Staying Well - Ron Frazer 2016-07-08

Health for \$1 per Day Even a dollar is too much. Good health can cost nothing. Optimal wellness can not be about expensive pills and tests. It includes fresh air, water, food, balanced exercise, and effective rest. Ideally, there is very little stress. It doesn't sound like your life, does it? You need this book. Dr. Frazer explores hundreds of solutions for busy families that are stressed, and compounding that stress with unhealthy activities and diets. The basic idea is to stop doing the things that are making you sick. That costs nothing. The book was written for Dr. Frazer's daughter who was, and is, a busy mom with a limited budget to care for two growing boys with their own ideas about diet and exercise. This is a reference book that a busy mom can turn to for a quick answer about many health concerns. The small price of this book will save you many dollars in health care costs.

other, and a dreaded sex talk with parents...boy crush in the room included. Pushing a relationship beyond the friend zone has never been so crazy... Each book in the Girlfriend Request series is STANDALONE: * The Girlfriend Request * The Boyfriend Bid *Surprise Me* - Anne Storm 2023-03-11 *Surprise Me* (Savage Vipers MC #3) by Anne Storm Kim I was a stranger to him, but I knew exactly who he was. My brother's friend. When I saw the opportunity to have him, I took it, even knowing the consequences could ruin us both. It was a decision I'd never regret. June I left on a family vacation the summer before senior year with an ache in my heart. Tripp couldn't come with us. He had to stay behind because if he gave up his prospect position with the Savage Vipers, he would never have another chance. I understood, but I also felt like maybe my leaving for the summer would be the end of us. Tripp I reassured June that her trip abroad wouldn't ruin us. In fact, I was planning on making her my old lady once she got back. By then, I hoped to have my patch and it would be nothing to make it official. Then, I met Kim. It was one night. One mistake. It changed everything. The entire course of my life that I once saw with June fell away in an instant. *Note: This bonus book dives into the past of the MC President's life, when Tripp was just a prospect. The timing of the storyline in this book is important to things that will happen in Book 4, *Baby Me* (which focuses on Tripp's life in the present timeline). While you can dive into book 4 without reading about his past with Kim and June, you will get much more out of that book if you read *Surprise Me* first.

Soul Snare - Charlene Yoder 2014-12-22

Clare James never intended to do more than visit museums and sketch the work of centuries of artists who had come before her when she signed up for a study abroad program in London, England. However, after her travel companion's belongings are nearly blown up under suspicious circumstances, she arrives at her flat where her new roommate bullies her at knifepoint.

Exhausted and scared, she is quickly disillusioned about her reasons for coming overseas. And then Lizbeth, a friend from the United States whose mother is British, shows up with a mysterious tale of a stolen family heirloom--a painting so small it could be hidden in the sole of a shoe. This painting could prove the existence of a lost royal heir and close the doors of one of London's largest churches forever. Intrigued like a modern Nancy Drew, she goes from decoding messages by candlelight in the dome of St. Paul's cathedral to avoiding capture by doodling caricatures of guests amidst the glitz of a grand country ball. In her quest to find the truth, can Clare stay connected to the unique voice God has given her to share her testimony with the other students in the program and solve the meaning of the miniature painting's existence without compromising her beliefs?
