The Mystery Method - Mystery 2007-02-06

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He

developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

How To Pick Up Spanish Girls - Yoonj Kim 2012-02-08

ABOUT THE BOOK España. The country's Spanish name rolls off the tongue so easily, provoking images of a lazy afternoon during siesta as warm breezes gently stir you awake. Upon awakening, you would stroll over to the nearest restaurant on Las Ramblas, Barcelona's most famous street, and sit down for some steaming-hot tapas. As you knock back a glass of wine while waiting for your order, the thought hits you: if only you had a lovely Spanish lady by your side to complete this perfect moment. This book will attempt to

help you find that dark-haired, boisterous woman of your dreams. Playboys and voyeurs, however, beware. Since this guide is written by a girl, respect and good intentions will be requirements on the journey. But if you heed my woman's intuition to the end, with a little bit of luck and the key foreign languages phrases in this book, you will be successful no matter what your aim, be it a first date or long-term relationship. MEET THE AUTHOR Having trudged through four continents and lived in two countries by the age of 21, Yoonj considers herself a citizen of the world. It is through this perspective that she approaches everything in her life, including writing. Having studied journalism and international studies at Northwestern University, she is keen to tell stories of people and events around the world. She has previously written for The Chicago Tribune, The Orange County Register, and dabbled in documentary production at CNN. Her next stop will be e.tv, a television channel in Johannesburg, South Africa, where in her free time she hopes to indulge her other interests of food, drink, and dance. EXCERPT FROM THE BOOK So you're at the club, or cafe, or whatever your social venue of choice is, to meet people. You look around and spy over in the corner a tanned shoulder, dark eyelashes, a beautiful smile. A chica bonita. You're dying to go over and talk to her but you have absolutely no idea what to do, what to say, or even which smile to give her. My advice to you: have no worries. Spanish girls, at least the many I've met through traveling, possess a wonderful combination of qualities: they stay relaxed while being vivacious talkers. All you will need is an interesting fact about yourself, so you're basically covered since by virtue of being a foreigner in Spain (or Mexico, or any other Spanish-speaking country), you're instantly interesting. Use that to your advantage, since one of the best ways to experience a new country is to meet new people. Now all you need to do is straighten your collar, fix that cowlick, and head on over to her armed with these Spanish terms. Buy a copy to keep reading!

The Easiest Way to Meet and Pick Up Girls-Ever!! - Dusty White 2006-07-27

As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight-without having to spend any money. Anyone can do this. You will approach women any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you-and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

How to Pick Up Women - Matthew Manson 2019-08-21

Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself.... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this

journey you will discover: - How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it--and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed,

reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

Letting Go - David R. Hawkins, M.D., Ph.D. 2014-01-15

Letting Go describes a simple and effective means by which to let go of the obstacles to Enlightenment and

become free of negativity. During the many decades of the author's clinical psychiatric practice, the primary aim was to seek the most effective ways to relieve human suffering in all of its many forms. The inner mechanism of surrender was found to be of great practical benefit and is described in this book. Dr Hawkins's previous books focused on advanced states of awareness and Enlightenment. Over the years, thousands of students had asked for a practical technique by which to remove the inner blocks to happiness, love, joy, success, health and, ultimately, Enlightenment. This book provides a mechanism for letting go of those blocks. The mechanism of surrender that Dr Hawkins describes can be done in the midst of everyday life. The book is equally useful for all dimensions of human life: physical health, creativity, financial success, emotional healing, vocational fulfillment, relationships, sexuality and spiritual growth. It is an invaluable resource for all professionals who work in the areas of mental health, psychology, medicine, self-help, addiction recovery and spiritual development.

Night Game: How to Pick Up Women in the Club and Bar - Ricky Ford 2013-05-14

How would you like to be able to go up to a beautiful woman on a night out in a club or bar and pick her up? Get her number, kiss her; and perhaps take her home? Ricky Ford has years of experience in picking up women, especially in night game and would like to share his tips and tricks with all aspiring Pick Up Artists (PUAS) This book concentrates on what 95% of wannabe PUAS are doing wrong in the club and bar and shows you how to approach, connect with and ultimately attract the kind of desirable, high-value women you want in your life. Forget going out and leaving things to chance in night game. Ford explains how you can build attraction in the club and bar and how you too can become a PUA! Example extract: The good thing about night game is that some girls in the club are simply drunk and horny and just looking for sex. They are very easily persuaded and a pickup artist can escalate quickly and you can take them home very easily. You just need to be proactive and confident in your pick up and say something like 'Come on let's get out of here' or 'Let's go and get some fresh air' and literally walk them out of the club. More girls are like this than you think. I've boned a girl in a club toilet before. Had sex with one behind a bin in a city centre as well as having a sex act performed on me in a park on the way home, down an alley and whilst sat on a sofa in a bar. This is the kind of fun you can be having with this type of girl.
