Making Love Work Bruce Riley 2016-09-12 There are frustrated couples everywhere looking for solutions to the struggles they're facing in getting their relationship on good footing. Too often, it just slips away. The real problem is the inability to systematically build the relationship. Most relationships are rushed. Dr. Bruce is able to show you just how to move from a simple acquaintance to a lasting love. Each stage has an estimated length of time to establish a good knowledge of each other and to develop the qualities to build a great love. At the end of each chapter he challenges you to qualify your growth by specific measurements. If you don't pass, then you have to stay on that level by reapplying the principles taught. If you pass, then go to the next level and develop higher levels of trust, happiness, and consistency. Ultimately, each stage will take you to the place of being willing and able to make a life of commitment to each other by way of your demonstrated behavior and interactions. This book is a tool to fulfill your desires for the kind of love you have always wanted.

How To Make Your Relationship Work Anne Geraghty 2016-01-28 Falling in love is not something we actively do; it happens. Once in love, however, there's a lot we can do to keep that love healthy, fulfilling and very much alive. In fact one of the most powerful ways to improve the quality of our love lives and relationships is to take care of the love itself. This book describes how to find out what your relationship needs and how to provide for those needs in a series of practical exercises. It also explains why there are fights and difficulties in every relationship, and why frequently, the more deeply we have fallen in love, the more intense the conflict. This book also tells you how you can use the struggles of a relationship to discover more about your own love and what it needs. Learning how to love and be loved is one of the greatest adventures we humans can undertake. How to Make Your Relationship Work is an original and valuable guide on this journey.

Dynamics of Love and Relationships Jiro Chatelain 2020-01-24 *Strong Families Equal Strong Nations*This is a book that will prove very useful for people that aspire to happiness and satisfaction in all their relationships, marriages and effective decision making in life itself. It is a book for intending lovers, those who are struggling, and those who are still navigating around the path of healing. Before you move on or give up, you must find the problem in your relationship. It is only when you see the problem that you can fix it. Relationships can be likened to automobiles in this instance. It needs to be serviced. All the parts that make it up must function properly. If something is not working and the people involved are too lazy or not ready to work at it; it's going to come crashing down. We all know that it is more challenging to fix a dead car than to repair a little mechanical fault as soon as you discover it. Your situation may be quite different from others. You could be in a relationship with someone who doesn't feel as connected as you are to the relationship. At first, it will hurt deeply. You may begin to wonder if you are good enough. You'll have self-doubts and wonder why this person isn't proud of you like you are of them. They don't show you off. They aren't ready to let you into the deepest and darkest places of their lives. They aren't ready to take things to the next level. This could affect your self-image. It will rub off on your self-confidence, and you may start to resent the person you are in a relationship with. While it's easy to be hurt, angry, and upset, when someone is not ready to be committed to you, it has nothing to do with you. One mystery that life has offered us is the inability to get inside someone else's head. It's not possible to truly understand people's motives except when they tell you. This is why you shouldn't take the rejection personally. What if they are going through something? What if they aren't ready? These are just 'What If's?' But they could be people's realities. Some people are conscientious enough to block you out from whatever they are struggling with. They understand their inner fights. They seek healing and do not want to drag you into it. It becomes essential for them to set boundaries; create a wall and shield their hearts in it. You may think they are cold and unemotional. However, this is their way of blocking you from accessing those parts of them that still hurt. There are people that are hypocritical about it. Although they struggle with something, they are willing to let others in. And they find desperate people to be like prey. They use people's love to channel their pain, and this comes out toxic every time. You will always be at the receiving end of bad energy. There's nothing you will do that could ever be good enough. Once you are done with this set of people, you'll realize that they have transferred their pain to you. The cycle of brokenness is continued. There are people who were broken as children, through physical, sexual or emotional trauma. Until they heal from this trauma they cannot be in a healthy relationship because they are no health. Again, this is not your fault, but don't stay in a codependent or abusive relationship. It is essential to understand that people are at different stages in their lives. When you have feelings for someone, it's easy to remain in a relationship with them even if your relationship has no future. While it's incredible that you are sticking it out against all the odds, you need to ask yourself if that person is even in the same stage of life as you. If you examine this simple guidance from jiro, you will understand why this book is a necessary tool that will help you to identify what stage of life your partner is currently in and how crucial it is for the future of your relationship. It will also help you to have a more fulfilling life

Wired for Love Stan Tatkin 2012-01-02 "What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. Wired for Love is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their

partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "warring brain" mentality and toward a more cooperative "loving brain" understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships.

Wabi Sabi Love Arielle Ford 2012-01-03 Arielle Ford's Wabi Sabi Love follows the success of her international bestseller *The Soulmate Secret* by revealing how to make love last forever. Using the ancient Japanese idea of illuminating the beauty in imperfection (known as wabi sabi), Wabi Sabi Love provides all the tools necessary for you to experience more balance, harmony, and joy in your relationship than ever before. No matter what stage of your relationship, Arielle Ford delivers the secret to lasting love. To quote Deepak Chopra: "Wabi Sabi Love weds ancient wisdom and modern concerns to create the formula for a sustainable, loving relationship for years to come."

ACT with Love Russ Harris 2023-06-01 Build more compassionate, accepting, and loving relationships with acceptance and commitment therapy (ACT). Let's face it: Picture-perfect storybook romances don't exist in real life. Couples fight. Feelings of love wax and wane through the years. And the stress and tedium of everyday life and work can often drive a wedge between even the most devoted couples. So, how can you reignite passion and intimacy in your relationship, cultivate greater understanding and compassion between yourself and your partner, and bring the joy back to your love life? In this fully revised and updated edition of ACT with Love, therapist and world-renowned ACT expert Russ Harris shows how developing psychological flexibility—the ability to be in the present moment with openness, awareness, and focus, and to take effective action in line with one's values—can help you and your partner strengthen and deepen your relationship. Also included is new information on attachment theory, powerful mindfulness and self-compassion techniques, and assertiveness and boundary-setting skills. ACT with Love will show you how to: Let go of conflict, open up, and live fully in the present Use mindfulness to increase intimacy, connection, and understanding Resolve painful conflicts and reconcile long-standing differences Act on your values to build a rich and meaningful relationship If you're looking to increase feelings of intimacy, love, and connection with your partner, this book has everything you need to get started—together.

Aches, Pains, and Love Kira Lynne 2016-02 Are you living with chronic pain or illness, or both? Have you given up on having an intimate, romantic relationship? Twenty years ago, a doctor told Kira Lynne that she would never be able to have an intimate relationship due to her chronic health conditions. Having proven that doctor wrong, Kira set out to write a book for people living with chronic pain and illness who believe the door has closed on their prospects for love and relationships. Living with chronic pain and illness can feel overwhelming, never mind adding intimacy into the mix. Yet, even though hundreds of thousands of people in North America alone suffer from such conditions, very little has been published on dating and relationships for people with chronic pain and illness. *Aches, Pains, and Love* addresses that need with wisdom, compassion, and humour. This is a book about hope, especially for those who feel that a loving relationship is beyond their reach due to their health conditions. You can have a loving, fulfilling partnership when you live with chronic pain and illness. It is possible to live joyfully in spite of illness and pain, to make new friends, deepen connections, and find lasting love and companionship in an intimate relationship. Both entertaining and practical, *Aches, Pains, and Love* provides a step-by-step guide to getting the love you want, regardless of your physical condition. From creating a strong personal foundation to finding prospective partners, to dating, to sex and beyond, Kira offers a host of real-life stories, frank practical observations, and specific tools that will help you decide what you really desire in a loving relationship and guide you toward achieving that happiness.

Better Love Next Time J. M. Kearns 2010-03-16 *Better Love Next Time* offers help in coping with the pain and heartache of a bad breakup, but more than that, it reveals how to overcome the lingering damage that a broken relationship can leave behind - how to heal your romantic soul. J.M. Kearns presents a simple (and entertaining) way to diagnose what went wrong, so history won't have to repeat itself, and explains how to decode the "guide to compatibility" written in your own past. Witty, frank, and full of real-life stories, *Better Love Next Time* ensures that when you do find a new

love, you will arrive whole, renewed, and empowered to make it the one that lasts. In *Better Love Next Time*, J.M. Kearns discusses: how to deal with the "wall of pain" that is a broken heart, and what is waiting beyond the wall why "falling in love" too often doesn't lead to love; and how to change that how our attempts to avoid being cheated on again can make us choose exactly the wrong partners the real key to faithfulness in a partner the surprising toll that cheating takes on the cheater how a mismatch can trick you into feeling inadequate how to replace what you've lost after a breakup how good matches go bad - the ultimate scoop on how to make your next (good) match last. "Read it, people. J.M. Kearns's new book called *Better Love Next Time*... The book's main premise is that people often repeat the same mistakes in successive relationships, but if you can diagnose what really went wrong with your exes, you can have better relationships in the future." — Erin Meanley, *Glamour.com* "If you're searching for love, then you should start with this refreshingly intelligent and insightful dating guide." —Shari Low, *Daily Record* "Self-help books often make me skittish - but not this one. Kearns's advice is sound and good: he tells us to look inward, to be honest with ourselves, to stay the course. A chapter called *How Good Matches Go Bad* is, alone, worth the book's price...He says our demons will invariably rise up and try to disrupt ...It's important to learn to step back when you sense trouble 'and ask yourself, who is talking here?' Are there old grudges in play? Old hurts stinging? False lessons echoing that have nothing to do with the two of you?" —Susan Schwartz, *Montreal Gazette*

Falling In Love, Staying In Love Malcolm Stern 2014-07-09 In these difficult and challenging times we are asking more from our relationships than ever before. To build strong, lasting relationships, we need a new set of skills. *Falling in Love, Staying in Love* is a powerful and moving examination of relationships and how to make them work. [How To Be A Better Boyfriend](#) Bruce Bryans 2020-05-10 Discover How to Become Better 'Boyfriend Material' For a High-Quality Woman If you don't know how to be a good boyfriend or even how to make a woman fall in love with you (for good), then you probably feel a bit powerless when it comes to understanding women. But if you want to become an irresistible catch to your dream girl, you MUST do at least two things: 1. You must become the kind of man she can respect, and... 2. You need to know how to keep her happy in a relationship. Someday you WILL meet that special girl who possesses everything you've ever wanted in a woman. And if she's a high-quality woman, you know...The Total Package, you're probably only going to get ONE CHANCE to impress her. Attracting a Total 10 woman is one thing, but keeping her happy (and well-behaved) in a relationship is a whole different ballgame. You need to know how to keep her interested in you before you meet her, because living with the unforgettable memory of that one great girl you let get away may haunt you for the rest of your life. This is the sad reality that most guys know all too well. How to Make Your Girlfriend Happy and Keep Her Attracted to You Even after you figure out how to get a girlfriend, you must learn how to make your girlfriend happy while in a relationship. Building a relationship with your dream girl is quite different than learning how to attract women, but sadly, most guys fail to make the distinction. In *How To Be A Better Boyfriend*, you'll learn how to be a good boyfriend to a high-value woman, the secrets to making your girlfriend happy, and how to understand women in relationships. This is the best relationship advice for men who want to become better boyfriend material. Because let's face it; if that one-of-a-kind woman you want and love doesn't see you as "Boyfriend Material", your chances of building and maintaining a fun and fulfilling relationship with her are next to zero. Here's a quick peak at what you'll learn inside: The keys to making a woman happy without becoming her doormat or losing her romantic interest. (This will help you to avoid getting dumped or ending up in the dreaded "FRIEND-ZONE"!) You'll discover how to stop giving your power away to women, and what to do to get more RESPECT and affection from your girlfriend. The nine simple words that can make your girlfriend AMAZINGLY happy if you use them often. How women think and what their emotional needs are in a relationship. How to understand women and the one thing you can improve about yourself to make your girlfriend want you more. (Hint: It has nothing to do with your looks or how much money you make!) The answer to the age-old question of "what do women want" and how to be the man who can deliver it! How to cultivate a more cheat-proof, drama free relationship where the woman you desire wants nothing more than to treat you like a king. How to effectively deal with arguments and disagreements with your girlfriend like a man, and earn her unwavering loyalty. How to learn your girlfriend's love language so that she feels much more loved and appreciated. The secret to staying true and devoted to her while maintaining her interest and affections. This is a great way to strengthen your relationship with the woman you love. How to make her want you more by learning how to be romantic. And much, much more... Would You Like to Know More? Get started right away and learn how to become an irresistible catch to the woman of your dreams. Scroll to the top of the page and select the 'buy button' now.

[Marriage Communication Miracles 2 In 1](#) Nicolas Kelton 2019-11-08 Are you frustrated with your relationships falling apart when life and other commitments get in your way? Do you find yourself in relationships full of problems and anger? Or maybe you are in a relationship, but the butterflies you once felt aren't there anymore? The overwhelming feelings of frustration and pent up negative emotions toward your partner is uncomfortable. You may be asking yourself; I use to think my partner was perfect, am I falling out of Love with them? Everyone is going to ask themselves these exact questions at one point in their relationship, and it's 100%, not your fault for feeling this way. It can be scary and upsetting to think about. What people don't know is that Love changes over time in relationships. First, we have an exciting infatuation phase where your partner has no flaws, usually called the butterflies stage. Then after a few months to a few years, the infatuation stage disappears and turns into a different kind of Love. In 2001, Schwartz's study by the Harvard Psychiatry, "A theory of lasting relationships," describes a different kind of Love as a softer feeling - a warmth that fills you up and is even more satisfying comfort and constant feeling. Real lasting Love committed to their partner despite the obstacles they encounter along the way. Unfortunately, the majority of relationships don't even make it past the infatuation stage due to poor communications and disappointing high standards for the other partner. This book will help you understand the different types of Love we feel in relationships, and give you the keys to really understanding how to communicate Love effectively. You will be shown that Love is more than just a feeling, but a committed choice to stay with someone and face all the obstacles in the world. This Book Includes: Making Marriage Work: Secrets Of Happy Couples Nobody Tells You About The Art Of Marriage Communication: Communication Habits That Will Kill Your Relationship And How To Do It Better In this knowledgeable guide, you'll discover: How to use 6 simple principles to better your relationship - and how to do it without sacrificing the things you love to do The secret to getting the best results to communicate with your partner - and how to avoid long aimless arguments The 5 love languages we use to make sure we are loved - and how to use them to stop any common arguments The absolute 6 worst common mistakes in a relationship you are doing right now that are leading to more conflicts and destroying a loving relationship Why this one crucial mistake could hurt your chances with ever-lasting Love and how to avoid it How this little known fact is good for Love and how you can use it to your advantage What it takes for healthy couples to strengthen their Love and communication - and what struggling couples don't have How you can better your connection with your partner using this one golden rule and much, much more By relying on expert advice from therapists, this guide will show you how to communicate effectively, understand what true Love is, and lead you to better relationships. Love, Simplified Shmaya David 2020-04-03 Practical, Simple Steps to Make Love Bloom in Your Relationship, Now and Forever. The premise of *Love, Simplified* is that you can have a happy, stable, fulfilling, loving romantic relationship by cultivating a habit of love. Just as one forms habits to be successful in other areas of our lives, love is no different and needs to be worked at to ensure the deepest, most emotionally satisfying relationship. Says author Shmaya David, "If you desire to be an effective, loving person you have to form and manifest the right love habits." If you are in a relationship, whether it is new, old, great, good, mediocre or bad, the 10 Love Habits in *Love, Simplified* will help you make the changes that you need to make in order to rekindle or amp up your romantic connection. Why do so many fail when it comes to finding lasting love? Love should have been easy enough, yet so many fail at love. Why? We are all born with the capacity to love and the craving to be loved. So why are there so many unhappy and failed marriages? Why so many divorces? And even more important--what can you do to beat the statistics and succeed at love? *Love, Simplified* will give you the answers In this book you will find a new understanding of what love really is, and a set of practical, simple steps to make love bloom in your life and your relationship, now and forever. People tend to think of love as an emotion, and thus not governed by logic and rational choice. This may be true of falling in love, but mature love is more than just an emotion, and it can and should be approached with deliberate thought and purposeful intentions. This book is all about teaching you how to do that. The author considers himself blessed with unusual success in love having spent nearly four decades practicing loving relationships. He always believed that his approach to love could be beneficial to others as well. So, drawing on his experience as an executive coach and consultant, he developed a framework to translate his personal experience into a Universal one. The result is this book: *Love, Simplified*. "The breakthrough came when I had an epiphany," David explains. "I suddenly realized that the same principles that create Olympic athletes, high flying CEOs, world renowned artists and self-made millionaires govern your success in love and your ability to create and maintain long-lasting happy relationships." Practical Action Steps In this book, Shmaya tackles the abstract topic of love, and presents it in a direct and easy to understand style. He translates Universal success principles into ten simple 'Love Habits' that anyone can replicate to win the ultimate prize - a happy, stable, fulfilling loving relationship. Tackling one habit per chapter, the author begins by telling a short story about himself, then explains how that habit can help couples keep their love alive. At the end, he offers a thought-provoking exercise that will lead you to adapt your thinking and mindset to become a 'High Performance Loving Person'. By applying these practical action steps right away you will not only get the power to love your partner even more, but you'll also live a more joyful and meaningful life! There isn't one person that will not benefit from reading this insightful book. Discover the 10 Love Habits and start reading Chapter 1 now by clicking on Amazon's "Look Inside" feature then order your copy of *Love, Simplified*(available in Kindle and paperback).

How to Find the Right One and Make It Last! Charles A. Johnson 2012-04-24 Let me assure you that there is nothing wrong with you. We all want that special someone in our lives. But isn't it odd that one of life's most important lessons-How To Find The Right One & Make It Last-tends to receive the least amount of focus. It's no wonder why we have so little success attracting the love, passion, romance and fun that we all need and desire. This book will give you the necessary confidence and skills to find someone who really cares about you and ignites the fires deep within your soul! The problem for many busy and successful people is that they do not know where to find and meet the right partners, how to approach dating, or what it takes to build and sustain a healthy, loving relationship. To address these issues, I have taken a unique approach and have written this book about real people, like you, who struggle with finding love and the right companionship. Many who have used my techniques have been able to find happy rewarding relationships. This book provides real world experiences and proven dating strategies and techniques. It's a guide that can be used to change your life and bring you the romance and love you've always wanted. Inside this book there is a plan that shows you: Where to find the best potential partners. How to attract the right partner and determine if you've found the right one. How to plan, create and enjoy romantic, fun dates. How to build the confidence to take charge of your personal life and make your happiness a priority! If you are looking for help finding the right one or looking for ways to improve and enhance your current relationship, let me help you through your journey and show you the way! - Charles A.
