[5 Simple Steps to Take Your Marriage from Good to Great - Terri L. Orbuch 2015-10-27](#)

Contrary to what you've been told, keeping a marriage successful does NOT take hard work! All it takes is making a few small changes over time. If you're feeling your good marriage is starting to show a little wear, zero in on those imperfections, right?WRONG! Focus on what's going well! Enhance the good aspects of your marriage and build on the solid foundation you already have. Dr. Orbuch debunks many common marriage myths and you'll find out who needs more compliments—men or women. Who falls in love faster—women or men? With engaging quizzes and checklists; easy-to-use tips; and new takeaways on compatibility, fighting fair, and relationship ruts, 5 Simple Steps to Take Your Marriage from Good to Great will give you perfect ways to say "I love you" and show you how to reignite the passion in your relationship. You'll find out why it's okay to go to bed mad and why you don't want to engage in kitchen sinking! The advice in this smart, entertaining book will help you put the excitement back in your marriage in no time, and you'll be amazed at how easy it will be. 5 Simple Steps to Take Your Marriage from Good to Great is based on the findings of a groundbreaking study directed by Dr. Orbuch, and funded by the National Institutes of Health. The study—of the same 373 married couples—began in 1986 and continues today. Dr. Orbuch is a professor, a renowned therapist, and a nationally recognized relationship expert known as The Love Doctor®.

Couples That Work - Jennifer Petriglieri 2019-10-10

Every couple wants a happy relationship and a meaningful career but how do we balance both? In *Couples that Work*, Professor Jennifer Petriglieri shifts away from the language of sacrifice and trade-offs and focuses on how couples can successfully tackle the challenges they will face throughout their lives—together. The book explores key questions like: - Can you and your partner have equally important careers or must you prioritise one over the other? - How can you juggle children or family commitments without sacrificing your work? - Does every decision require compromise or can you find solutions that benefit you both? Identifying common triggers and traps, and presenting engaging exercises to help you avoid and overcome them, this book will help every couple design their own unique way to combine love and work at every stage of their journey. 'Hugely insightful. All couples must read this now' Susan David, author of *Emotional Agility* 'Managing one career is hard enough; two often seems impossible. In this book, Jennifer shares what she's learned about how couples can not only survive but thrive' Adam Grant, author of *Originals*

Working with Relationship Triangles - 1996-10-04

Virtually all significant relationships are shadowed by a third party—another person, a competing distraction, or even a memory. This groundbreaking book provides clinicians with a hands-on guide to

working with many different kinds of relationship triangles in therapy with families, couples, and individuals. The authors show why triangles come into being, how to predict their evolving nature, and how they can be dealt with and resolved in treatment. A wealth of clinical case material and treatment suggestions illustrates how thinking in terms of threes, as well as individuals and dyads, can greatly increase therapeutic flexibility and effectiveness. The paperback edition includes a new series editor's note by Michael P. Nichols.

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on [fivelovelanguages.com](#). *The Five Love Languages* is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

I Want This to Work - Elizabeth Earnshaw 2023-06-13

A contemporary, culturally inclusive, and easy-to-digest relationship book for the modern age Today's generation is changing the rules about committed relationships—and looking to create more meaning within their lives. We are more selective before getting married, with more diverse families and family structures, and we've seen a significant drop in divorce rates. In this new environment, what couples need more than ever are effective, flexible tools to communicate, navigate hard times, and create deeper connections with each other. Renowned Gottman therapist Elizabeth Earnshaw has helped to transform countless relationships. With *I Want This to Work*, she presents her most timely and proven steps for relationship success. "We're in a cultural moment," she says, "where people are hungry to absorb the principles for healthy relationships. This book answers that call." Here, couples will learn how to work with the three challenges they must tackle to repair and strengthen their relationships: conflict, healing, and connection. In a supportive and relatable voice, Elizabeth simplifies complex concepts

and provides core insights, exercises, and reflections to take these tested principles from the page and into real life. Culturally tuned in, LGBTQIA+ friendly, and written for both married and unmarried couples, this new paperback edition of *I Want This to Work* brings us an accessible guide to relationship healing and creating enduring intimacy.

Selected stories of a French author.

Change and Risk in Employment Relationships - Patricia Leighton 2020

"With new technology, evolving business models and an increased diversity in working practices across organisations, we are facing changes to employment relationships on a scale that rival those of the so-called First Industrial Revolution. The changes are so dramatic, resulting not only in the need for workers to re-skill and adapt and for employers and policy-makers to rethink social protection provision, a complete reassessment of what we have come to know as traditional human resource management and employee relations is now required. In *Change and Risk in Employment Relationships*, the authors take a refreshing but realistic view of how contemporary work relationships are now organised and managed, and how these might evolve further in the future. Important questions that are addressed in the book include: 'who, precisely, is the employer?'; 'how do we now define a "career"?'; 'do we need to redefine or even discard ideas of "work engagement"?'; and 'what is now the psychological contract between employer and employee?'. Based on extensive research but written in an accessible and engaging style, each chapter in the book is clearly presented within a common framework, making it an ideal text to be used in the classroom and by practitioners alike. Elements include: the key issue; the regulations within different jurisdictions; interviews with key players and policy-makers; and a summary of what might come next. The book sets out how we might develop a fairer, robust and workable framework for the new economy"--

How to Make Your Long-Distance Relationship Work and Flourish - Tamsen Butler 2014

Relationships are tough, and putting states or even oceans between two people does not make things any easier. Although some long-distance relationships won't work, that doesn't mean you can't make yours successful and fulfilling. This guide will give your relationship the chance it deserves. You will learn how to establish the terms of your relationship, including how to know if you are ready to make this commitment, when to schedule phone calls, and how often you should visit. You will discover the essential relationship-building skills you need, including open communication, realistic expectations, and balanced emotional and physical intimacy. You will learn the best ways to share travel costs and what to do when visiting in order to make the most out of your limited time together. Long-distance relationships cannot be compared to other relationships, and this book gives couples who are living apart dozens of tips to keep that special spark alive.--From publisher description.

Love's Hidden Symmetry: What Makes Lo - Hellinger 2010-08-01

Relationships In Career Growth And Success - Cristy Kruml 2021-08-11

Many professionals can spend more time with their colleagues and co-workers in the office than they do with their spouses or families. Fostering healthy relationships in the workplace is critical to long-term career success and professional development. Relationships are a vital part of career growth and success. While it's important to have a robust network of contacts, the number of relationships you have matters far less than their quality. In this book, the author will walk you through the various tactics and methodologies for building quality professional connections, as well as the steps for maintaining them in the long term. He will guide you on how to find those people who you can trust—who push you to improve and serve as sounding boards for your ideas - and bring them into your inner circle. He will also discuss your role in leveraging these relationships into personal and professional success.

Working Relationships - Bob Lee Wall 1999

All it takes to ruin a great job is one bad relationship. For most working people, there is someone at work who makes life miserable a particular individual, a few co-workers, or worse, the boss. When things finally become intolerable what do you do? Packed with solid advice and practical tools, *Working Relationships* offers guidelines for making things better.

Happy Relationships - Lucy Beresford 2013-01-01

Psychotherapist Lucy Beresford gives practical guidance on how to have harmonious relationships with partners, family, in work or with yourself.

Cracking The Relationship Code - Merle Singer 2018-01-03

People have a reflexive reaction to pain. They have all this pain and have no idea of the power they have to stop the pain and change the course of their lives. With just a little different perspective, they can stop dating those heart breakers and pick the man for them. Stop feeling so alone in your marriage and learn how to make the right stay or go decision. Learn to change your workplace to make it enjoyable if not ideal. Go from victim to leader. It's so powerful.

The Mindful Couple - Robyn D. Walser 2009-02-14

All of us want to be fully accepted in our relationships, yet it can be difficult to fully accept our partners for who they are. This insightful guide for couples is based on a simple concept: Act out of kindness, love, and acceptance, and you will open your relationship for the creation of greater kindness, love, and acceptance. With strategies drawn from acceptance and commitment therapy (ACT), a powerful therapeutic approach, this book will help you identify your core values and discover, as a couple, the beauty that is available to you and your partner when you bring greater awareness and values-guided behavior to your relationship. Each chapter explores a key issue, such as passion, fidelity, and the balance between dependence and independence, and includes specific practices you can do alone or with your partner to help you build a vital relationship.

Couple Skills - Steve Keller 2019-03-13

Buy the Paperback Version of this Book and get the Kindle Book version for FREE. If you want to improve your relationship in a stable and effective way, avoiding situations of chaos and conflict, lack of trust, jealousy, boredom and second thoughts, then keep reading. No relationship is ever completely free of problems. Life happens and it can bring all sorts of chaos your way. The days can be full of arguments and quarrels and it may seem that your partner does everything to make things worse. Every little misunderstanding can become a pretext to quarrel, and intimacy seems to have vanished. Or maybe you're starting a new relationship and you want everything to go smoothly from the beginning. You want to know yourself better and establish a deep connection right away, and avoid being found bored, tired, and doubtful by those close to you. Quiet, You Finally Have Access To All The Tips It Takes To Make Your Relationship Happy And Harmonious! With **Couple Skills You Can:** *Learning more about your partner and their relationship expectations.*Discover how the past can dictate handling the present and future.*How to create a great relationship no matter how bad past ones have been.*Learn ways to communicate that go deeper than words. **Couple Skills** will teach you the secrets of creating a strong, loving, committed relationship through communication skills that every long-standing marriage has learned over time. You'll get all the tips and step-by-step instruction needed to see nearly immediate improvements in communicating the needs, wants, and desires of you and your partner. You'll also enjoy a multitude of ideas for ways to connect, reconnect, and stay connected on a level you've never experienced previously. Explore everything from emotions to the deeper meanings of partner appreciation. No stone is left unturned in bringing you the most relevant ways to improve day-to-day communications and methods to get your relationship goals back on the same page. Get this book and:
*Discover why seemingly good relationships end up in conflict.*Learn the most effective ways to stop conflict right away.*Find out how to tap into the wisdom of long-standing relationships and develop the skills you need to live happy and harmonious lives.*Discover TONS of ways to keep your relationship fresh and fun.*Learn new ways of making your partner feel valued and appreciated.*Find out how to avoid the no-no's that can kill a relationship.*Get the best trust-building tips available that WORK!*Discover how to safeguard your relationship from problems by setting the right foundation. Even if you believe you have lost all hope and do not think you can re-establish your relationship, **Couple Skills** will help you take on these challenges as a TEAM and enable you to grow together over the years. You will finally have every bit of information you need at your fingertips to get your relationship back on track and healthier than it's ever been. You may not see a transformation overnight, but if you put daily effort and employ only a FEW of the tactics presented in this book to use, you WILL see positive results. It's time to infuse your relationship with hope and begin planting the seeds of love that will bring you both together in amazing ways. Scroll up and click the "buy now" button and get ready to take your relationship to a higher level of compatibility than ever before. Your relationship deserves every chance to succeed and this book can get you there!

Power Relationships - Andrew Sobel 2014-01-13

The Relationship Laws that Drive Success There are powerful but invisible laws that determine whether your relationships —with your

clients, colleagues, and friends—will thrive or wither. These relationship laws are ever-present. When you align with them, the results are dramatic. Your network will grow rapidly. You'll be seen by clients as a trusted partner rather than an expense to be managed. And you'll find the people around you eager to help you succeed. When you ignore the laws, however, your efforts will falter. Relationship building will seem like very hard work. *Power Relationships* gives readers a unique, entertaining guide to relationship success at work and in life. Each of the 26 laws is illustrated and explained using a compelling, real-life story that shows how to implement it. The second section of the book presents 16 common relationship challenges with specific solutions. You'll read about: The top Citigroup executive whose relationship with a CEO was changed forever on a business trip that exploded into chaos, and how you can use the same principle to deepen your own relationships. The philanthropist who, on the verge of being mugged in a dark parking lot, learns how his actions have had an unimaginable ripple effect across several generations. How one of the authors flew halfway around the world and used Law 18—"Make them curious"—to turn a make-or-break, five-minute meeting with a top executive into a long-term relationship. The chance encounter on an airplane with a famous actor that revealed a simple but profound truth. It's Law 25: "Build your network before you need it." Sobel (author of *Clients for Life*, *All for One*, and *Power Questions* (with Panas)) and Panas (author of *Asking and Supremely Successful Selling*) have sold over half a million books and are the leading authorities in their field. *Power Relationships* is a unique, road-tested guide to relationship success.

Building Long-Term Relationships - John W. Loeff, Ph.D. 2007-06

Long-term relationships require many building blocks to make it work. Which ones need some work in your relationship? If you refuse to work on them, divorce could be next. Your choice!

Couple Skills (2nd Ed) - Matthew McKay 2006

Couple Skills will show you how to work smarter in your relationship. You'll learn to improve communication, cope better with problems, and resolve conflicts with the one you love in healthy and creative ways. Each chapter teaches you an essential skill that supports greater relationship satisfaction and deeper intimacy.

Exceptional Relationships - Brian Gleason 2012-09-25

The idea that partners in committed relationships elicit strong reactions in each other is self evident. That these passions are often overlooked in the therapy room is equally a reality. In this ground-breaking book, you will discover an innovative system for helping couples discover all of who they are. The Gleasons ask you to reconsider what it means to trust your intuition, make room for strong energies, work with the body, bring sexuality into the therapy room, and to elicit full emotional expression. Here you will learn to welcome the passionate, erotic, chaotic truths that are often kept under wraps in the therapy room. *Exceptional Couples: Transformation Through Embodied Couples Work* synthesizes modern developmental theories with the wisdom of somatic psychotherapy and reveals how embodying is fundamental to helping couples break their patterns of vitality destroying habits of interacting. The Gleasons invite you on a journey of the highest magnitude where couples can come fully alive. They generously open the door to their practice room, sharing in-depth case examples and effective strategies they've developed over the course of their careers. They ask you to come along with them and live in the mystery of yet-to-be discovered places in every relationship. The Gleasons met in 1976 in clinical social work graduate school. They have devoted their lives to exploring how couples, including themselves, can have exceptional (beyond the ordinary) relationships.
