Their whole life together has been a series of miracles. Can they really hope for more? After overcoming a crisis in their marriage, Abby and John Reynolds are experiencing a season of joy and restoration. For the first time in years

they're making time to enjoy life and embrace each other. And John loves his coaching job . . . at least he did until high-school politics make him wonder if it's time to quit. As they wrestle with that situation, something greater rocks their world. A car accident causes Abby and John to suddenly face a future they never imagined—all because of one teen's thoughtlessness. Fumbling for forgiveness and hoping for a miracle, they must remember what is important and cling to that above all else. God is moving mightily in their lives . . . if they can just hold on to Him and each other. Temporary Kings - Anthony Powell 2011-01-11

'He is, as Proust was before him, the great literary chronicler of his culture in his time.' GUARDIAN 'A Dance to the Music of Time' is universally acknowledged as one of the great works of English literature. Reissued now in this definitive edition, it stands ready to delight and entrance a new generation of

readers. In the eleventh volume in the series, Nick Jenkins, persuaded by his old friend Mark Members, attends a literary conference in Venice. Trapnel, also finds herself the centre of attention, as the mystery around the writer continues to draw ghoulish interest from readers and academics alike. Faithful - Stewart O'Nan
2011-12-30

Stephen King and Stewart O'Nan, lifelong Boston Red Sox addicts, chronicle the 2004 baseball season from spring training to the last dramatic

game, in their dramatic World Series-winning season. Who better to follow the fortunes of a 'cursed' team like the Boston Red Sox than two renowned horror writers and lifelong Red Sox addicts? Red Sox fans have seen it all since 1918... except that elusive World Championship. The memory of 2003's devastating ALCS Game 7 loss and the anticipation of new ace Curt Schilling's impact made this season that much more compelling. Stephen King and Stewart O'Nan joined the rest of the Red Sox Nation to cheer on the Olde Town Team, with the eternal hope that this might be their year. On 27th October 2004, the Red Sox finally prevailed, taking an unassailable 4-0 lead over the St. Louis Cardinals in the best of seven World Series. Stephen King and Stewart O'Nan's email correspondence about the dramatic and ultimately heartbreaking 2003 season inspired the idea for FAITHFUL, a book that records the Sox's 2004 baseball season from start to spectacular finish.

When news that the annual, employee, Labor Day party in the Hamptons will still be held, Angela tries to bail out. However, her best friend and coworker, Autumn, convinces her otherwise. Turns out that, while attempting to enjoy the elite Hampton nightlife with her coworkers, she meets a much-younger, tall, dark, and sexy man who offers her an escape for the long weekend. The Starless Sea - Erin

Morgenstern 2020-08-04

NATIONAL BESTSELLER •

From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of

lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances,

sister Ashley, who has recently returned from Paris, a single mom with a son she too often leaves with their parents. At the same time, Ashley and their sister Brooke have lost the faith that is the family's glue. Against all this, Kari sees Ashley rejecting her longtime love, Landon Blake, who clearly cares for her, no matter what happened in Paris. When the storm reaches a terrifying crescendo, a shocking moment of danger brings important truths to light. At the end of the long day, can the Baxters remain a family, tested but stronger?

endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary

author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.
