Badass Christian - Kyle Alexander 2012-12-28

An old African American grandmother tries to instill spiritual values in her willful naïve granddaughter before she dies, but Sugar would need more than old wives' tales for her Gen-X, dirty-south world, she would need faith of her own.

Superhero of Love - Bridget Fonger 2018-12-31

Broken hearts not only hurt us and those around us, they keep us from being our most mighty selves. Inside each of us is our very own Superhero of Love who knows that the source of love is not outside but right inside each and every one of us. Superhero of Love offers the nuts and bolts to heal your broken heart and to break old patterns but also offers a path for transformation and possibility. It goes beyond healing toward the ultimate possibility of making everything - including love - work better. This book helps clear the decks by shedding light on the shadow-filled, broken pieces of the reader's heart to bring them to an even stronger, healthier, more powerful place. The author shares her personal experience of going through a painful breakup and presents a five-part superhero method for recovery. Readers will develop and hone their powers of Super Sight, Super Hearing, Super Humility, Super Self-Love, and Super Alignment to build their connection to their own hearts, the ultimate source of love in their lives.

The Thinking Girl's Guide to the Right Guy -

Joanne Davila 2016-02-08

Why can't I get a guy to like me? Should I hook up with him? How can I make this relationship work? While young women today are more savvy and independent than ever, most still want a partner--someone to share a romance with, or maybe even a lifetime. But all too often, their relationships crash and burn. This empowering guide shows women how to shift focus, so instead of trying to be what he wants, they can figure out what they need to be happy and fulfilled--and whether he has what it takes. Vivid,

realistic stories of diverse women in their 20s are interwoven with evidence-based tools designed to help readers build confidence and achieve their goals. An exciting, caring, and respectful relationship is possible--here's how to take control and make it happen.

Revival in the Rockies - Robert A. Allen
2022-07-15

Volatile politics of the Reagan era connect America's female terrorist group to a plot to set off the feared super volcano in Yellowstone Park. A young Native American girl running for governor of Montana and the pianist for a Southern gospel quartet discover and spoil the plot during a revival in the Montana Rockies. They also discover one another. But he is a potential FBI agent from Washington, DC, and she is a rodeo queen from Montana. The course of love does not run smoothly, but a love for Big Sky Country and a drink of creek water brings them together.

Rebellion - Phil Cantrill 2013-10-04

For thirteen years, Prince Erech of Athenai has lived as a hostage of the Empire. On the eve of his much-anticipated release, Erech is severely wounded by Imperial guards who have mistaken him for an assassin intent on slaying their crown prince. Furious to learn of his son's injuries, King Pandion refuses the Imperial demand to send another hostage. Such defiance can only be interpreted as an act of war? a war he cannot hope to win. Only Erech, tutored in the empire's sciences, has the knowledge and skills to save his homeland. But first he must content with the machinations of his nemesis, Al-Jinn, the evil high priest of Bel? not to mention those of Queen Zeuxippe, his own scheming mother. With only limited time, Erech and his twin brother Boutes call on their every skill, friendship, and honor debt. As war looms, Boutes sets out on a desperate search for allies in faraway lands. At home, Erech slowly recuperates, worried that he will not have the strength needed for the final battle. Even with help from unexpected quarters

Pandion's forces, still vastly outnumbered, must test to their utmost the friendships, skills and knowledge Erech gained while a hostage if they are to avoid annihilation by a ruthless enemy.

The Nature of Small Birds - Susie Finkbeiner
2021-07-06

"Finkbeiner has deftly written this narrative of ordinary people finding their way, set against a backdrop of global upheaval and war; the characters are realistic and vibrant. Readers looking for realist family stories with a subtle thread of faith . . . will want to read Finkbeiner's latest."--Library Journal starred review *** In 1975, three thousand children were airlifted out of Saigon to be adopted into Western homes. When Mindy, one of those children, announces her plans to return to Vietnam to find her birth mother, her loving adopted family is suddenly thrown back to the events surrounding her unconventional arrival in their lives. Though her father supports Mindy's desire to meet her family of origin, he struggles privately with an unsettling fear that he'll lose the daughter he's poured his heart into. Mindy's mother undergoes the emotional rollercoaster inherent in the adoption of a child from a war-torn country, discovering the joy hidden amid the difficulties. And Mindy's sister helps her sort through relics that whisper of the effect the trauma of war has had on their family--but also speak of the beauty of overcoming. Told through three strong voices in three compelling timelines, *The Nature of Small Birds* is a hopeful story that explores the meaning of family far beyond genetic code. "A balanced story that's rich with nuance and gentle emotions."--Foreword Reviews "Readers who enjoy the work of Karen Kingsbury will want to take a look."--Publishers Weekly

Nobody's Cuter than You - Melanie Shankle
2015-04-07

There is nothing as precious in life as a friend who knows you and loves you in spite of yourself. Yet over the last couple of decades, we've substituted the joy of real friendship with cheap imitations. We settle for "community" on Facebook and Twitter and a series of text

messages that allow us to communicate with someone without the commitment. We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community. But real friendship requires effort. It's showing up, laughing loud, and crying hard. It's forgiving and loving and giving the benefit of the doubt. It's making a casserole, doing a carpool pickup, and making sure she knows those cute shoes are 50 percent off. Written in the same comedic style as the New York Times bestsellers *Sparkly Green Earrings* and *The Antelope in the Living Room*, *Nobody's Cuter than You* is a laugh-out-loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments. From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better, Melanie Shankle reveals the influence our friends have on who we were, who we are, and who we will become. And on a day when our jeans feel too tight, our chins have decided to embrace hormone-related acne reminiscent of our teen years, and our kids have tested the limits of our sanity, they are the ones who will look at us and say, "Nobody's cuter than you!"

Unconditional Love - Jane Isay 2018-03-06
A beautiful meditation on the joys of being a grandparent and a practical guide to help you and your adult children make the most of your relationship with a grandchild. For many grandparents, a grandchild offers a second chance to become the parent they didn't have the time or the energy to be when raising their own children. Being a grandparent, family relationships expert Jane Isay argues, is the opportunity to turn missed opportunities into delight. Drawing on her personal experience, dozens of interviews, and the latest findings in psychology, Isay shows how a grandparent can use his or her unique perspective and experience to create a deep and lasting bond that will echo throughout a grandchild's life. She explores the realities of today's multigenerational families, identifying problems and offering solutions to enhance love, trust, and understanding between grandparents, parents, and grandchildren. She also offers a wealth of practical advice, from when to get involved, when to stay away, and how to foster a strong relationship when you're separated by long distance. Unconditional Love advocates for honest conversation, thinking in the long run and healing breaches in order to be together, understanding that most of us try to do our best and need to be forgiven if we fail. Isay argues that secrets and surprises may tilt the boat but won't necessarily sink it and that grandparents and their grown children are happier when they give each other the benefit of the doubt. Most importantly, she writes, the advent of grandchildren offers families the opportunity for healing and redemption—if we seize the moment. In lovely prose and through delightful stories, Isay shows us how we can. A great gift for grandparents-to-be and a wonderful resource for all, Unconditional Love is a beautiful and psychologically astute look at what it means to be an engaged grandparent.

Love for the Librarian - Hope Wolf 2023-10-25

Good Trouble - Joe Biel 2016-03-15
In 1996, everything about Joe Biel's life seemed like a mistake. He was 18, he lived in Cleveland, he got drunk every day, and he had mystery health problems and weird social tics. All his friends' lives were as bad or worse. To escape a nihilistic, apocalyptic worldview and to bring reading and documentation into a communal punk scene, he started assembling zines and bringing them in milk crates to underground punk shows. Eventually this became Microcosm Publishing. But Biel's head for math was stronger than his ability to relate to people, and it wasn't until he was diagnosed with Asperger's Syndrome that it all began to fall into place. This is the story of how, over 20 years, one person turned a litany of continuing mistakes and seeming wrong turns into a happy, fulfilled life and a thriving publishing business that defies all odds.

The Long-Distance Relationship Survival Guide - Chris Bell 2012-01-04

Skyrocketing phone bills. Layovers and missed flights. Countless hours spent pining, worrying, and wondering, Why do we do this to ourselves?

Long-distance love can be one challenge after another, but as most committed couples will tell you, the rewards well outweigh the stresses.

In this sensitive yet sensible guide, long-distance veterans Chris and Kate provide strategies for making the distance seem shorter and outline eight essential skills for relationship success:

Communicating effectively Establishing mutual goals and expectations Dealing with issues of trust, fidelity, and independence Having fun in spite of the distance Managing time, schedules, and stress Keeping the relationship real

Balancing sex and emotional intimacy Making the transition to same-city living Based on interviews with more than 100 couples and packed with knowledgeable tips and honest advice, THE LONG-DISTANCE RELATIONSHIP SURVIVAL GUIDE proves that, with patience and dedication, a loving relationship can not only survive but also thrive across the miles.

A Ray of Hope - Ebony Aiken 2015-01-15

Fifteen-year-old Essence Imani Harris can't believe it. Her parents have both been called to a fifteen-month military deployment to fight the war in Afghanistan. She, her older brother, and younger sister must leave their home and friends in San Antonio, Texas to live with their aunt and uncle in Mississippi. Essence, nicknamed CeCe, wrestles with this change and the physical separation from both parents. After moving in with their aunt and uncle, the siblings begin to build lives for themselves in Mississippi. CeCe learns her aunt may be infertile, and the couple desperately want children of their own. This situation creates stress for all in household. CeCe holds things together, overcoming the stress and tension through her faith and examples from her mother and her aunt. Recognizing where she is, and not knowing what lies ahead CeCe re-commits her life to Christ, and she is tested by life's trials. Seemingly, the gates of hell open and CeCe deals with death,

loss, and some of her deepest fears. During this trying period, she bonds with her aunt's parents who become surrogate grandparents to CeCe and her siblings. An answer to prayer, CeCe's new grandparents help keep the family rooted in Christ and give them needed reality checks. With all that life throws at CeCe, will she find a ray of hope?

Professor Kelli's Guide to Finding a Husband - M. S. W. Kelli Miller 2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okarats was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I've been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.
