people more prone to sexual experimentation. This book provides research-based evidence for how a comprehensive sexuality education is important for children's safety, psychological and physical wellbeing. It identifies the barriers to having open conversations with children and teenagers, and outlines methods for how to overcome them. With a focus on skills, the book addresses the building blocks of sexuality education and how to develop an environment of mutual trust, it outlines key topics for discussion and the skills that children need to develop to make healthy decisions about their sexuality. Complete with practical support, including over 20 worksheets and a comprehensive list of tough questions from teenagers – and suggestions for how to address them – this book is an essential resource for parents, carers and educators who are responsible for the health, safety and development of children and teenagers.

Sexual Intelligence - Marty Klein 2012-02-07

This is not your standard sex book. Sex therapist, sociologist, and Psychology Today contributor Dr. Marty Klein goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. "Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential." —Ian Kerner, best-selling author of *She Comes First*

Die nicht-kognitiven Aspekte der Hochbegabung - Tanja Catrin Blut 2020-04-02

Tanja Catrin Blut untersucht das Selbstbild, die nicht-kognitiven Fähigkeiten und die Persönlichkeitsstruktur von hochbegabten Erwachsenen und gibt Aufschluss über deren psychische Stabilität. Hochbegabung fasziniert und begeistert, ist aber auch gleichzeitig stigmatisiert und macht vielen Mitmenschen Angst – Klischees wie „Genie und Wahnsinn“ kommen in einem Atemzug über die Lippen, als würde hohe Begabung auch immer eine negative Seite mit sich bringen. Andererseits haben schon die Studien von Terman über Hochbegabte gezeigt, dass die Mehrzahl der Hochbegabten sich einer besonderen psychischen Stabilität erfreut.

Philosophy.

Tantrism: Sex Magick for the Soul - Joseph Leal 2018-05-29

Modern spirituality and new age information is filled with distortions, misconceptions, and is leading humanity astray from our individual ascension. The power and connection to the soul has never been so limited and continues to create a world that is predominately living in their minds. We all have the power to become magical. We all have the power to live out our dreams and find a true soulmate. Working with sexual energy in tantric relationships is required to have an energetic impact on the non-physical (astral) planes to create astrally a future we wish to create, rather than face the destiny that the matrix or "time" has in store for us. We entered this world choosing our character knowing how our life would begin and how it will end. Ascension means creating our future astrally before we experience our fixed destiny. This is what magic and our lesson as humans is all about.

Raise NOW Your Sex I.Q. [2 Books in 1] - Amanda Sluck 2021-02-24

"55% OFF for Bookstores! Discounted Retail Price NOW!!" Incredible things happen when you go down the image path, but what happens when creativity makes imagination a picture-perfect situation? Where does your mind go while you and your partner are thinking about your intimacy? Do you want to make sure that by buying just one book they will come back to buy again and again? Then, You Need this Bundle in Your Library and... Glamour - 2001

He Comes Next - Ian Kerner 2009-10-13

Transform Yourself from "Passion Victim" to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la vulva" philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on—and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest—You're Not That Into Him* either so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest—and ensuring that he does the same.

Mating Intelligence Unleashed - Glenn Geher, PhD 2013-02-14

Until recently, evolutionary psychologists have considered human mating behavior to be universal and similar to other animals, painting a picture of human mating as visceral, animalistic, and instinctual. But that's not the whole story. In courtship and display, sexual competition and rivalry, we are guided by Mating Intelligence, or the range of psychological abilities designed for sexual reproduction. In this book, psychologists Glenn Geher and Scott Barry Kaufman take a fascinating tour of the intersection of r sing and intelligence by drawing on cutting-edge research on evolutionary psychology, intelligence, creativity, personality, social psychology, developmental psychology, neuroscience, epigenetics, and more. This book will change the way you think about sex, dating, love, and the human mind.

How to Raise Your Sexual I. Q. - Douglas H. Ruben 2002-07

Ruben provides a complete survival kit on how to meet, date, and romance sexual partners. This easy-to-read book can increase sexual aptitude with secrets of finding eager partners, why they are eager, and what turns them on.

The Erotic Explorer's Guide - Maggie Crawford 2023-07-02

From the experienced and insightful author Maggie Crawford comes a groundbreaking book that will revolutionize your relationship to pleasure and empower you to embrace the best sex of your life. In "The Erotic Explorer's Guide," Maggie combines her wealth of knowledge and expertise to provide a comprehensive framework that will transform the way you experience pleasure and intimacy, regardless of your gender or sexual orientation. Discover a new sexual intelligence: - Unlock a deep connection with your body, desires, and unleash the psychological and physical blocks holding you back from experiencing the pleasure that is your birthright. - Develop a heightened understanding of your own unique desires and

preferences, allowing you to explore and express your sexuality with confidence and authenticity. Master the art of communication: - Learn effective communication hacks to confidently discuss a range of topics with your partner, including oral sex, open relationships, and beyond. - Enhance your ability to express your desires, boundaries, and needs, creating a foundation of trust and intimacy in your relationships. Unleash the power of orgasms: - Discover the truth about orgasms and gain insights into techniques and practices that can lead to more plentiful, powerful, and satisfying climaxes. - Embrace a journey of self-exploration and pleasure as you navigate the intricacies of orgasmic experiences. Become an extraordinary lover: - Learn the secrets to becoming a skilled and attentive lover, moving beyond mere technique to embrace a collaborative and deeply satisfying sexual connection. - Challenge societal expectations and norms, allowing you to approach intimacy with an open mind and a desire to create extraordinary experiences for yourself and your partner. "The Erotic Explorer's Guide" draws upon scientific research, personal anecdotes, and expert insights to provide an inclusive and entertaining guide to transforming your sex life, boosting your confidence, and cultivating meaningful relationships. Maggie Crawford's unique voice and compassionate approach will guide you towards embracing your sexual journey, expanding your pleasure potential, and fostering a deeper connection with yourself and your partners. Embark on an exhilarating exploration of pleasure, self-discovery, and empowerment. Let "The Erotic Explorer's Guide" be your trusted companion as you navigate the vast landscape of human sexuality, uncover hidden desires, and embark on a journey of sensual liberation. It's time to embrace the boundless pleasure that awaits you.

She Comes First - Ian Kerner 2019-10-10

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Books in Print Supplement - 2002

Resurrecting Sex - David Schnarch 2010-09-21

In this remarkable book, Dr. David Schnarch, world-renowned sex and marital therapist and author of *Passionate Marriage*, offers a groundbreaking approach to resolving sexual difficulties and the relationship problems they cause. By showing couples how they can turn their worst sex and relationship disasters into personal growth and spiritual connection, Dr. Schnarch offers couples the best sex of their lives. In addition to taking an unflinchingly honest, realistic, and erotic approach to sex, Dr. Schnarch reveals the complicated emotional interactions hidden within couples' most private moments. *Resurrecting Sex* speaks of compassion, partnership, generosity, and integrity in adult sexual relationships, offering hope to millions of people who are struggling with sexual difficulties. Uplifting, provocative, and heartfelt, the book is organized into four sections: A crash course in sex Explanation of how sexual relationships really work Medical options and bionic solutions Vignettes of couples changing their sexual relationships *Resurrecting Sex* addresses all major sexual issues, including male erection problems such as rapid orgasm and delayed orgasm; women's problems with arousal and lubrication, difficulty reaching orgasm, and low desire; full coverage of Viagra (for both men and women); and other sex-enhancing drugs and medical options. Rather than dwelling on sexual techniques, this sympathetic book shows how to cure the rejection, hostility, and emotional alienation that often accompany sexual problems. Its unique method helps couples develop the love, affection, and commitment that prevent divorce and strengthen families.

Sexual Intelligence - Sheree D. Conrad 2002-05-28

Get What You Want in Bed Most couples agree that sex is an important part of a relationship, yet only a small percent claim to have a truly satisfying sex life. But no one has to live that way. This provocative and informative book will provide you with everything you need to know to boost your "sex IQ" and gain greater satisfaction--starting with the invaluable Sexual Intelligence Test. Developed by Dr. Sheree Conrad and Dr. Michael Milburn as part of their groundbreaking scientific study, the test has proven to be an accurate predictor of how satisfied people are when they're between the sheets--and you can reap the benefits of this extraordinary survey. After you measure your own sexual intelligence, you can identify your weakest areas and use the tools provided by Conrad and Milburn to get exactly what you want in bed. With the help of this practical guide, you will learn: * All the reasons people have sex * What constitutes a "normal" sex life * How to escape the confines of gender stereotypes * The mysteries of sexual attraction * How to use sexual intelligence to stay faithful Filled with uplifting stories from the men and women whose sex lives were transformed by Milburn and Conrad's thought-provoking study, as well as useful advice on how to shed your inhibitions and break free of cultural taboos, *Sexual Intelligence* will forever change the way you think about and practice sex.
