

How To Get The Physical Attraction Back In A Relationship

Deeper Dating - Ken Page 2014-12-30

With exercises, practical tools, and inspiring stories, *Deeper Dating* will guide you on a journey to find the love—and personal fulfillment—you long for. Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In *Deeper Dating*, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. *Deeper Dating* guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . *Deeper Dating* integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

[The Naked Marriage](#) - Dave Willis 2019-02-12

"Now the man and his wife were both naked, but they felt no shame." (Genesis 2:25) Imagine a marriage with complete intimacy, vulnerability, transparency and trust. Imagine a marriage rooted in faith, friendship and mutual fulfillment. Imagine a marriage with amazing sex, but where great sex is only the icing on the cake. This might all sound too good to be true, but it's actually what God designed marriage to be, and He doesn't want you settling for anything less. Having a 'Naked Marriage' is about much more than just nakedness in the bedroom (although that's

part of the fun). It means being naked emotionally and spiritually as well as physically. It also means undressing all the misconceptions our culture has used to cover God's original, beautiful design for marriage and rediscovering all marriage can be. You and your spouse can have a thriving, Naked Marriage with a lifetime of love and laughter together. This book will show you how. About the Authors: Dave and Ashley Willis have become some of America's most trusted teachers on marriage. Their books, blogs, videos and speaking events reach millions of couples worldwide. They are part of the team at XO Marriage and MarriageToday, which is the largest marriage-focused ministry in the USA. Dave and Ashley have four young sons and live near Dallas, TX.

After She Leaves: Simple Steps to Winning Her Back - Troy C Wilson

Choosing Marriage - Debra Fileta 2018-05-01

Is Marriage Worth it? Many couples say "I do" with a combination of high hopes and fairy tale fantasies—but there's a difference between the expectations of marriage and the reality of what marriage holds. Whether you're married, single, or dating, now is the time to ask yourself: What steps can I take today to build an incredible marriage for tomorrow? With compassion and clarity, licensed counselor and relationship expert Debra Fileta shows that when we can work through the struggles of marriage, we get to experience the joys! Learn about eight powerful choices that will encourage and equip you to take your marriage from average to exceptional and find astonishing survey results from thousands of singles and couples on topics like love and attraction, sex, conflict, and communication. A beautiful exchange occurs when you learn what it means to choose me before me. Discover practical steps

that will give you confidence and courage on the adventure of Choosing Marriage.

Dr. Seth's Love Prescription - Seth Meyers 2010-11-18

The landscape of love is littered with people injured by love time and time again. And so they hobble from one bad relationship to another. But it doesn't have to be that way. Noted psychologist Seth Meyers, PsyD-- aka Dr. Seth--has developed a foolproof four-step cure for Relationship Repetition Syndrome (RRS). With this book, you can avoid making the same mistakes in your love life over and over again. With behavioral exercises and questionnaires designed to reveal the RRS behaviors that sabotage love, you'll learn why your relationships have failed, and how you can love more wisely--and happily--the next time. Armed with Dr. Seth's unique love action plan, you can put the pain of dead-end relationships behind you and find true love that lasts--forever cured of RRS!

The Science of Trust: Emotional Attunement for Couples - John M. Gottman 2011-05-09

An eminent therapist explains what makes couples compatible and how to sustain a happy marriage. For the past thirty-five years, John Gottman's research has been internationally recognized for its unprecedented ability to precisely measure interactive processes in couples and to predict the long-term success or failure of relationships. In this groundbreaking book, he presents a new approach to understanding and changing couples: a fundamental social skill called "emotional attunement," which describes a couple's ability to fully process and move on from negative emotional events, ultimately creating a stronger relationship. Gottman draws from this longitudinal research and theory to show how emotional attunement can downregulate negative affect, help couples focus on positive traits and memories, and even help prevent domestic violence. He offers a detailed intervention devised to cultivate attunement, thereby helping couples connect, respect, and show affection. Emotional attunement is extended to tackle the subjects of flooding, the story we tell ourselves about our relationship, conflict, personality, changing relationships, and gender.

Gottman also explains how to create emotional attunement when it is missing, to lay a foundation that will carry the relationship through difficult times. Gottman encourages couples to cultivate attunement through awareness, tolerance, understanding, non-defensive listening, and empathy. These qualities, he argues, inspire confidence in couples, and the sense that despite the inevitable struggles, the relationship is enduring and resilient. This book, an essential follow-up to his 1999 *The Marriage Clinic*, offers therapists, students, and researchers detailed intervention for working with couples, and offers couples a roadmap to a stronger future together.

Love Connections - Bryan Bruce 2020-11-08

How Well Do You Know Your Partner? Take it or leave it knowing your partner is all about connection; connecting on a deep level that encompasses all the different aspects of your being. Everyone who desires to be loved and cherished looks for more than just a spouse or a companion. You want a soul mate; you want a connection with your spouse such that it defies all logical explanation. And the foundation of having a true soul mate is that deep connection that incorporates the physical, mental, emotional, and spiritual aspects of your being. This kind of connection or bond is the lifeblood of your relationship. This is the rock on which if you base your relationship; there are no marital problems that can separate you two. And that is because you both have come to know, understand, and appreciate one another fully and deeply. So you both will always bounce back. *Love Connections*, will help you and your spouse understand each other on these four levels and be able to deepen your relationship. You will discover how to build trust for one another and why just basing your relationship on purely physical attraction is a recipe for disaster. By the time you are through reading this book you will-- Come to understand and appreciate your spouse and see him/her in a new light - Understand why all four aspects of your being are required for a perfect union with your spouse- Learn to focus on the things that matter between you and your spouse's such as true intimacy and friendship. Just these two alone can help you navigate most of the problems that couples face daily - Understand what true soul mate

really means and how to not just be a good soul mate but also maintain that connection well into your old age.

Life Force - Tony Robbins 2022-02-08

"Increase your energy, strength, vitality, health span, & power"--Jacket.

The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which.

Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target.

Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

Still Life with Woodpecker - Tom Robbins 2003-06-17

"Robbins's comic philosophical musings reveal a flamboyant genius."—People Still Life with Woodpecker is a sort of a love story that takes place inside a pack of Camel cigarettes. It reveals the purpose of the moon, explains the difference between criminals and outlaws, examines the conflict between social activism and romantic individualism, and paints a portrait of contemporary society that includes powerful Arabs, exiled royalty, and pregnant cheerleaders. It also deals

with the problem of redheads.

Getting Back Together: The Secret to Seduce and Make Your Ex to Fall in Love With You Again - Deanna M. Roberts 2014-03

Are you despondent over a recent break up? Do you want your ex back but are afraid that they will not give you the time of day? Before you start to beg them to take you back, read this book! There is a right way to get your ex back and wrong way. Begging and pleading never works but seduction does. Use the tips in our book to make your ex fall in love with you all over again. Subtle seduction is the key to getting back what you lost. With this book you will be able to get your ex back, building a whole new relationship with your ex. With just a few changes, you can make yourself irresistible to your ex, who will happily want to come back into your life. If you want your ex back and are willing to work for it, you will get them back. Find out how to get over a break up by getting your ex back.

Think Better, Feel Better - Gwen Roberts 2004-08-05

Get Your Ex Back or Recover: & Heal Your Broken Heart - Vincent Bos 2019-03-25

Are you suffering from heartbreak? Do you want your ex back? This book will give advice and support on your journey to recover from heartbreak. It's written from personal experience and years of research, in an effort to deliver the best information. The words you read will help you recover from a break-up, and try to help you get your ex back (if you want to). With or without them, you can have a positive future.

Attraction Explained - Viren Swami 2021-02-11

When it comes to relationships, there's no shortage of advice from self-help 'experts', pick-up artists, and glossy magazines. But modern-day myths of attraction often have no basis in fact or - worse - are rooted in little more than misogyny. Based on science rather than self-help clichés, psychologist Viren Swami debunks these myths and draws on cutting-edge research to provide a ground-breaking and evidence-based account of relationship formation. At the core of this book is a very simple idea: there are no 'laws of attraction', no fool-proof methods or strategies for

getting someone to date you. But this isn't to say that there's nothing to be gained from studying attraction. Based on science rather than self-help clichés, *Attraction Explained* looks at how factors such as geography, physical appearance, reciprocity, and similarity affect who we fall for and why. With updated statistics, this second edition also includes new content on online dating, queer relationships, racism in dating, shyness, and individual differences. It remains an engaging and accessible introduction to attraction relationship formation for professionals, students, and general readers.

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on fivelovelanguages.com. *The Five Love Languages* is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Evolutionary Forensic Psychology - Joshua Duntley 2008-08-20

The field of forensic psychology explores the intersection of psychology and the law. The purpose of this book is to examine topics in the field using the powerful, multidisciplinary, conceptually integrated approach

that the natural sciences have embraced for decades with great success. Darwin's theory of evolution by natural selection is the meta-theoretical framework that unifies the field of biology. It unites research and understanding of the development, control, and organization of behavior. The study of humans, which includes all of the social sciences, is part of the field of biology. Darwin's theory provides a powerful meta-theoretical framework that can unify and energize forensic psychology, just as it has the biological sciences. Evolutionary processes undoubtedly shaped physiological characteristics to help solve problems of survival and reproduction. The lungs, for example, with their vast surface area and moist membranes are marvelous adaptations for extracting oxygen and releasing carbon dioxide. Natural selection is the only known process capable of shaping complex functional mechanisms. Just as it shaped physiological adaptations with specific problem-solving functions, it also shaped our thoughts and emotions to guide behaviors toward solving recurrent problems of survival and reproduction. With this logic, we can use knowledge of ancestral problems to guide our understanding of how the mind works. *Evolutionary Forensic Psychology* is a necessary step toward a unified and complete understanding of psychology and the law. It recognizes that crimes such as murder, non-lethal violence, rape, and theft are manifestations of evolutionarily recurrent selection when they gave individuals an advantage in competition for resources. Each of the chapters that comprise this volume has been selected to provide the first unified examination of important research contributions and future directions of *Evolutionary Forensic Psychology*.

The Developmental Course of Romantic Relationships - Brian G. Ogolsky 2013-07-18

Recipient of the 2014 International Association for Relationship Researchers Book Award! This multidisciplinary text highlights the development of romantic relationships, from initiation to commitment or demise, by highlighting the historical context, current research and theory, and diversity of patterns. Engagingly written with colorful examples, the authors examine the joy, stress, power-struggles, intimacy, and aggression that characterize these relationships. Readers gain a

better understanding as to why, even after the pain and suffering associated with a breakup, most of us go right back out and start again. Relationships are examined through an interdisciplinary lens –psychological, sociological, environmental and communicative perspectives are all considered. End of chapter summaries, lists of key concepts, and additional readings serve as a review. As a whole the book explores what precipitates success or failure of these relationships and how this has changed over time. Highlights of the book's coverage: Incorporates both cross-sex and same-sex romantic relationships Examines the roles of gender, race, class, culture, age, and sexuality in relationship development Looks at multiple types of romantic relationships in emerging adulthood, including dating and cohabitation Explores both positive and negative relational processes Analyzes the latest and most important scholarship. The book opens with an introduction followed by a historical overview of the development of relationships. Next relationship development models are examined including the influence of social factors and the interaction of the partners involved. This volume examines how partners initiate romantic relationships, including infatuation, sexual attraction, and the impact of technology; how cohabitation affects the quality of the future of the relationship; and the individual, social, and circumstantial factors that predict stability or break-ups in romantic relationships. The book ends with an examination of the "dark side" of relationships, and suggestions for future research on romantic pairings. Intended as a supplement for advanced undergraduate or graduate courses in marriage and family, personal/close/intimate relationships, or interpersonal/family communication taught in human development and family studies, psychology, social work, sociology, communication, counseling and therapy, this book also appeals to researchers and practitioners interested in the romantic relationship processes.

Magnetic Partners - Stephen Betchen 2010-05-18

Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried

everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to:

- Identify the core master conflict that is causing your relationship problems
- Understand the origins of your conflict and how it drew you to your partner
- Diagnose how the conflict is now pushing you apart
- Come to new terms with the conflict to save your relationship

As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience.

Partners

Sealing the Deal - Diana Kirschner 2011-02-14

Through her bestseller, *Love in 90 Days*, Dr. Diana Kirschner helped thousands of women find true love. Now she has written the perfect follow-up: *SEALING THE DEAL*, a unique guide to deepen any love relationship, to move from casual to committed, and ultimately to go from the anxiety of not knowing where things are going...to the security of fulfilling and lasting love. Love Mentor Dr. Diana offers revolutionary advice for finding-and keeping-the one you love: Create irresistible attraction and an atmosphere that men love to be around. Find out the single most important thing you can do to get a sincere commitment from the guy you want. Keep that crazy-in-love feeling going, no matter how long you've been together. Learn the secret to instantly resolving conflict with your man. Know when to have "the talk": Don't think it matters when you bring it up? Think again. Avoid the biggest mistake women make when he's "not ready" for a commitment Get your relationship back and better than ever, even if he has cheated If you have love problems, Dr. Diana has the solutions. This book is your key to creating your own happiest-ever-after now.

How to Be Happy Partners - Tina Tessina 2016-05-25

Written by the authors of *How to Be a Couple and Still Be Free*, this book is a handbook for couples who need tools to be happy in their relationships. It's a handbook on how to achieve mutual happiness, through cooperative negotiation and communication. Couples are led through a step-by-step process whereby each one learns how to take care of what he or she wants and care for a partner's happiness at the same time. The clear and concise instructions and guidelines teach couples the skills they need to create a mutually supportive partnership allowing each individual to be satisfied in their relationship. It is based on The Negotiation Tree, an ingenious tool that can help any couple turn a struggle or fight into a cooperative problem-solving session. The book is designed especially for: * People who seek a model for equal partnership. * Couples who want to transform struggle into teamwork. * Couples who are married, cohabiting, or dating. * Couples who are in a traditional or alternative relationship. *How to Be Happy Partners* is the perfect tool for designing and creating a relationship unique to your individual personalities and situation. With it, any couple can learn to work together to create a loving, sustainable, healthy, and happy partnership that both will treasure.
