The Eyes of Faith (Large Print 16pt) - Ben Stein

2011-04

An emotion common to humankind is fear. Fear dogs our days, makes us lose sleep, ruins our relationships, and takes the joy out of living. The strongest, best defense against that emotion is to see through the eyes of faith. As such, Ben Stein brings you 500 ways to

look at life in this way so that you can triumph over fear. Ben absorbed many of the positive thoughts within these pages at 12-Step meetings he has attended, he has applied them to his own life, and he's found that they work. They're simple, but extremely effective. For example: I do not know exactly why faith and surrender work. I just know that they do work. Say it to yourself and believe it: My life is a great place to be today. I would rather be me than anyone else, and that's saying something. Life is about waking up, breaking up, shaking up, making up . . . and meditation to keep the human spirit calm. There are two forms of worship: worship of God and worship of ourselves. Guess which kind works? Taken regularly, concepts such as these will make your life easier, calmer, and definitely more enjoyable.

Quotes from Believer Scientists
- Fernando José Walsh
2021-02-12

The main exponents of science are or have been profound believers in God, the Creator of the universe. In this work the reader will find hundreds of phrases emitted by many of them that speak of their faith convictions; and of the relationship between faith and its science. They are mostly recognized scientists who believe not only in one God, but expressly in the God of the Bible. With this book the author continues with the task begun in *The Lord of the two books* to revive an old, but current idea, that the Creator communicates with human beings through two books of His authorship: Nature (general revelation) and the Bible (special revelation). "The Creator has given two books to the mankind. In one has shown His majesty, in another - His will ... The two books together inform us not only about the existence

Faith, Hope and Love, But the Greatest of These Is Love - 1 Corinthians 13:13 - Faith Planner 2018-11-16

How close to God will you be three years from now? If you were to look in your future, would you be happier? Do you have a family of your own? A new relationship? A new career? Retiree? Are you closer to God? Hey, you are probably being the version of yourself! But let's be real. You can't see the future. What you can do is aim to do good, be more content, have a peace of mind and hit all your goals, EVERY SINGLE DAY! You can do that by writing your goals and making sure you get the most important things done. Did you know that successful people don't spend their whole day working? What they do is plan their actions and the weeks that follow so they don't work on the wrong things! This is exactly the goal of this Planner. To make you plan ahead, organize your day, week, month and years (3 years actually!) It also comes with Bible quotes to give you the

inspiration to work harder and achieve your plans for the next three years. Quotes that are well chosen and will make a great impact in your life in many many ways. You would love this Planner because: It consists of 323 pages worth of journal notes for your daily, weekly and yearly from 2019 to 2021. Three years of companionship and crushing goals. Months and Days are Dated, so you don't have to. This will make it easier for you to go directly into writing your daily entry without taking extra time to write small details that can't distract you. It's always amazing to have a Physical copy of things that you write into. It makes it feel real, and by writing with pen and paper, you appreciate it more. There's plenty of space so that you can write a small paragraph, rather than just a single short line. The size is also 8.5 x 11 inches so you always have room to write more. It helps you be organized with your ideas, plan and execution. Instead of just remembering it on your mind, seeing a written plan can help
