Lessons In Letting Go - Jessica Peterson 2021-01-21

Ten minutes ago, I was just an American student studying abroad in Spain. But now? Now I'm a professional soccer player's good luck charm...

RHYS My recovery from a football injury is destroying my career—until one night with a beautiful American and a few terrible pick-up lines changes everything. With Laura by my side, I play smarter, run faster, and fight harder than I ever have on the pitch. She's just the muse I need to turn my football career around. LAURA My semester abroad in Madrid is the fresh start I need. I've

got plans to ditch bad habits and worse boyfriends. Then a one night stand with a super hot British footballer leads to an A-list entanglement I wasn't looking for. But I refuse to be just arm candy for Rhys. I'm trying to shake off the superficial mindset I've always had. Still, he won't let me go without a fight. He's just as lethal in bed as he is on the field. And now he's pulling out all the stops, trying to convince me he wants more than just a good luck charm. This sexy footballer plays dirty...

Celmer 2010-07-01

Royal Seducer Michelle Celmer
 Royal must marry royal, which left Prince Christian few options...until a new princess was discovered. He would have wed whomever duty dictated, but Princess Melissa soon had Christian ready for a passionate royal wedding night. He just had to keep love out of the equation...

The Cambridge History of the American Novel - Leonard Cassuto 2011-03-24

An authoritative and lively account of the development of the genre, by leading experts in the field.

The Fugitive Race - Stephen

P. Knadler 2009-09-18

Denying its formative dialogues with minorities, the white race, Stephen P. Knadler contends, has been a fugitive race. While the "white question," like the "Negro question," and the "woman question" a century earlier, has garnered considerable critical attention among scholars looking to find new anti-race strategies, these investigations need to highlight not just the exclusion of people of color, but also examine minority writers' resistance to and disruption of this privileged racial category. "Highly original, wonderfully detailed, and thought provoking," says Professor Candace Waid of Knadler's intellectually challenging book. Although excluded, people of color looked back in anger, laughter, and wisdom to challenge the unexamined lie of a self-evident whiteness.

Looking at fictional and nonfictional texts written between 1850 and 1984, "The Fugitive Race" traces a long cultural and literary history of the ways African Americans,

*Downloaded from

 on 2022-08-25 by guest*

Asian Americans, Jewish Americans, Chicanos, gays, and lesbians have challenged the shape and meaning of so-called white identities. From the antebellum period to the 1980s, the belief in a white racial superiority, or simply a white difference, has denied that people of color might and do have an influence on the supposedly pure or protected character of whiteness. In contrast, this book attempts to define a new way of analyzing minority literature that questions this segregated color line. In addition to creating a new racial awareness, many writers of color tried to interfere in the historical formulation of whiteness. They created unsettling moments when white readers had to see themselves for the first time from the outside-in, or from the critical perspective of non-white writers. These writers--including William Wells Brown, Pauline Hopkins, Abraham Cahan, Young-hill Kang, Zora Neale Hurston, and Arturo Islas--did not simply resist assimilation. They sought to

dismantle the white identities that lay as the foundation of the master's house. Stephen P. Knadler, an assistant professor of English at Spelman College, has been published in "American Literature," "American Literary History," "American Quarterly," "Minnesota Review," and "Modern Fiction Studies."

Southern Seducer - Jessica Peterson 2022-05-19

Our South - Jennifer Rae Greeson 2010-10-15

This work tracks the nation/South juxtaposition in US literature from the founding to the turn of the 20th century, through genres including travel writing, gothic and romance novels, geography textbooks, transcendentalist prose, and abolitionist address.

Lessons In Love - Jessica Peterson 2021-01-21

Studying abroad just got a whole lot sexier... On my first outing in Madrid, I never thought I'd end up spending the hottest night of my life in the arms of a gorgeous Spaniard. Rafael Montoya is

everything study abroad dreams are made of: sexy, sophisticated, and really good with his hands. As the sun comes up over the city, he gives me the kiss to end all kisses. And then he disappears. I'm crushed. But it wouldn't be the first time a guy has ghosted me. I really need to focus on my studies while I'm here in Madrid anyway. My Spanish is practically nonexistent, and my grades show it. My program assigns me a new tutor. But when I walk into the room to find none other than Rafa waiting for me, I almost have a heart attack. Even crazier? I find out I gave him the wrong number. He wants to take me out. Show me his beloved Madrid. More than that, he wants to extend our classroom lessons into the bedroom, too. I should keep my distance. I'm heading back to the states at the end of the semester. Why fall for someone if it will inevitably end in heartbreak? But this Spaniard wants me. And he'll stop at nothing until I'm his. LESSONS IN LOVE is a STANDALONE romance in the

The Divided Family in Civil War America - Amy Murrell Taylor 2009-11-04

The Civil War has long been described as a war pitting "brother against brother." The divided family is an enduring metaphor for the divided nation, but it also accurately reflects the reality of America's bloodiest war. Connecting the metaphor to the real experiences of families whose households were split by conflicting opinions about the war, Amy Murrell Taylor provides a social and cultural history of the divided family in Civil War America. In hundreds of border state households, brothers--and sisters--really did fight one another, while fathers

*Downloaded from

and sons argued over secession and husbands and wives struggled with opposing national loyalties. Even enslaved men and women found themselves divided over how to respond to the war. Taylor studies letters, diaries, newspapers, and government documents to understand how families coped with the unprecedented intrusion of war into their private lives. Family divisions inflamed the national crisis while simultaneously embodying it on a small scale-- something noticed by writers of popular fiction and political rhetoric, who drew explicit connections between the ordeal of divided families and that of the nation. Weaving together an analysis of this popular imagery with the experiences of real families, Taylor demonstrates how the effects of the Civil War went far beyond the battlefield to penetrate many facets of everyday life.

Southern Hotshot - Jessica Peterson 2020-12-07

Lusting after the woman trying to steal my job is stupid.

Sexting with her? That's a game-changing fumble. Emma Crawford became enemy number one the second she stepped foot on Blue Mountain Farm. She might think I'm just a dumb jock, but I know she's a stuck-up wine snob who believes she'd be a better exec than me. She can take my position over my dead body. But with her ridiculous curves and fearless smarts, she's becoming one giant distraction just when I need to prove my worth most. Lucky for me that I have a secret internet sext partner to blow off steam with. My nightly dirty chats with V scratch all the itches Emma gives me. Emma and V couldn't be more different-- except it turns out they're the same person. Just when I thought this scenario was enough of a disaster, I'm falling for the co-worker I can't touch and can hardly stand. Even a hotshot player like me can see this is a game we're both gonna lose. *Southern Hotshot* is the next STANDALONE novel in the all new North Carolina Highlands Series! This is

Book III - J. A. Jackson

2021-02-05

Nicholas La Cour never expected to be betrayed. Convicted of a crime he didn't commit; it is only luck that proves his innocence. Maëlle has always had a thing for bad boy Nicholas... ..and Nicholas has always had a thing for trouble. After Nicholas left her at the altar, Maëlle wasn't sure her heart would ever heal. The wounds of the past run deep for both of them. But despite their drama-filled past, their chemistry defies logic and burns hotter than ever. As sparks fly and Maelle and Nicholas have the chance to reunite, will Nicholas sabotage their chance for happiness with his plans for revenge? Or will he finally focus on what truly matters? Can they make love grow this time around? Something both of them aren't sure they can do... A Betrayed man, a bride left at the altar, and a plan for revenge. Dive

into the complex world of Nicholas in Book III of J. A. Jackson's Lovers, Players The Seducer series and discover if love can transform even the best-laid plans?

Seymour's Customary Law in Southern Africa - Wilfred Massingham Seymour 1982

The Mormon Menace - Patrick Mason 2011-02-16

"It incarnates every unclean beast of lust, guile, falsehood, murder, despotism and spiritual wickedness." So wrote a prominent Southern Baptist official in 1899 of Mormonism. Rather than the "quintessential American religion," as it has been dubbed by contemporary scholars, in the late nineteenth century Mormonism was America's most vilified homegrown faith. A vast national campaign featuring politicians, church leaders, social reformers, the press, women's organizations, businessmen, and ordinary citizens sought to end the distinctive Latter-day Saint practice of plural marriage, and to extinguish the entire

Downloaded from
legacy.opendemocracy.net
on 2022-08-25 by guest

religion if need be. Placing the movement against polygamy in the context of American and southern history, Mason demonstrates that anti-Mormonism was one of the earliest vehicles for reconciliation between North and South after the Civil War and Reconstruction.

Southerners joined with northern reformers and Republicans to endorse the use of newly expanded federal power to vanquish the perceived threat to Christian marriage and the American republic. Anti-Mormonism was a significant intellectual, legal, religious, and cultural phenomenon, but in the South it was also violent. While southerners were concerned about distinctive Mormon beliefs and political practices, they were most alarmed at the "invasion" of Mormon missionaries in their communities and the prospect of their wives and daughters falling prey to polygamy. Moving to defend their homes and their honor against this threat, southerners turned to

legislation, to religion, and, most dramatically, to vigilante violence. The Mormon Menace provides new insights into some of the most important discussions of the late nineteenth century and of our own age, including debates over the nature and limits of religious freedom; the contest between the will of the people and the rule of law; and the role of citizens, churches, and the state in regulating and defining marriage.

Southern Reporter - 1932

Includes the decisions of the Supreme Courts of Alabama, Florida, Louisiana, and Mississippi, the Appellate Courts of Alabama and, Sept. 1928/Jan. 1929-Jan./Mar. 1941, the Courts of Appeal of Louisiana.

But when I walk into the room to find none other than Rafa waiting for me, I almost have a heart attack. LESSONS IN GRAVITY Sexy. Spanish. Rockstar. Trouble. When I meet gorgeous Spaniard Javier Montoya at a bar, I assume our hook-up is just a one time thing. Yeah, he's the sexiest guy I've ever slept with. But he's also the guitarist for one of the hottest bands in Europe. With his reputation, I know I need to keep things casual. But

when our one night stand blossoms into genuine friendship, Javier starts to wonder out loud if I'm the "forever girl" he's been looking for. LESSONS IN LETTING GO Ten minutes ago, I was just an American student studying abroad in Spain. But now? Now I'm a professional soccer player's good luck charm... RHYS My recovery from a football injury is destroying my career—until one night with a beautiful American and a few terrible pick-up lines changes everything. With Laura by my side, I play smarter, run faster, and fight harder than I ever have on the pitch. She's just the muse I need to turn my football career around. LAURA My semester abroad in Madrid is the fresh start I need. I've got plans to ditch bad habits and worse boyfriends. Then a one night stand with a super hot British footballer leads to an A-list entanglement I wasn't looking for. LESSONS IN LOSING IT I swore I'd keep things friendly with the studly German soccer player I met in Madrid...until we ended up

naked together on his living room floor #Screwed #PunIntended FREDRIK Just friends... That's all I want to be with Rachel Collins, the sexy American student I meet at a party in my adopted hometown of Madrid. I'm looking for the real deal—someone who'll stick around Spain for more than a semester—so I resolve to keep her at arm's length. Even if she is gorgeous as hell. Smart. And as crazy about sports as I am. But friends don't kiss. They don't do sleepovers. And they definitely don't get rug burn from having the best sex ever on the living room carpet.

Nineteenth-century Literature - 1986

Contains articles which focus on a broad spectrum of significant figures in fiction, philosophy, and criticism such as Austen, Carlyle, Dickens, Thackeray, the Brontes, Tennyson, Browning, Arnold, Emerson, Hawthorne, Thoreau, Whitman, Twain, and Henry James.

The Southern Law Journal - 1879

Southern Seducer - Jessica Peterson 2020-08-08

I've done a lot of stupid stuff in my life. But sleeping with my best friend tops the list. Annabel and I have been close since college. When I left school to play pro football, she was there. While I collected Super Bowl rings and cars worth more than the house I grew up in—she was there. I always assumed we'd end up together. Everyone did. But by the time I retired from football, Bel was married. I thought I'd missed my shot at love. So I buried myself in my new job as CEO of Blue Mountain Farm, a five-star resort my family and I built in the Great Smoky Mountains of North Carolina. It seems like a good place to be alone with the secret I have to keep from her. Now Bel is a divorced single mom, struggling to raise her daughter on her own—and it's my turn to be there for her. So I invite her and the baby up to the resort for some much needed R&R. Then, in a moment of bonfire-and-bourbon induced weakness, I

kiss her. And the fallout could ruin everything. SOUTHERN SEDUCER is a full length, standalone novel. It is the first book in the all new North Carolina Highland series. *Southern Honor* - Bertram Wyatt-Brown 2007-08-31 A finalist for the Pulitzer Prize and the American Book Award, hailed in The Washington Post as "a work of enormous imagination and enterprise" and in The New York Times as "an important, original book," *Southern Honor* revolutionized our understanding of the antebellum South, revealing how Southern men adopted an ancient honor code that shaped their society from top to bottom. Using legal documents, letters, diaries, and newspaper columns, Wyatt-Brown offers fascinating examples to illuminate the dynamics of Southern life throughout the antebellum period. He describes how Southern whites, living chiefly in small, rural, agrarian surroundings, in which everyone knew everyone else, established the local hierarchy of kinfolk and

neighbors according to their individual and familial reputation. By claiming honor and dreading shame, they controlled their slaves, ruled their households, established the social rankings of themselves, kinfolk, and neighbors, and responded ferociously against perceived threats. The shamed and shameless sometimes suffered grievously for defying community norms. Wyatt-Brown further explains how a Southern elite refined the ethic. Learning, gentlemanly behavior, and deliberate rather than reckless resort to arms softened the cruder form, which the author calls "primal honor." In either case, honor required men to demonstrate their prowess and engage in fierce defense of individual, family, community, and regional reputation by duel, physical encounter, or war. Subordination of African-Americans was uppermost in this Southern ethic. Any threat, whether from the slaves themselves or from outside agitation, had to be met

forcefully. Slavery was the root cause of the Civil War, but, according to Wyatt-Brown, honor pulled the trigger.

Featuring a new introduction by the author, this anniversary edition of a classic work offers readers a compelling view of Southern culture before the Civil War.

Lessons in Gravity - Jessica Peterson 2021-01-21

Sexy. Spanish. Rockstar.

Trouble. Studying abroad in Spain is a total escape for me. An escape from real life, from the pressures of college, and, most importantly, an escape from the drama surrounding my parents' divorce. If I hook up with hot Madrileños along the way? All the better. When I meet gorgeous Spaniard Javier Montoya at a bar, I assume our hook-up is just a one time thing. Yeah, he's the sexiest guy I've ever slept with. But he's also the guitarist for one of the hottest bands in Europe. With his reputation, I know I

need to keep things casual. But when our one night stand blossoms into genuine friendship, Javier starts to wonder out loud if I'm the "forever girl" he's been looking for. Too bad I believe forever is more fiction than fairy tale. I'm a first-hand witness to the nasty the divorce my parents are going through, and there's no way Javier can convince me that fairy tales exist. Hot sex? Yes. Happily Ever After? Absolutely not. But this sexy Spaniard is out to prove me wrong... LESSONS IN GRAVITY is a STANDALONE romance in the STUDY ABROAD series. The books in this series are complete standalones with interconnected characters, and can be read in any order.
