When Ashes Fall - Marni Mann 2019-01-13
AN AMAZON PICK FOR BEST BOOK OF THE MONTH "When Ashes Fall is a tautly written, complex, and emotionally-charged love story that takes the reader on an unforgettable, unexpected, and deeply moving journey." —USA Today It's been said that you can't love two men at the same time. You can't split your heart, soul, and body in half. But I'm here to tell you, you can. Dylan Cole is like ice, sharp and unpredictable, the thunder inside a tumultuous storm. Smith Reid is warmth, soft and gentle, perfect like a sunny day. Both are mine. But I can have only one. There are two sides to this tale. I'm here to tell you mine. If you think this story is about a cheater, you couldn't be more wrong.

Frustrated, the creatures put the couple through one last trial—and this time it's not only their love that's in danger of being destroyed. From the Ashes - Marion Kummerow 2021-03-21
Inspired by true historical events, From the Ashes is the unforgettable story of a tortured man, torn between his ideals, the iron fist of Stalinism and the woman he loves. Marlene has no love lost for the Soviet occupying forces, who turn out to be every bit as cruel as the Nazis

were. Living in constant fear of the Russian soldiers, she works in a hospital to make ends meet, where she meets Werner, a cold-hearted career politician. Werner, a German émigré to Moscow, returns to his hometown with the highest hopes for a better future. Sent by the communist party to bring freedom, wealth and happiness to the people, he's soon caught in a moral conflict between loyalty to his party and his conscience. When Marlene criticizes the socialist German regime, she becomes the target of powerful men. Oblivious to the danger for her own life, she refused to back down, and there's only one thing Werner can do to save her life: defy the party line. But will he be able to shed decades of indoctrination for the woman he loves? And what will become of him if he does? Because those who speak up against the regime, usually find themselves on a train to Siberia or worse. World War II is over, but another battle has just begun... From the bestselling author of the 'War Girls Series' comes this nail-biting story about Berlin sliding into the Cold War.

Aurora - Aourora Yazar 2022-10-05

"Based on the journey of a girl being abused since the age of 5 and a highly attractive, stunning boy hunting for a true story to share with the world" Story of a .."Girl rose from the ashes of her hopes and dreams with every new dawn each day". And of a "boy, fell in love with the girl so intensely that he couldn't rise above the feelings for her, with each passing moment he is losing his breath to meet her, to see her once again, trying to turn every opposite situation to make her fall in love with him"... What will you do when you lose every single one that was closer to you? "They say time never leaves a debt, that it balances things, if time has taken something it gives something in return", but, what if there was no balance, all you have lost is your joy, peace and your very happiness and vanity and all you got is just pain and miseries. How would you feel to be held on with a hope that someday the time will do justice to you but comes at an edge of life, still waiting for that change to happen, that justice to happen? That is what Rose from the Story held with her. All her life she accepted what she got, if not happily then by being ferocious, but she accepted all her situations and rose again and again from her ashes of hopes and dreams. She is still hoping, that someday time will heal her wounds and will do justice to her and balance her life, though she hasn't left much time in her life. All she has is courage and vanity as her property which is worth not losing for any fear or doubt, as per her. "Pain, lately pain is acquainted in me, moreover it is might a vice versa. Getting hurt constantly by people you trust the most, from the life you love the most. Sometimes I wonder what is more hurting, my life or people. Since girlhood, I have found myself between pain, emptiness, and reckless people in search of happiness and love and care.

Tried to escape from my world but got tangled more and more and more. It's been 20 years nonetheless pain is still there; it's growing in my veins like love. For others, it's love that grows in their veins though for me it's pain, prior I was acquainted with pain and now the pain has become the only love of my life. Being in relations with people and getting hurt again and again later being in a relationship with pain is far better. This pain is my souvenir, merely my talisman, that doesn't bring good luck but doesn't let reckless things too. I am so tangled in my pain, sorrow and heartbreaks that I am afraid if I fall for love, care and happiness, I'd fall so irrevocably that it will consume me and I fear that once I cease to be a novelty, this love, care and people might tire of me. If I have to be happy, I'd have to live in between the untrusted people, I'd have to live a lie and, I won't only lose my happiness but I am frightened It's my very peace of mind that I will lose, and serenity, trepidation and pain are the only property I have left with at this stage of my life... Love... Aurora" Young Boy's temptation levelled up, even after he found this letter; and when he saw her, he got lost in her beauty in her weeping yet most powerful and mysterious eyes, as per his words; But he got puzzled comprehending that the girl he has fallen for, has some other perspective coming from the letter he found, fallen out from her bag and after having conversations with her. what conversation took place between them?... what will happen next?... will they end together or will part their ways in different directions?...

When these three come together again, the world will change.

Playing for the Ashes - Elizabeth George 1994 "The story begins with my father, actually, and the fact that I'm the one who's answerable for his death. It was not my first crime, as you will see, but it is the one my mother couldn't forgive." In her astonishing New York Times bestseller, acclaimed author Elizabeth George reveals the even darker truth behind this startling confession. Playing for the Ashes is a rich tale of passion, murder and love in which Inspector Thomas Lynley and Detective Sergeant Barbara Havers once again find themselves embroiled in a case where nothing--and no one--is really what it seems. Intense, suspenseful and brilliantly written, Playing for the Ashes will make readers "search out the sleuthing pair's first six adventures...a treasure," as Cosmopolitan predicted in their review.
