Twenty-three year-old Arturo Fernandez believes he has his life figured out. Like most young men in his village of Colima, Mexico, his plan is simple. He envisions himself marrying his long term girlfriend as soon as his carpentry business has taken off, and together they would build a nice home and raise happy children. Then the wind blows an American woman into Arturo's path, and his life changes in ways so tragic that he finds himself considering the unthinkable. Laura Marie Spencer, a red-haired beauty from America is unwinding in Colima after a messy divorce from her wealthy husband when she happens to watch Arturo in an amateur boxing match. Impressed by his obvious passion and unmatched skill for the sport, Laura persuades Arturo to come to America with her where she promises to help

him pursue a professional boxing career. Laura asserts that Arturo is a gem buried in Colima soils and all he needs is a little polishing to make him shine. Though initially resistant, Arturo eventually concedes that Laura's offer is a God-sent opportunity that will help him achieve bigger dreams - like rescuing his family from the pangs of poverty. But when he arrives in America, his life is turned upside down with a force so powerful that it sends him careening on the edge of insanity. Instead of the fame, prosperity and success Laura had promised, Arturo is tossed into a path laced with sex, lies, deception and even murder. A golden opportunity turns into a fight for his life. How does a simple village carpenter from Mexico end up in a maximum prison in Florida charged with the murder of the very woman who had promised to nurture his dream? A shocking revelation from Laura's scandalous secret past might be Arturo's only saving grace...

Well, the producers convince

And what should be an easy

when he sets his sights on me.
Add to that a studio obsessed
with ratings, a bunch of nerdy

The Easiest Way to Meet and
Pick Up Girls-Ever!! - Dusty
White 2006-07-27

As of January 2014 I am taking
this book off of the market
forever. I stated when I wrote
this that it was not for mass
public distribution. This book
was always to be limited to
under 10,000 copies. Sales

have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight--without having to spend any money. Anyone can do this. You will approach women any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that,

how to grab her attention and focus it exclusively on you--and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

How To Get a Girl To Like You -

Willis Combs 2014-09-26

This is not a book about pick up lines, being taller, using pheromones, positive thinking B.S., or even going to the right places to meet single women. You see, the plain truth is that it is much more fruitful for you, if your work on making yourself attractive to women, than keep looking for the right places to meet women. If you can make yourself attractive to women, than you can effortlessly and naturally attract any and all women, regardless of any sausage fest conditions you may find yourself in. And without any hard work, black voodoo magic, or making a deal with the devil. In this book we will reveal all the dirty little secrets to making yourself attractive to every woman and shift your perspective from looking for women, to finding the right woman. Listen, there are 3

Good Pick Up Lines To Ask Someone Out

components we will go through in detail in this book, a philosophical, strategic, and behavioral component. You see, women aren't concerned with how good looking you are, or even how much money you make. This is why women date cheaters, criminals, and drug dealers. Look, if you can follow this simple guide to make yourself magnetic to every woman, it doesn't matter how good looking you are, your age, height, weight, ethnicity, race, religion, or creed. You will create recurring passive streams of sexy single women all banging on your door, wanting to hang out with you, date you, make out with you, and even sleep with you. In this book we will cover: - Why women like a-holes, jerks, and bad boys - How to talk to

women - How to be confident - How to be a ladies man - How to destroy approach anxiety - Exactly what to say her - How to ask her out - The #1 attraction killer - And more. Warning Yes, a warning. This is a blunt revelation of the plain truth to attracting women, and making yourself a magnet to every woman. This will offend the herd and if you cling to the delusional belief that leprechauns ride unicorns on rainbows, and if only you make more money, get in shape, get taller, hypnotize her, or use the right pickup line then you will attract women, good luck. But if your ready to climb aboard and get on the fast track to using a simple proven, blueprint to effortlessly, and naturally attract women, let us commence at once.
