How to DAD - Jordan Watson 2016-10-26

How to DAD wrote a book?! Well I scribbled some stuff down and some other people were crazy enough to publish it so I'll take it! I'm known for making silly viral parenting videos on things like 'How to get a baby to clean the house' or 'How to travel with a baby' and I've put my Dad skills on paper. OK they might not be 'skills' - but the Dad 'stuff' in this book might just help you in your quest to master the art of Dadding. Dadding? Is that a thing...? Well you'll have to buy this book to find out. NAILED IT! Back of book bit - Done.

Speaking My Mind - Ronald Reagan 2004-08

The most important speeches of America's "Great Communicator": Here, in his own words, is the record of Ronald Reagan's remarkable political career and historic eight-year presidency.

**Pundamentalist** - Gary Delaney 2022-09-29

'For a collection of good old-fashioned gags, it's one of the best out there, a rich buffet of inventive wordplay that's best savoured a little at a time to fully appreciate the joy of these perfectly-constructed morsels. For original, hilarious gags you'll want to share, this is the real deal.' - Chortle 'A rollicking joyride. . . Pundamentalist has puns for the whole family: rude ones, daft ones, deft ones, stinkers and absolute belters.' - British Comedy Guide Gary Delaney, one-liner extraordinaire, has appeared on shows like Mock the Week and written for the likes of Jimmy Carr, Jason Manford, and James Corden. Now, for the first time, comes the first collection of his finest jokes. Featuring the likes of: Garden centres can't reopen fast enough for me, I've been living on borrowed thyme. We can't even afford a garden, so when my girlfriend bought us a trampoline I hit the roof. Sure everyone cares about straws killing dolphins now, but they've been breaking camels' backs for years. Genius is 1% inspiration and 99% perspiration, which explains why Prince Andrew is so stupid. Sad news: The British simile champion has died. We shall not see his like again. My mom doesn't trust my dad's secretary. I asked her why, and she just said 'I've seen her type before'. Today someone told me that I look good with a salt 'n' pepper beard, so I took that as a condiment. My French pen friend just said 'Le Monde', which means the world to me. Can anyone tell me what FOMO stands for? Everyone else seems to know. Actors have got Equity, Magicians have got the Magic Circle, but it's a shame ventriloquists don't have anyone to speak for them. Does anyone know if it's safe to dye your pubes? It's a bit of a grey area. And make sure you look out for Gary's next book, about Stockholm Syndrome: it starts off badly but by the end you'll really enjoy it . . .

*The Ginormous Book of Dirty Jokes* - Rudy A. Swale 2008-05-28

THE BIGGEST, BADDEST, BADASSEST BOOK OF LEWD, CRUDE AND FUNNY-AS-#\$!+ JOKES •What did the two lesbian frogs say to each other? We do taste like chicken! •What does a blonde put behind her ears to make her more attractive? Her ankles. •The journalist asked the politician, "Your assistant said publicly that you have a small penis. Would you like to comment?" "Yes, I would," said the politician. "The truth is my assistant has a big mouth." •A guy walks in on his wife having sex with another man and says, "what the hell are you two doing?" His wife turns to her lover and says, "I told you he was stupid." •How do you get a nun pregnant? Dress her up as an altar boy. If you think no joke is too raw as long as it's funny—this is the book for you! This massive collection of laugh-out-loud and totally politically incorrect jokes is sure to have you and your friends rolling in hysterics.

**Egghead** - Bo Burnham 2013-10-03

Sometimes funny, sometimes serious, mostly absurd collection of poetry and essays from rising comedy star Bo Burnham. Bo Burnham was a teenager living in his parents' attic in Massachusetts when he started posting funny songs to YouTube. They immediately turned heads with their wise satire that belied his very young age. His videos have now been viewed over 209 million times, and he has amassed a gigantic online following that excitedly await each new video. Bo is revered in all comedy circles for being a wholly original, highly intelligent young voice. Judd Apatow was an early champion of the young comedian, and Bo taped his first Comedy Central special at age 18, the youngest in history. His comedy/song albums were huge critical and commercial successes. Written in his very distinctive comedic voice, EGGHEAD: OR, YOU CAN'T SURVIVE ON IDEAS ALONE brings Bo's award-winning brand of brainy

word play to the page in the form of off-kilter writings, thoughts, and poems. Collaborating with longtime friend, artist and illustrator Chance Bone, Bo writes about everything from painful breakups to bald barbers, in a collection that makes the reader laugh, but like his stand-up and music, also displays surprisingly mature insights. With one text piece and one original black & white illustration per page, this book will appeal to Bo's already established fans as well as those new to his genius.

**How to American** - Jimmy O. Yang 2018-03-13

Standup comic, actor and fan favorite from HBO's Silicon Valley and the film Crazy Rich Asians shares his memoir of growing up as a Chinese immigrant in California and making it in Hollywood. "I turned down a job in finance to pursue a career in stand-up comedy. My dad thought I was crazy. But I figured it was better to disappoint my parents for a few years than to disappoint myself for the rest of my life. I had to disappoint them in order to pursue what I loved. That was the only way to have my Chinese turnip cake and eat an American apple pie too." Jimmy O. Yang is a standup comedian, film and TV actor and fan favorite as the character Jian Yang from the popular HBO series Silicon Valley. In How to American, he shares his story of growing up as a Chinese immigrant who pursued a Hollywood career against the wishes of his parents: Yang arrived in Los Angeles from Hong Kong at age 13, learned English by watching BET RapCity for three hours a day, and worked as a strip club DJ while pursuing his comedy career. He chronicles a near deportation episode during a college trip Tijuana to finally becoming a proud US citizen ten years later. Featuring those and many other hilarious stories, while sharing some hard-earned lessons, How to American mocks stereotypes while offering tongue in cheek advice on pursuing the American dreams of fame, fortune, and strippers.

*Comedy Sex God* - Pete Holmes 2019-05-14

Part autobiography, part philosophical inquiry, and part spiritual quest, Comedy Sex God is a hilarious, profound, and enlightening romp around the fertile mind of stand-up stand-out, podcast king, and HBO superstar Pete Holmes. Pete Holmes is a sold-out-every-night stand-up comedian with two HBO specials and the host of the hugely successful podcast You Made It Weird, and he was the creator-star of the hit HBO show Crashing. But it wasn't always roses for Pete. Growing up, Pete was raised an evangelical Christian, but his religion taught him that being "bad"—smoking, drinking, having doubts or premarital sex—would get him sent to an eternity in hell. So, terrified of the God he loved, Pete devoted his life to being "good," even marrying his first girlfriend at the age of twenty-two only to discover a few years later he was being cheated on. Thanks for nothing, God. Pete's failed attempt at a picture-perfect life forced him to reexamine his beliefs, but neither atheism, nor Christianity, nor copious bottles of Yellow Tail led him to enlightenment. Pete longed for a model of faith that served him and his newfound uncertainties about the universe, so he embarked on a soul-seeking journey that continues to this day. Through encounters with mind-altering substances, honing his craft in front of thousands of his comedy fans, and spending time with savants like Ram Dass, Pete forged a new life—both spiritually and personally. Beautifully written and often completely hilarious—imagine Dass's Be Here Now if penned by one of the funniest people alive—Comedy Sex God reveals a man at the top of his game and a seeker in search of the deeper meanings of life, love, and comedy.

**Race Wars** - Brad Gosse 2021-04-23

Today is the day of the very big race. White car, black car and yellow car too. Who will win the race wars? If you only knew.

**That Joke Isn't Funny Anymore** - Lou Perez 2022-09-06

The Woke—that humorless, joyless, shame-inducing virus—are killing comedy...and that is great for comedians! So argues award-winning comedian Lou Perez in his hilarious and provocative book debut, That Joke Isn't Funny Anymore. Through the lens of comedy, Lou examines anti-racism, sex, gender, cancel culture, and all the modern-day sacred cows that have been propped up in recent years. An equal-opportunity offender, nothing is safe from his mockery. Lou punches up, he punches down—he's throwing haymakers in every direction! This book is a cancellable offense—but worth the risk. It's time to fight back: to create, to celebrate, and most importantly, to laugh. These are amazing times, in no small part thanks to the Woke gift to comedy. Plus, reading That Joke

Isn't Funny Anymore will take care of your diversity reading quota. Lou has the results from his DNA test to prove it.

**Dad, How Do I?** - Rob Kenney 2021-05-18

From the host of the YouTube channel that went viral—Dad, How Do I?—comes a book that's part memoir/part inspiration/part DIY. Rob Kenney's father left him and his seven siblings when he was fourteen years old, and the youngest had to fend for themselves. He wished that he had someone who could teach him the basics—how to tie a tie, jump-start a car, unclog a drain, use tools properly—as well as succeed in life. But he and his siblings had to figure these things out on their own. Now a father himself, Rob decided that he would help people out by providing how-to tips as well as advice—and even throw in some bad dad jokes. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope. In addition, he provides 50 practical DIY instructions (30 of which will be unique to the book), illustrated with helpful line drawings.

**Unmasking the Sexual Offender** - Veronique N. Valliere 2022-12-30

This book unmasks the sexual offender by providing clear, comprehensible information about the motivations, techniques, and dynamics of sexual offenders and their behavior. It not only explores the biases and myths that the reader may rely upon to understand deviance but also explains pathways to offending, the distorted thinking and relating that offenders engage in, and the ways offenders manipulate and exploit others. Sexual offenders are surrounded by mythology, fascination, and revulsion. People who commit sexual offenses present difficult and complicated issues interpersonally, as well as in treatment and management; denial, victim-blaming, aggression, and blatant chronic deception are inherent in interactions with them. Unfortunately, the failure to truly understand their motives and techniques helps provide excuses for and further camouflage of their deviance. The first part of the text explores the presumptions commonly adopted about sexual offenders and shows how misinformation supports the inappropriate behavior of the sexual offender. The second section focuses on exposing the sexual offender using straightforward language and tangible examples. A final, third section includes safety and management strategies for dealing with sex offenders for those both inside and outside the realms of law enforcement and offender supervision. This book is intended for anyone interested in learning about sexual offenders. It is useful for both professionals and non-professionals, including students, paralegals, victim advocates, and others involved in the criminal justice system or mental health field.

**The Nerdy Nummies Cookbook** - Rosanna Pansino 2015-11-03

A cookbook based on the author's fondness of geek culture and baking.

**Internet Comedy Television Series, 1997-2015** - Vincent Terrace 2016-01-29

Created around the world and available only on the web, Internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fourth in a series covering Internet TV, this book takes a comprehensive look at 1,121 comedy series produced exclusively for online audiences. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

**Laugh Your Way to a Better Marriage** - Mark Gungor 2009-03-03

By using his unique blend of humor and tell-it-like-it-is honesty, he helps couples get along and have fun doing it.

**Zizek's Jokes** - Slavoj Žižek 2018-02-23

Žižek as comedian: jokes in the service of philosophy. "A serious and good philosophical work could be written consisting entirely of jokes."—Ludwig Wittgenstein The good news is that this book offers an entertaining but enlightening compilation of Žižekisms. Unlike any other book by Slavoj Žižek, this compact arrangement of jokes culled from his writings provides an index to certain philosophical, political, and sexual themes that preoccupy him. Žižek's Jokes contains the set-ups and punch lines—as well as the offenses and insults—that Žižek is famous for, all in less than 200 pages. So what's the bad news? There is no bad news. There's just the inimitable Slavoj Žižek, disguised as an impossibly erudite, politically incorrect uncle, beginning a sentence, "There is an old Jewish joke, loved by Derrida..." For Žižek, jokes are amusing stories that offer a shortcut to philosophical insight. He illustrates the logic of the Hegelian triad, for example, with three variations of the "Not tonight,

dear, I have a headache" classic: first the wife claims a migraine; then the husband does; then the wife exclaims, "Darling, I have a terrible migraine, so let's have some sex to refresh me!" A punch line about a beer bottle provides a Lacanian lesson about one signifier. And a "truly obscene" version of the famous "aristocrats" joke has the family offering a short course in Hegelian thought rather than a display of unspeakables. Žižek's Jokes contains every joke cited, paraphrased, or narrated in Žižek's work in English (including some in unpublished manuscripts), including different versions of the same joke that make different points in different contexts. The larger point being that comedy is central to Žižek's seriousness.

**Planet Funny** - Ken Jennings 2019-07-09

A Kirkus Reviews Best Book of the Year The witty and exuberant New York Times bestselling author and record-setting Jeopardy! champion Ken Jennings relays the history of humor in "lively, insightful, and crawling with goofy factlings," (Maria Semple, author of Where'd You Go Bernadette)—from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes. Where once society's most coveted trait might have been strength or intelligence or honor, today, in a clear sign of evolution sliding off the trails, it is being funny. Yes, funniness. Consider: Super Bowl commercials don't try to sell you anymore; they try to make you laugh. Airline safety tutorials—those terrifying laminated cards about the possibilities of fire, explosion, depressurization, and drowning—have been replaced by joke-filled videos with multimillion-dollar budgets and dance routines. Thanks to social media, we now have a whole Twitterverse of amateur comedians riffing around the world at all hours of the day—and many of them even get popular enough online to go pro and take over TV. In his "smartly structured, soundly argued, and yes—pretty darn funny" (Booklist, starred review) Planet Funny, Ken Jennings explores this brave new comedic world and what it means—or doesn't—to be funny in it now. Tracing the evolution of humor from the caveman days to the bawdy middle-class antics of Chaucer to Monty Python's game-changing silliness to the fast-paced meta-humor of The Simpsons, Jennings explains how we built our humor-saturated modern age, where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship. "Fascinating, entertaining and—I'm being dead serious here—important" (A.J. Jacobs, author of The Year of Living Biblically), Planet Funny is a full taxonomy of what spawned and defines the modern sense of humor.

**Die Laughing** - William Novak 2016-10-25

From the co-creator of the celebrated Big Book of Jewish Humor comes a laugh-out-loud collection of jokes about growing older that makes fun of memory loss, marriages, medicine, sex, the afterlife, and much more, making this the perfect gift for almost anyone who was born before you were. Growing older can be unsettling and surprising. (How on earth did this happen? Where did the years go?) So what better way to deal with this new stage of life than to laugh about your new reality? Die Laughing includes more than enough jokes (not to mention cartoons!) to let that laughter burst out. Whether it's dealing with doctors, dating in one's seventies, or unexpected bodily changes (not to mention funny noises), some things are easier to face with a smile of recognition. That's why Die Laughing is the perfect gift for your parents, anyone celebrating a significant birthday, or any boomer with a sense of humor whose age begins with a six or higher.

**Let There Be Laughter** - Michael Krasny 2016-09-27

From the host of NPR affiliate's Forum with Michael Krasny, a compendium of Jewish jokes that packs the punches with hilarious riff after riff and also offers a window into Jewish culture. Michael Krasny has been telling Jewish jokes since his bar mitzvah, and it's been said that he knows more of them than anyone on the planet. He certainly states his case in this wise, enlightening, and hilarious book that not only collects the best of Jewish humor passed down from generation to generation, but explains the cultural expressions and anxieties behind the laughs. "What's Jewish Alzheimer's?" "You forget everything but the grudges." "You must be so proud. Your daughter is the President of the United States!" "Yes. But her brother is a doctor!" "Isn't Jewish humor masochistic?" "No. And if I hear that one more time I am going to kill myself." With his background as a scholar and public-radio host, Krasny delves deeply into the themes, topics, and form of Jewish humor: chauvinism undercut by irony and self-mockery, the fear of losing cultural identity through assimilation, the importance of vocal inflection in joke-telling, and calls to communal memory, including the use of Yiddish. Borrowing from traditional humor and such Jewish comedy legends as Jackie Mason, Mel Brooks, and Joan Rivers, Larry David,

Sarah Silverman, Jerry Seinfeld and Amy Schumer, Let There Be Laughter is an absolute pleasure for the chosen and goyim alike.

**I Hate Myselfie** - Shane Dawson 2015-03-10

A collection of 20 original, unstinting essays by the young YouTube vlogger and creator of Not Cool shares intimate insights into his personal life, highlighting moments from his childhood, his rise on YouTube and his experiences as a filmmaker. Original.

*What Happened Was* - Jethro 2003-05-19

Laugh 'til it hurts, as Jethro reveals all in his hilarious live show. Jethro reveals all in his hilarious live show. Laugh 'til it hurts as Cornwall's best-loved comic takes a look at life -- as only he can! Discover the meaning of twernt't and find out what happened when Jethro's pal, Denzil Penberthy, popped into the clock shop! Featuring Jethro at his belly laugh best -- performing live -- plus a collection of cracking sketches, this is one portion of West Country wit you won't want to miss.
