He's a Rebel - Mark Ribowsky 2000-05-02

Phil Spector created the "wall of sound," produced the Beatles' last record, persuaded the Ramones to go "pop," made the Righteous Brothers sound respectable, and was a millionaire by age 21. His credits include some of the most important and memorable songs of the 1960s: The Ronettes' "Be My Baby," The Crystals' "And Then He Kissed Me," and Ike and Tina Turner's "River Deep, Mountain High." Culled from more than 100 interviews with Spector's closest associates, including staff producers, singers, musicians, and ex-wives, He's a Rebel discusses all stages of Spector's varied musical career, from his first hit, "To Know Him Is To Love Him" (written as a teenager) to his appointment to the Rock and Roll Hall of Fame. In addition to

chronicling his musical achievements and unpredictable genius, the author boldly explores Spector's legendary eccentricities, addictions, and violent, reclusive tendencies. He's a Rebel offers a definitive, unflinching portrait of Phil Spector, the producer who transformed the airwaves and forever impacted the sound of popular music.

True Love Never Fails - R. Senior 2021-03-23

"You say you've never been in love And never want to be; Someday you will change your mind Or live a life

of misery. Fishes and fowl, the wise old owl. The birds and bees, all fool around. And when Casanova holds you close one night; Your love will come tumbling down.”

Hold What You've Got: The Joe Tex Story - Jason Martinko 2018-12-05

In the history of American soul music, perhaps no other artist has been more overlooked than Joe Tex. During the golden age of soul music in the 1960's, Tex was not only a tremendous singer and dancer, but he wrote many hit songs, including his own four biggest hit records. This book follows his early days in Texas, his success and struggles on the road, his 25-year recording career, his life-long rivalry with James Brown, his conversion to the Muslim faith, and his triumphant return to show business. Joe Tex is one of the most dynamic and talented artists in the history of American music. Here is his story. Rare photographs and discography included.

Gene Vincent - Derek Henderson 2005

Give My Poor Heart Ease - William Ferris 2009-11-01

Throughout the 1960s and 1970s, folklorist William Ferris toured his home state of Mississippi, documenting the voices of African Americans as they spoke about and performed the diverse musical traditions that form the authentic roots of the blues. Now, *Give My Poor Heart Ease* puts front and center a searing selection of the artistically and emotionally rich voices from this invaluable documentary record. Illustrated with Ferris's photographs of the musicians and their communities and including a CD of original music, the book features more than twenty interviews relating frank, dramatic, and engaging narratives about black life and blues music in the heart of the American South. Here are the stories of artists who have long memories and speak eloquently about their lives, blues musicians who represent a wide range of musical traditions--from one-strand instruments, bottle-blowing, and banjo to spirituals, hymns, and prison work chants. Celebrities such as B. B. King and Willie Dixon, along with performers known best in their neighborhoods, express the full range of human and artistic experience--joyful and gritty, raw and painful. In an autobiographical introduction, Ferris reflects on how he fell in love with the vibrant musical culture that was all around him but was considered off limits to a white Mississippian during a troubled era. This magnificent volume illuminates blues music, the broader African American experience, and indeed the history and culture of America itself.

Black Sabbath: UK Vinyl Discography 1970-1980 - Neil Priddey

Willie Dixon - Mitsutoshi Inaba 2011

Examines the work and career of Willie Dixon, singer, songwriter, musician, arranger, and producer, from his work on the Chicago blues in the 1940s through the early 1970s.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Graphic Showbiz - Adwoa Serwaa Bonsu 2010-02-04

To Love A Woman or Butterflies, butterflies, butterflies... - Fire

Natalie had to live most of her life under her mothers controlling and influence, except for a brief term at the University which was full of new experiences. She now lives through a tepid marriage with her husband Pet in an upscale suburban neighborhood on a round, boring street. All that comes to an end when Victoria moves in to the neighborhood. Victoria is a beautiful, sophisticated and a wealthy mother of two who is now in a relationship with a jealous and protective man, once her best friend. Victoria's presence starts shaking up Natalie's suburban flat-linings and really stirs up foreign feelings in side her. Gradually her fleeting crush develops into something much deeper and more profound, which leads the two women to abandon everything they have come to know and accept for a love and passion so strong that it will change them both to the core.

Pure Moments: Poems and short stories from a woman's heart - Cheryl Bippus 2017-11-07

Pure Moments is a book of just that. Moments in life that I don't want to forget or experiences that God spoke to me through over the years. Sometimes, I would sense the Holy Spirit telling me to write in the middle of the night. The words would come and I knew it wasn't me. However, it usually had to do with something I was going through at the time; things like motherhood, parenting, grieving, and marriage. These words would just flow onto the paper. I pray these poems remind us of how special moments can be. Whether it is in good times or bad, God will always be there for us. They may be words you want to pass on or express; however, didn't know how. Words that will encourage you in your journey. It's those moments in life that are precious. We just need to take the time to notice and capture them. God will bring us through, bless us with beauty, give us wisdom, or comfort us when we need it. For the joyful moments that come that we want to remember or the times when you need to know someone else felt that way too. May these poems bless you and speak to your heart as they did mine. God bless you.

To E Or Not to E - Lynn Tolliver 2000

The B.B. King Reader - Richard Kostelanetz 2005

B.B. King is a national treasure. For more than five decades, he has been the consummate blues performer. His unique guitar playing, powerful vocals, and repertoire of songs have taken him from tiny Itta Bena, Mississippi, to worldwide renown. In this comprehensive volume, the best articles, interviews and reviews about B.B. King's life and career have been gathered. Learn how he first made his mark as a disc jockey in Memphis hawking "Pepticon" elixir and taking the moniker of the "Beale Street Blues Boy"; trace his early tours and recordings; see him be swept up in the blues revival; and finally, enjoy his fame as the greatest living exponent of the blues style.

Winning at the Game of Wife - James T. Horning 2015-12-01

Take your relationship to the next level by creating an environment where love and passion thrive—from the coauthor of *Cracking the Code to Marital Bliss*. Ever wonder what happily married couples do that miserable couples don't? How things might be different if your wife thought of you as a ROCK STAR husband? Whether you've been married for three years or thirty, the formula for making magic happen in your relationship is the same. Author James T. Horning knows what a woman wants and how filling her needs on her terms fuels her passion, desire and attraction for her man. His uncommon and often disruptive insights into the dynamics between the sexes are unabashedly poignant and profoundly on target. *Winning at the Game of Wife* reveals the secret sauce for transforming what you have into an rewarding, adventurous, and passionate experience. If that doesn't sound like your marriage, you just aren't doing it right. What does a woman want anyway? How do I bring sex back into our marriage? Where did the passion go and how do I get it back? How can I take infidelity and divorce off the table? If you've ever asked any of these questions, *Winning at the Game of Wife* will initiate you into an exclusive club of men who know what a woman wants and how giving that to her will make her want and adore you like never before.

I Love You Baby - Jonathan Hall 2011-08-01

I Love You Baby sets out to show parents how they can meet the emotional needs of their children, so that they will become happy and well balanced adults. Since adults also have emotional needs, parents are shown how to meet them for one another, so that their relationship will endure until the nurturing of their children is completed. Adult relationships and the rearing of children are based on love and so the book explains the differences between romantic love between parents and the love between parents and their children. Most parents take care of their children's physical needs very adequately, especially when they are babies and those needs are simple; being fed, kept warm and dry. It is in the area of emotional support that they often fail them, such as providing affirmation, addressing problems and imposing proper discipline. Inadequate parenting is a consequence of parents having virtually no knowledge of how good parenting is

achieved because nobody ever told them how it should be done, and they did not learn about it from their own parents. For, unlike other jobs, there is no training and no exam to pass before one becomes a 'qualified' parent. This book provides all the information parents will ever need to have a solid partnership and achieve a good standard of parenting. It also encourages prospective mums and dads to face the reality of what can go wrong because of a lack of knowledge. It is written by an author who has spent many years working with voluntary organisations to help troubled adults work through childhood traumas, that, in turn,

led Jonathan to devise a course in psychology for parents...which has become I Love You Baby.

Negro Folk Music U.S.A. - Harold Courlander 1992-01-01

Noted folklorist focuses on the origins and musical qualities of simple cries and calls to anthems and spirituals, ballads and the blues. Includes authentic versions of over 40 folk songs. Valuable bibliography and discography.
