Out of the Grey Zone - Carolyn Joy 2021-03-16
Amber Gratia (a recent empty nester) just moved to Palm Beach and landed a job as the new accountant at WeCare World International. Jack Hardie is an older, well-known, respected businessman on the East Coast of Florida and Chairman of the Board at the foundation. Two people, from two different lives who become unlikely friends, and create the slippery slope of sin and forbidden love. The deep, dark hidden secrets Amber uncovers will turn everyone's life upside down and leave her brokenhearted. *Out of the Grey Zone* is a story of God's grace, mercy and His unconditional love for Amber as she journey's on the road to forgiveness.

Becoming Myself - Stasi Eldredge 2013-08-01
God has dreams—just for you *Becoming Myself* is a hope-filled book for anyone who wonders if her life will ever change—if she will ever change. In Stasi Eldredge's most intimate book yet, she shares her own struggles with self-worth, weight, and her past as she shows readers how God is faithfully unveiling who we truly are. Stasi urges you to lay down your past thoughts about yourself and receive God's incredible dreams for you instead. We cannot heal ourselves. We cannot become ourselves by ourselves. But we are not by ourselves. The King of love wants to help us become. God desires to restore us—the real us. As he heals our inner life, he calls us to rise to the occasion of our lives. The most important journey any woman can take is the journey into becoming her true self through the love of God. It's a beautiful paradox. The more of God's you become, the more yourself you become—the “self” he had in mind when he thought of you before the creation of the world. Discover your truest self—the woman God created you to be—in *Becoming Myself*.

Gay Girl, Good God - Jackie Hill Perry
2018-09-03

“I used to be a lesbian.” In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the

process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

Get the Guy - Matthew Hussey 2013-01-31
In this book, Matthew Hussey - the world's leading relationship coach and New York Times bestselling author - offers advice on how to find your ideal partner - and, importantly, how to keep them. Using simple steps, Matthew guides us through the complex maze of dating and shows just how to find the right man, get the right man and keep the right man. What readers are saying 'This is not a book about getting a man. Is more about how loving yourself first can open the doors to someone special in your life. I love it' -- ***** Reader review 'A must-read' -- ***** Reader review 'Positive and empowering' -- ***** Reader review 'Absolutely fantastic' -- ***** Reader review 'Great read, interesting and funny. This is also helpful and challenging in the right way' -- ***** Reader review 'Best book ever! It's worked for me :-)' -- ***** Reader review

***** GET MORE THAN JUST DATING ADVICE. FALL IN LOVE WITH YOUR LIFE. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Between Grief and Nothing - Wade Stinson 2009-09

Paralysis is a haunting and terrifying tragedy that permanently changes the lives of its victims and families. And the specter of paralysis is real and threatening if Superman can become a victim. Normal life ceases to exist for a quadriplegic. Coping and surviving with an unmoving, unfeeling body is an imposing emotional and physical burden. No one looks at a paralysis victim without an impulse of pity for that person and fear that it could be he or she in that wheelchair. And everyone asks the same questions: What if that happened to me? What is that life like? How are the bodily functions I take for granted performed? Can paralysis victims have a sex life? If so, how? The increasing number of American men who marry Eastern European women has become a unique phenomenon since the breakup of The Soviet Union and advent of the internet. These men have various motives: A young, exotic, trophy wife. A less independent and more obedient wife. And love. These women also have various

motives: A better and more prosperous life in America. A green card that gives them a freedom and independence they have never known. And also love. But do these marriages succeed? What are the cultural conflicts involved? Are there scammers for gullible and desperate men to discover before, or after it is too late? And are there horror stories of deceit and violence? *Between Grief and Nothing* is an autobiography by Wade Stinson that explores those issues and much more. The title is taken from a quote in William Faulkner's short story, "The Wild Palms." "Between grief and nothing, I will take grief." The book begins by establishing Stinson's identity, family, and culture in rural Alabama. The voice and prose is distinctly Southern as the author himself. He introduces readers to his world and the life he knew beginning in 1957. He describes his family of destructive, alcoholic men and forgiving, durable women. The reader will learn about the distorted dreams Stinson conjured amid the quirky, and often humorous life of rural Alabama. A life of rebellion against the austere Pentecostal religion of his father. And, a youthful perspective of his first experience with alcohol, sex, and love. The book vividly details the trauma of a diving accident that left him a quadriplegic at seventeen years of age and follows him through the crude realities associated with paralysis: bodily functions, humiliating incidents, and sex as a paralysis victim. An issue many literary critics express as one too often "fudged upon" by evasive, celebrity writers. Stinson continues with his slow and measured reemergence into society as he finally accepts his paralyzed condition and begins to enjoy life in the swamps of Alabama. And later, his reckless escapades to try to recapture his wild youth. And afterwards, his first marriage and the teaching position he earned that provided the rewarding relationships with students and their acceptance of him as a "wheelchair bound teacher. Apart from the book's early focus on the eccentric Southern environment and the trauma of quadriplegia, the remaining focus will be a revelation of the growing phenomenon of American men who seek and marry Russian women through internet introduction agencies. A strange marriage between a Russian bride and a quadriplegic Southerner is explored in

Upfront and Straightforward - Alan Roger Currie 2009-03-31

Are you a man (or woman) who is sick and tired of members of the opposite sex engaging in "manipulative head games" with you in today's ever-so-challenging dating scene? Read Alan Roger Currie's second paperback entitled, "Upfront and Straightforward"

Bullies and Mean Girls in Popular Culture - Patrice A. Oppliger 2013-09-19

The numerous anti-bullying programs in schools across the United States have done little to reduce the number of reported bullying instances. One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents' bullying and mean-girl behavior. This book addresses media role models in television, film, picture books, and the Internet in the realm of bullying and relational aggression. It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all. Young viewers may learn ineffective, even dangerous, ways of handling aggressive situations. Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals. They may also feel their experiences are trivialized by comic portrayals. Entertainment programming, aimed particularly at adolescents, often portray adults as incompetent or uncaring and include mean-spirited teasing. In addition, overuse of the term "bully" and defining all bad behavior as "bullying" may dilute the term and trivialize the problem.

Ebony - 1997-05

In the Year of the Ox - Hannah Amgott 2004

Mode One - Alan Roger Currie 2006-02

Currie breaks down the "Four Modes of Verbal Communication" to help readers better understand why men exhibit the behavior they do towards the women they are either interested in dating or having a few episodes of casual sex with.

Conscious Dating - David Steele 2006

Women at War - Jan Greenwood 2015-08-04

Many women grow up with a subtle mistrust of their girlfriends, moms, sisters, and women in general. The culture confirms their fears by constantly promoting the attitude that women are competitive, slanderous, and malicious. Women embrace these lies and grow up despising their own gender, wounding one another with unrealistic expectations, and isolating themselves from meaningful female relationships. Find peace for yourself and your girlfriends too. *Women at War* clearly defines an attitude and approach to female relationships that will revolutionize the value women place on their own gender and the way they treat one another. This book sheds light on the source of confusion, revealing the true enemy and the real war. Readers will learn how to identify, restore, and embrace healthy female relationships so they can experience the power to demolish the strongholds of our culture, our past, and our wounds.

How to Be a 3% Man, Winning the Heart of the Woman of Your Dreams - Corey Wayne 2017-06-22

This book teaches men how to completely understand women in the dating world and long term relationships so they can meet and date the woman of their dreams. It teaches men how to approach and date the women of their dreams all the while remaining who they truly are inside. The book teaches you strategies to still be yourself and be the type of man women are naturally attracted to. By applying the simple strategies for success you can overcome any insecurities and doubts you have about yourself even when you are dating a woman that totally intimidates you. It takes the reader step by step from getting clear about the type of woman they want to attract to maintaining the magic after twenty years of marriage. The book was written for men that are single and searching as well as

for men that are already involved with their dream woman. It teaches men how to completely win the heart of the woman of their dreams and keep her head over heels in love with them for life. Order now!

The Living Female Writers of the South -

The Game - Neil Strauss 2011-09-29

THE 2.5 MILLION COPY SELLING WORLDWIDE PHENOMENON MEN WILL DENY IT, WOMEN WILL DOUBT IT. I BEG YOU FOR YOUR FORGIVENESS IN ADVANCE . . . The Game recounts the incredible adventures of an everyday man who transforms himself from a shy, awkward writer into the quick-witted, smooth-talking Style, a character irresistible to women. But just when life is better than he could ever have dreamed, he falls head over heels for a woman who can beat him at his own game. Jaw-dropping and hilarious, The Game reveals the naked truth about sex, love, relationships - and getting exactly what you want.

Fair Copy - Jennifer Putzi 2021-10-29

In *Fair Copy* Jennifer Putzi studies the composition, publication, and circulation of American women's poetry in the antebellum United States. In opposition to a traditional scholarly emphasis on originality and individuality, or a recovery method centered on author-based interventions, Putzi proposes a theory and methodology of relational poetics: focusing on poetry written by working-class and African American women poets, she demonstrates how an emphasis on relationships

between and among people and texts shaped the poems that women wrote, the avenues they took to gain access to print, and the way their poems functioned within a variety of print cultures. Yet it is their very relationality which has led to these poems and the poets who published them being written out of literary history. *Fair Copy* models a radical reading and recovery of this work in a way that will redirect the study of nineteenth-century American women's poetry. Beginning with Lydia Huntley Sigourney and ending with Elizabeth Akers Allen and Frances Ellen Watkins Harper, Putzi argues that relational practices like imitation, community, and collaboration distinguished the poetry of antebellum American women, especially those whose access to print was mediated by class or race. To demonstrate this point, she recovers poetry by the "factory girls" of the Lowell Offering, African American poet Sarah Forten, and domestic servant Maria James, whose volume *Wales, and Other Poems* was published in 1839. Putzi's work reveals a careful navigation of the path to print for each of these writers, as well as a fierce claim to poetry and all that it represented in the antebellum United States.
