Come Dance with Me Through Words of Thoughts - Kaltrina Ventimiglia 2014-12-11

Live life through the truth inside you. Don't let shadows of challenge take away the light that you are born with it. Use your kindness that sleeps inside your heart, sun, moon, stars, and rain, because these are part of you. Remember ... life begins by loving your soul. Most of my poems are spiritual, and some of them may sound like a message, but they all have one purpose: Readers should find themselves somewhere inside those lines and be able to see their own emotions, or be able to understand others. This way they can share, because in life we are supposed to learn from each other's experiences, without any reservations or judgment. We live in such a fast pace that we don't have time anymore to think about the simple and basic things of life. In this book, I have some poems that remind us that we need to stop for a moment and look around us, so we can stay in touch with ourselves. From time to time it's good to get away from everything. Just grab this book to try to slow down time for ourselves. Reading poems is like healing your soul. You never know when somebody else's emotion can open doors for your own soul to reach for. And that's why I want my readers to be able to read the poems with a smile on their face and say, "Yes, I'm ready for my next day" and "I see a good one is coming tomorrow."

'What is love for you?', Ish asked. That something, she always wanted to ask and know. She was expecting some wonderful words just like Krish has definitions of other things. It's magic and he is absolutely right. 'And magic is not possible without magician', eyes of Krish went on Ish. Krish smiled at her and her heart beats boost up with Krish's breath. Is he talking about me that what came to her mind when he looked at me. 'And who are magicians?', Ish asked. 'Girls', Krish replied. It's a story of four crazy girls of Mumbai Ish, Pal, Rachchu and Gudi who study in Dance College and have a dream to open dance academy. Also it is about a friend and crush of Ish, Krish - corner boy. Can Ish create magic in life of Krish? Can Ish become magician for Krish? Let's know it.
