Blood Stone - Tracy Cooper-Posey 2012-08-01

Nial orders Calum Garrett to get close to Hollywood producer Kate Lindenstream. Garrett reluctantly complies for he has held himself apart from humans for centuries. Kate doesn't fall into Garrett's arms, either. She already has someone for that. Roman Xerus -- whom Kate knows as Adrian -- and Garrett go way back to the sixteenth century Scottish highlands, but they parted bitterly two hundred years ago. With Roman's support, Kate battles Garrett in wills and business as he methodically forces himself into her life. However, on the closed-in movie set in the Californian desert, Garrett's calm, orderly world crumbles for Garrett is drawn to Kate. He has begins to experience real, human feelings. Kate doesn't cooperate in the chess game Nial orchestrates, despite being unaware of the strategies swirling around her film set. Demanding and expecting only the best for her movie, Kate's agenda forces Roman and Garrett to work together to protect her and keep the humans around her ignorant of the Pro Libertatus, the anonymous and all-powerful vampire group who nearly killed Nial, Sebastian and Winter, and shield Kate from the excesses of the League for Humanity. But could Roman really be with the Pro Libertatus? There's hidden intentions everywhere, and centuries of repressed feelings, along with at least two different groups that mean them harm. Then there's the rumours that Kate has found the mythical Blood Stone, the key to unlocking vampire history and lifting their curse. Who is Kate, really? Because once Garrett begins to notice, things about Kate don't quite add up, either... BLOOD STONE is the second book in the Blood Stone series BLOOD STONE is the sequel to BLOOD KNOT. It is a Plus-sized Novel. WARNING: This book contains two hot, sexy alpha heroes, frequent, explicit and frank sex scenes and sexual language. It includes heart-stopping sexual scenes between the aforementioned sexy heroes, menage scenes, anal sex and the use of sex toys. Don't proceed beyond this point if hot love scenes offend you. No vampires were harmed in the making of this novel.

Spies of the Balkans - Alan Furst 2014-06-19

Salonika, 1940. To the bustle of tavernas and the smell of hashish, a secret war is taking shape. In the backrooms of barbers, envelopes change hands, and in the Club de Salonique the air is thick with whispers. Costa Zannis is the city's dashing chief detective - a man with contacts high and low, in the Balkans and beyond. And as unknown ships and British 'travel writers' trickle through the port, he is a man very much in demand. Having helped defeat Italy in the highlands of Macedonia, Zannis returns to a city holding its breath. Mussolini's forces have retreated - for now - but German sights are fixed firmly on the region. And as the situation in Germany worsens, Zannis becomes involved in an audacious plot - smuggling Jews to Istanbul, through the back door of Europe. The British hear he can penetrate the continent's

closed borders, and soon Zannis is embroiled in the resistance, and in a reckless love affair that could jeopardise everything. With a remarkable cast of operatives, SPIES OF THE BALKANS is a brilliant espionage novel from Alan Furst.

Nature Embodied - Anthony Corbeill 2018-06-05

Bodily gesture. A Roman worshipper spins in a circle in front of a temple. Faced with death, a Roman woman tears her hair and beats her breasts. Enthusiastic spectators at a gladiatorial event gesticulate with thumbs. Examining the tantalizing glimpses of ancient bodies offered by surviving Roman sculptures, paintings, and literary texts, Anthony Corbeill analyzes the role of gesture in medical and religious ritual, in the gladiatorial arena, in mourning practice, in aristocratic competition of the late Republic, and in the court of the emperor Tiberius. Adopting approaches from anthropology, gender studies, and ecological theory, Nature Embodied offers both a series of case studies and an overarching narrative of the role and meanings of gesture in ancient Rome. Arguing that bodily movement grew out of the relationship between Romans and their natural, social, and spiritual environment, the book explores the ways in which an originally harmonious relationship between nature and the body was manipulated as Rome became socially and politically complex. By the time that Tacitus was writing about the reign of Tiberius, the emergence of a new political order had prompted an increasingly inscrutable equation between truth and the body--and something vital in the once harmonizing relationship between bodies and the world beyond them had been lost. Nature Embodied makes an important contribution to an expanding field of research by offering a new theoretical model for the study of gesture in classical times.

3rd Degree - James Patterson 2011-04-28

Detective Lindsay Boxer is jogging along a beautiful San Francisco street as a ferocious blast rips through the neighbourhood. A townhouse owned by an internet magnate explodes into flames, three people die and a sinister note signed 'August Spies' is found at the scene. A wave of violence is sweeping through the city - and it seems that whoever is behind it is intent on killing someone every three days. Even more terrifying, the four friends who call themselves the Women's Murder Club discover that the killer has targeted one of them. And Lindsay learns that a member of the club is hiding a secret so dangerous and unbelievable that it could destroy them all.

A Strange and Stubborn Endurance - Foz Meadows 2022-07-26

"Many a reader longing for a sense of homecoming in the realm of romantic fantasy will find it in A Strange and Stubborn Endurance."—Jacqueline Carey "Stolen me? As soon to say a caged bird can be stolen by the sky." Velasin vin Aaro never planned to marry at all, let alone a girl from neighboring Tithena. When an ugly confrontation

reveals his preference for men, Vel fears he's ruined the diplomatic union before it can even begin. But while his family is ready to disown him, the Tithenai envoy has a different solution: for Vel to marry his former intended's brother instead. Caethari Aeduria always knew he might end up in a political marriage, but his sudden betrothal to a man from Ralia, where such relationships are forbidden, comes as a shock. With an unknown faction willing to kill to end their new alliance, Vel and Cae have no choice but to trust each other. Survival is one thing, but love—as both will learn—is quite another. Byzantine politics, lush sexual energy, and a queer love story that is by turns sweet and sultry, Foz Meadows' *A Strange and Stubborn Endurance* is an exploration of gender, identity, and self-worth. It is a book that will live in your heart long after you turn the last page. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sashenka - Simon Sebag Montefiore 2009

In the best-selling tradition of 'Dr Zhivago' and 'The Island', this is an epic story of revolution, passion and betrayal - and one woman whose extraordinary secret lies uncovered for half a century.

Faithful Traitor - Samantha Wilcoxson 2016-06-03

Margaret Pole is no stranger to fortune's wheel. From her childhood as firstborn of the heir apparent of England, she was brought low as the daughter of a traitor. After years of turmoil as the Tudor dynasty made

its roots, Margaret finds favor with her cousin, King Henry VIII. Will the remnant of the York dynasty thrive under this tempestuous king or will Margaret discover that there is a price to pay for having an excess of royal blood? Step into Tudor England....

Romani Armada - Tracy Cooper-Posey 2013-09

What goes around, comes around, including love. Justin Edward Kelly, vampire and Chronologic Touring Agency member, hates time traveling and prefers to pretend he's human. Deonne Rinaldi is human and arm-twisted the Agency into the deal of a life-time: They make her a vampire if she pulls off the PR campaign of her career and make humans like vampires. Everyone was stunned when the mismatched pair became lovers, including Deonne and Justin and neither of them will admit even to themselves how well the relationship works. While Deonne is tucked away in history to protect her from Gabriel's psi-file army ravages, Justin gets a time-delayed letter from her telling him their affair is over. She is in love with Adan Xavier Santiago, a Romani vampire from ancient Spain who will turn her. Despite the massive dangers screwing with time this way can cause, Justin travels back to China to confront Deonne, but when he arrives there is no Adan and Deonne knows nothing about the letter. Justin, not used to time traveling, figures he's averted a personal disaster until Deonne meets a sexy Spaniard who introduces himself as Adan.... **WARNING:** This book contains two hot, sexy alpha heroes, frequent, explicit and frank sex scenes and sexual language. Theodora - Stella Duffy 2011-01-20

Justinian took a wife: and the manner she was born and bred, and wedded to this man, tore up the Roman Empire by the very roots' Procopius Charming, charismatic, heroic - Theodora of Constantinople rose from nothing to become the most powerful woman in the history of Byzantine Rome. In Stella Duffy's breathtaking new novel, she comes to life again - a fascinating, controversial and seductive woman. Some called her a saint. Others were not so kind... When her father is killed, the young Theodora is forced into near slavery to survive. But just as she learns to control her body as a dancer, and for the men who can afford her, so she is determined to shape a very different fate for herself. From the vibrant streets and erotic stage shows of sixth century Constantinople to the holy desert retreats of Alexandria, Theodora is an extraordinary imaginative achievement from one of our finest writers.

The Kingdoms - Natasha Pulley 2022-02-17

Come home, if you remember The postcard has been held at the sorting office for ninety-one years, waiting to be delivered to Joe Tournier. On the front is a lighthouse - Eilean Mor, in the Outer Hebrides. Joe has never left England, never even left London. He is a British slave, one of thousands throughout the French Empire. He has a job, a wife, a baby daughter. But he also has flashes of a life he cannot remember and of a world that never existed - a world where English is spoken in England, and not French. And now he has a postcard of a lighthouse built just six months ago, that was first written nearly one hundred years ago, by a stranger who seems to know him very well. Joe's journey to unravel the truth will take him from French-occupied London to a remote Scottish island, and back through time itself as he battles for his life - and for a very different future.

Nayara Ybarra and Ryan Deasmhumhain are the most powerful vampires known to humans in the 23rd century. They lead the Chronometric Preservation Agency, welded together yet divided by grief that won't heal, their lives on hold. Vampires have lived apart from humans in the two hundred years since Nayara and Ryan jumped back in time and killed their lover, Salathiel, to halt the time wave that was destroying humanity and vampires. Now, Cael Stelios, Worlds Assembly member, intends to make humans like vampires any way he can. He knows the vampires must become allies. Their unique strengths and abilities will help humans in the coming battle against the raging psi and their psychotic leader, Gabriel. While he wages his political and social campaign he hides his true ambitions—to win Nayara and Ryan for himself. But despite being politically powerful, rich, smart and sexually potent, Stelios has a overwhelming disadvantage—he's human. "No" is not a word he accepts without a fight, however. The psi-filers and Gabriel have plans, though, that will make fighting very real and bloody indeed...
