Being Fat - Jenny Ellison 2020-03-26

It is okay to be fat. This is the basic premise of fat activism, a social movement that has existed in Canada since the early 1970s. This book focuses on the earliest strands of the Canadian movement, which emerged around 1977 and ended around 1997 with the emergence of defiant performance artists Pretty, Porky, and Pissed Off. This twenty-year window loosely correlates with the rise of "second-wave" feminist organizing and thinking in the country. Fat activists were wrestling with issues other feminists of the era were debating: femininity, sexuality, and health. While united by the idea that it is okay to be fat, the movement has taken many different forms. Fat "activism" and the "movement" encompassed a variety of activities. It included groups that held regular meetings and published newsletters, organized events, and elected an executive. Being Fat explores activities like fashion design, self-help groups, plus-size modelling, and dance under the umbrella of fat activism, undertaken in the name of empowering fat women. Together, these activities show that self-identified fat women took up feminist ideas of liberation and applied them to their lives. Their personal experiences became the basis of a powerful movement to challenge beauty and bodily norms.

Coffee Pit Bulls and Sweatpants - Juditha Books 2018-08-30

Pit Bull Lovers Journal This pit pull notebook is the perfect size for journaling. Great gift idea for women that like nothing better than hanging out at home with a cup of coffee and their pittie. Perfect for writing down thoughts, hopes and dreams and is a great gift idea for any mom of this popular dog breed.

Get Real! Fighting the Mythic Woman Finding Your Authentic Self - Ananya S. Rajan 2012-01-07

Get Real! is a book for all women, from all walks of life. It's basic premise is that women are more than just the roles they play. However the myths and messages passed on to us by our families, the institutions we are involved in, and society often restrict us from thinking for ourselves, finding out who we are, and, in turn, living a more fulfilling life. By maintaining certain standards for women, society continues to promote the perfect woman, otherwise known as the Mythic Woman and unknowingly we follow the Mythic Woman pattern because we know nothing else. This book offers a new way to look at the lives we live and the messages we follow. It also provides insightful exercises to help women start their journey toward discovering their authentic self.

I'll Be There (But I'll Be Wearing Sweatpants) Workbook - Amy Weatherly 2022-03-01

The perfect "sister" to the long-awaited book, I'll Be There (But I'll Be Wearing Sweatpants) from Sister, I Am With You founders, Amy Weatherly and Jess Johnston—this official workbook addresses the value of authentic friendships and helps you develop them. Many women today

feel trapped in an epidemic of loneliness. But it shouldn't feel like this...and it doesn't have to! You can stand beside those who encourage you, lift you up, see you, and remind you that you aren't alone in this crazy, messy, rollercoaster life (and you can do the same for others). This workbook provides the practical steps on how to get there. Inside these pages, you'll apply the thirteen most common obstacles to true connection and discover actionable steps to solve each one. With hilariously relatable vulnerability, Amy Weatherly and Jess Johnston offer an easy-to-follow road map to reach the kind of lasting friendships we all desperately need. Amy and Jess show us how to: Break free from unhealthy habits and insecurities that distance us from others. Find the confidence to live freely without fear of rejection. Intentionally pursue friendships in everyday life and all sorts of situations. The I'll Be There (But I'll Be Wearing Sweatpants) Workbook is designed specifically to be used while reading the main book. It's structured to provide ample space for notetaking and jotting down your insights and ah-ha! moments.

The Least Among Us: The Lives of Homeless Women in Springfield, Illinois - James Traveler 2021-05-19

The Least Among Us: The Lives of Homeless Women in Springfield, Illinois By: James Traveler In The Least Among Us, James Traveler shares the stories of six homeless women in order "to inject compassion into the numb consciences of those who would write them off." The featured stories are based on interviews with homeless women living on the streets of Springfield, Illinois. The author provides a platform for these women to tell their personal stories while offering a look into "a day in the life of a homeless woman." While this work will appeal to those in sociology or social work, there are vital lessons in empathy to be learned by everyone. The book contains an introduction by Dr. Kay Young McChesney, an Associate Professor of Social Work at the University of Illinois at Springfield. From the Book: After her coffee arrived, I asked Alicia my last question. "You've told me more than once that what you'd really like is for someone to offer you a job. But what about your deepest desires. If you were an architect and could design the life of your dreams, what would it be like?" "I'm still in a time of life where I'm seeking out a man," she said. "I'm still in the game. I still try to be enticing. I want to let my special guy know that I'm still a lady. Right now, I might not look it, but underneath, that's what I am. "I may not have anything material to offer a guy, but I do have ideas, information, and know-how. I can run a household and hold a job to help with the bills. I'd like to have a garden and grow things for our table. And I know how to love. "If I had a guy, I'd make him happy. I'd listen to him, pay attention, understand him, and I'd be patient. If he respected me, I'd respect him and help him prosper." I asked Alicia what she meant by "prosper." "If I loved a guy," she said, "everything he did, everything we did together, would work out and bear fruit."

In the City of Shy Hunters - Tom Spanbauer 2007-12-01

A young gay man comes of age amid the AIDs epidemic of "an expertly

drawn, starkly authentic, early-1980s Manhattan" in this novel by the acclaimed author (Publishers Weekly). Shy, afflicted with a stutter, and struggling with his sexuality, Will Parker comes to New York to escape his provincial western hometown. In New York, he finds himself surrounded for the first time by people who understand and celebrate his quirks and flaws. He also begins an unforgettable love affair with a volatile, six-foot-five African American drag queen and performance artist named Rose. But even as he is falling in love with Rose and growing into himself, Will must watch as AIDS escalates from a rumor into a devastating tragedy. When a vicious riot erupts in a local park, Will seizes the chance to repay the city for all it has taught him. Tom Spanbauer is the critically acclaimed author of *The Man Who Fell in Love with the Moon* and founder of the successful workshop Dangerous Writing, where he's taught students including Chuck Palahniuk. With *In the City of Shy Hunters*, he offers a "rich and colorful" historical novel told with "raw power" (San Francisco Chronicle). "Spanbauer's genius resides even in the asides . . . teas[ing] out the genuine complexity of human love." —The Washington Post Book World "Ambitious and compelling . . . a mixture of the ghastly, the hilarious, and the curiously touching." —The Seattle Times "In the City of Shy Hunters has the earmarks of a literary landmark . . . Its importance and originality are unmistakable." —The Baltimore Sun "A big ambitious stylefest of a novel." —Village Voice

Sweatpants Season - Danielle Allen 2018

"He has a big...smile. It was the first thing I noticed that day until he stood. His grey sweatpants hung off his hips and I didn't want to look. I really didn't. I'm a feminist. I don't believe in objectifying men. I don't catcall men. I don't ogle the bodies of men. I don't view men as objects of my affection rather than complex people with feelings, wants, and needs of their own. I don't treat men the way society often treats women. I treat men the way I want to be treated as a woman—with respect! So, when Carlos ran into me while I was reviewing my interview questions in the park, it surprised me to see my photography classmate out of context. I was also surprised to see as much of him as I did. It wasn't just that it caught my eye. It was the fact that it held my attention. It wasn't just that it was large. It was the fact that it was visibly large. It wasn't just that it was Carlos Richmond. It was the fact that I am Akila Bishara. And I am not seduced by anything other than intelligent conversation, witty rapport, and meaningful actions. I am not seduced by a dick print. I am not. Seriously, I'm not."--page [4] of cover.

I'll Be There (But I'll Be Wearing Sweatpants) - Amy Weatherly 2022-01-25

Is it just me? Am I the only one who's lonely? Am I the only one without friends? If you've ever asked yourself these questions, Amy Weatherly and Jess Johnston, founders of the widely popular "Sister, I Am with You," are raising their hands to say, "Yeah, us too." And they want to encourage, equip, and reassure you that you have what it takes to build the kind of friendships you want. *I'll Be There (But I'll Be Wearing Sweatpants)* provides you with the how of cultivating deep relationships in this messy, chaotic, beautiful life. Through Amy and Jess's wisdom, humor, and confessional stories about the ups and downs of sisterhood, you'll learn how to admit you need friends—then go out and find them, dismantle the lies you've believed about friendship, love yourself so you can find people who will love you for you, be a good friend even though you can't be a perfect one, and heal from a friend breakup—and find the courage to try again. It's time you felt completely accepted as you are—from the top of your messy bun to the tips of your unpedicured toes. Let's start making friendships a priority—together.

The Discount Merchandiser - 1989

Getting Wrecked - Kimberly Sue 2019

"Getting Wrecked provides a rich ethnographic account of women battling addiction as they cycle through jail, prison, and community treatment programs in Massachusetts. Since incarceration has become a predominant American social policy for managing the problem of drug use, including the opioid epidemic, this book examines how prisons and jails have attempted concurrent programs of punishment and treatment to deal with inmates struggling with a diagnosis of substance use disorder. An addiction physician and a medical anthropologist, Kimberly Sue powerfully illustrates the impacts of incarceration on women's lives as they seek well-being and better health while confronting lives marked by structural violence, gender inequity, and ongoing trauma"--Provided by publisher.

Sweatpants Season - Danielle Allen 2018-07-26

He has a big...smile. It was the first thing I noticed that day until he stood. His grey sweatpants hung off his hips and I didn't want to look. I really didn't. I'm a feminist. Does This Ponytail Make My Butt Look Big? - *Style and Beauty for Every Woman* - Dana Lam 2011-12

"You should dress everyday as if you may run into the love of your life that broke your heart." We are everyday women that wanted an everyday solution to the mess we called our closets. We quickly realized that 99.95678% of women cannot identify with the high fashion stylists of the world. While fabulous, we can't spend \$900 per designer sock you know? Reality sunk in and we wanted to inspire the everyday woman to get off the couch, dust off her cheese puff stained sweatpants and make some changes to her wardrobe (and her life...shhh...) Women, we get it...life is hard. You have stress coming at you from every angle; don't let one of those stresses be your appearance. We have developed "Five Weeks to Fabulous" - it's a five week no-fail plan to take your appearance from drab to fab. DoesThisPonytailMakeMyButtLookBig.com
