

Too Late I Love You

Too Late... I Love You - Kiki Archer 2015-04-04
Too Late... I Love You is the new novel from best-selling, award-winning author Kiki Archer. Connie Parker isn't convinced by this falling in love lark. Falling hurts, you end up with bruises and scars. She has the perfect answer: she'll write about love instead. But what happens when the novel-in-progress describes more about Connie's own dull existence than she wants to admit? And when will she realise that her hero is beginning to resemble her new best friend Maria - a woman who seems to turn every simple outing with their 3-year-olds into a fun-filled adventure for them all? In trying to make sense of the puzzle of her life, Connie learns there is no perfect person. Just that person

who'll fit you perfectly. ""The twists and turns and surprises just keep coming - read it now!"" - Diana Simmonds, Curve Magazine. ""Kiki Archer excels when portraying the behaviour of the human heart. A page-turner written with honesty and warmth."" - Vg Lee, Author and Comedienne.

A Moment Too Late - Rachael Brownell
2021-06-03

Falling in love can happen in the blink of an eye. I fell for Jay the moment I laid eyes on him. Was drawn to him in a way I'd never been drawn to a man before. He was everything I wanted. The man I dreamed about at night and looked for everywhere I turned just for a glimpse of his perfection. But I couldn't have him. It was against

the rules. Forbidden. He was my best friend's boyfriend. I would never do that to her. Then she died. Looking at him became painful, bringing back memories of the reason we couldn't be together. The reason I never pursued him. I had to move on and vowed never to look back in an attempt to escape him and the devastation in my heart. Yet here I stand, five years later, staring into the eyes of the man I still want. In the place I swore I'd never return to. With memories assaulting me from every angle. He's still the picture of perfection in my eyes, making our attraction even more dangerous than it once was. The only difference... No one is standing in our way this time.

Before It's Too Late - Arnold Rosen 2009-09-03

They came from city and countryside and many walks of life. Some were drafted, many enlisted, but the 47 veterans who are profiled in this book, wherever they served and whatever they went on to after their military service, have one noteworthy element in common: they were patriots who put their lives on the line when needed and gave their support in World War II, the Korean War and the Vietnam War. They helped make history, and a future for us all.

Return to Allah before it's too late - Junaid Ul Islam

About the book:- The book, "Return to Allah before it's too late" is a motivational stories based book for the youth. A book which is dedicated towards a cause ie., towards the enlightenment of the youth. As far as the present society is concerned, people especially the youth are more and more attracted towards this materialistic world, without realising or knowingly or unknowingly forgetting the fact that this world is temporary- A bridge between

us and the final abode which is Aakhirah (The Hereafter). Westernisation and Modernization are enormously catching up the brains of youth and therefore, this book emerges as a 'Ray of Hope' and a 'Ray of Light' to enlighten the minds of our people especially the youth and to make them realise the short comings of this world and to give them a message towards goodness, towards The Divine: The Majesty Allah and towards the betterment of this world too. The book explores the limitations of this world and reflects upon how we can raise ourselves beyond our desires by our very own actions. The book will take you on a ride to Rumi's World and Iqbal's Poetry who followed Rumi and won't fail in bringing one to tears whilst the stories it mentions along with the most beautiful and breaking conversation of the heart and the man of the heart. The book leaves almost nothing untouched from Deen (Religion) to Duniyah (World) to make one fall in love with The Creator of this world. A great gift with pearls of wisdom

from the young writer Junaid Ul Islam.

It's Never Too Late for Love - Pat Burns
2020-10-22

Discover how you can manifest the desires of your heart and attract a committed and successful loving relationship. Through the author's heartfelt experiences and wisdom, readers will find hope and inspiration to never give up on their dreams. It is a testament and inspiration to those who may feel that soulmate love has passed them by. The authors demonstrate that love found later in life can have a depth and maturity that is uncommon in younger years. This kind of love takes skill, patience, and a deep inner knowing that is attained through life experience. If you have given up on finding love or feel uninspired in your current relationship, this book will give you hope that the best is yet to come! It's Never Too

Late for Love is an inspirational dialogue between a husband and wife. This journey begins when Pat left her home and family to follow her heart and manifest true love. She took a leap of faith and moved 5,000 miles across the ocean to the beautiful island of Maui, Hawaii. There she met her soulmate and husband, Larry. The book celebrates a couple's love and offers lessons learned along the path of consciousness. Accepting the gift of Love in our lives provides us with many opportunities to grow and evolve. Love is a gift that is available to everyone.

Too Late to Say Loving You - Jiang Liu
2019-12-06

Three years ago, she died for love. Three years later, a marriage, a promise, love before others, joy every night, she just thought she was acting. She had thought that she could ignore him, but when his first love, Little San, came knocking on her door one after another, she found that she could no longer remain calm. When love was like a moth to a flame, she decided to turn her back

on him, but she did not think that the man who betrayed him would once again stand before her. When the past that had been shelved was brought up again, gently and trapping, revenge and counter-revenge, in a maze, how could she clearly see the truth?

Too Soon Old, Too Late Smart - Gordon Livingston Md 2010-07-01

Out of a lifetime of experience psychologist Gordon Livingston has extracted 30 bedrock truths. For everyone who feels a sense of urgency that the clock ticks and we still aren't the person we'd like to be, it offers solace, guidance and hope. From a psychiatrist who has spent the past thirty years listening to other people's most intimate secrets and troubles—an eloquent, incisive, and deeply perceptive book about the things we all share—and which every one of us grapples with as we strive to make the most of the life we have left. After service in Vietnam as a surgeon for the 11th Armored Cavalry Regiment in 1968-69, at the height of

the war—Dr Gordon Livingston returned to the US and began work as a psychiatrist. In that capacity, he has listened to people talk about their lives—what works, what doesn't, and the limitless ways (most of them self-inflicted) that we have found to be unhappy. He is also a parent twice bereaved—in one thirteen-month period, he lost his eldest son to suicide, his youngest to leukaemia. Out of a lifetime of experience, Livingston has extracted thirty bedrock truths: We are what we do. Any relationship is under the control of the person who cares the least. The perfect is the enemy of the good. Only bad things happen quickly. Forgiveness is a form of letting go, but they are not the same thing. The statute of limitations has expired on most of our childhood traumas. 'Gordon Livingston has been through many kinds of hell and come back with wisdom and kindness that are to be revered. To read him is to trust him and to learn, for his life has been touched by fire, and his motives are absolutely pure' - Mark

about his past about his relationship with her late husband. The love that sparks between them swiftly becomes a rollercoaster of dazzling passion and an extremely wild love life, accompanied by fractures of doubt and concerns that slowly come to light. She begins to doubt Mike and tries to keep her distance, but at the same time loves him desperately and needs him by her side. An extraordinary love story spanning two continents, but will Shosh and Mike manage to overcome the abyss that has opened between them?

[Please Forgive Me Before It's Too Late](#) - Cheryle T Ricks 2021-01-03

This book is based on aspects of the author's life. It seeks to encourage readers to forgive and work to repair the relationships in their lives, knowing that people have struggles and sometimes need more help than abandonment. The author also encourages readers to seek the Lord and His direction in the scenarios in each chapter. The author wants to help her own

family heal and others who have been hurt. The author's honesty about her mental health provides an opening to reach readers personally, encouraging their positive responses to the healing and understanding the book can bring. The author has keen insight into relationships and the importance of having God included in those relationships. Each chapter offers advice on how to really assess a relationship with someone and what might be needed in order to restore the connection or move forward with forgiveness and closure. - Xulon Pres This book is a life lesson for many individuals and families. It is a raw, uninhibited account of the writer's personal journey. Life is unscripted and things don't always go the way we would like, and relationships can be harmed or even broken, sometimes by circumstances beyond our control. The question becomes, "How do we view people we are in conflict with?" But more importantly, "How do we see ourselves and the implications of our conduct?" The book also explores the

circumstances that can cause rifts in even the closest relationships. The pain and emotional toll are highlighted and helps to explain why people sometimes do what they do or why they are the way they are. The beginning of the book sets up a backdrop of how one woman struggle and decision to salvage the torn relationships with the people she loves. She sought spiritual guidance to learn how to see others' perspectives and how to start the dialogue to begin the healing process. Second chances can be hard to come by. Therefore, torn relationships are not being reconciled and can affected people for years. But, faith in God and sincere introspective and forgiveness reconciliation can be achieved. The song, "I Need You to Survive" comes to mind, illustrating that life is so much more meaningful and rewarding when you have the right relationship with God and those who matter most to us. - Austin L. Patterson III

Late Have I Loved Thee - Saint Augustine (of

Hippo) 2006-12-05

The first collection of Saint Augustine's varied writings on human and divine love—chosen to reflect his lifelong preoccupation with *ordo amoris*, the principle of rightly directed love. "My weight is my love," Saint Augustine writes in *The Confessions*. He sees our ability to love as disordered by sin, so that we often choose badly what and how to love. Only by recognizing that we are commanded to love God first can any other object of our love be properly ordered, *Late Have I Loved Thee* draws on the riches found in Augustine's sermons, letters, treatises, and Scripture commentaries, as well as passages from *The Confessions* and *City of God*. Augustine (354-430 A.D.) was the most prolific writer of Christian antiquity and the most influential theologian in Church history. In his first encyclical, *God Is Love*, current Pope Benedict XVI acknowledges his indebtedness to him. When we read Augustine today, we encounter the same direct, eloquent passions his original

Yes! I Loved You . . . - Chinmay Sukalika

2015-04-08

Yes! I LoveD You But It Is Too Late is a story about Ankur and Shweta who love each other. As it is said, love has different forms and it is expressed by various people in different

ways. Ankur confesses his love for Shweta after they both get placed in IT companies after their four years of engineering. Shweta, a confident and practical girl, loves him too, but she is not ready to accept the fact that she is falling for him. Though she doesnt say those three magical words, but she intents Ankur many times about her feelings. Ankur gets a new hope every time Shweta says indirectly about her liking him. Ankur is honest and loyal in his feelings. Shweta too was, until their love is put to an ultimate test. In bad times, we both need to stay beside each other firmly and be a strong support and strength for each other is what Ankur thinks. Shweta feels, in bad times, money matters more than emotions. Ankur tries to convince Shweta, but she is firm and adamant on her decision of marrying someone who is stable financially. Shwetass eyes are completely covered by the curtain of practicality. Ankur struggles to convince Shweta, which ultimately makes the situation even worse, ruining everything. But

had that been so easy, today, everyone would have been peacefully happy with the love of their life. Yes! I LoveD You But It Is Too Late is a heartbreaking story of Ankur, who too thinks practically but respects emotions and feelings at first place, unlike Shweta, for whom money matters more. Yes! I Loved You But It Is Too Late will make you laugh, love, hate, and cry to the core.

Never Too Late - Rue Lennox 2023-03-28

The only mistake I made was walking away instead of facing the man whose heart I broke. I ran away from the life I wasn't ready for, and in the process, lost everything I wanted. I tried to move on and failed epically. There's no moving

on from Jake Findlay. Even if he thinks I have. Now that I'm home, I've got to fight my own battles and prove that I'm all grown up. Even if it means letting him in to break me all over again.
