**Never Chase Men Again** - Bruce Bryans 2015-06-06

Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that make could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to "rebuff" undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple "Ego-Popping" phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. A dangerous and common dating mistake that FORCES a man to disappear or "log out" of a relationship...for GOOD. Foolproof dating rules for women (the "Nice Girls") who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more... Would You Like to Know More? **How to Get Hot Girls Into Bed** - Troy Francis 2017-06-12

This book has been over three years in the making. Three years of grinding it out in the trenches, approaching, dating, banging--and writing. This book is basically a download directly from my brain to yours of all my very most effective game, pickup and relationship techniques. Everything you need to know is in here, from how to approach her, to what to do on a date, to how to pull her home, to how to seduce her when she's there. If you want everything in one easy-to-read resource--red pill, day game, night game, Tinder and social circle game techniques, killer texting and dating advice, and laser-sharp insights into the current sexual marketplace plus how you can beat the system to bang the hottest girls--then this is the book for you. **How To Pull Hot Girls** is divided into three sections. The first is called 'Beginnings'. Here you can read all my freshest insights into the dating market. This is precisely the background you need--the red pill secrets that all the top players know that stop them getting eaten up and spat out by sexy girls. Why is dating so hard in the modern world? Is night game dead? Is Tinder worth it? What are the pitfalls of getting into a long-term relationship? What do girls these days want? Should you risk getting married, or commit to the life of a player. All of these questions and more are answered. The second section is all about 'Inner Game.' What exact personality traits and inner mental attitudes do you need to pull the hottest girls and what precisely to do you need to do to get them? It's all very well going out and approaching 1000 girls, but if you're not mentally prepared then it will be obvious to the women you interact with and you will get more blowouts than you do blowjobs. This section will give you all the tools that I use and that many of the best players in the world employ with great success. The third section, by far the longest, is all about 'Outer Game'. These are all the techniques that I use regularly when out and about picking up girls. In this section I really get down to the nitty-gritty in terms of what you should say, where you should take her, how to lead with confidence, and how to give off a sexual vibe without even opening your mouth. If you want an edge on the market then these are the insights you need. **How To Get Hot Girls Into Bed** is a compilation of essays on

red pill, inner game and pickup. It is not a step-by-step guide. If you want that you should get my first book *The 7 Laws of Seduction*. *How To Get Hot Girls* takes my concepts to the next level with really in-depth reflections on what it is to be a player and how to be truly successful as a pick-up artist. A lot of the content on this book originally appeared on *Return of Kings* and / or *realtroyfrancis.com*, so you may recognise some parts. However, everything has been edited and reworked to make it super-fresh and actionable. Also, the material has been carefully arranged to take you on a journey that will teach you everything you need to know about game. Finally, the book brings into one place a lot of diverse material, meaning that it's easily accessible and you don't have to hunt all over the internet for it.

Preface. "I'm a man and maybe this book is not meant for me", a male reader, as who writes, might think... nothing wronger! Here, finally revealed all the secrets thanks to which women seduce us, make us do whatever they want, in a few words, command us (but giving us the impression to be free...). "All this is written in one book?! Perhaps I may sneak a peak, then!"... well, we're getting somewhere! Not to mention the women readers, to which the ebook is aimed specifically: get ready to discover a lot of practical and real tips (and very often, really simple to realize!) to become masters of seduction, as you were born "seductress". *Flirting Tips for Guys* - Kevin Love 2015-03-17

The art of flirting is all about letting a person you fancy know that you are interested in her, without saying it openly. When done right, it is a choreographed dance where each person lets the other one know just how interested he is in getting to know the other, under the safety of it all being a game. If one person is interested but the other one is not, nobody is hurt because there never was a real proposition; it was all just a game. Flirting is a playground where a man and a woman can express their desire to pursue the acquaintance in hopes that it develops into a relationship or back down and leave things as they are. Flirting is a ritual based on communication, above all. But communication can take many forms, and flirting is, believe it or not, mostly a non-verbal form of communication. Most men get nervous when it comes to talking to a woman they have just met, they don't know what to say to her. But the funny thing is, you could spend a whole night flirting with a woman without ever having to say a word to her. Ninety percent of human communication is body language and the same applies for flirting. The most vital means with which to flirt are your eyes, and they are the ones that will always tell you whether a flirt is serious or just a game. So if you want to learn more how to seduce and charm any women then let "Flirting Tips for Guys: How to Charm, Conquer and Seduce the Woman of Your Dreams" teach you about: Secrets on How to Flirt Tips for Flirting with Nice Girls How Far Should Flirting Go?
