Blood of the Succubus - Duncan McGeary 2018-06-15

Ancient Goddesses, modern Nightmares. When Doug goes hiking with Suzanne in the Cascades, he thinks he's lucked out. She's his dream girl. But that night in the tent, she turns into something else, something out of his nightmares. The Succubus, Eisheth, has many names and shapes, but she's perfected the Manic Pixie Dream Girl, every young man's sexual fantasy. She has left a long trail of bodies behind her. Serena is one of the few mortals who sees through her beguiling persona, tracking the demoness, determined to stop her. She is joined by Doug's friends and finds that, in Cary, she is still capable of love. Rick helps guide them, the last of the Guardians, an ancient order who once guarded the Succubus but fell prey to their enchantment. The Succubus calls on her sisters, the Daughters of Lilith, for help. Once they were Goddesses but into their peaceful valley came men who saw only their beauty and the power of their blood. Imprisoned for millennia, drained of their life giving blood, the Succubus have vowed vengeance upon men, preying on their sexual desires. When these forces converge, love and sex converge in an explosion of violence, as the Succubus and humans confront their true natures. "Blood of the Succubus" combines mythology with modern pop culture--modern dating and ancient fertility rites, a murder mystery and the supernatural. URBAN DICTIONARY: Manic Pixie Dream Girl or MPDG: A pretty, outgoing, whacky female...whose sole purpose is to help broody male characters lighten up and enjoy their lives.

Big Fit Girl - Louise Green 2017-03-18

"Finally—a fitness book for the rest of us! . . . [Big Fit Girl] is sure to usher in a new generation of tough, curvy athletes." —Jessamyn Stanley, author of *Every Body Yoga* In *Big Fit Girl*, Louise Green describes how the fitness industry fails to meet the needs of plus-size women and thus prevents them from improving their health and fitness. By telling her own story of how she stopped dieting, got off the couch, and unleashed her inner athlete—as well as showcasing similar stories from other women—Green inspires other plus-size women to do the same. Green also provides concrete advice, based on the latest research, about how to get started, how to establish a support team, how to choose an activity, what kind of clothing and gear work best for the plus-size athlete, how to set goals, and how to improve one's relationship with food. And she stresses the importance of paying it forward—for it is only by seeing plus-size women in leadership roles that other plus-size women will be motivated to stop trying to lose weight and get fit instead. "Big Fit Girl impressed me tremendously. Green combines compelling storytelling with practical tips—true to what we know about science—in a unique way that will get you moving." —Linda Bacon, PhD, scientist, and author of *Health at Every Size* "Inspiring and empowering." —Taryn Brumfitt, producer and director, founder of the Body Image Movement "I'm thrilled to live in a world where Big Fit Girl will be part of the health section. Thank you Louise—it's time for every person of every size to have access to this information!" —Jes Baker, *The Militant Baker*
