2022 HOROSCOPE Magical Days - astrology and predictions Artemisia, Mirzia My Dear Readers, you will surely be curious to know what your 2022 will be like. First of all, I thank you for choosing me as your "lucky charm" and I wish to tell you that like every year, now there are 9, the formula has not changed, but I have expanded it so much with new contents to make our "Horoscope- Magical Days" also an astrology book, so you will be lucky enough to have 2 books for the price of 1! Astrology blends with the horoscope, as in a perfect couple dance, to give you useful information to put your potential to good use and improve your new year so much as to make it more fortunate. I will suggest you, with the help of the Stars, sometimes with irony, not to bore you, the best moments of each month of 2022 to get what you want. I chose the e-Book formula to have the privilege of always being with you! I don't want to be forgotten in a drawer, but to be useful to you every day. This year I decided to expand, always with a pinch of irony, the sector of love, a topic that appeals to all ages, by adding a chapter on couple affinities. Love always gives us that indefinable extra something that allows us to see only the good things in life. But what is "Luck"? It is being in the right place at the right time, a meeting with a person who changes our lives for the better, knowing how to seize opportunities, but also that inexplicable something that improves our existence even economically, an aspect that is certainly not negligible as Marilyn Monroe and Woody Allen said: "They say that money does not make happiness, but if I weep rather do it in the back seat of a Rolls Royce rather than on a car of the Underground" Marylin M. "Money doesn't give happiness, but it provides a similar feeling which requires a very advanced specialist to verify the difference" Woody A. And now my Dear Friends, I just have to thank you and list all the topics covered Sign by Sign. I wish you from my heart Happy New Year!!!

The F*ckhead Guide to Astrology Fckhead 2005-05 The F*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you).In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.

Lilith: The Power of the Woman's Spirit in the Age of Aquarius Ed Russo 2014-08-06 Embrace the darkness for there you will find the light. We all have been told in this patriarchal system that to look for salvation is to look upward and outward to a god or gods to worship. We are not here to worship, but to look inside ourselves and embrace who we are and grow to our full potential. Inanna is the archetypical Goddess of love and war. Her descent into the Underworld is a reflection of our journey of going inward to face our true nature. When we fight this, we then are at war with nature. Lilith is Inanna's handmaiden as we ourselves can also become partners with Inanna. Realizing who we are we then embrace the balance with the female archetype with the male archetype which will bring us wholeness as women become stronger and men and women come to love themselves. This new perspective is what is taken place as we enter into the Age of Aquarius.
