Down and Inside - Rebecca Moen 2012-05

Naive, small-town Minnesota-raised Becky is fresh out of a tiny Lutheran college when she somehow manages to snag a prime internship with the Sioux Falls Canaries. The bright lights and the big dreams soon run foul, though, as Becky soon learns that working for the Canaries is not as glamorous as it seems. The team is made up of veteran ball players with injuries, drug issues, and attitude problems—with some players only lasting weeks before being replaced. Still, there is innocent, old-fashioned fun to be had in the minor leagues, and Becky is ready to take it all in. The days are filled with mingled scents of grass, hotdogs, and things that are sweet and fried, like mini-doughnuts—and the sun-soaked fans. Becky passes the time with leisurely lunches, drinks with the “Courtesy

Crew,” games of catch in the office, and the “celebrity life” of signing autographs for little kids that think she's somebody because of the Canaries shirt she wears. In *Down and Inside*, author Rebecca Moen tells her “mostly true” stories of the highs and lows with the Canaries, in a hilariously honest voice. And, like her alter-ego Becky, you may never look at baseball, men, or the world at large in the same way, again.

[Your Special Gift](#) - Carol McCormick 2012-01-09

Having “the talk” can sometimes be an awkward experience for both parent and child. Even so, I didn't want to wait until my children's hormones kicked in, and I didn't want to be caught off guard when they had questions, but most of all, I didn't want them growing up with misconceptions concerning sex. I wanted my

Down And Inside The Mostly True Story Of A Girls Life In

children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren't good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in *Your Special Gift*, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. *Your Special Gift* is well-suited for children in the 8-to-12 year-old range.

Billion Dollar Girl - Megan Shull 2022-09-13
"LUMINOUS and FULL OF HEART, this book is a

STUNNING GEM." —Meg Cabot, #1 New York Times best-selling author of the *Princess Diaries* and *Airhead* series From the bestselling author behind Disney's *The Swap* comes a profoundly moving novel about one girl's unforgettable journey to discover that life's true jackpot might not be what it seems. Full of joy and moxie, *Billion Dollar Girl* grabs hold and won't let go. River Ryland is the girl everyone wants to be around. But this brave 13-year-old has a secret that's getting harder and harder to hide: she lives mostly alone in a ramshackle, single-wide trailer with a mom who drops in and out of her life. After a visit from Social Services goes horribly wrong, longing for security, River sets off on the run. Soon, a case of mistaken identity gives River a chance to live a life that she had never even dreamed. But, when her newfound safety is shattered, River discovers, against all odds—one in 307 million, to be exact—that life's true jackpot isn't anything that it seems. A

Down And Inside The Mostly True Story Of A Girls Life In

simultaneously heart-wrenching and exhilarating exploration of what we value, suspenseful and wise, Billion Dollar Girl is a deeply-felt reminder that we are inexplicably intertwined; a hopeful story of our times.

American Childhood - 1951
Includes music (mostly songs with piano accompaniment).
Minor Detail - Adania Shibli
2020-05-19

From a young Palestinian writer comes this compelling look at the Israel/Palestine conflict, from both the perspective of an Israeli soldier in 1949 as well as that of a young Palestinian woman.

Lord of the Flies - William Golding
2012-09-20

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into

The Minors something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

The Suite Life - Suzanne Corso
2013-09-10

From the author of *A Brooklyn Story* and one of USA TODAY's celebrated "New Voices of 2011," comes a new novel which exposes the over-the-top

Down And Inside The Mostly True Story Of A Girls Life In

The Minors

~~decadence—and corruption—of spontaneous weekend~~
Wall Street's elite. Hailed as one of USA Today's New Voices for her 2011 literary debut, Brooklyn Story, Suzanne Corso brings back the "true female voice" (The New York Times) of aspiring author Samantha Bonti in this breathtaking companion novel. IT WAS THE DECADE OF BIG MONEY, BIG RISKS, BIG HAIR, AND BIG DREAMS . . . AND THERE WAS ONLY ONE BIG CITY WHERE IT COULD ALL HAPPEN

Growing up in Brooklyn, Samantha Bonti knew the writer's life she was meant to live waited across the bridge in Manhattan. Summoning the courage to break free from an abusive mobster boyfriend, Sam finally leaves Bensonhurst and begins her new life, working as a temp in a Wall Street brokerage firm. Quickly, she's swept off her feet by Wall Street player Alec DeMarco, a man of boundless energy, appetites, desires, and the wealth to indulge it all. In a whirlwind courtship, Alec showers Sam with exquisite gifts, the city's finest cuisine,

getaways, and, most of all, the love and security a girl from an unstable Brooklyn upbringing craves. But when the party's over—when Alec's high-flying career turns litigious and the big money is left on the table—will love be enough to sustain them? With her dream of publishing her novel still very much alive, Sam can't back down now; she must choose the life that's most true to who she really is inside.

The Slightly True Story of Cedar B. Hartley - Martine Murray 2002-02-01

Cedar hangs out on the edges of the neighbourhood social circuit with Stinky, her dog and best friend. Things start to change when she meets a boy called Kite and finds they have a lot in common - both have single parents, both are loners with colourful inner lives, both like beanies, dogs and acrobatics. Together they form a circus troupe and put on a dazzling performance that helps to unite their inner-city community. Along the way, Cedar gains some

Down And Inside The Mostly True Story Of A Girls Life In

understanding of her missing brother, her hard-working mother, her less-than-perfect father - and herself. More reviews: 'vibrates with authenticity', School Library Journal, USA 'Cedar's witty, wry voice will seduce even the most cynical', Bulletin with Newsweek

Choosing Books for

Children - Betsy Gould Hearne 2000

Presents a tool for choosing books for children of all ages. This title offers practical guidance on sorting through the bewildering array of picture books, pop-up books, books for beginning readers, young adult titles, classics, poetry, folktales, and factual books.

Entanglement: a True Story

- Claire Thomas 2014-01-21
If you think having the devil snapping at your heels is scary, its nothing compared to finding Gods calm presence at your back every time you stop to draw breath in your race to escape particularly for a determined agnostic like Claire. Indeed, His presence is

The Minors

so unnerving and unwelcome that its not until her world crumbles to ashes that she finds the courage to stop running and turn toward Him. Moderately psychic and a most earthbound mystic, Claire has heard the voice of Thomas from the days of earliest childhood, but has worked tirelessly for most of her adult life to shut it out or shout it down until she made that fateful decision. Entanglement is the result of that choice. It describes the pain of surviving the traumatic deaths of four beloved people, finding the courage to walk away from abuse and oppression, and facing the fear of being utterly alone in the world. It also explains how confronting fear, accepting loss, and embracing the unknown and the mystical can create a life of enormous joy and enrichment. It focuses on how having the courage to stay in the not-knowing can be gloriously life-affirming and on how human life on earth is vastly more mysterious than most of us dare to imagine.

The Girl in the Basement - Ray

Down And Inside The Mostly True Story Of A Girls Life In

The Minors

Garton 2022-07-31

A terrifying tale from a Bram Stoker Award-nominated author who "has consistently created some of the best horror ever set to print" (Cemetery Dance). Foster care is like Russian roulette, says fifteen-year-old Ryan Kettering, who's spent most of his young life in largely abusive homes.

Sometimes the hammer clicks and you're fine. Sometimes it's a bullet to the brain. This time it seems the hammer has clicked. Living with the Prestons in a rambling two-story house in Shasta County, the chores are split between Ryan and five other foster kids. Not counting nine-year-old Maddy. Not much is expected of her. She stays in the basement. The other children don't know much about Maddy. But what they do know, they don't like. She's just not right. She speaks in a strange, gravelly adult voice. Maybe Ryan can make a difference. Spend time with her. Get acquainted. He understands what it means to be lonely. That's when he decides to do

what no other child in the house dares: Ryan's going down to the basement. From the author of *Live Girls* and *The Loveliest Dead*, a recipient of the World Horror Convention's Grand Master Award, this is a chilling story of supernatural terror.

The Diary of A Young Girl (Deluxe Hardbound Edition)

- Anne Frank 2022-12-06

A thirteen-year-old Jewish girl and her family abandoned their house in Amsterdam and went into hiding in 1942, when Nazis occupied Holland. They and another family stayed cloistered in the "Secret Annex" of an old office building for the next two years, until their whereabouts were revealed to the Gestapo. They suffered starvation, boredom, the daily cruelties of living in tight quarters, and the ever-present prospect of discovery and death because they were cut off from the outside world. Anne Frank kept a diary throughout this time, recording vivid recollections of her events. Her story is a fascinating meditation on

Down And Inside The Mostly True Story Of A Girls Life In

human tenacity and weakness, as well as a riveting self-portrait of a sensitive and vibrant young woman whose promising future was sadly cut short.

Using Children's Literature in Math and Science - 1997

[The Publishers' Trade List Annual - 1882](#)

Terror in the Arctic -

Bjarnhild Tulloch 2011

Terror in the Arctic the story of Bjarnhild, who was 5 when the war started, as she tried to make sense of the change to her family life. As the war escalated, conflicts in her family deepened. Her oldest sister fell in love with a German officer and bore his children. The tale mixes the bleak and horrific with humour and humanity, tragedy with daring and heroism, as well as funny and sometimes hilarious episodes. It covers a part of World War II little known to British readers, perhaps most notably the forcible evacuation of civilians from northern Norway by the retreating

~~German Army. Through it all,~~
The Minors
children learned the basics of survival and continued to play outside while listening for air raid warnings. They smuggled food parcels to the Russian prisoners and got little toys in return. As Kirkenes was bombed to destruction, Bjarnhild and her family fled to the countryside. On her tenth birthday, in the path of the oncoming Russian Army, they escaped across a fjord in a rowing boat with a Russian plan in pursuit. They sat out the final battle, sheltering in a dig-out in a nearby hillside, until they were liberated by the Russian Army. A tale that will strike resonance with a lot of people today and reveal the bleak conditions imposed on many people during the Second World War, Terror in the Arctic will appeal to fans of autobiography and Second World War history. Author Bjarnhild, who has been living in Shetland since 1966, is inspired by a number of authors, including Agatha Christie and James Patterson. Terror in the Arctic has been

Down And Inside The Mostly True Story Of A Girls Life In

The Minors

compared favourably to Helga, the autobiography of Helga Gerhardi, who was 15 years old when the war started.

Diversity in U.S. Mass Media -

Catherine A. Luther

2017-10-23

An updated edition of the comprehensive resource that covers the various areas associated with representations of diversity within the mass media The second edition of Diversity in U.S. Mass Media presents a review of the evolution and the many issues surrounding portrayals of social groups in the mass media of the United States. Unfortunately, all too often mass media depictions play a crucial role in shaping our views about individuals and social groups. Filled with instructive insights into the ways social groups are represented through the mass media, Diversity in U.S. Mass Media offers a better understanding of groups and individuals different from ourselves. The revised second edition is filled with recent, illustrative examples from the

media. Comprehensive in scope, the authors address a wide range of issues that include representations of race/ethnicity, gender, sexual orientation, disability, class, and religion in films, television, and the press. The authors encourage readers to question what is being presented and explore the extent to which they agree with the perspectives that are described. Diversity in U.S. Mass Media is an important resource that: Offers an understanding of how various social groups are being represented in the mass media Explores how diverse communities inform and intersect with one another Draws on updated studies on the topic and presents original research and observations Includes new chapters on media portrayals of mixed race relationships and multiracial/multiethnic people and representations of religion and faith Accompanied by a companion website for instructors including many useful pedagogical tools, such

Down And Inside The Mostly True Story Of A Girls Life In

The Minors

as a test bank, viewing list, exercises, and sample syllabi Revised and updated, the second edition of Diversity in U.S. Mass Media offers a broad perspective on the myriad issues that influence how the media portrays social groups. Throughout the text, the authors show consistencies as well as differences in media representations of minority groups in the United States.

The Secret Garden - Hodgson B.F.

«Таинственный сад» - любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...
