## *Caught in a Trap* - 1992

Many books have been written about Elvis Presley and about the mysteries and paradoxes that shrouded his life and his death, but none have answered the why of Elvis' behavior and the meaning of his life as perceptively as *Caught in a Trap*. Rick Stanley was Elvis' younger brother.

## *Elvis, We Love You Tender* - Dee Presley 1980-01

A biography of rock star Elvis Presley, written by his stepmother and stepbrothers.

Elvis Presley - Otto Fuchs 2023-03-31

Elvis Presley was born on January 8th, 1935, in a shack in Tupelo, Mississippi. Though he was born a twin, his brother - who had been named Jess Garon - was tragically stillborn. Elvis died on August 16th, 1977, at the age of just 42, in his Graceland mansion. His death marked something significant in the collective mind, like the assassinations of John F. Kennedy, Robert Kennedy, or Martin Luther King. Conspiracy theories took off about the circumstances surrounding his death: Was Elvis murdered by the mob? Was his death faked? Did Elvis commit suicide? Is he still alive? This book sheds new light on many of these questions, while also celebrating his music and legacy. Elvis Presley played a central and vital role in the development of Rockabilly music, drawing as he did on a vast range of styles, from the Gospel music of his southern youth to the country music of the Midwest. This book is dedicated to Elvis: the artist, the human being, and The King.

**I Called Him Babe** - Marian J. Cocke 1979

Elvis We Love You Tender - Outlet 1988-12-01

Conversations with the King - David E. Stanley 2012-06-30

Conversations With The King ~ Journals of a Young Apprentice, by David E. Stanley & Dr. David Gruder, is about the extraordinary lessons Elvis Presley, the private mystic and healer, taught his stepbrother David E. Stanley during his seventeen years as his young apprentice. It is also about the equally important lessons David learned from witnessing Elviss titanic struggle between his most authentic spiritual self, his private demons and his feeling imprisoned by the public icon he had become.

Elvis - Ken Sharp 2009-08-10

July 31, 1969 marks an historic milestone in Elvis's career. Bolstered by the runaway success of the '68 Comeback show and energized by productive recording sessions at American Sound Studios, which would spawn such timeless hits as "Suspicious Minds", "In The Ghetto" and "Don't Cry Daddy," Elvis launched his return to live performance at Las Vegas's International Hotel in the summer of 1969. "Elvis: Vegas '69"

commemorates the 40th anniversary of Elvis's historic return to live performance. Written by Ken Sharp, the book tells the remarkable story of Elvis's return to the concert stage told through first-hand accounts by those lucky enough to be on hand to witness Elvis's miraculous artistic and creative rebirth. Culling 100 new interviews, the 60,000 word text offers a gripping account of this seminal event told by the people who were there including Priscilla Presley, Elvis's TCB bandmates, the Sweet Inspirations, the Imperials, the Memphis Mafia, celebrities in attendance, International hotel personnel including owner Kirk Kerkorian, hotel President Alex Shoofey, publicity and showroom staff, security, international media and much more. Learn the backstory behind what led to Elvis's triumphant return to live performance. You'll go behind closed doors with Elvis and the band in pre-show rehearsals and revel in the excitement and anticipation of opening night. We'll also exhaustively chronicle the opening show on July 31, 1969 through the eyes of the people that were there, press conference, after show celebration and more. Packed with over 150 stunning full color and B&W images, many culled from the Graceland archives, vintage Vegas/Elvis concert memorabilia, a '69 show index and much more, the book will transport the reader back to the Strip for one of the most electrifying moments in Elvis's monumental career.

**Being Elvis** - Ray Connolly 2016-11-03

The perfect companion to Baz Luhrmann's forthcoming biopic Elvis, a major motion picture starring Tom Hanks and Austin Butler. What was it like to be Elvis Presley? What did it feel like when impossible fame made him its prisoner? As the world's first rock star there was no one to tell him what to expect, no one with whom he could share the burden of being himself - of being Elvis. On the outside he was all charm, sex appeal, outrageously confident on stage and stunningly gifted in the recording studio. To his fans he seemed to have it all. He was Elvis. With his voice and style influencing succeeding generations of musicians, he should have been free to sing any song he liked, to star in any film he was offered, and to tour in any country he chose. But he wasn't free. The circumstances of his poor beginnings in the American South, which, as

he blended gospel music with black rhythm and blues and white country songs, helped him create rock and roll, had left him with a lifelong vulnerability. Made rich and famous beyond his wildest imaginings when he mortgaged his talent to the machinations of his manager, 'Colonel' Tom Parker, there would be an inevitable price to pay. Though he daydreamed of becoming a serious film actor, instead he grew to despise his own movies and many of the songs he had to sing in them. He could have rebelled. But he didn't. Why? In the Seventies, as the hits rolled in again, and millions of fans saw him in a second career as he sang his way across America, he talked of wanting to tour the world. But he never did. What was stopping him? BEING ELVIS takes a clear-eyed look at the most-loved entertainer ever, and finds an unusual boy with a dazzling talent who grew up to change popular culture; a man who sold a billion records and had more hits than any other singer, but who became trapped by his own frailties in the loneliness of fame.

**The Elvis Encyclopedia** - David E. Stanley 2000-01-01

Sixteen years after his sudden death, Elvis Presley is more popular than ever. This first complete and authenticated compendium contains everything there is to know about the King's personal life, presented in riveting detail by David Stanley--Elvis's stepbrother--who lived with Elvis for 17 years at Graceland. 200 photos. Four-color throughout.

**Elvis--we Still Love You Tender** - Darlene Watkins 1988

*Elvis and Gladys* - Elaine Dundy 2009-09-28

A intimate story of the King of Rock 'n' Roll and his adoring mother

Elvis Presley - Hourly History 2018-02-21

Elvis Presley Elvis Presley was much more than a cultural icon; he was a reliable barometer of the world he grew up in. Long before the cultural revolutions of the '60s and '70s, Elvis was sparking a dynastic change of hands in American society. And by his own admission, much of it was by accident. Whenever his performances caused a stir, Elvis was always the first to ask what all the fuss was about. When questioned if he was trying to provoke a response from his audience, Elvis innocently replied that he was just doing what came naturally. Inside you will read about... - Elvis

and His Twin - That's All Right - Presley's Controversial Rise - Elvis Joins the Army - Comeback in Las Vegas - Last Years and Death And much more! According to Elvis, as much as James Dean was a "rebel without a cause," he was a rebel completely by accident. If we believe him, everything he did that led to his rise to stardom was just some sort of cosmic alignment of happenstance. Elvis claimed that when he went into Sun Records to record his first song, he wasn't looking to become famous; he maintained that he just wanted to record a song for his mom's birthday. This book will let you decide for yourself as you learn about the life, the legend, and the unmistakable icon-Elvis Presley.

**Elvis** - June Juanico 1997

June Juanico recounts her romance with Elvis Presley in Biloxi, Mississippi, in the summer of 1955.

*A Little Thing Called Life* - Linda Thompson 2016-08-23

Award-winning songwriter Linda Thompson breaks her silence, sharing the extraordinary story of her life, career, and epic romances with two of the most celebrated, yet enigmatic, modern American superstars—Elvis Presley and Bruce Jenner For the last forty years, award-winning songwriter Linda Thompson has quietly led one of the most remarkable lives in show business. The longtime live-in love of Elvis Presley, Linda first emerged into the limelight during the 1970s when the former beauty pageant queen caught the eye of the King. Their chance late-night encounter at a movie theater was the stuff of legend, and it marked the beginning of a whirlwind that would stretch across decades, leading to a marriage with Bruce Jenner, motherhood, and more drama than she ever could have imagined. Now, for the first time, Linda opens up about it all, telling the full story of her life, loves, and everything in between. From her humble beginnings in Memphis to her nearly five-year relationship with Elvis, she offers an intimate window into their life together, describing how their Southern roots fueled and sustained Graceland's greatest romance. Going inside their wild stories and tender moments, she paints a portrait of life with the King, as raucous as it is refreshing. But despite the joy they shared, life with Elvis also had darkness, and her account also presents an unsparing look at Elvis's twin demons—drug

abuse and infidelity—forces he battled throughout their time together that would eventually end their relationship just eight months before his untimely death. It was in the difficult aftermath of Elvis's death that Linda found what she believed was her true home: the arms of Olympic gold medal—winner Bruce Jenner. Detailing her marriage to Bruce, Linda reveals the seemingly perfect life that they built with their two young sons—Brandon and Brody—before Bruce changed everything with a secret he'd been carrying his entire life, a secret that Linda herself kept for nearly thirty years, a secret that Bruce's transition to Caitlyn Jenner has finally laid bare for the world. Providing a candid look inside one of the most challenging moments of her life, Linda uncovers the struggles she went through as a woman and a mother, coming to terms with the reality of Bruce's identity and resolving to embrace him completely no matter what, even as it meant they could no longer be together. And yet, despite her marriage unraveling, her search for love was not over, eventually leading her to the legendary music producer and musician David Foster—a relationship that lasted for nineteen tumultuous years, resulting in a bond that spurred her songwriting career to new heights but also tested her like never before. Filled with compelling and poignant stories and sixteen pages of photographs, *A Little Thing Called Life* lovingly recounts Linda's incredible journey

through the years, bringing unparalleled insight into three legendary figures.

**Elvis We Love You Tender** - Dee / Stanley Presley (Billy, Rick, and David)

My Brother Elvis - David E. Stanley 2016-06

The author shares his "harrowing experiences while on the road as a 16 year old bodyguard to the King of Rock n' Roll." The final 5 years of Elvis Presley's life were filled with his greatest triumphs and his toughest tribulations, as the iconic star fought a war with addiction he would tragically lose at the age of 42 ... In sharing this intimate account of his stepbrother, David hopes to reach those who are also suffering from addiction -- some 15 million from prescription drugs in the US alone.--

**Elvis** - Dee Presley 1984

**Elvis, My Brother** - Billy Stanley 1989-10-01

The intimate story of Billy Stanley, step-brother to Elvis, as he describes what it was like to be Elvis's personal aide, working 24-hour shifts at Elvis's beck and call, and touring with him nationwide. 16 pages of black-and-white photos.
