The Spy Novels of John Le Carre - M. Aronoff 1998-12-14

Using espionage as a metaphor for politics, John le Carré explores the dilemmas that confront individuals and governments as they act during and in the aftermath of the Cold War. His unforgettable characters struggle to maintain personal and professional integrity while facing conflicting personal, institutional, and ideological loyalties. In *The Spy Novels of John le Carré*, author Myron Aronoff interprets the ambiguous ethical and political implications of the work of John le Carré, revealing him to be one of the most important political writers of our time. Aronoff shows how through his writing, le Carré poses the difficult question of to

what extent are western governments justified in pursuing *raison d'état* without undermining the very democratic freedoms that they claim to defend. He also draws parallels between the self-parody of le Carré and that of the seventeenth-century Dutch artist Jan Steen, and explains how it expresses a unique form of ambiguous moralism. In this volume Aronoff relates le Carré's fictional world to the real world of espionage, and demonstrates the need to balance the imperatives of ethics and politics in regard to some of the most pressing issues facing the world today.

Beauty and the Dark - Georgia Le Carre 2016-11-09

People say there are things worse than death. They are right. Death would have saved me. The things broke me. - Sofia So I locked my heart away and swore I'd never have another man in my body again. You see, I thought, I knew everything there was to know about men: deceitful, cruel, and heartless. I thought I hated them all. Naively, I believed I could live hidden away in my brother-in-law's castle forever. But Fate put me under a mistletoe with a man called Jack Irish. How can I describe him? Tall, dark and handsome wouldn't even begin to cut it. Mesmerizingly magnetic with charcoal hair, eyes bluer than the bluest marbles, and tattoos that curl out of his rolled up sleeves, he stood in front of me. When his lips brushed mine the ground under my feet shook, and everything I believed about myself smashed into a thousand pieces. But I am not the girl he thinks I am. He wants me in his bed. He doesn't know I am damaged beyond repair and dirty. If he knows how filthy I am he will run a mile. Jack I know all about pain. How it reaches into you, rips out your heart, and crushes it while you fuckin' watch. I'd vowed that was in the past. I was going to get drunk on one night stands and casual sex. But then fate put Sophie Seagull in my path. She is damaged. She is fragile. She is broken. And she is beautiful. Not in the cold, hard way of a sparkling diamond throwing its flashy light all over the place, but in the secretively, mysterious way of a pearl glowing in the moonlight. I look into her eyes, as huge and hauntingly soulful as that of a slow loris and the world doesn't seem to be so bleak anymore. She fights me, but this is my vow. To repair her. To protect her. To take her. To make her mine forever...

You Don't Know Me - Georgia Le Carre 2016-08-11

Tasha - I knew Noah Abramovich was trouble the first time our eyes locked. I was sixteen that summer. Sitting by the pool eating an ice-cream I can still remember how it melted over my fingers and dripped onto my thighs as I stared back at him. It wasn't just his Greek god looks, the animalistic Alpha attitude, or his tall, powerful muscled body - it was the aura around him that screamed, Don't fuck with me. At sixteen I wanted him with the passion of a woman, but mine was a world of unwritten rules. Rules that are worth more than a man's life. I didn't need anyone to tell me that he was everything I could not have. He never

looked at me again, but I watched him from afar. I could tell there were deep secrets that kept his smile hidden. Dark and mysterious he seemed to fear no one, not even my father. A man he should have. One I feared greatly. As the years passed, the afternoon when time stilled became as unreal as a dream. I am twenty-two now and in six months I will be married to a man my father chose. I will do my duty and bring respectability to my father's dynasty, but before I give myself to that man, I must have a taste of the forbidden. Just one night with the man of my darkest fantasies, so I don't lie on my deathbed, and regret that I never reached out and took the one thing I wanted most in life. But will it heal or destroy me? Noah. - In the Mafia world, your past is never far behind. If you are careless, it seeps into your future and gets you killed. Just when I had fooled myself into believing I'd stepped away from it all, it suddenly appeared in my office. Tasha Evanoff: She is what original sin must have looked like. Blonde, beautiful, voluptuous, and with secretive sapphire eyes that see right into my tainted soul. She comes offering one bite of the red apple. If I had any sense I'd shut the door on her, and send her back to her father, a psychopath of the highest degree. But that's not who I am. If the pretty princess has the courage to walk into the lion's den, I'm sure as fuck not going to pass on a challenge. I'll take one bite of her apple. Why the fuck wouldn't I? I've been lusting after it for years. Right here, right now, she is in my world, and she'll damn well play by my rules. She thinks everything will go back to what it was before, but I know what she doesn't. You can never have just one night of raw passion. The body will always crave more. Will she submit to her body's desires or to her father's?

Right before my eyes, my mother was becoming a shadow of herself. And now Madison needed another costly medical intervention. Every time I'd read about the Wall Street fat cats, bankers, and billionaires getting richer and richer with government bailouts while half our wages went on taxes, it made me more and more resentful and bitter about the system we lived in. So... when I was offered a lot of money to take (okay, steal) something from a Russian billionaire, who had originally stolen it from another Russian billionaire anyway, I said yes. The woman who offered me the deal made it sound easy. Her exact words were, "an in and out job." But it wasn't an in and out job. Not by a long shot. To my astonishment, I had foolishly wandered into the glamorous and dangerous world of the insanely rich. I had walked into Konstantin Tsarnov's life, a secretive, unforgiving, and sinfully handsome beast. A Standalone Full Length Romance.
