

# Husbands Wives And Sex How One Partner Alone Can Change The Dynamics To Renew Sex Romance And Intimacy

*Think Thin, Be Thin* - Doris Wild Helmering 2004-12-28

If you've been struggling with your weight, you know how hard it can be to lose those extra pounds and keep them off. In the groundbreaking *Think Thin, Be Thin*, nationally prominent psychotherapist Doris Wild Helmering and award-winning health writer Dianne Hales assert that the true key to a healthy body weight is a healthy attitude toward food and exercise. Their logic is simple: Your brain ultimately controls what you eat and whether you work out. If you change the way you think, you can change the way you behave. And you can lose weight. Using proven psychological strategies and scientifically based exercises, you will learn how to harness your thoughts to transform your behavior, body, and life. With practical advice on such troublesome issues as curbing emotional eating, motivating yourself to exercise, and overcoming diet plateaus, this book is the ideal complement to any diet and weight-loss program.

**Happily Ever After** - Doris Wild Helmering 1986-09-01

Shows how spouses can stop competing for control and attention, work together for a stronger relationship, and how to analyze a problem and think in terms of options

**Our Bodies, Ourselves: Menopause** - Boston Women's Health Book Collective 2008-06-16

FROM THE EDITORS OF THE CLASSIC "BIBLE OF WOMEN'S HEALTH," A TRUSTWORTHY, UP-TO-DATE GUIDE TO HELP EVERY WOMAN NAVIGATE THE MENOPAUSE TRANSITION For decades, millions of women have relied on *Our Bodies, Ourselves* to provide the most comprehensive, honest, and accurate information on women's health. Now, in *Our Bodies, Ourselves: Menopause*, the editors of the classic guide discuss the transition of menopause. With a preface by Vivian Pinn, M.D., the director of the Office of Research on Women's Health at the National Institutes of Health, *Our Bodies, Ourselves: Menopause* includes definitive information from the latest research and personal stories from a diverse group of women. *Our Bodies, Ourselves: Menopause* provides an in-depth look at subjects such as hormone therapy and sexuality as well as proven strategies for coping with challenges like hot flashes, mood swings, and night sweats. In clear, accessible language, the book dispels menopause myths and provides crucial information that women can use to take control of their own health and get the best care possible. *Our Bodies, Ourselves: Menopause* is an essential resource for women who are experiencing -- or expecting -- menopause.

*Everything Great Marriage* - Bob Stritof 2004-01-19

Brimming with helpful information and tips, *The Everything Great Marriage Book* can help bring harmony to any relationship.

**The Transformation of Intimacy** - Anthony Giddens 2013-04-23

The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

*Minutes of the Biennial Convention* - Lutheran Church in America 1968

**New York Magazine** - 1997-06-16

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*The Seven Principles for Making Marriage Work* - John Gottman, PhD 2015-05-05

NEW YORK TIMES BESTSELLER • Over a million copies sold! "An eminently practical guide to an emotionally intelligent—and long-lasting—marriage."—Daniel Goleman, author of *Emotional Intelligence* *The Seven Principles for Making Marriage Work* has revolutionized the way we understand, repair, and strengthen marriages. John Gottman's unprecedented study of couples over a period of years has allowed him to observe the habits that can make—and break—a marriage. Here is the culmination of that work: the seven principles that guide couples on a path toward a harmonious and long-lasting relationship. Straightforward yet profound, these principles teach partners new approaches for resolving conflicts, creating new common ground, and achieving greater levels of intimacy. Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem, whether dealing with issues related to sex, money, religion, work, family, or anything else. Packed with new exercises and the latest research out of the esteemed Gottman Institute, this revised edition of *The Seven Principles for Making Marriage Work* is the definitive guide for anyone who wants their relationship to attain its highest potential. *PRIME DEC JAN 2013-14* - 2013-12-01

**Couples That Work** - Jennifer Petriglieri 2019-10-10

Every couple wants a happy relationship and a meaningful career but how do we balance both? In *Couples that Work*, Professor Jennifer Petriglieri shifts away from the language of sacrifice and trade-offs and focuses on how couples can successfully tackle the challenges they will face throughout their lives--together. The book explores key questions like: - Can you and your partner have equally important careers or must you prioritise one over the other? - How can you juggle children or family commitments without sacrificing your work? - Does every decision require compromise or can you find solutions that benefit you both? Identifying common triggers and traps, and presenting engaging exercises to help you avoid and overcome them, this book will help every couple design their own unique way to combine love and work at every stage of their journey. 'Hugely insightful. All couples must read this now' Susan David, author of *Emotional Agility* 'Managing one career is hard enough; two often seems impossible. In this book, Jennifer shares what she's learned about how couples can not only survive but thrive' Adam Grant, author of *Originals*

**The Five Love Languages** - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A

Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Husbands, Wives & Sex - Doris Wild Helmering 1990

A noted psychotherapist offers a guide to renewing intimacy and strengthening the foundations of a marital relationship by changing the dynamics of the relationship.

**5 Simple Steps to Take Your Marriage from Good to Great** - Terri L. Orbuch 2015-10-27

Contrary to what you've been told, keeping a marriage successful does NOT take hard work! All it takes is making a few small changes over time. If you're feeling your good marriage is starting to show a little wear, zero in on those imperfections, right?WRONG! Focus on what's going well! Enhance the good aspects of your marriage and build on the solid foundation you already have. Dr. Orbuch debunks many common marriage myths and you'll find out who needs more compliments—men or women. Who falls in love faster—women or men? With engaging quizzes and checklists; easy-to-use tips; and new takeaways on compatibility, fighting fair, and relationship ruts, 5 Simple Steps to Take Your Marriage from Good to Great will give you perfect ways to say "I love you" and show you how to reignite the passion in your relationship. You'll find out why it's okay to go to bed mad and why you don't want to engage in kitchen sinking! The advice in this smart, entertaining book will help you put the excitement back in your marriage in no time, and you'll be amazed at how easy it will be. 5 Simple Steps to Take Your Marriage from Good to Great is based on the findings of a groundbreaking study directed by Dr. Orbuch, and funded by the National Institutes of Health. The study—of the same 373 married couples—began in 1986 and continues today. Dr. Orbuch is a professor, a renowned therapist, and a nationally recognized relationship expert known as The Love Doctor®.

Investing in the Health and Well-Being of Young Adults - National Research Council 2015-01-27

Young adulthood - ages approximately 18 to 26 - is a critical period of development with long-lasting implications for a person's economic security, health and well-being. Young adults are key contributors to the nation's workforce and military services and, since many are parents, to the healthy development of the next generation. Although 'millennials' have received attention in the popular media in recent years, young adults are too rarely treated as a distinct population in policy, programs, and research. Instead, they are often grouped with adolescents or, more often, with all adults. Currently, the nation is experiencing economic restructuring, widening inequality, a rapidly rising ratio of older adults, and an increasingly diverse population. The possible transformative effects of these features make focus on young adults especially important. A systematic approach to understanding and responding to the unique circumstances and needs of today's young adults can help to pave the way to a more productive and equitable tomorrow for young adults in particular and our society at large. Investing in The Health and Well-Being of Young Adults describes what is meant by the term young adulthood, who young adults are, what they are doing, and what they need. This study recommends actions that nonprofit programs and federal, state, and local agencies can take to help young adults make a successful transition from adolescence to adulthood. According to this report, young adults should be considered as a separate group from adolescents and older adults. Investing in The Health and Well-Being of Young Adults makes the case that increased efforts to

improve high school and college graduate rates and education and workforce development systems that are more closely tied to high-demand economic sectors will help this age group achieve greater opportunity and success. The report also discusses the health status of young adults and makes recommendations to develop evidence-based practices for young adults for medical and behavioral health, including preventions. What happens during the young adult years has profound implications for the rest of the life course, and the stability and progress of society at large depends on how any cohort of young adults fares as a whole. Investing in The Health and Well-Being of Young Adults will provide a roadmap to improving outcomes for this age group as they transition from adolescence to adulthood.

**The Sexuality of History** - Susan S. Lanser 2014-12-05

During the 17th and 18th centuries, as European cultures grappled with the challenges of emergent modernity, ideas about female same-sex relations became a flash-point for contests about authority and liberty, power and difference, desire and duty, mobility and change, order and governance. Exploring a wide range of texts from more than two centuries and multiple language cultures, this book argues for the significance of relations between women to the early modern social imaginary.

**The Love Dare** - Stephen Kendrick 2013

Presents a forty-day devotional of "dares" for parents, challenging one or both parents to understand, practice, and communicate Christ-like love to their children.

**Sociological Abstracts** - 2004

CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. The database provides abstracts of journal articles and citations to book reviews drawn from over 1,800+ serials publications, and also provides abstracts of books, book chapters, dissertations, and conference papers.

*Saving Your Marriage Before It Starts* - Les Parrott 2015-10-27

OVER ONE MILLION COPIES SOLD! With this updated edition of their award-winning book, Drs. Les and Leslie Parrott help you launch lifelong love like never before. This is more than a book--it's an experience, especially when you use the his/her workbooks filled with more than 40 fun exercises. Get ready for deeper intimacy with the best friend you'll ever have. Saving Your Marriage Before It Starts, which has been translated into more than 15 languages, is the most widely used marriage prep tool in the world. Why? Because it will help you . . .
