## **Tricks of the Podcasting**

**Masters** - Rob Walch

2006-05-22

Have you figured out the basics of making a podcast, but now want to make a great podcast, and possibly make some money? Tricks of the Podcasting Masters holds the answers to questions such as:

How do I interact with listeners and get them to come back next week? How do I conduct a great interview over the phone? How do I attract sponsors? How do I stay motivated? The authors share their experiences with the 'casts they've produced regularly since podcasting began, including "podCast411" and "Geek Fu Action Grip," and draw from more than 100 interviews with podcasting's stars. With this book, you will be able to take your craft to the next level and create a business around your podcasts. *Peccadillo at the Palace* - Kari Bovée 2019-05-07

It's 1887, and Annie and Buffalo Bill's Wild West Show are invited to Queen Victoria's Jubilee celebration in London, England. But their long journey across the Atlantic takes a turn for the worst when the queen's royal servant ends up dead and Annie's husband, Frank Butler, falls suspiciously ill. Annie soon discovers that the two events are connected—and may possibly be precursors to an assassination attempt on the

queen. In London, it becomes clear there is rampant unrest in the queen's kingdom—the Irish Fenian Brotherhood, as well as embittered English subjects, are teeming in the streets. But amid the chaos, even while she prepares for the show, Annie is determined to find the truth. With the help of a friend and reporter, Emma Wilson, the renowned poet Oscar Wilde, and the famous socialite Lillie Langtry, Annie sets out to hunt down the queen's enemies—and find out why they want to kill England's most beloved monarch.

**Beyond Kawaii** - Brigitte Steger 2020-05-29

Kawaii. The love of all things cute has become the dominant image of Japanese girls and women. Real Japanese women are, however, more complex. Some celebrate their uterus, others experiment with fashion and cross-dressing or embrace their chubbiness, many struggle with motherhood. And some may even return as vengeful ghosts. This third collection of studies by young scholars from the University of

Cambridge looks beyond the kawaii image and explores the diversity and complexity of being a Japanese woman in the new millennium.

**Crimes Committed by Terrorist Groups** - Mark S. Hamm 2011-01

This is a print on demand edition of a hard to find publication. descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

**Nightwing 2021 Annual (2021) #1** - Tom Taylor 2021-11-30

Dick Grayson and Jason Todd, the first Robins, both long ago stepped out of the shadow of the Bat and began walking very different paths on their respective journeys to become who they are today. But now their paths converge and these two brothers unite for one goal. With escrima stick and a crowbar combined, Nightwing and Red Hood - are ready for anything...anything except what they have to face next! Don't miss out on this explosive adventure!

Myth and Mentality - Anna-Leena Siikala 2002-05-15

The recent fascination in Finnish folklore studies with popular thought and the values and emotions encoded in oral tradition began with the realisation that the vast collections of the Finnish folklore archives still have

much to offer the modern-day researcher. These archive materials were not only collected by scholars, but also by the ordinary rural populace interested in their own traditions, by performers and their audiences. With its myriad voices, this body of source material thus provides new avenues for the researcher seeking to penetrate popular thought. What does oral tradition tell us about the way its performers think and feel? What sorts of beliefs and ideas are transmitted in traditional songs and narratives? Perspectives from the study of mentalities and cultural cognition research provide a framework for investigating these issues. This collection of articles works from the premise that the cultural models which shape mentalities give rise to manifest expressions of culture, including folklore. These models also become embedded in the representations appearing in folklore, and are handed down from one generation to the

next. The topics of the book cover age-old myths and world views, concepts of witchcraft and the Devil stretching back to the Middle Ages, and the values and collective emotions of Finnish and Hungarian agrarian communities.

**Knight in Retrograde** - Lee Hunt 2020-09-08

Would you trade uncertainty for stagnation, chance for god, invention for inertia, thought for dogma? Four years have passed since the events of Dynamicist and war is on the horizon. Robert, Korja, Eloise and Gregory went to the New School, hoping to change the world. They thought that mathematically based dynamics, the enlightened age's answer to wizardry, would give them the power to make everything better. Their hopes were naive. Protestors are condemning the creation of a new vaccine. The city is seeing a series of hangings; is it murder or sacrament? The cloaked man is back stalking students. The long-absent demons Skoll and Hati reappear and begin

slaughtering whoever they meet. But the real question is, will Nimrheal return? If he does, who will die first? Uncertainty is inspiring fear, and inventions are not making the world better, only more complicated. The terrified civilians don't want dynamics and reason. They want the word of Elysium and the return of the Methueyn Knights. Koria fears the world faces an awful conundrum: that if the Knights return, Nimrheal will stay. Will Robert, Koria, Eloise and Gregory choose to transform into angelic knights or, at the cost of such heavenly communion, instead banish Nimrheal? What price will be paid? If a new Methueyn Knight rises, will the age of invention disappear forever?

The Gift Economy - David Cheal 2015-07-03

Until recently we have known more about gift giving practices in pre-industrial societies than about those of industrial western society. In this book, first published in 1988, David Cheal shows that the process of present giving

and receiving is a vital element in contemporary social life, relevant to some of the most important theoretical traditions in sociology, particularly those of Durkheim and Weber, and to the social constructionism of Peter Berger and Thomas Luckmann. This volume is the result of a major study of gift rituals carried out by David Cheal and his associates in which general themes are richly illustrated with details from individual case histories gathered during the research. It is highly significant that in western society women are more active gift givers than men and, while their voices explain how emotions and interests are interrelated within the gift economy, the author shows how that in turn is related to current theories about family, gender and religion.

**Triumph's Ashes** - Adam

Gaffen 2021-08-15

TRIUMPH'S ASHES is a triumph! TOP FIFTY INDIE BOOKS OF 2021 (as chosen by Read Free.ly) "The Aremis War - Volume 4 gives readers a complete package, drama, love, suspense, excitement, heartbreak, danger, blood and humor. All in one book." - Bookish Reviews Kendra Cassidy thought that by toppling the Solarian Union she could end a bloody war she never wanted. But the Union of Artemis has risen from the ashes, bent on destroying the Terran Federation and slaughtering the rebels on Luna. Vasilia Newling has wiped out one of the four ruling Families, imprisoned another, and declared herself

Empress. With a compliant and complicit First Councilor, there's nobody left to rein in her ambition, or her bloodlust. When the United Earth Government turns against her, Kendra wishes nothing more than to forget it all and flee to the stars with her wife and children. But her allies, her friends, her ohana, need her on Earth, standing up for them. Now everyone Kendra loves is in the path of the firestorm, and she must decide who and what to sacrifice. Aided by her fellow dreamers, Kendra and her Terran Federation struggle to resist the looming threat of the Union. Plots, counterplots, espionage, treachery, all set against a backdrop of personal courage. Both sides know that there is no victory without cost, but who will pay the price?

*Girl with a Gun* - Kari Bovée  
2018-06-19

Fifteen-year-old Annie Oakley is the sole supporter of her widowed mother and two siblings. An expert marksman and independent spirit, she hunts game to sell to the local mercantile to make

ends meet instead of accepting a marriage proposal that could solve all her problems. After a stunning performance in a shooting contest against the handsome and famous sharpshooter Frank Butler, Annie is offered a position in the renowned Buffalo Bill's Wild West Show. Finally, she has a chance to save the nearly foreclosed family farm and make her dreams come true. But then her Indian assistant is found dead in her tent, and Annie is dubious when the local coroner claims the death was due to natural causes. When another innocent is murdered, Annie begins to fear the deaths are related to her. And to make matters worse, her prized horse, Buck, a major part of her act, is stolen. Annie soon discovers that the solution to her problems lies buried in a padlocked Civil War trunk belonging to the show's manager, Derence LeFleur. And so, with the help of a sassy, blue-blooded reporter, Annie sets out to find her horse, solve the murders, and clear her name.

**Birds of Prey Vol. 1** - Chuck Dixon 2015-11-10  
Alone, they are driven vigilantes. Together they are a force to be reckoned with. Witness the beginnings of the Birds of Prey team, as Oracle (the former Batgirl, Barbara Gordon) teams up with ex-Justice Leaguer Black Canary and other female heroes of the DC Universe in globetrotting adventures in espionage. Black Canary goes undercover to expose the truth behind a corporate conspiracy. Oracle must send in reinforcements, but will this save Black Canary or doom her? Plus, the Birds of Prey invade Santa Prisca to stop a slavery ring while helping to overthrow the local government. Collected for the first time in chronological order: BLACK CANARY/ORACLE: BIRDS OF PREY #1, SHOWCASE '96 #3, BIRDS OF PREY: MANHUNT #1-4, BIRDS OF PREY: REVOLUTION #1, BIRDS OF PREY: WOLVES #1 and BIRDS OF PREY: BATGIRL #1.  
Overcoming School Refusal - Joanne Garfi 2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term

consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

*Stellar Astrophysics* - Roger John Tayler 1992

*Stellar Astrophysics* contains a selection of high-quality papers that illustrate the progress made in research into the structure and evolution of stars. Senior undergraduates, graduates, and researchers can now be brought thoroughly up to date in this exciting and ever-developing branch of astronomy.

**Essential of Horary Astrology Or Prasna Padavi** - M. Ramakrishna Bhat 1992

This book provides an insight into the importance of astrology viz., natal, electional and horary, as well as deals with other dimensions of this science such as spirituality, spiritualism, Ayurveda, transmigration of souls, thought-reading, dreams, temple and its rituals and effects of particular sins. The

work presents new theories and methods of determining success and defeat in contests and wars with the help of illustrative charts. It urges readers to avoid fatalism commonly associated with predictions and explains how one could solve riddles in life and tide over the pessimistic attitude and related psychological problems. The author has thrown fresh light on some questions like the name of the author of Prasnamarga, line of succession of his pupils, and the authorship of the Dasadhyayi. The most significant contribution of this

work is the clear exposition of the rules of Astamangala and Devaprasna, in addition to Candragupti (water-divination), martial problems, Coragrahas, Necromancy, special importance of Mandi and Dasa of its star, Kalacakradasa, etc.

**The Cassidy Chronicles** - Adam Gaffen 2022-02-24

Kendra, a semi-retired actress, Derek, a light sculpture designer, and Aiyana, a genius physicist, planned their perfect wedding. But who invited the assassin? Now they're on the run and seeking answers. They're going to change the world, if they survive the honeymoon.)
