**Wild Pets** Amber Medland 2021-06-29 'Smart and funny... Wild Pets is an instant set text of the emerging canon of millennial fiction.' Guardian 'A wickedly funny and emotionally complex novel.' Jenny Offill, author of *Weather and Dept. of Speculation* 'An impressive, cumulatively powerful first outing.' Daily Mail 'A ripe and excellent debut... funny and smart and human and true.' Andrew O'Hagan, author of *Mayflies* Wild Pets follows Iris, Ezra and Nance in the years after university. They fall in and out of bed with each other, reread *The Art of War*, grieve the closing of Fabric and write book proposals on the history of salt, while submerging their nights in drink and drugs. Confronting adulthood with high wit and low behaviour against contemporary political and social turmoil, these young men and women seem to have everything going for them. So why are they still swimming desperately against the tide? A bold, honest novel, Wild Pets is about the fragility of mental health, power imbalances in friendship and sex, and creative ambition fused with destruction - and the lingering power of first loves.

**Homesick For Another World** Ottessa Moshfegh 2017-01-12 'Razor-sharp' Zadie Smith An electrifying, prizewinning short story collection from the Booker-shortlisted author of *Eileen* and *My Year of Rest and Relaxation*. There's something eerily unsettling about Ottessa Moshfegh's stories, something almost dangerous while also being delightful - and often even weirdly hilarious. Her characters are all unsteady on their feet; all yearning for connection and betterment, in very different ways, but each of them seems destined to be tripped up by their own baser impulses. The flesh is weak; the timber is crooked; people are cruel to each other, and stupid, and hurtful, but beauty comes from strange sources, and the dark energy surging through these stories is oddly and powerfully invigorating. One of the most gifted and exciting young writers in America, she shows us uncomfortable things, and makes us look at them forensically - until we find, suddenly, that we are really looking at ourselves. 'Moshfegh's writing is cinematic - vivid, immediate' TLS

It's about attitudes and behaving in a way that promotes the longevity of the relationship, whether newly formed or bonded for years and years. You might be searching particularly for some ideas on what you can do with your significant other while in a long-distance relationship. For example, practical and creative ways of bonding. You will find those tidbits in the second half of the guide. This guide, while written specifically for the Christian audience, is still inclusive for any other audience that might read it. While much of the information presented here come from and are reasoned with the Christian perspective, the advice is nonetheless practical whether you subscribe to the Christian faith or not. I invite you to stick around, for there might be something useful for you.
