**The Crush** Sandra Brown 2013-08-27 After she unwittingly frees a dangerous contract killer, a surgeon reluctantly joins forces with a tenacious detective obsessed with taking down their enemy at all costs. As a surgeon, Dr. Rennie Newton is the consummate professional. When she's summoned to jury duty, she brings competence and composure to the courtroom -- a skill she learned while performing surgeries. It is this commitment to precision that compels her to deliver a not guilty verdict in the murder case against notorious contract killer Ricky Lozada. It will be the most regrettable decision of her life. When a rival colleague is brutally slain, Lozada's menacing shadow looms over the murder, but the investigators pinpoint Rennie as the prime suspect. Soon, the police begin violating the privacy she has cultivated and protected at all costs. And when Lozada begins an earnest courtship, it becomes terrifyingly clear that he is obsessed with having her. Wick Threadgill is a detective on indefinite leave from the Fort Worth PD with a very personal agenda for the contract killer. Temperamental, bitter, and driven by loyalty and love, Wick is determined to destroy Lozada. In order to defeat him -- and save their own lives -- Rennie and Wick form an uneasy alliance. Mistrustful of each other, they know only one thing with absolute certainty: like one of Lozada's prize scorpions, they won't see it coming when this killer strikes. The Crush will take you on a tortuous path through a twisted sociopath's eerie obsession, a haunted man's fragile hopes for redemption, and a woman's heart as she struggles to face her greatest fear: to open herself to love.

To my crush Brendon Thutso 2019-10-15 This book is a concoction of the poet's thoughts on a person they have an unquenchable crush on. The poet is not a very direct person and uses metaphors, riddles, and many other language tricks to embody what they intend to say. In the poem, "The Dream", the poet talks about watching the earth flood as he sits at the brink of the cumulonimbus, but as he continues through the poem it unravels to the reader that the poet is not talking about the real flood or cumulonimbus, instead the poet uses all those meteorological terms as a way to censor their language. In many other poems like "imagine", the poet expresses their love and admiration for their crush and the things they wish they could do together. contact: brentee01@gmail.com (author)

Acknowledgements Introduction Hello there, if you made it this far into this I just want to thank you for wanting to know more about me. So without further adieu this is the poetry of my life. I have been writing since I was around 14 or 15 years of age, but I have been very vocal about what I want to do with my life and that is writing any and everything. I have had a passion for writing since I was 12 as far as I can remember. Writing will always be my first and last true love in my life. I have seen how much my writing has matured over the years and I am very proud of the pieces you will read throughout this book. I am still writing but the very last poem is my latest piece and I am so grateful for the opportunity to share the world with my talent. Many people will look at this and judge or say these poems are not good and I am okay with that, I know that throughout the obstacles in my life the only thing that kept me sane was my writing and my ability to write and for a while I wasn't writing. I thought I had lost the passion or even worse the gift of being able to write and it took me a minute to know that that wasn't true. I have told my life in more ways than one in my poetry and you will see that as you read them in this book. It took me a long time to find the strength to create this book. I hope you really take in my work and understand me a little more. Thank you for willing to read and understand me through my poetry, this was a long overdue project for me. Can you believe it? Can you believe it? that at 13 I was depressed Can you believe it? that I'm afraid of my past coming back to haunt me Can you believe it? that at 14 I was happy Can you believe it? that my happiness didn't last long Can you believe it? that I turned to pain as a way out Can you believe it? that I turned to music as a way out also Can you believe it? that at 15 I fell in love Can you believe it? that my first love hurt me deeply can you believe that for a brief second I was happy Can you believe it? that I was still turning to pain and music as a way out Can you believe it? that i'm still 15 and I'm still afraid of my past Can you believe it? that I'm now afraid for my future Life and love I once met a girl who at 15 fell in Love with a guy who was 19 they dated for a month and it was the worst month of her life she realized that she was in love but he wasn't when they broke up she was heart broken she kept it all inside she had other boyfriends but she didn't want them she wanted him by the time she was single he found someone new and fell in love again heartbroken she begin to go to pain and music to deal with the heartbreak of losing the one she loves Knowing the unknown What is love? Love is laughing so hard you can't Breathe Love is smiling till it hurts Love is crying till you can't cry no More What is life? Life is tears Life is smiles Life is mistakes and lessons What is me and you? I don't know what you and me is Is it love? is it forever? Is it never? I don't know Do you know what me and you are? Do you know if it is love? if it is Forever? If it is never? do you know? In life there is a sense of the Unknowing You never know what life holds for us So you chose your path in life Love is unknowing You could mistake love for lust Love won't last forever In both love and life There is a sense of the unknowing Can you figure it out Invisible girl invisible girl that's me no one can see me invisible is me invisible girl that's me no one can hear me invisible is me invisible girl that's me the ghost of darkness invisible is me invisible girl that's me proud of it invisible is me invisible girl that's me embracing it invisible is me I am I am pretty smart funny I am an actor a singer a poet I am a writer a painter a song writer I am different human undefined Human Human This one word has a lot to say can it be defined Human It defines anybody who can define it everybody can Human can be a person dead or alive so can it be defined Human it can be defined it defines me I am H.U.M.A.N Dead dreams I have high hopes in my life I want to be an actor some day I have the skills to do a lot of things I have low hopes in my life I do not think I can be a poet or actor some day I do not think I have the skills for that I have no hope in my life I think I am still the indivisible girl I have no hope in my life I have no dreams My dreams are dead Blinded by the past Blinded by the fear. Blinded by the past Chained away from the future Blinded by the pain of the past Blinded by the hate of the past Chained by the fear You can see the future It's in your hands, but the past holds you back Why? Cause you can't let go of the past. Let the past go Let the love in Stop being blind and love him He's worth it. He's earned the key to your heart. Love is Love is A 4 letter word that has no meaning Love is A 4 letter word nobody knows the true meaning of Love is a 4 letter word that lost meaning in the world Love is A 4 letter word that people use to destroy hearts Love is a 4 letter word and nothing more but a 4 letter word My first You are my first friend you are my first crush you are my first boyfriend you are my first love you are my first broken heart you are my first physical scar you are my first emotional scar you are my first you are my last Second chance Cutting her wrists deeper and deeper she is about ready to leave leave this earth and never come back she looks up and she can see god He says it is not your time it is not your time to be with me Her mother beating on her bedroom door Her mom kicks the door down she sees her baby passed out on the floor bleeding she calls 911 She wakes up in a hospital bed She got a second chance A second chance at life Harsh reality Nigga claim he loves me Cares for me Only want me Left so many times Then came right back Talking about he'll never leave again. But turns around and threats to leave How do I live like this? Wanna leave? But I know I'll be right back A vicious cycle I'm stuck in How do I get out of it? Don't know what to do. Tired of this life Trying to figure out what to do Know I love him Know I can't live without How do I live? I can't believe a word he says I can't trust his word Tired of the cycle I'm in Just wanna scream out Just wanna break out of it Don't know how? Don't know what to do anymore. You was the same nigga I stayed up for Same nigga I put up with All the accusations from you All the fights All the name calling I stayed and you go and break my heart Did what you accused me of doing And what makes it worse with an ex of yours. Got me analyzing my body Figuring out the pain I'm feeling Hating myself Feeling so ugly wishing for the dream to be over Sadly it's not a dream, it's a harsh reality. Nobody knows Nobody knows the pain I go through to coop Nobody knows How much blood I see every time Nobody knows why I go through it Nobody knows the pain of my past Nobody knows Why I'm afraid of my past Nobody knows why my future is just as scary as my past Nobody knows And i'm not ready to tell why Loving an old flame Loving and old

flame all over again.... The irony in that My ex bf is my baby... I'll always love him My old love refurbished Into a deeper love Into a deeper connection. Into something stronger and solid Loving him all over again Loving my best friend all over again.... I fall deeper in love everyday All over again He does no wrong I have not hate for anything he does I love everything about him I'm happy again with him Yay I am me I am Not a normal girl I am an undefined girl I am Not a normal girl I am an emo girl I am Not a normal girl I listen to rock music and love it I am Not a normal girl I am just me The voices Voices in my head screaming Voices screaming for help As death comes near the voices get louder Bright lights shining, more voices But maybe it's all In my head No one knows I'm dying No one knows I am here in this position No one cares enough to see Voices in my head screaming out Voices screaming for help As death grows near The voices in my head grow silent. Life flashing before my eyes Wishing that dying was faster Painless, but slow death An inner war Everyday there is a war inside me My heart and my mind fighting My heart screams out louder Than my mind, but there's still war My heart and mind fight everyday My mind can say one thing My heart another Screaming at the top of their lungs at each other And then silence is left As one battle has ended, but the war hasn't It's an everyday battle Between my heart and mind Everytime the battle ends I'm left to decide who's right? My heart or my mind Who I should listen to? My heart or my mind. I somehow mistakenly choose my mind My mind I always seems to listen to My heart always seems to silence or cage it, but never free it. I have a heart caged away. I have a heart screaming to be listened to A heart wanting to be free. There's a war inside me everyday A war I can only stop by freeing my heart from its cage Love, scary? Love, scary? Maybe There's always something to be afraid Love is one Love, hurtful? No, it may seem like it but no It's peaceful to love in caged It's beautiful. Love, scary? Yeah, but it's worth it. Loving someone unconditional and uncaged is worth it Questions Question after question swirl in my mind everyday Question after question form in my head that I am and was to scared to ask you and them Hate fueling up in my body everyday since the day Hate pouring out of me at people that dont deserve it For so long I have been afraid of the dark For so long I have been afraid of you... of myself and how far this razor can go For so long I have been guilty of it all. Question after question make shape in my mind everyday Question after question runs through my mind like a track star everyday Depression is getting stronger and stronger as time goes by Life goes on and time goes on without a care in the world for us humans and our emotions To afraid to speak to you or anyone about the incident To afraid everyday to sleep in the dark every night My fear and hatred and anger and depression takes over and overwhelms me like boulders daily Question after question pushed deeper and deeper into the back of my mind Question after question cloud my mind like a thick fog Long nights and rough mornings get harder and harder to deal with All the booze and drugs in the world don't help clear the fog On a daily basis I look for some type of numbing to just be okay for one night Just in search of one night of bliss and peace..... Just one night Long distance love story I was hurting when you came along I didn't know how it should feel to be loved I tried to be perfect, but no one is perfect We ain't perfect, but the love we share is perfect Our date, I'll never forget Even if I do you will be the to help me remember I get a heart push when your name comes across my phone Still got a crush on you even though you are mine A queen on my throne, next to you my king Wishing everyday to touch your face The distance is killing me Our love with each FaceTime call Asking the man upstairs for a different type of love Took me months to see I had what I was praying for Been through hell and back for someone who didn't want me for years I know if we go through hell, we will reach heaven So far away from each other I need you here I need to know your feelings Sucky ass distance, stronger love I miss sleeping on the phone with you at night Your voice, my Lullaby I can't imagine life without you All I want is you I don't know what I'll do without you my love Probably lose my mind We a secret nonetheless Society would judge us Society would try to destroy us One day we will see each other The distance won't be so bad soon enough Miles apart yet stronger together Sucky ass distance, stronger love Acknowledgements Thank you to everyone that has inspired me throughout my life and was my inspiration behind every piece you just read. **Drowning** Edith Bleue 2009-06 Everyday we're bombarded with news.. With problems.. With life.. It's hard to escape it, but we find a way to do so anyways.. We try and escape our lives.. And we drown ourselves in the world around us.. We drown ourselves in the news.. In celebrity gossip.. In movies.. Books.. Television.. And music.. We often find ourselves relating to the words of a song.. How the lyrics fit our life story.. How that song was written just for us.. And we drown ourselves in that fantasy world.. We drown in other peoples problems and also our own.. But never think of how to fix them, and finally escape... So for those who never had a father.. Or for those who never had a parent.. For those who got their hearts broken.. For those that sacrificed a great love.. For those who fell hard for the wrong person.. For those trying to deal with and get over a tragic heartbreak.. For those trying to figure themselves out.. For just everyday problems and worries.. Drown like I did in having to deal with them and cope with them.. But at the end of the day learn how to move on from them.. And never look back again.. So for now, drown yourself in your thoughts and mine.. Relate your life to mine.. Your problems and mine.. Worry about them.. Deal with them.. Figure those feelings out.. Figure out how to make things better for yourself.. Let all that anger out.. Let that hate and sadness fall out.. Let those hidden feelings come out.. Drown yourself in all of that for now.. But in the end, get that strength to find your own way to save yourself.. And no longer drown.. And to finally move on, and finally get out...

**Crush College** Erik Fogg 2013-10-01 "How to Crush College" is an unorthodox guide to Adding Sleep, Reducing Stress, Double-Majoring, Graduating Early, and Getting Way More Out of the College experience. It's designed to help college students--whether currently struggling or already feeling "on top of things"--to achieve goals once thought impossible by dramatically increasing their effectiveness, eliminating previously-unthinkable amounts of wasted time in their lives, and then re-directing that time towards what's most important. Did you know that 60% of college students don't graduate within 4 years and that 40% don't graduate within six? To make things worse, students everywhere suffer from sleep-deprivation, stress, physical inactivity, and (of course) huge debt that grows with each extra semester. Even at MIT (my alma mater), friends of mine dropped out because they thought they "didn't have what it took." Other friends took 9 or 10 semesters--both miserably and hugely costly for young adults already in mountains of debt. Universally, the cultural norm in the US is that college students are expected to lose sleep and become addicted to caffeine. I think all of the above is unacceptable. My mission with "How to Crush College" is to change this forever, affecting change at the only place its realistic: with students themselves. I want to take college students from treading water to excelling and loving college. A successful, joyous college career should not be reserved for the lucky few. I want to give everyone a surefire way to achieve this. I want to eradicate burnout and restore fun. I want to make college great. The principles, practices, and mindsets that are consistent across the most successful college students are translated into a very clear, simple step-by-step guide designed specifically with the college student in mind. Its early steps focus on the biggest picture, recover the most time, and create early wins that motivate students to keep going and keep making progress. How to Crush College turns wisdom on its head by helping students do more with fewer hours and less guilt. Let's Crush College together!

**Do It Now** Rick Smith 2018-12-09 Why Are You Putting Things Off? Procrastination - You hate it, and it never helps. How come other people seem to get things done? You know what it's like. You've stuff to do but you're finding every possible reason to avoid getting started. You feel trapped, a hostage to procrastination. Time For A Change Procrastination can strike without warning, for many different reasons. Maybe you're a perfectionist? You don't want to start something because you're fearful of your ability to complete it to your own high standards, even though you may have done it - successfully - many times before. Or maybe you feel inadequate or unworthy? You think - usually wrongly - that you're going to fail, so you'd rather not take the risk. Even though you know this is an illogical mind-set. Or is it simply that you hate the things you have to do, so you find any reason to avoid doing them? Until you absolutely have to! Any of these psychological dead-weights will inevitably inflict a drag on your motivation and performance, causing you to look for distractions to avoid starting, even though you know the task is unavoidable. Instead, you prefer to stay in your comfort zone for as long as possible, fiddling around the edges, which usually results in a rushed or sub-standard job, once you're inevitably forced to start. Whatever you've tried before probably hasn't worked, at least not for very long. You Have The Resources, Now Here's The System. **Forever Lies** Kathleen Brooks 2022-01-18 Greer Parker had her life planned out. She'd follow in her father and brothers' FBI footsteps, and then she'd become the first female director. Now on loan to the president's off-the-books black ops group, Greer is at a crossroads in her life—go back to the FBI or forge a new path. The decision is about to become more complicated when the man Greer can't decide if she loves or hates needs to be rescued—and she's the only one who can save him. Sebastian Abel's best friend, the president, asked for a favor. Little did Sebastian know that developing code for a new spy satellite would find him kidnapped. When all hope is lost, he thinks about Greer Parker, the sweet girl next door with a sniper rifle. He had no business thinking of Greer in the many ways he was thinking of her. The trouble was Greer infuriated him by rolling her eyes at him and refusing to keep herself out of danger. Sebastian finds himself constantly worried about a woman he didn't want . . . or was it that he shouldn't want? Explosions, daring rescues, a town racing to help, and all the apple pie bribes lead to two strong personalities ending the charade that it hasn't been love all along. Is the small town of Keeneston ready for what happens when someone puts the woman Sebastian Abel loves in the crosshairs? Or the better question: are they prepared for what Greer Parker will do to protect the man she loves?

**Own Goal** L.A. Witt 2023-09-13 Eight seasons ago, Jarek Badura made the biggest mistake of his career, earning him the nickname "Joke." He's been fighting ever since to prove that season was a fluke, and he's only just started to leave it behind, finally regaining some respect and securing his place as second line center. But his team just made a new acquisition, and suddenly he's linemates with the man who was the unknowing catalyst for his fall from grace all those years ago. After seven long seasons, Hunter Michaud is done carrying his disastrously managed team. An unrestricted free agent, he startles the hockey world by accepting an offer elsewhere, signing with a team that works together and builds on each other's strengths. And it doesn't hurt that one of Hunter's longtime idols is on the roster. He just doesn't realize how much his career is already intertwined with Jarek's. Or how much resentment is waiting for him in Pittsburgh. Or how much chemistry is hiding under the ice between them. Own Goal is a 125,000-word contemporary hockey romance that isn't currently part of a series, but the author doesn't dare declare it a standalone because that's just asking for it. For fans of slow burns, grumpy sunshine, enemies to lovers, and teammates to lovers!

**Sweet Briar Rose** Lena Goldfinch 2018-06-03 "With unexpectedly fresh characters and twists, the imagination is kept on its toes, even while feeling entirely comfortable with the familiarity of the mail-order bride storyline... A great curl-up-on-a-cold-night read, so go grab a copy for yourself!" (USA TODAY on The Unexpected Bride) A delightful historical western romance from the author of The Unexpected Bride. Rose answers a matrimonial advertisement never expecting to fall in love... COLORADO 1880 Rose was once a barefoot dreamer, carving whimsical creatures from the driftwood she found on the beach. However, after the death of her father, Rose finds herself cut adrift. So she answers an advertisement to become the bride of a blacksmith in Sweet Briar, Colorado, bravely leaving behind the coast of Maine and her beloved sandy beaches. Living in the shadow of the Rockies, Emmett Southerland is a bit of a hopeless romantic. He's been eagerly awaiting the arrival of the dark-haired beauty in the photograph he keeps over his heart. However, soon he and Rose find themselves snowed-in during the worst storm Colorado has seen in twenty-five years. This sweet mail-order bride romance loosely reimagines the classic tale of Sleeping Beauty, complete with a satisfying happily-ever-after. A short Christmas novel of approximately 42,000 words. Historical Western Romance Contains no graphic content or swearing. EXCERPT It was eerily quiet now in Emmett's kitchen alone, with just the snapping of the fire. Rose strained to hear the sounds of Emmett and his burly dog, Boston, as they left to go downstairs and outside through the front entrance of Emmett's shop. She heard the creak of the door to the stairwell opening and closing again, and the sounds of them climbing down the stairs. And then nothing. She pictured Emmett lacing his boots and putting on his coat. She pictured Boston too, standing beside him, the long brown plume of his tail swaying, awaiting his own morning ritual. It was impossible to sit still, simply waiting, a sense of foreboding gathering around her. If anything happened to them, she'd well and truly be alone. And then she heard it, the crash of a thousand pounds falling. She didn't know what it was, but she leapt to her feet and scrambled down the stairs after them. On the final step, she stopped. Emmett and Boston stood before the open door. Snow had spilled in around their feet. Thin swirls drifted across the floor and settled. More snow was piled high in the doorway, all the way to the top. Not only snow, a wall of ice. "What happened?" She stood on the last stair, gripping the handrail. Emmett turned his head toward her, as if startled by her voice. He brushed snow from his coat and quickly shut the door against the cold. His leather hat lay on the floor at his feet. It too was covered in snow. "What happened?" she repeated, frightened by the look on his face. His expression was grim. Had he been hurt? She tucked her robe more tightly about her. It felt too thin, not nearly enough to keep her warm. Her teeth began to chatter. "A sheet of ice. Up on the roof. It must have formed overnight. All that icy snow... I just opened the door and it broke free." He said it so matter-of-factly. Despite his grim expression, it didn't seem as if he was nearly as concerned as he should have been. "And it fell in the doorway?" she pressed. At his calm nod, she blurted out, "You could have been crushed--you and Boston." Did he not see that they could have been severely injured, that they could have died? She swallowed and asked, "Are you hurt?" "No, I'm not hurt. And thankfully, Boston didn't push out ahead of me like he usually does." For one brief instant, a sickly expression crossed Emmett's face. He did realize they could have been crushed. That Boston might've been killed if he'd rushed out the door first. Emmett reached down to ruffle the dog's neck fur. Boston simply sat there with his eyes on the door, perhaps waiting for his master to open it again, not understanding they were quite literally snowed in. \*\*\* "I love a good mail-order bride story, and this one delivered!" (HEIDI READS) "Sleeping Beauty with a western twist." (CARISSA'S BOOKSHELF)

**Just a Little Flirt** Renita Pizzitola 2015-03-31 Saying yes has always come easy for Fallon. Now, as Renita Pizzitola's steamy, poignant Crush series continues, winning her dream job means saying no to the guy she wants the most. Between all the parties and random hook-ups, Fallon Carr is this close to flunking out of college. But her internship working with pediatric patients means the world to her—especially since, at the end of the summer, one lucky intern will be offered a paid position. Determined to leave her bad reputation behind, Fallon even takes a bet that she won't sleep with anyone from work. But there's one little catch. . . . Not only is Cade Ryan the hottest guy Fallon has ever laid eyes on, he's a therapy dog handler who volunteers his time to visit kids at the hospital. So when he starts pursuing her, Fallon can't believe her bad timing. The thing is, Cade is different. He's not like the college guys who see her as a one-night stand, or the high-school boyfriend who took a part of her she can never get back. Cade genuinely wants to spend time with her—and not just between the sheets. Fallon won't let her growing feelings for Cade get in the way of her dreams. Besides, no guy can break down the walls she put up long ago. So what's the harm in a little flirting? It's not like she's falling in love. But she may have seriously underestimated how complicated things can get when the perfect guy falls for her first. Praise for Renita Pizzitola's Just a Little Crush "Brinley and Ryder are the perfect combination of sweet and hot. They'll have you pulling for second chances."—USA Today bestselling author
