Lovers at Heart (The Bradens: Love in Bloom Steamy Contemporary Romance) Original Edition - Melissa Foster 2014-03-07

This book has been rewritten as LOVERS AT HEART, REIMAGINED, now available on this retailer. In LOVERS AT HEART... Billionaire Treat Braden is used to getting what he wants. When Max Armstrong walked into his life six months earlier, he saw right through the efficient and capable façade she wore like a shield, to the sweet, sensual woman who lay beneath. She sparked an unfamiliar desire in him for more than a one-night stand, leaving his heart reeling and his blood boiling. But one mistake caused her to turn away, and now, after six months of longing for the one woman he

cannot have, he's going home to try to forget her all together. Max Armstrong has a successful career, a comfortable lifestyle, and she's never needed a man to help her find her way--until Treat Braden caught her attention at a wedding in Nassau, causing a surge of emotions too reminiscent of the painful past she'd spent years trying to forget. Max will do anything to avoid reliving that pain--including forgoing her toe-curling, heart-pounding desire for Treat. When a chance encounter turns into a night of intense passion, Treat realizes that the mistake he made six months earlier may cause him to lose Max completely. He will do everything within his power to win her heart forever--and Max is forced to face her hurtful past head on for the

man she cannot help but love. All BRADEN novels can be read as stand-alone books or as part of the larger series. wanted to break up the relationship. If you spent all of your time being a nice guy, and then your girlfriend left you for a jerk, it can leave you thinking that she will eventually learn her lesson and want you back. So you hang out by the phone or on Facebook, waiting for her to give you some clue that things are not going so well. Or you text her and call her all day thinking if you show her how much nicer you are than the new guy that she will realize it and ask you to take her back. If this sounds familiar, it is time for some reverse psychology. Over here in this book, we'll show you some practical tips and advises to make it happen quickly. Book Content Includes: Chapter 1 - How to Get Back With Your Ex-Girlfriend Even If She Says it is Over Chapter 2 - Is it Worth Getting Back With Your Ex Even If She Cheated? Chapter 3 - How to Get Back With Your Ex Girlfriend and Win Her Heart Again Chapter 4 - Getting Back With Your Ex Can Be a Little Fun Chapter 5 - How You Can Get Your Ex Back Using Psychological

Advantage Chapter 6 - Be Aware of These Mistakes Chapter 7 - How to Get Back With An Ex Quickly Chapter 8 - The Magic of Making Up [Visualising Facebook](#) - Daniel Miller 2017-03-07 Since the growth of social media, human communication has become much more visual. This book presents a scholarly analysis of the images people post on a regular basis to Facebook. By including hundreds of examples, readers can see for themselves the differences between postings from a village north of London, and those from a small town in Trinidad. Why do women respond so differently to becoming a mother in England from the way they do in Trinidad? How are values such as carnival and suburbia expressed visually? Based on an examination of over 20,000 images, the authors argue that phenomena such as selfies and memes must be analysed in their local context. The book aims to highlight the importance of visual images today in patrolling and controlling the moral values of populations, and explores

the changing role of photography from that of recording and representation, to that of communication, where an image not only documents an experience but also enhances it, making the moment itself more exciting.

[Why Mommy Drinks](#) - Gill Sims 2018-03-13

Why Mommy Drinks is the brilliant novel from Gill Sims, the author of the online sensation Peter and Jane. Boy Child Peter, Girl Child Jane and Daddy have exciting adventures with Mommy. Daddy likes gadgets. Peter and Jane like starting fires, trying to kill each other and driving Mommy to drink. Written from the point of view of an exhausted mommy at the end of the day, it's honest, it's funny, and it's a little bit sweary. It is Mommy's 39th birthday. She is staring down the barrel at a future of people asking if she wants to come to their yoga class, and book clubs, where everyone is wearing statement scarves and they are all 'tiddly' after a glass of Pinot Grigio. But Mommy does not want to go quietly into that good night of women with sensible haircuts who 'live for their children', boasting about Boy Child and Girl Child's achievements. Instead, she clutches a large glass of wine, muttering FML over and over, and then remembers the gem of an idea she's had...
