**Raise A Glass Box Set #2** - Mary E Thompson

This boxed set contains books 5-7 of the Raise A Glass series. Included titles are Too True To Be Good, Walk Of Fame, and Fake It Till You Break It. Too True To Be Good Zach loved his life. He didn't want anything to change. He had everything he wanted, except the new chef trying to steal his job. Gianna knew all the bad life had to offer. She'd not only lived it, but she saw it every day. Which was why she was determined to find a permanent home for her newest client. The last thing Zach needs is a little girl on his doorstep claiming she's his. The social worker on her heels wasn't any more welcome, but he couldn't turn them away until he knew the full truth. When the truth comes out, they have to decide if it'll keep them together or push them apart. Walk Of Fame Katherine needs to hide, and the best place she can think of is an off the map spot no one would think to look for her. Dillon just wanted a night out. But when his one night stand is waiting on his porch the next day, the fear in her eyes has his welcoming her into his home. Time is not on their side, but something stronger might be. But her secrets might be too much for him. And when she has to return to her real life, it all could come tumbling down. Fake It Till You Break It Kristen needs an escape, and her usual one isn't working. She decides to give up men and have some fun in other ways. Throwing herself into work seems like a good plan. Zane knows getting attached always spells trouble, so he keeps his distance. Especially from a woman who's clearly broken. No matter how amazing he thinks she is. It's all work between them, but work is play and the lines are blurred before either of them realize it. They can handle it. Neither is going to get attached. It's just fun.

What if biological transmitting devices that were able to be implanted into human beings, thus allowing others to listen in on their private conversations, became a reality? How could these devices be unknowingly inserted into their living hosts, and what evil machinations could result in yet one more example of man's inhumanity to his fellow man? Such is the premise for SKIN DEEP, where doctor is pitted against doctor, and a beautiful scientist, vying for her lover's affection, is willing to destroy anyone who gets in her way. Enmeshed between the medical malpractice trial of the century, a major epidemic threatening to wipe out the world's population, and a scheme to reap billions of dollars in profit, the novel winds its way from courtroom to bedroom in an ever enlarging circle of greed, corruption, and death. Will humankind be changed forever? The answer lies merely skin deep.

**Economics is Like Sex** - Jonathan M. Lamb 2018-04-03

Economics has become a taboo topic because is not well understood. As a taboo topic it doesn't get

discussed, and since it is not discussed, it is not understood—what a vicious cycle! Shying away from open discussions about money, budgets, markets, and trade has resulted in many misconceptions. Economics is all around us, and with a little common sense understanding of economic principals, Jonathan M. Lamb changes the way people view the world. Economics is Like Sex advocates that economics isn't a boring subject filled with charts and theories cooked up by some dead guys who lived centuries ago. Economics is about decisions. Decisions that relate to money, life, love, and happiness. Economics is not just for government and business, but is a way of everyday life, and some very simple economic thinking can make life just a little bit less complicated when it comes to money. Money can't buy love or happiness, but Jonathan Lamb opens the taboo topic to provide a common sense understanding of how basic, easy, common sense economic principals can change the way people view the world.

**Delia Bay** - Anastasia Jenkins 2018-09-20

Until the strings on his guitar tied me to him forever. My name is Luna Perry. Could I ever shine bright enough in his eternal darkness to bring him back to me? I was numb. I wasn't living, not really. The world had been wiped from under my feet and the sun had forever set on any future I thought I might have. Who knew that one day the darkness would outshine any light the sun could have given me? My name is Reid Archer. And this is my story.

Whatever was happening had me losing my damn mind. I fumbled with my words. My body wasn't my own. I wanted her . . . desperately. Was I ready to give up my bachelor days, or was this Irish girl simply an itch I needed scratched? *Cowboys & Angels* series: 1. *Lost Love* 2. *Love Profound* 3. *Tempting Love* 4. *Love Again* 5. *Blind Love* 6. *This Love* 7. *Reckless Love*
