Now, readers everywhere will delight in the print edition as Dhaliwal seamlessly incorporates feminist philosophical concerns into a series of perfectly-paced strips that skewer perceived notions of femininity and contemporary cultural icons. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. For the most part, Woman World's residents are focused on their struggles with unrequited love and anxiety, not to mention that whole "survival of humanity" thing. Woman World is an uproarious and insightful graphic novel from a very talented and funny new voice.

**Attached** - Amir Levine 2012-01-05

"Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

**This Is Me** - Lindsay Taylor 2019-10-01

In this story we meet a girl. She used to be happy. But as she grew things did not feel quite right. She felt more like a boy than a girl. What would happen if she told people? Would they understand? Would they help? This illustrated children's story explains what it feels like to be a child who isn't happy in their own body. It is aimed at young children to share what it means to be transgender without using the term itself. The story could also be used in discussion with young children about what it feels to be different. This Is Me is inspired by a real story and a former teacher's desire to reach out to young children in schools to talk naturally and openly about gender identity and gender transitioning. How do you talk about sexual identity to a young child who does not yet know about sex? Is it right and appropriate to discuss sexual topics with young children? That's the point, this book is not about sex it is about self-esteem, self-awareness and self-identity: gender identity. With this understanding comes diversity and acceptance. This book easily finds a home at Your Stories Matter, alongside other diversities including dyslexia, dyspraxia, ADHD and autism. By sharing this book with young children, the aim is to make gender diversity no big deal and no different to accepting and respecting ethnic diversity, religious diversity and forms of neurodiversity. As with all of its books, the publisher - Your Stories Matter - aims to help people know they are not alone with what makes them different. If a young person or adult can relate to a story, it gives them hope and encourages them to share their concerns. The

publisher aims to provide free teaching resources for all of its books that can be used in schools, to help improve understanding and celebrate differences.

Everything I Know About Love - Dolly Alderton 2018-02-01

THE SUNDAY TIMES BESTSELLER & MAJOR BBC ONE TV SERIES 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day Award-winning journalist Dolly Alderton survived her twenties (just about) and in Everything I Know About Love, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of daftness' Amy Liptrot \*Winner of Autobiography of the Year at the National Book Awards 2018\* \*A Waterstones Paperback of the Year 2019\* \*A Sunday Times paperback of the year 2019\* \*Selected for Stylist's The Decade's 15 Best Books by Remarkable Women\* A Sunday
