Shameless - Pamela Madsen
2011-01-18

A funny, sexy, and wildly entertaining look at the rewards of fully realized desire

in the life of one ordinary woman. At 43 years old, Pamela Madsen was happily married to the man she fell in love with at 17. She was the mother of two sons and had a successful career as a nationally known advocate for fertility issues. But she felt a growing sexual restlessness and yearning that wouldn't let up. And though Pamela loved her husband and didn't want to have an affair, she knew deep down that she needed more, much more. In *Shameless*, she tells the story of how she found it—and not only kept her marriage intact but made it stronger than ever. In this fearless memoir, Pamela tells the story of her search for sexual, personal, and spiritual wholeness. She explores, in riveting detail, what she experienced at the hands of sexual healers, men who brought her untold pleasure (and became her close friends in the process). But this is not just another sex book: *Shameless* is also an account of how Pamela's journey healed her issues with food and body

image and most important, helped her weave the many roles that she played—daughter, friend, partner, mother—into one fully integrated person. It is a story about a woman falling in love with herself and a call to other women to do the same.

[The Path of the Priestess](#) - Sharron Rose 2003-01-08

A guide for personal exploration of the path to the divine feminine and the spiritual power of women. • Reveals the essential role of women in creating and maintaining the psychic/energetic/emotional landscape of society. • Explores feminine roles and the archetypal model of the Great Goddess from both Eastern and Western spiritual traditions. • Includes exercises, meditations, and visualizations drawn from ancient techniques to assist women with their spiritual awakening and self-realization. *The Path of the Priestess* takes readers on a journey deep into the heart of the feminine experience. It describes the author's years of

first-hand experience in the ancient arts of Tantra, Dzogchen, and Indian and Egyptian temple dance and healing, as well as her research into the feminine principle in the mystic teachings of the Alchemists, Hebrew Kabbalists, and Christian Gnostics. Beginning with an analysis of the basic issues and frustrations inherent in contemporary society's conditioning of and expectations for women, readers travel back in time to the age of the great temples, schools, and sacred societies in which women still held and transmitted the spiritual light that nourished all of civilization. Through its mythic and historic tales, descriptions of sacred ritual practices, and teachings on the Goddess traditions, The Path of the Priestess provides contemporary women with the means to enter this time-honored path. In keeping with the experientially based teaching methods of these traditions, it also offers exercises and visualizations

designed to align women with the powerful, sensuous, and loving energies of the most profound feminine role model that shaped and preserved culture and society--the Great Goddess.

Goddess Durga and Sacred Female Power - Laura

Amazzone 2010

"Amazzone's voice is strong and clear. Goddess Durga promises the transformation, empowerment, and dignity that is our birthright."--Marisa Tomei, Academy Award-winning actor.

Tantric Kali - Daniel Odier
2016-10-14

The mythology, rituals, meditations, and practices used in Tantric worship of the goddess Kali in the tradition of Kashmiri Shaivism • Reveals the practices of Vamachara, known as the Left-hand Path but more accurately translated as the Path of Shakti • Includes a Kali ritual from the Nirrutara Tantra, translated here for the first time • Presents devotional chants, meditations, and mudras specific to Tantric worship of Kali According to

traditions going back to pre-Vedic times, Kali sprang from the third eye of the Goddess Durga as a destructive and terrifying manifestation of feminine power sent to lay waste to the forces of evil. Throughout India to this day, Kali is worshipped as the destroyer of bondage, capable of liberating her devotee from all rules and subjugation. In Tantric Kali, Daniel Odier presents the mythology, practices, and rituals of Kali worship in the Tantric Kaula tradition within Kashmiri Shaivism. He reveals the practices of Vamachara, commonly known as the Left-hand Path but more accurately translated as the Path of Shakti. In this tradition the body itself is Kali's temple, and it is therefore unnecessary to reject or deny the body to know union with the divine. Instead, nothing is regarded as pure or impure and there is complete freedom from rules. Focused on working directly with forbidden emotions and behaviors, this path allows the seeker to transcend obstacles

to liberation through sexual union. According to the Kaula Upanishad, "In your behavior do the opposite to what the norms dictate but remain in consciousness." This is the essence of Tantra. Kali is absolute reality: manifested as woman intoxicated by desire, she frees the tantric practitioner from all desire except union with the divine. The author includes an evocative ritual from the Nirrutara Tantra--never before translated into any Western language--containing devotions to the 64 yoginis according to Matsyendranath, founder of the Kaula path. Offering devotional chants, meditations, and mudras specific to Tantric worship of Kali, this empowering book provides practices and teachings for those on the Tantric path to liberation.

The Kundalini Accident - Elena Starwater 2019-12-09

The true story of a mystical woman, inspired by the Narrative of Sophia - our Mother who became the Earth. All opposites become

reconciled, as hidden secrets are disclosed for personal and collective healing. From Kundalini awakening to the Hopi Prophecy, from Leonardo da Vinci to alien abduction, from the abiogenesis of the Archons to the Magdalene's journey. The book is a visionary memoir rich with discoveries and revelations in the fields of mysticism and heightened consciousness, offering insights to deep questions on topics such as reincarnation, shamanism, ufology, art-history, and prophecy. The narration runs along the Mythos of Sophia, the Goddess from the Galaxy Core who, according to Gnostic texts, first emanated the human genome and then morphed into the Earth Planet that we inhabit. That was a 'mistake' (anomalous), as described in the Gospel of Philip, and so here we are now, currently in the process of Correction, as foreseen by the ancient Telestai (Gnostics of the Mystery Schools). It is truly from the ancient Gnostic texts that we learn how, when the

Aeon Sophia 'fell' from the Pleroma, she happened to manifest an aborted species, called the Archons, or 'authorities', who soon began to try and suppress their own involuntary Mother. Some of us are trying to help the 'Trapped Goddess' restore the balance, firstly by becoming aware of our divine origin, along with the existence of the alien predatory race, and secondly by escaping its grip - for the fulfillment of the original Dream that Sophia had for us and for the Earth.

Female Kundalini - Margaret Miranda Dempsey 2014-11-06

The inner event that awakens Kundalini remains a mystery. In Margaret Dempsey's case, years of Buddhist meditation, galvanized by a traumatic contact with an attractive man, triggered the "uprising of Shakti." Her honesty in not attempting to glamorize the awakening attests to its authenticity. The author's real Self, to which Kundalini eventually brought her, is in evidence from page one, as she describes her upbringing in

Catholic Ireland, her days in a boarding school run by nuns, her training as a nurse, and her escape to London, New York and India.

Living an Orgasmic Life - Xanet Paillet 2018-08-15

For every woman who struggles with sexuality and intimacy. Nationally-known sex therapist Xanet Paillet offers practical tools and encouragement for reclaiming passion and pleasure in their sex life.

Tantra - Georg Feuerstein, Ph.D. 1998-07-28

A leading yoga researcher offers a clear and lively introduction to the history, philosophy, and practice of the Tantric spiritual tradition. Tantra—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism, emphasizing the cultivation of “divine power” (shakti) as a path to infinite bliss. Tantra has been widely misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality. Tantra: The Path of

Ecstasy dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic Tantra, as well as appropriate guidance for spiritual practice and the attainment of higher consciousness.

A must read for anyone with a body! Transcendent Sex - Jenny Wade 2004-04-06 IT'S NOT JUST SEX. IT'S NOT JUST LOVE. IT'S SOMETHING MORE.... But what could be better than sex? How about lovemaking that sweeps people into new realities, producing altered states of consciousness a thousand times more powerful than the most earth-shattering orgasm? Lovemaking so spectacular that it truly is a religious experience? Transcendent Sex is not about the "Tantric method." It is about the best-kept secret in human history: that ordinary people, with no special training, can find themselves in different spiritual realms when making love -- an experience so profound that nothing will ever be the same. It is about sex that triggers episodes identical

to the highest spiritual states -- as described in the annals of shamanism, yoga, Buddhism, Christianity, Judaism, and Islam -- including visions, channeling, reliving past lives, transcending the laws of physics, and seeing the face of God. This revealing book tells of lovers who engaged in sex as usual and suddenly found the veil between the worlds torn open. Transcendent Sex, like any other spiritual awakening, changes lives. Atheists have become believers; long-standing psychological wounds have been healed; and the sexually abused have become whole. These are the inspiring, incredible true stories of people who experienced an ecstasy and fulfillment beyond the borders of this world.

Tantric Quest - Daniel Odier
1997-04-01

The author reveals his passionate experiences with a female Tantric master who taught him the suppressed practices of her ancient order. In 1968 Daniel Odier left Europe for the Himalayas, searching for a master who could help him go where texts and intellectual searching could no longer take him. He wanted everything: the wisdom and spirituality gained from the life of an ascetic and the beauty, love, and sensuality of a life of passion. He found both in Shivaic Tantrism, the secret spiritual path that seeks to transcend ego and rediscover the divine by embracing the passions. In an isolated Himalayan forest Odier met

Devi, a great yogini who would take him on a mystical journey like none he had ever imagined. At times taking him beyond the limits of sexual experience, at times threatening him with destruction, she taught him what it is to truly be alive and to know the divine nature of absolute love. This is the personal memoir of one of France's most honored writers. Tantrism is the only ancient philosophy to survive all historical upheavals, invasions, and influences to reach us intact by uninterrupted transmission from master to disciple, and the only one to retain the image of the Great Goddess as the ultimate source of power.

Womb Awakening - Azra Bertrand 2017-08-15
Rediscover the lost ancient mystery teachings of the Cosmic Womb • Explains how each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb • Offers practices to help awaken your spiritual Womb, experience the Womb of God

within, and activate the Womb's sacred magic of creation and manifestation • Looks at the power of the moon and its connection to sacred Womb Consciousness • Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia • Includes access to three guided Womb Awakening audio journeys The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra

and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to

sacred Womb Consciousness, offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos.
