Gay - Morton M. Hunt 1979
Defines homosexuality and examines its various forms and manifestations

Homosexuality - Ron Rhodes 2008-02

Quick Reference Guides offer practical, biblical, and timely insights on today's most important topics with concise facts and user-friendly writing.

Attractive, affordable, and applicable these serve as ideal resources for personal and church reference. Dialogue about homosexuality in today's culture likely includes

questions such as: "I have a friend who is gay, and she is a good person. Isn't that all that matters?" "Isn't the Bible against it? So what else do we need to know?" "So many people are gay—would God really let that happen if it was wrong?" "Homosexuals won't change, so why bother?"

Biblical scholar and apologetics expert Ron Rhodes tackles difficult questions, exposes myths, and presents solid

information in a concise and user-friendly way. Why is it important to know more about this topic? What vital and surprising facts do current studies provide? Is there a biological/genetic component to homosexuality? How is Scripture used or misused in the debate? What can churches do to better minister to homosexuals? The topic of homosexuality can become an emotional hot button. Rhodes gives readers scientific, cultural, and biblical information so they can approach the topic and homosexual individuals with wisdom and care and hope.

Making Gay Okay - Robert Reilly 2014-04-15

Why are Americans being forced to consider homosexual acts as morally acceptable? Why has the US Supreme Court accepted the validity of same-sex "marriage", which, until a decade ago, was unheard of in the history of Western or any other

civilization? Where has the "gay rights" movement come from, and how has it so easily conquered America? The answers are in the dynamics of the rationalization of sexual misbehavior. The power of rationalization-the means by which one mentally transforms wrong into right-drives the gay rights movement, gives it its revolutionary character, and makes its advocates indefatigable. The homosexual cause moved naturally from a plea for tolerance to cultural conquest because the security of its rationalization requires universal acceptance. In other words, we all must say that the bad is good. At stake in the rationalization of homosexual behavior is the notion that human beings are ordered to a purpose that is given by their Nature. The understanding that things have an in-built purpose is being replaced by the idea that everything is subject to man's will and power, which is considered to be without limits. This is what the debate over homosexuality is really about-the Nature of

reality itself. The outcome of this dispute will have consequences that reach far beyond the issue at hand. Already America's major institutions have been transformed-its courts, its schools, its military, its civic institutions, and even its diplomacy. The further institutionalization of homosexuality will mean the triumph of force over reason, thus undermining the very foundations of the American Republic.

Is It a Choice? - 2nd edition

- Eric Marcus 1999-06-01

There Is No Such Thing As a Stupid Question In this newly revised edition, Eric Marcus provides insightful, no-nonsense answers to hundreds of the most commonly asked questions about homosexuality. Offering frank insight on everything you've always wanted-and needed-to know about same-gender relationships, coming out, family roles, politics, and much more, including: How do you know if you're gay or lesbian? What should you do if your

child is gay or lesbian? Do gay parents raise gay children? If you think a friend is gay or lesbian, what should you say? Why do gay men and women want to get married? What does the Bible say about homosexuality?

What Everyone Should Know about Homosexuality - Tim LaHaye 1980

LaHaye takes a critical look at the homosexual explosion and offers significant insights, making this a must read for every Christian home.

Youth in Crisis - Mitchell Gold 2011

What is it like to be called an abomination by your religious leaders? To live in fear of losing your family's love? To be afraid to go to school because of the torment that awaits you? To lie to everyone about whom you love? In Youth in Crisis, Mitchell Gold and Mindy Drucker asked forty LGBT Americans--from celebrities to youth-- to share their very personal answers to these difficult questions. Many discuss their long-buried feelings here for the first time.

Several young adults opened up about suicide attempts, depression, fear, and isolation that are still a part of growing up gay. Gold calls this a silent epidemic and a mental health crisis affecting millions of gay teens. And he emphasizes that this crisis can be solved, with compassion and fair-mindedness--and by getting those whose words and deeds cause harm to finally stop. The book's contributors reveal what made them feel alone and unloved -- and at times so hopeless suicide seemed the only option. And they suggest ways to help the next generation of teens. These stories are also lessons in perseverance and achievement, showing inner strength and inspiring us all with their triumphs. Learn the harm religion-based prejudices cause, see the dangers of "cures" like reparative therapy, and get insight into the question of sin and homosexuality that divides many churches and families today. Our book will help you become better able to help gay

kids in your family,
congregation, or classroom.

*This is a Book for Parents of
Gay Kids* - Dannielle Owens-
Reid 2014-09-09

Written in an accessible Q&A
format, here, finally, is the go-
to resource for parents hoping
to understand and
communicate with their gay
child. Through their LGBTQ-
oriented site, the authors are
uniquely experienced to
answer parents' many
questions and share insight
and guidance on both
emotional and practical topics.
Filled with real-life experiences
from gay kids and parents, this
is the book gay kids want their
parents to read.

*What Do I Say to a Friend
Who's Gay?* - Emily Parke
Chase

With real-life stories and
answers from a Christian
perspective, this text teaches
young adults how to openly
minister to gay friends and
deal with personal questions
regarding the social
ambiguities of homosexuality.

Now that You Know - Betty
Fairchild 1979

"One of the most important
books about gay people yet
published, Now that you Know
is a challenging and
enlightening guide for the 20
to 40 million parents in the
United States who may be
faced with the knowledge that
a son or daughter is
homosexual. It was written by
two mothers of gay children
and draws on dozens of candid
interviews with gay men and
women and their parents. The
authors discuss the nature of
homosexuality, its effect on the
lives and careers of children,
the prospects for gay
relationships, and the troubling
question of religion. They tell
parents how to respond
supportively to gay children
and how to keep families
together in a bond of
understanding and affection.
Finally, they describe the
nationwide Parents of Gays
groups, which encourage
parents to share their
experiences and learn to help
one another."--Publisher's
description.

Is it a Choice? - Eric Marcus
2005

The answers to all the questions you've ever had about homosexuality but were afraid to ask are finally in one book, *Is It a Choice?* In this newly revised and updated edition, Eric Marcus provides insightful, no-nonsense answers to hundreds of the most commonly asked questions about homosexuality. Offering frank insight on everything you've always wanted-and needed-to know about same-gender relationships, coming out, family roles, politics, and much more, including: How do you know if you're gay or lesbian? What should you do if your child is gay or lesbian? Do gay parents raise gay children? If you think a friend is gay or lesbian, what should you say? Why do gay men and women want to get married? What does the Bible say about homosexuality?

Leaving Homosexuality -

Alan Chambers 2009-07

When a gay man or woman is faced with the reality that a growing and vibrant life in Jesus Christ is incompatible

with their sexual attractions, what exactly does he or she do? What steps can be taken toward leaving the gay life and identity? In this accessible book Alan Chambers, president of Exodus International, explains the process and clarifies the expectations for those who are skeptical of change or frustrated by an ongoing struggle with same-sex attraction. Readers will learn how to enter into a new life in Christ set realistic and healthy expectations build authentic community learn to forgive overcome the power of sexual addiction Men and women of all ages who struggle with same-sex attraction will find *Leaving Homosexuality* indispensable in their own walk of faith...and an excellent resource to give to those who haven't yet heard that there is a new life of freedom beyond homosexuality available to them.

Out Law - Lisa Keen

2007-05-15

The enormous advances of the civil rights movement have made it easier for LGBT youth

*Downloaded from
legacy.opendemocracy.net

to be "out," yet their increased visibility has led to myriad legal issues involving such critical matters as freedom of expression, sexual harassment, self-chosen medical care, and even their right to privacy within their own families. In this accessible guide, Lisa Keen illustrates how some laws limit the rights of LGBT youth and others protect them. Out Law lays out the basics about federal, state, and local laws that frequently impact LGBT youth and explains how legal authority and responsibility is often vested in local officials, such as school principals. Keen explains how laws treating LGBT people differently came to exist, evolved over time, and are subject to significant changes even today. Out Law discusses the shifting legal terrain for such issues as when schools can censor messages on T-shirts or library computer research into LGBT-related Web sites. It gives youth tips on how to document efforts to curb their rights and where to turn for help in protecting those rights.

What Every Christian Needs to Know About

Homosexuality - T. Jacobsohn
2014-05-12

This book is not an attack on homosexual people. God loves all people, and He wants all to come to repentance to be saved. This book does, however, call homosexuality what it is: sin. It is a sinful choice, and we will discuss how we can know that people are not born gay. We will also address the danger of misguided church leaders who embrace homosexuality. We will discuss how Christians can reach out and love the homosexual. Although homosexuality is wrong, so is adultery, lying, and gossip, and Jesus' blood can cleanse all sin. We need to lead people to His all-powerful forgiveness. Homosexuals are often hurting, and they need Jesus just as we all do. We pray this book will help make you and your church more effective in loving homosexuals, and leading them to the freedom and joy that is only in Christ Jesus.

This Book Is Gay - Juno

Dawson 2021-09-07

The bestselling young adult non-fiction book on sexuality and gender! Lesbian. Gay. Bisexual. Transgender. Queer. Intersex. Straight. Curious. This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. This candid, funny, and uncensored exploration of sexuality and what it's like to grow up LGBTQ also includes real stories from people across the gender and sexual spectrums, not to mention hilarious illustrations. Inside this revised and updated edition, you'll find the answers to all the questions you ever wanted to ask, with topics like: Stereotypes—the facts and fiction Coming out as LGBT Where to meet people like you The ins and outs of gay sex How to flirt And so much more! You will be entertained. You will be informed. But most importantly, you will know that however you identify (or don't) and whomever you love, you are exceptional. You matter.

And so does this book. This book is for: LGBTQIA+ teens, tweens, and adults Readers looking to learn more about the LGBTQIA+ community Parents of gay kids and other LGBT youth Educators looking for advice about the LGBTQIA+ community Praise for This Book is Gay: A Guardian Best Book of the Year 2018 Garden State Teen Book Award Winner "The book every LGBT person would have killed for as a teenager, told in the voice of a wise best friend. Frank, warm, funny, USEFUL."—Patrick Ness, New York Times bestselling author "This egregious gap has now been filled to a fare-thee-well by Dawson's book."—Booklist *STARRED REVIEW*

Can You Be Gay and Christian? - Michael L. Brown 2014

Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.

[Gay & Lesbian History for Kids](#) - Jerome Pohlen 2015-10-01
Part of the popular For Kids

Downloaded from
legacy.opendemocracy.net
on 2021-09-21 by guest

series, this book puts the historic struggle for LGBT equality into perspective. Given today's news, it would be easy to get the impression that the campaign for LGBT equality is a recent development, but it is only the final act in a struggle that started more than a century ago. This timely resource helps put recent events into context for kids ages nine and up. After a brief history up to 1900, each chapter discusses an era in the struggle for LGBT civil rights from the 1920s to today. The history is told through personal stories and firsthand accounts of the movement's key events like the 1950s "Lavender Scare," the Stonewall Inn uprising, and the AIDS crisis. Readers will learn about civil rights mavericks, like Dr. Magnus Hirschfeld, founder of the first gay rights organization; Phyllis Lyon and Del Martin, who turned the Daughters of Bilitis from a lesbian social club into a powerhouse for LGBT freedom; and Harvey Milk, the first out candidate to win a seat on the

San Francisco Board of Supervisors. Also chronicled are the historic contributions of famous LGBT individuals, and 21 activities enliven the history. Kids can write a free verse poem like Walt Whitman, learn the Madison line dance, design an AIDS quilt panel, and write a song parody to learn about the spirited ways in which the LGBT community has pushed for positive social change.

Bad Gays - Huw Lemmey
2023-05-30

An unconventional history of homosexuality. We all remember Oscar Wilde, but who speaks for Bosie? What about those 'bad gays' whose unexemplary lives reveal more than we might expect? Many popular histories seek to establish homosexual heroes, pioneers, and martyrs but, as Huw Lemmey and Ben Miller argue, the past is filled with queer people whose sexualities and dastardly deeds have been overlooked despite their being informative and instructive. Based on the hugely popular podcast series of the same

name, *Bad Gays* asks what we can learn about LGBTQ+ history, sexuality and identity through its villains, failures, and baddies. With characters such as the Emperor Hadrian, anthropologist Margaret Mead and notorious gangster Ronnie Kray, the authors tell the story of how the figure of the white gay man was born, and how he failed. They examine a cast of kings, fascist thugs, artists and debauched bon viveurs. Imperial-era figures Lawrence of Arabia and Roger Casement get a look-in, as do FBI boss J. Edgar Hoover, lawyer Roy Cohn, and architect Philip Johnson. Together these amazing life stories expand and challenge mainstream assumptions about sexual identity: showing that homosexuality itself was an idea that emerged in the nineteenth century, one central to major historical events. *Bad Gays* is a passionate argument for rethinking gay politics beyond questions of identity, compelling readers to search for solidarity across boundaries.

Born to be Gay - William Naphy 2006

In this work, William Naphy provides a comprehensive history of homosexuality through the ages.

How to Understand and Accept Your Gay Son - Grant Andrews 2015-02-08

This book will give you all the tools you need to understand and accept your gay son. How can you accept your gay son? If you have just found out that your son is gay, or if you think he might be, you might find it overwhelming and have lots of questions and confusion. You might wonder what made him this way, or wonder what it means for his life. You could be feeling afraid, heartbroken or disappointed. Maybe you're hoping that this is just a phase that he will grow out of. You might even feel like you don't know who he is anymore and wonder if there is any way to truly accept him. Our parents have been there too. We struggled immensely with coming out to our parents, and they struggled to understand and accept us. That is why we

Downloaded from

decided to write this book. We both had deeply religious backgrounds and in our families being gay was never even talked about. When we realized that we were gay, we started out hating ourselves and trying everything to change. When we told our parents, they were angry and confused. They couldn't reconcile what they believed in about gay people with the fact that their own sons were gay. This book can help you to understand what being gay means. In the book, we offer all of the information that you need about what being gay means. We give you clear, direct, and no-nonsense answers to the questions you might still have, such as: - Is homosexuality a choice - Is there a way to change him? - Whose fault is it that my son is gay? - How does it relate to my religious views? - What does this mean for my son's future? Learn what to say to your son. It might be very difficult to know what the right thing is to say to your son when you find out he is gay. We offer many examples

of the types of things you can say during those difficult, awkward conversations. The dialogues we provide are written in loving, supportive language. You can use them to make sure that your son knows how you feel while talking to him in a way that can make your relationship stronger. There are a variety of these example dialogues for many different situations, including: - What to say if you think he might be gay - What to say when he comes out to you - What to say if he finds a partner - How to talk to him about your confusion - What not to say if you want to keep your relationship intact - What to say to other family members Learn some practical steps to accept your son. The final section of the book gives you lots of clear, practical steps that you can take in order to learn to accept your son for who he is. Once you understand what it means to be gay, you can start the work of building a new and stronger relationship with your son. We give you guidelines to

overcome your discomfort and resources that you can rely on during your journey. Highly trained authors who are experts in the field We have personal experience as we both walked a long path with our parents once we came out. We also work in fields relevant to LGBT issues and family research. Grant Andrews is currently completing his PhD at the University of the Western Cape, with a focus on fatherhood and masculinities. He is a researcher and lecturer. His professional focus is on leadership development and capacity building. Malan van der Walt is a student

program coordinator at the University of Stellenbosch, working with young lesbian, gay, bisexual and transgender people. He studies psychology with a focus on gender and sexuality. He works as a counselor and runs support groups. Get this book today and start a journey of acceptance with your son We wrote this book to make sure that families have all of the resources they need to work through this difficult time. This book will give you vital tools to strengthen your bond with your gay son.
