The Half Wolf - Jay Northcote 2017-09-25

Mate, family, pack, home... can Quinn and Kellan have it all? Quinn grew up feeling out of place in the small town he calls home. Yearning for something he can't name, he's always felt different but never known why. Kellan is part of a nomadic shifter pack. When they set up camp in the woods near Quinn's town, the humans are unwelcoming and suspicious of the newcomers. The moment Kellan catches sight-and scent-of Quinn, he knows Quinn is special. But for the first time in his life, Kellan can't trust his

instincts. Quinn is human, and Kellan is a wolf shifter, so how can they ever be mates? Their bond is instant and exhilarating. It breaks Quinn's heart to know their relationship can only be temporary. Love isn't enough when pack law forbids shifters to mate with humans. Tension explodes between pack and humans, and when Quinn discovers a shocking truth about himself that changes everything, he fears he'll have to choose between the only life he's ever known and the man he loves.

Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Chuck's Fantasy - Just Plain Bob 2014-10

Is that why you showered last night? Chuck and Lorrie were high school sweethearts who ended up together and got married. For ten years, they have kept their marriage healthy and taken turns in making each other happy. One night, Chuck comes home late. Lorrie is waiting and eager to make love to him. She notices something strange - Chuck goes straight to the shower right after he gets inside the house. She finds it suspicious and figures out a way for

Chuck to spill the beans. Chuck's confession takes their marriage and sex life to a whole new level - one that is rip-roaring, at the same time, a walk on thin ice for their marriage. **Hot Romance Erotica SAMPLE 1: At the party, I made sure that I punched all of Chuck's buttons. I was wearing one of the outfits that he had given me and CFMs with five-inch heels. I danced with anyone who asked and I allowed hands to go where ever they wanted. My ass was squeezed, my pussy was rubbed through my skirt and I just knew I was going to have bruises on my breasts when I got home. I let myself get maneuvered into dark corners, let myself be kissed and even gave some tongue to a couple of guys. I did all of that with one eye on Chuck to see how he was taking it. He wasn't smiling, but I didn't see anger either so I took it to the next level. When my next dance partner, a tall, handsome black man named Mark, suggested we step outside for some air, I said okay and three minutes later we were swapping tongues. He

worked his hand down the inside of my skirt and panties and I rubbed the bulge in his pants with my hand. When his hand reached my pussy I unzipped him and reached inside, grasped his erection and pulled it out to where I could stroke it. I looked down at it and saw that it wasn't all that big, just a bit fatter than Chuck's, but no longer. "Let's go to my car," Mark whispered.
