[Fake Plastic Love](#) - Kimberley Tait 2017-05-09

“Prepare yourself for a daring, unsparing takedown of millennial Manhattan, trick by glossy trick.”
—Beatriz Williams We are a bifurcated generation, the Romantics versus the Realists: those who prefer transistor radios to Bose sound systems, scuffed ocean liner trunks to gleaming Rimowa hard shells, fountain pens to BlackBerry keyboards, restored old roadsters to eco-friendly hybrids, the unsmudgeable guarantee of old illusions to present-life ones, tinny and certain to disappoint. When M. meets Belle at Dartmouth, they become the unlikeliest best friends. Belle is an unapologetic Romantic famous on campus for her bright red accessories and hundred-watt smile, while M. is a tomboyish Realist who insists she'll always prefer her signet ring to any diamond. Despite their differences, they are drawn together, and after graduation they both move to New York with all the unfounded confidence of twenty-two. M. secures a job at the city's most prestigious investment bank, and Belle turns her nostalgic aesthetic into one of the first lifestyle blogs, which quickly goes viral. Their future is spread before them, a glittering tableau of vintage cocktails, password-guarded parties, and high-octane ambition. But as they are pulled deeper into their new lives, and into the charming orbit of their Gatsby-esque new friend, Jeremy, style and substance—and dreams and reality—increasingly blur. In this fake plastic world, what do success and love and happiness even look like? Dazzling, whimsical, and full of yearning, Fake Plastic Love is the transporting story of bright young things tested by the unsentimental realities of post-graduate life. Tipping its hat to F. Scott Fitzgerald, Kimberley Tait's gorgeous, incisive debut is a portrait of millennial Manhattan—equal parts nostalgia and modernity—that explores the timeless question: You will be a grand total of what you spend your time doing, so what do you want to add up to?

[The Meaning of Love](#) - Stephanie Laurens 2021-10-14

#1 New York Times bestselling author Stephanie Laurens explores the strength of a fated love, one that was left in abeyance when the protagonists were too young, but that roars back to life when, as adults, they meet again. A lady ready and waiting to be deemed on the shelf has her transition into spinsterhood disrupted when the nobleman she'd once thought she loved returns to London and fate and circumstance conspire to force them to discover what love truly is and what it means to them. What happens when a love left behind doesn't die? Melissa North had assumed that after eight years of not setting eyes on each other, her youthful attraction to—or was it infatuation with?—Julian Delamere, once Viscount Dagenham and now Earl of Carsely, would have faded to nothing and gasped its last. Unfortunately, during the intervening years, she's failed to find any suitable suitor who measures up to her mark and is resigned to ending her days an old maid. Then she sees Julian across a crowded ballroom, and he sees her, and the intensity of their connection shocks her. She seizes the first chance that offers to flee, only to discover she's jumped from the frying pan into the fire. Within twenty-four hours, she and Julian are the newly engaged toast of the ton. Julian has never forgotten Melissa. Now, having inherited the earldom, he must marry and is determined to choose his own bride. He'd assumed that by now, Melissa would be married to someone else, but apparently not. Consequently, he's not averse to the path Fate seems to be steering them down. And, indeed, as they discover, enforced separation has made their hearts grow fonder, and the attraction

between them flares even more intensely. However, it's soon apparent that someone is intent on ensuring their married life is cut short in deadly fashion. Through a whirlwind courtship, a massive ton wedding, and finally, blissful country peace, they fend off increasingly dangerous, potentially lethal threats, until, together, they unravel the conspiracy that's dogged their heels and expose the villain behind it all. A classic historical romance laced with murderous intrigue. A novel arising from the Lady Osbaldestone's Christmas Chronicles. A full-length historical romance of 127,000 words. "In this Bridgerton-flavored Regency romance, two eligible young gentlefolk—Julian Delamere, seventh Earl of Carsely, and Melissa North—fake a betrothal to keep scandal at bay. This novel is half love story, half mystery, and wholly engrossing." Kim H., Proofreader, Red Adept Editing "Fans of romances and mysteries set in Regency England will get their fill with this full-bodied novel of intense courtship and murderous intrigue." Virge B., Proofreader, Red Adept Editing "Stephanie Laurens fans who have followed the journey of Melissa and Dagenham, now Earl of Carsely, will be delighted to see these two meeting again as adults. Readers will enjoy trying to figure out who is behind the threats in this tale that's as suspenseful as it is romantic." Angela M., Copy Editor, Red Adept Editing

Hate to Love You - Jennifer Sucevic 2020-09-22

From USA Today bestselling author Jennifer Sucevic comes a sexy, new standalone novel. Brody McKinnon is Whitmore University's star defenseman destined for NHL greatness. He made a name for himself playing juniors before gracing us with his esteemed presence. As much as it pains me to admit it, he's exploded at the college level. While other girls fall all over themselves trying to gain his attention, I do my best to steer clear just as I would a particularly nasty case of crabs. For reasons I can't fathom, Brody takes great

pleasure in messing with me. And I, in return, enjoy slicing him to ribbons with my razor-sharp tongue. You'd think after three years, he'd learn to keep his distance. No such luck. Unfortunately for me, I'm about to experience the worst week of my life. It starts with my ex-boyfriend announcing at a party that I'm a lousy lay. He's the hockey-playing jerk I dated last year who left a bad taste in my mouth (*eyeroll* seriously...get your mind out of the gutter). Want to guess who rides in on his trusty white steed to rescue me? Or should I say, opens his big mouth? Yep, you guessed it. Brody freaking McKinnon, the guy I love to hate. He only makes matters worse by telling everyone that we're together and then punching Reed in the face. The first...I plan on strangling him for. The second...I'm only sorry I didn't get to Reed first. Now I'm stuck fake-dating Brody, the one guy who makes me feel like a rabid dog on a choke chain, for the foreseeable future. Love is not blind - Anuroop Sebastian 2019-02-15

Anuroop Sebastian explores the theme of "e;true"e; vs. counterfeit, or "e;fake,"e; love and explains how the reader can identify the real thing by following the example of Jesus. In John 2:24, Jesus rejects the praises of a certain group of people. Their praises appear to be genuine but Jesus knows that they are simply flattering Him. Yet when Mary pours expensive perfume on His feet, he accepts her love (John 12:1-8). Jesus had the ability to discern the true nature of others by listening to their hearts instead of listening to their words or following their actions! The author will show how the Bible gives readers the wisdom to recognize their true friends and safeguard themselves from toxic relationships.
